St. Joseph High School

1995 Challenge Volume 37

"I know the road he chose for me is not the road he chose for you." I feel that this quote reflects the attitude of the Challenge staff. As a member of the yearbook staff for the past three years I have seen the school and it has changed so much, for the better in my opinion. Life is full of many interesting and unique experiences. So as you go through life I hope you will remember high school as the best four years of your lives. Everybody has a different outlook on the years they spend in high school. Each person has to choose what is right for them, even if it's not the path in life that your friend made or is going to make. The goal of the yearbook is to try to help you keep the many memories you created this past year. From seniors to incoming freshmen I hope you will treasure these thoughts, and carry them with you always.

Above: Sarah and Juliann take time out for a quick picture with the Grand Marshal Ruben Medina before the start of the parade.

Below: This was the senior's homecoming float. After four years their record ends 3-1.

Above: Homecoming Queen Jenny Fani must have royalty in her blood. She was prom queen last year.

Above: Bridget, Juliann and Amy are groovin' to the tunes of the Mama's and the Papa's.

Above top: The following were Homecoming candidates: Jenni Fani, Rachael Rush, Tracy Panasewicz, Robin Sabine, Kelly Petrusky, Joya Zamora, Jill Wasilevich, and Deanna Montavo. All of them deserve a round of applause, if not for the nomination, then for their radical outfits dude.

A Piece of the Homecoming Puzzle, the Senior Guy Skits.

Above: Jenny Fani, Rachael Rush, Tracy Panasewicz, Robin Sabine, Kelly Petruskey, Joya Zamora, Jill Wasilevich, and Deanna Montolvo, were the 1994-1995 Homecoming Candidates. They were introduced to the school during Senior Skits.

SOMETHING WORTH SAVING

The 1994-1995 school year has been something worth saving in our memories forever. Saint Joseph High School throughout the year has accomplished and established many things, from a new schedule to winning the state football championship. Last year a new class schedule and rotation was introduced. At first it was confusing, but as time went on the students got used to it.

In Sports, we won the first state football championship in the school's 37 year history. Also, with the addition of a new basketball coach it was a great season. The girl's basketball team almost made it to State once again. Piece by Peace St. Joe's is rebuilding it's athletic program. Proving once again that we are a strong and competitive force in the Metro Conference.

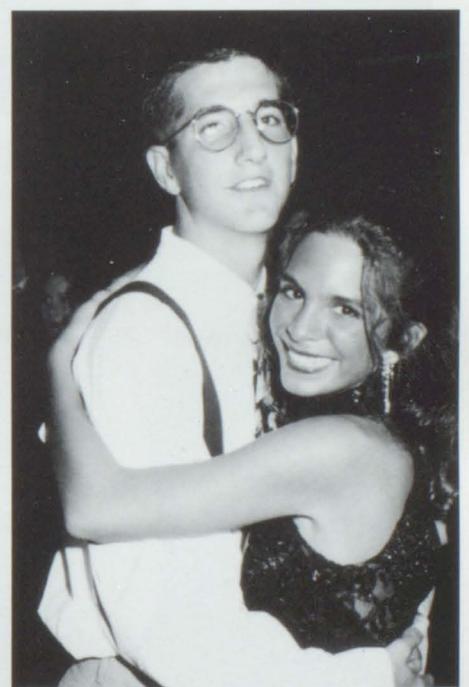

In classrooms, St. Joseph's High

School added many new faces to the faculty and staff. With their help we

should continue to preserve our long tradition of teaching and excellence. Once again classes are being offered that haven't been here in quite awhile, such Accounting and Architecture. The school is growing and yet we are still at peace with each other. The freshman class has become a big piece of the puzzle with a class of 160. Enjoy the yearbook...it is something worth saving.

Mr. Scott Seidl Leaves St. Joe's For the Bright Lights of Branson, Missouri

One of the most familiar phrases that has come from Mr. Seidl's mouth is, "Don't take it personally, just take it."

After 20 years of dedication, both performing and directing, Mr. Scott Seidl leaves St. Joe's for his chance performing professionally on the stage in Branson, Missouri.

Starting his career in the theatre with "Anything Goes," Mr. Seidl launched two decades of theatre work at St. Joe's. One of his most memorable plays was "Big River" which debuted in 1993. Mr. Seidl brought rain to the stage, and with that, "Big River" was the most spectacular spring musical ever to hit St. Joe's.

Mr. Seidl was more than a director. He was, and still is like a father to many that have come in contact with him. Mr. Seidl may have been rough, but he only wanted his performers to be the best that they could be.

Above: At the first performance of "Joseph and the Amazing Technicolor Dreamcoat" Mr. Seidl sports the lovely pair of headsets that save many people from missing their cues.

Top: Now, after years of dedication to this school, you would think that a wedding here would be unforeseen. Modeling in the lobby is the new Mr. and Mrs. Scott Seidl. To carry their dedication even further, they took S. B. I. on their honeymoon.

Above: We've seen Mr. Seidl talk to many different types of people (i.e. pirates, giants, dwarfs, egyptians) but no one has ever seen him talk to a dog! Mr. Seidl, a.k.a. Dr. Doolittle?

Striking a familiar stance, Mr. Scott Seidl talks to that day's audience consisting of grade school kids that came to see a musical here at St. Joe's. He tells them of all the hard work that the cast, crew, and band have put towards this production and how they appreciate their applause.

Right: Michelle Payette anxiously awaits the serve of her opponent to return for the win!

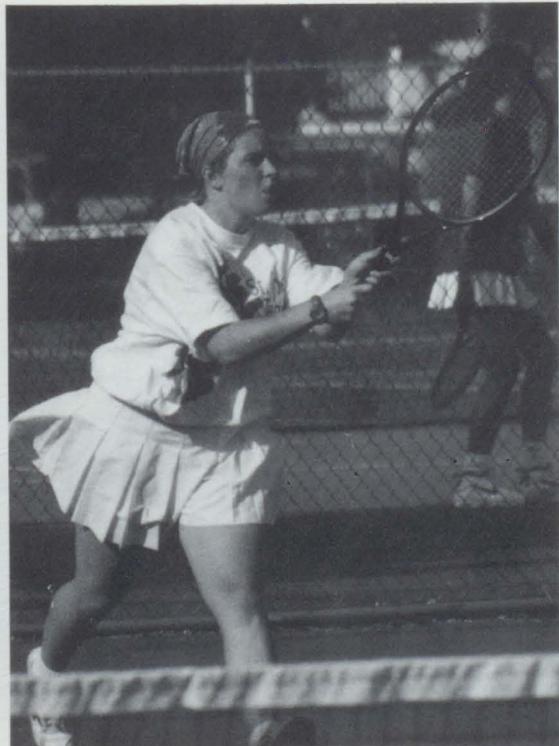

This year's tennis team had yet another outstanding season. Only three people out of a team of ten players were returning. Although the Lancers lost a lot of their experience they were still able to hold their own in the metro conference. This year's new coach, Anna Knight, was a great addition to St. Joe's.

Jenny Knight and Michelle Payette went to defend their state title. They returned victoriously with yet another winning trophy in their hands. St. Joe's is proud of the teams dedication and hard work. We are looking forward to a three-peat next year.

CROSS COUNTRY

A Puzzling Season

The cross country team had an incredible season. With the addition of a new coach and runners, the team improved greatly. Coach John Riggins is the new coach of the cross country team. He's a great coach, being very inspirational, encouraging, and dedicated. The team will be greatly improving through the years with him as the head coach. The team brought home their first trophy

in over ten years, won at the St. Francis Invite. The team has definite potential. Next season is hoped to be another outstanding season. Watch out, for our cross country team will be running down the competition.

Lancer's Find The Missing Piece

All The Way To State!

We asked the three captains "Do you feel the team has accomplished more than just a State Championship?"

Jerry Arnold

"The closeness I experienced with this team was like one I have never experienced before. We don't have any of the greatest players in St.

Joes history, however, we have the greatest team in the history of the school."

"The team has accomplished more than just a state championship. We experienced unity and togetherness, something never attained by any other football team here at St. Joes."

Jim Kenesie

"I feel that we accomplished a great deal of respect, pride for our school and for the community. I can honestly say that I will miss everyone

next year. My line said that I never thanked them, well I did and I will do it again. Thanks Guys! I love ya!"

Steve Mills

The Thrill of Victory

After 35 long puzzling seasons the 1994 Lancer varsity football team has won the first State Championship in the history of the school. This Dream team consisted of 11 seniors, which started out 0-9 two years ago.

After beating, St. Cat's and a win over Dominican, on Homecoming, the Lancers were ready for any action coming their way.

The long season ended up exactly where every player, parent and fan wanted it to, Camp Randall Stadium! Not just for an ordinary game, but for the State Championship!

Rocky Brings Missing Piece To St. Joe's.

This year St. Joe's varsity basketball team acquired a new head coach, Mr. Rocky Tirabassi. Coach Tirabassi used to coach the girls varsity, but now five years later has brought new life to the boys varsity team. The team has achieved new goals this season by beating Marquette High School and giving each opponent a run for their money.

Co-captains Mike Scuglik and Steve Schuler have been great leaders. The hot shooting streak of Steve Amelotte, the all around game of Eric Kenesie and the down low play of Andre Speed have made the Lancers succeed this season and of course, the depth of the bench has contributed to their success.

Above: Eric Kenesie and Rob Pitts anxiously wait, at half court, for a free throw at a crucial point in the game.

The 1995 tennis season was a strong rebuilding year. The Lancers finished only 2-14, but a lot of young talent makes the future look promising. The Lancers loose two seniors, Joel Wallen and Joe LaMacchia. First year coach Chad Zielinski made for a fun season. With his help, the St. Joseph Tennis Team made good improvements.

Track Lead To State By New Coach

The girls' track season was quite a success. The girls brought home the best you can get, the state championship title. The relay team broke the state record with the time of 1 min. 46 sec. This relay teams power running consisted of: Jenny Knight, Kathy Coleman, Krystal Coleman, and Beth Upham. That's not all, another state record was set by Jenny Knight, who broke the state record for triple jump with the length of 36'2". Jenny also still holds her state record for the high jump; 5'6", which was set last year. The other lucky winners of the team were Pam Coleman, who took first in the hurdles, and Kathy Coleman who took first in the long jump. The girls' track season was very exciting. St. Joe's is very proud of you and hope you have just as great a season next year as you did this year!

Two of St. Joseph's most vital clubs has to be student council and student ambassadors. This year student council has worked on some of the schools most important and successful events, The Blood Drive, Thanksgiving Food Drive, and the "ever popular" Winter Formal. All year long student council has worked to make our school the best it can be.

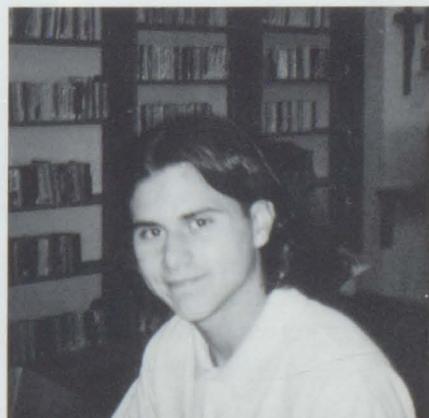

This year student ambassadors helped welcome the new freshmen students. They also participated in Freshmen Fun Day, where the incoming freshmen got acquainted with their new surroundings.

It's A Small World...

This year the students taking Spanish were given the opportunity to go to Mexico. They toured the ruins, went parasailing and had a great time. Julie Bosco was quoted as saying, "I saw some things on this trip I will never forget." The students who were able to go on the trip had a great time. Those students who did not go hope to go on the next trip.

This year the French classes had a new face guiding them. Mrs. Brenda Terp joined the faculty this year and is teaching the high school and junior high French classes. One addition that Madame Terp had added to St. Joe's is serving crepes at the open house. This was met with rave reviews and gave the nacho table some competition. The French classes are hoping to travel to either France or Canada next year.

Plant invades School

Little Shop of Horrors

Above: Seymour serenades Audrey II (Joel Wallen).

The musical "Little Shop Of Horrors" was a success. The theater was transformed into a street corner on Skid Row. The sudden but subtle appearance of the plant brought success to Seymour. The mysterious disappearance of Seymour and others was never solved. But the cast and crew had fun anyway. Everyone enjoyed the show. The crew did an excellent job on the scenery. Many thanks and appreciation to Mr. Seidl, the cast and crew for another incredible musical.

Sarah Dosemagen was this years Stage Manager/House Manager. Sarah earned her position by making sure everyone did their job, and by keeping people quiet in the make up room. Around the theater she's known as "Da Mama!"

Right: Tony Jenson and Brian Haberski were the counter weight operators. Amazingly enough, this was the first year that both of them operated them.

Sophomores Puzzle Over Class Unity

On February 20, 1995, the class of 1997 gathered on three buses and headed out to Bennett Lake for the Sophomore Sexuality Retreat. With the help of Mr. Coe, Sister Lois, and Mrs. Pillizzi they had a very enjoyable experience. Ms. McTernan and Mrs. Weiler also helped out during group activities. "We spent five hours bonding with each other, and getting to know our inner self. Father Jim kept our interest by telling many jokes and stories. He sang, prayed, and helped us in any way possible," said Colleen Kraus.

Even though there were no pictures taken on the retreat, we recognize the class of '97 in candid shots.

YOU CAN QUOTE ME ON THAT!

This is what some other Sophomores said made this retreat so memorable to them. **Melissa Voights** said, "I enjoyed putting on the skits that we took out of the Bible. I also liked going on hikes during lunch."

Joe Booth said, "The most memorable event had to be the fight in the cafeteria. That was the best!"

Finally, **Iris McBride** said, "I also enjoyed putting on the skits. I also enjoyed the all you can eat lunch that they served us. The food was really good!"

Freshmen Find Peace at Retreat

Freshmen Retreat was held this year at Benet Lake. Besides Mr. Coe and Sister Lois's supervision, we also had Father Jim. Father Jim talked to us about all of his experiences in Chicago. Aside from teaching, Father Jim also coaches a basketball team. Three of his basketball players came with him. They were all affiliated with a gang, and they shared their experiences with us.

Sergio Berrios said, "This information helped us a lot. Retreat was very educational, and fun at the same time."

Retreat not only enlightened the class of 1998, but also gave them something to remember.

Due to the fact that no pictures were taken on retreat, we will recognize the class of '98 in candid pictures.

I "YOU CAN
QUOTE ME
ON THAT!

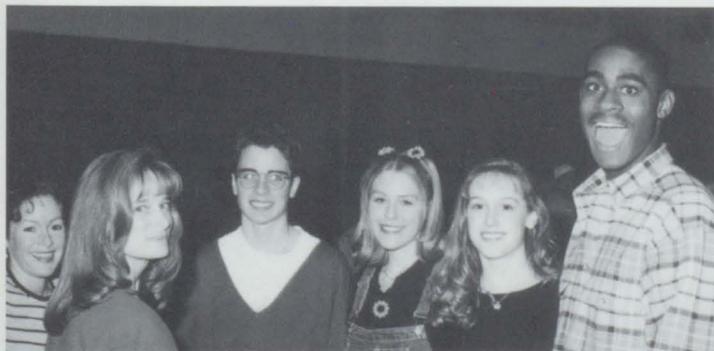

Some of Freshman wanted you to know how much they enjoyed retreat. **Alex Alvaran** said, "I liked how they shared their life stories with us."

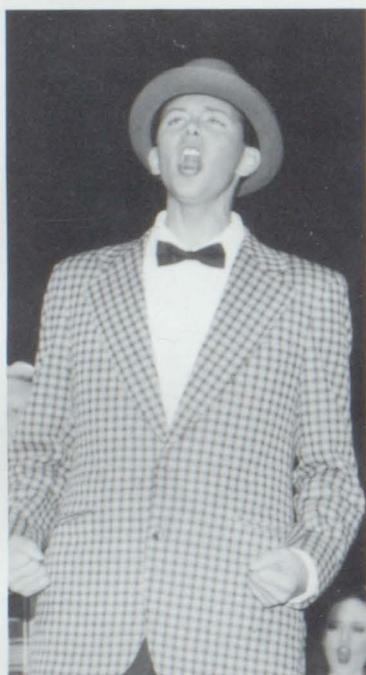

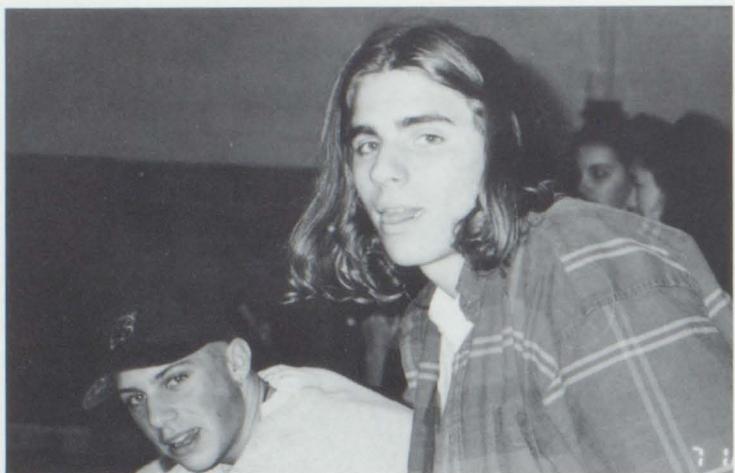

Sarah Bartlet said, "I enjoyed the free time with my friends."

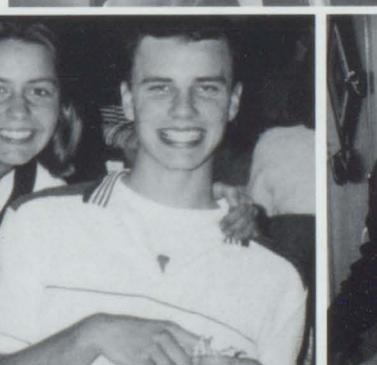

Clete Willems said, "The priest was really cool. I also enjoyed snowboarding with my friends."

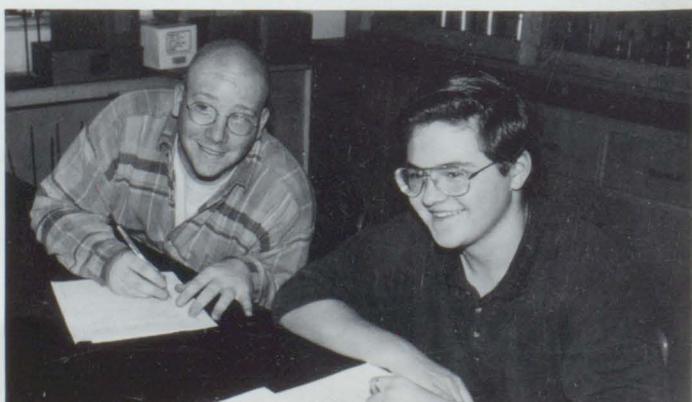

Josh Glascock said, "It helped me get in touch with my inner self."

Finally **Lindsey Kreutzer** said, "I really liked the priest, and the jokes he told were pretty funny."

Seniors Piece It Together On Retreat!

The Seniors had the chance to finally get to know each other, for who they are, and not by the stereotypes that we had put on each other since the time we were freshman. Not only was there time for reflection, but there was also time to fool around. One of the fun things we did on retreat, was walking through the woods in the middle of the night and hanging some of the guys boxers in the trees to get back at them for tormenting us.

SENIOR EXPERIENCE

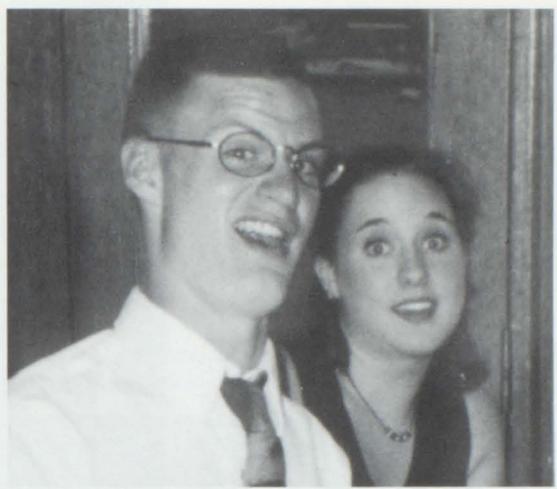

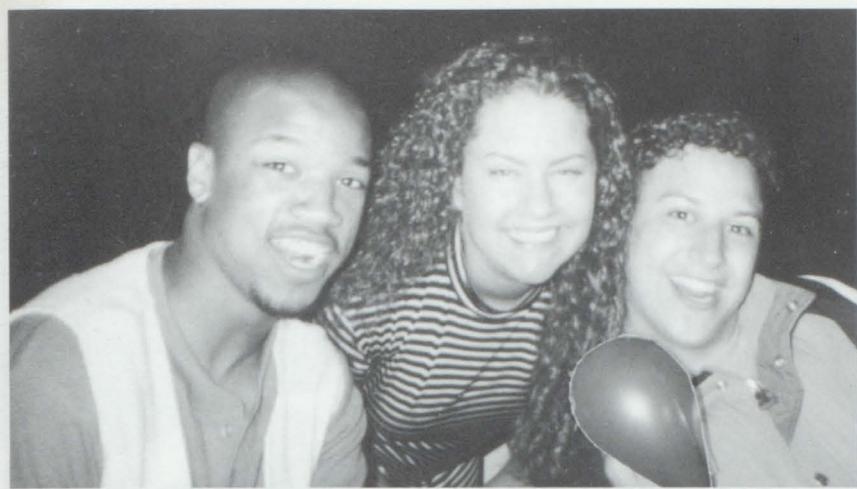

During Winter'um, the Seniors participated in Teens Live Christ. Mrs. Sandy Jensen found them placements which matched their needs and interests. There was a ceremony at school in which parents were allowed to bless and send their children out into the world. 78 seniors went out to different centers, churches, shelters, hospitals, and houses in Wisconsin and Illinois to help those in need. Students helped hospital patients, the mentally challenged, blind, and homeless people. Four students even performed janitorial duties. No job was too big or too small. Every student was provided with an opportunity and had a worth while experience. Sarah Dosemagen's experience with TLC grew into a fulltime volunteer position. The staff at Rehab West found Sarah to be a valuable part of their staff. This is the second year of TLC. Each year it becomes a bigger and better experience.

A Piece Of My Mind

We have finally come to the end of another school year, which means we are at the end of another yearbook. This is my last yearbook, after four years of frustration and work. There are parts of yearbook production that I will miss. Working with a great staff like I had this year makes leaving hard. We had a lot of ups and downs, but overall we have put together a great yearbook. I would like to thank those of you who brought in pictures for the yearbook. That helps more than you may realize. I would like to say good-bye to my staff and thanks for the hard work that many of you put into this book. I yelled a lot, but that is just because I know that you are all capable of great things. Thanks for coming through for me. A special farewell goes out to the "crew". You guys are a lot of fun. I will miss you.
