SPY

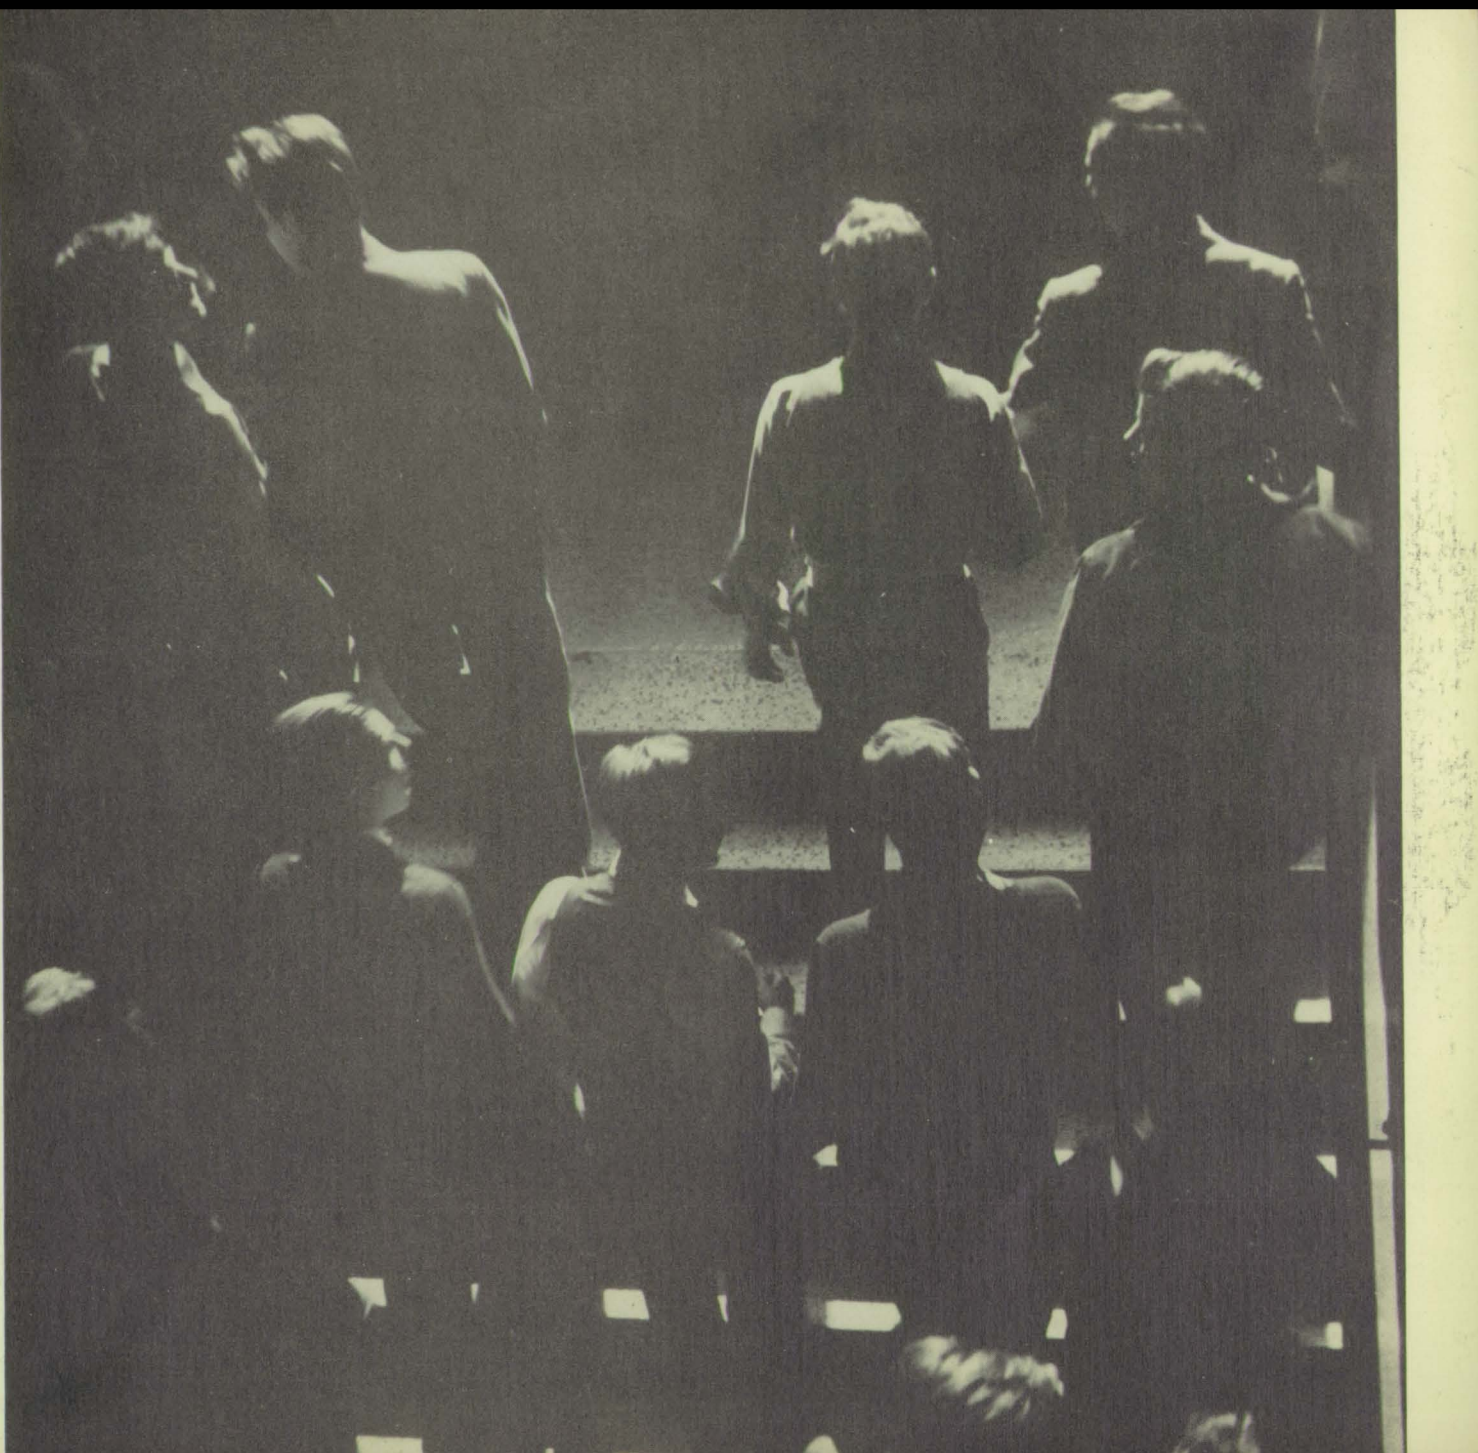

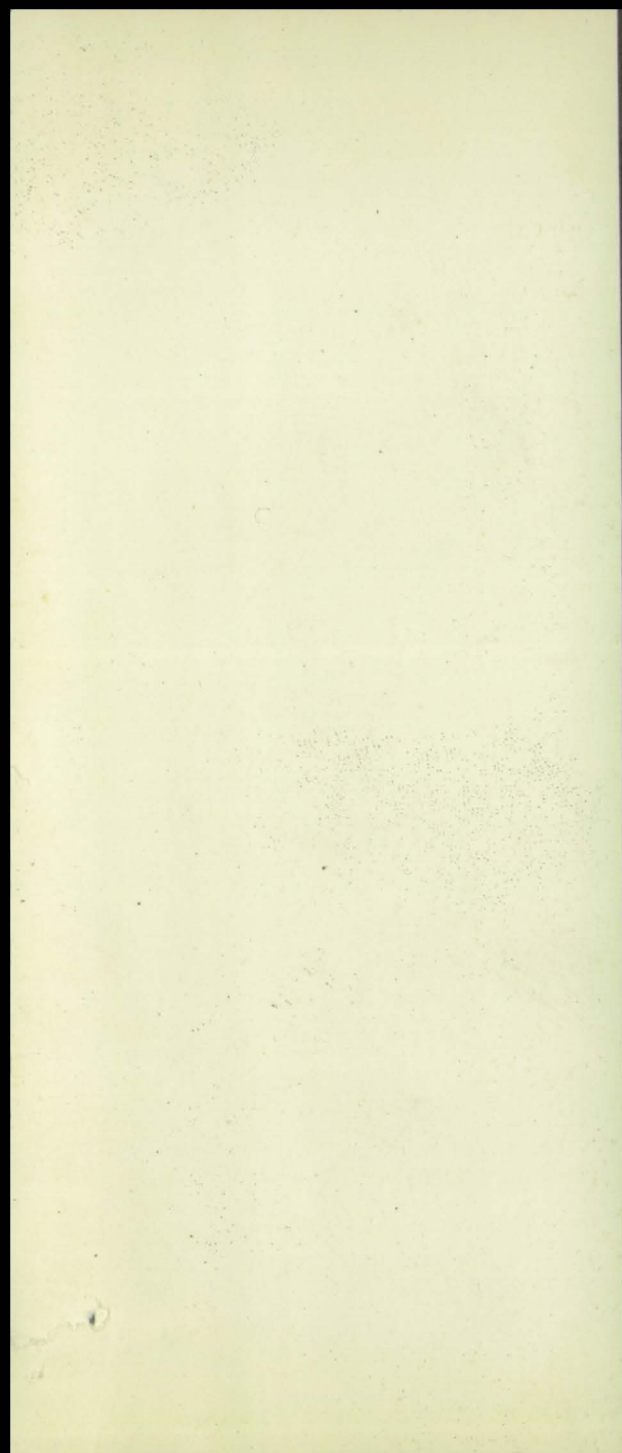

A black and white photograph of a school hallway. The hallway is lined with lockers on both sides. A person is visible in the distance, walking away from the camera. The lighting is dramatic, with strong shadows and highlights from windows at the end of the hallway. The floor is dark and reflective.

Brown,
Our hearts took a leap upside

And after three years—
Need I tell you, my dears?
She still is the toast of the town.

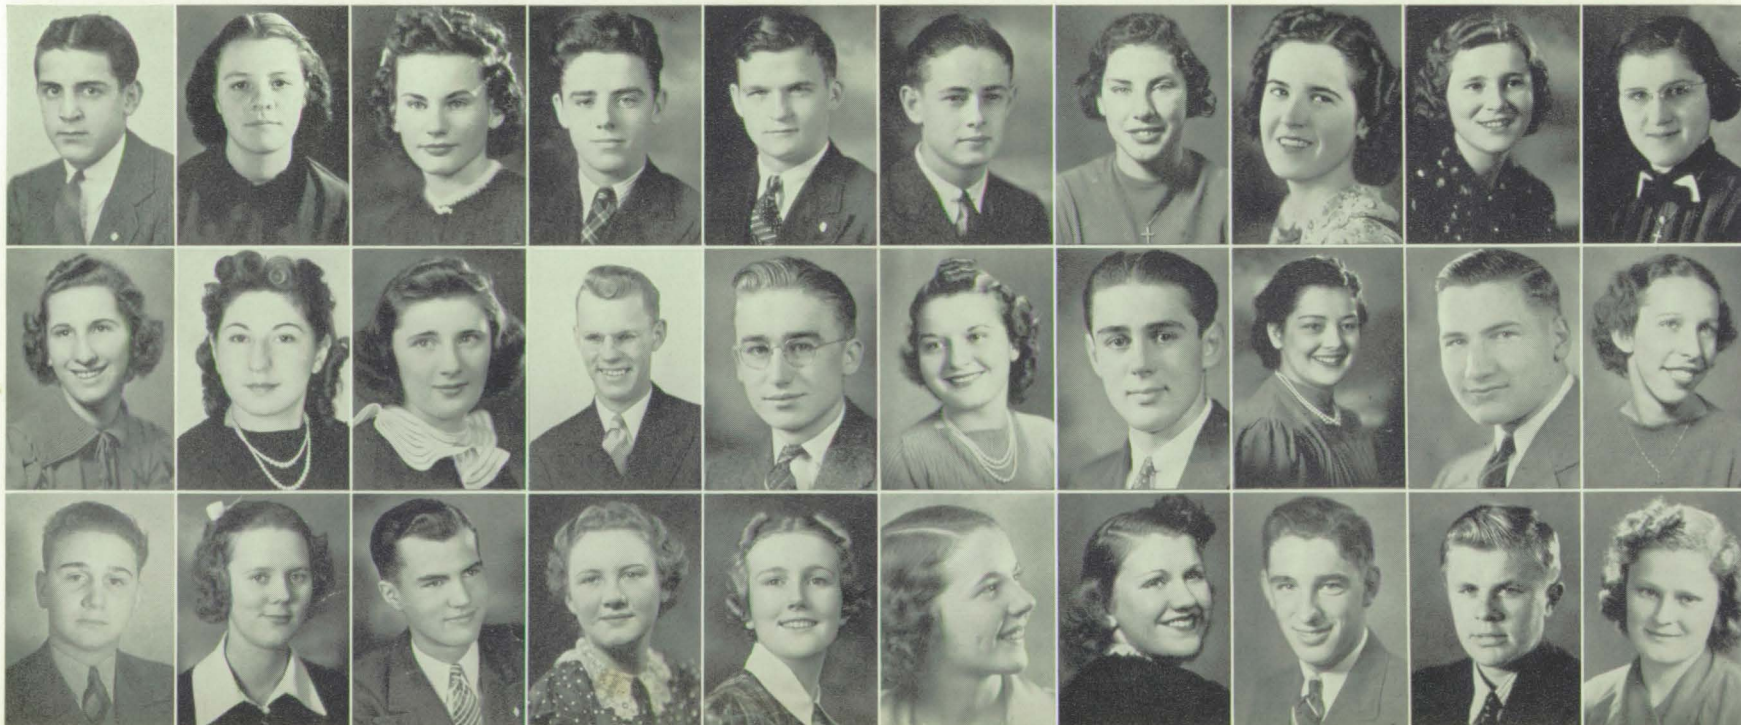

GERALD DOWE

 how.

"Does one girl excel others by far—

"Patriot, first of deed,

"Brilliant mind, courteous creed?"

"Dorothy Foster," said we, "is our star!"

GEORGE HANSEN
ALAN HANSON

That each month afford us new
thrills.

One is Ivy, one Hughes.
They are always good news,
For they're positive cure for all ills.

KATHRYN KEATING

EDITH LASSEN

Edith Lassen is clever and witty.
More than that, she is sixteen and
pretty.

She debates, writes, and reads.
I could mention more deeds,
But five lines is the length of my
ditty.

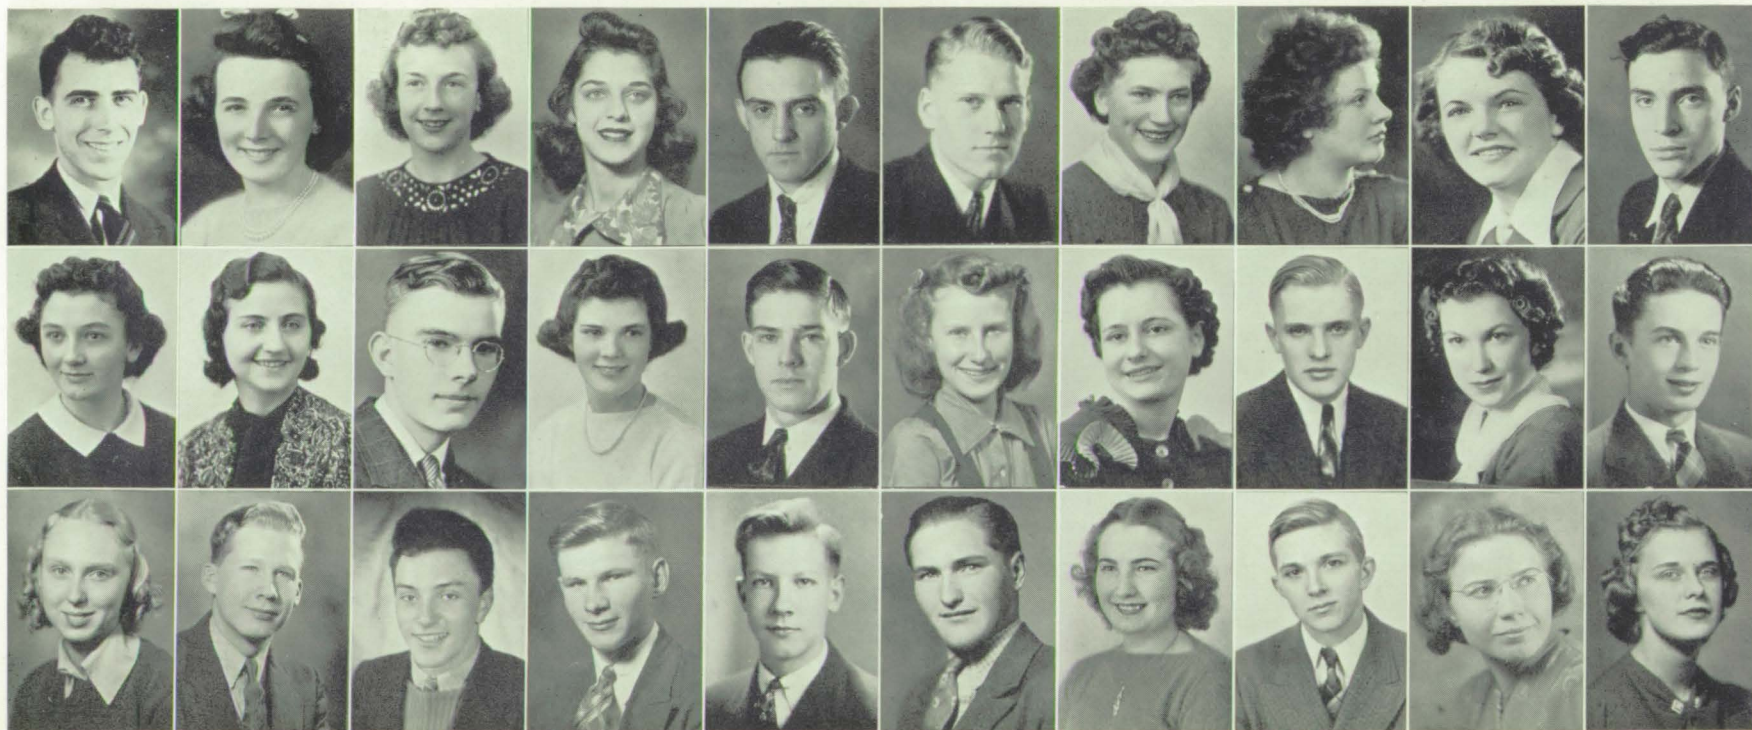

BETTY McNAMARA

She is lovely to look at and oh,
 She is lovely to talk to! And so,

 Deep blue eyes and dark hair,
 She'll be one bonny bride—that I

(Alas, this is true of so few-men!)

He has a grand voice,

Is the ladies' first choice:

He is known by the name of Bob
Newman.

WILLIAM RAFFERTY

Ev'ry girl thinks Bill Rafferty's

 To describe her completely to you,
 But she's ev'rything sweet

This year Kenosha High School has fallen heir to many benefits as a direct result of the concentrated activities of its club group.

The Pep Club contributed its money making talents to the drives for the electric scoreboard, the public address system in the Lake Front Stadium, and several dances. Service groups, in addition to the Pep Club, include the "K" Club, which provided cheer leaders with flashy jackets, the Hi-Y, Red Triangle, Junior Rotary, Franklin Printers' Guild, and the Esquire Club.

The musically minded members of the school were active in such groups as the popular Swing Band, which, under the guidance of Mr. Magaro, presented the annual Swing Concert, donated about one hundred dollars to the school movie fund, paid the greater part of the price of the school public address system, and played for all the school dances; the band, which, under Mr. Mason's direction, played at all football games and offered its eleventh Spring Concert; and the choral groups and orchestra, directed by Miss Minnie Larsen, who presented the operetta, *THE INDIAN LOVE CHARM*, and played for commencement and other school functions.

Our literary minded are represented in the *KENEWS* and *SPY*. Affiliated organizations include the Press Club and

Quill and Scroll, from which members are sent each year to the Medill Press Conference, sponsored by Northwestern University. This year the Quill and Scroll also sponsored a literary contest for aspiring authors.

The feminine contingent found refuge from the ever present male in the Girl Reserves, Girl Scouts, and the Sub-Debs. The Christmas party for under-privileged children and the annual Mother-Daughter Banquet of the Girl Reserves are outstanding examples of the activities of these feminine service groups.

Language groups include the French Club, Deutscher Verein, the Italian Club, Scandinavian Club, Latin Club, Spanish Club. These organizations hear lectures in their specific fields and present foreign language plays.

The DaVinci Club offers congenial company for those who are artistically inclined. An art contest and an outing to Chicago are the highlights of the DaVinci Club's year.

The most interested chemistry students inevitably wind up in the Seminar Club. Movies, demonstrations, and parties are the forte of this group.

So there they are. Something for everybody but the hermit—and even he may join a hermit's club.

IN MEMORIAM

Cora Fabricius

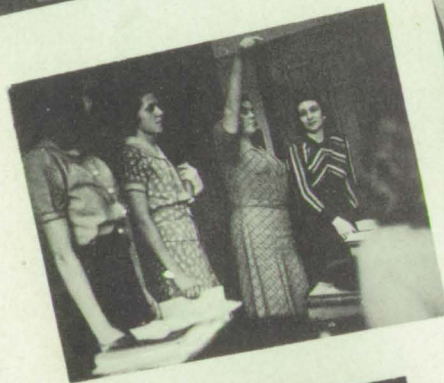

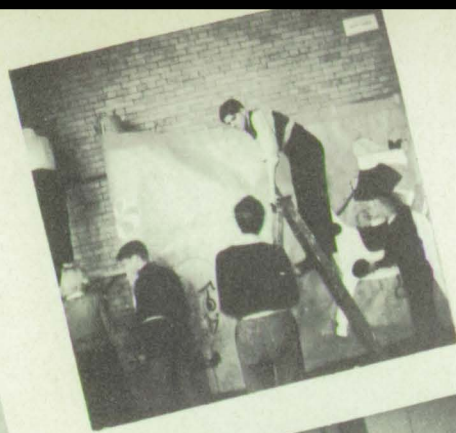

In the death of Cora Fabricius on August 12, 1938, Kenosha Senior High School lost a valued teacher, counselor, and friend.

As a teacher she had the scholarly habit of mind which led her to seek and set high ideals for her students—to show them the beauty, the law, and the order underlying the processes of nature and life.

As a counselor of youth, quietly and inconspicuously, she helped many a student to grow in love and understanding of nature and, by her tact and gracious sympathy, to learn to face life and its problems.

As a friend she brightened many a classroom with the blossoms from her well-kept greenhouse and followed with some, the lure of forest paths and country highways. In spite of her reserve and her own problems, she gave to some strength and comradeship and vision.

Late one afternoon last June, she who will walk no more in mortal form through the beauty of earth, walked through a solitary, rolling landscape of whispering grasses and spring flowers to a pleasant hollow, where she stood looking forth, with the sandy beach at her feet, at the sky and blue waves of Lake Michigan, bright in the warm sunshine. And to those who loved her, such an image keeps warm in the mind and heart a consoling and true memory of a steadfast lover of nature.

Remembrances

By Robert De Ridder

September

First day of school and the halls more crowded than ever with diminutive sophomores and full-grown juniors and seniors... Hopeful typists had an assembly to see Mr. Tangora, typewriter champion, give an exhibition of speed... Esquire Club gave first dance of the school year with the Swing Band setting a fast and furious tempo. Mildred Gatley went over big with her singing of "A Tisket; a Tasket"... High school orchestra elects officers, president, Earl Merritt, vice-president, Dorothy Jane Irving, secretary-treasurer, Monroe Zeitz... A sudden rush on the gumbook finished the month of September!

October

The whole school turned out on Columbus birthday to attend a pep assembly in the stadium. The students marched down 58th street in a body. The band played—John Davies acted as master of ceremonies—the football team made their bow—efficient cheerleaders led the crowd with savage yells. The homecoming dance! Lovely Queen Jean Harbaugh with her equally lovely attendants, Karla Balk and Dorthea Gray, received their gifts and smiled graciously upon the admiring looker-onners... Eugene Hopkins, student pianist, thrilled a sophomore assembly... Jerry Keitel completed a fantastic statue in the modern manner... At a senior assembly the silent screen star, Miss Juanita Hansen, gave a lecture revealing the evils of marijuana and dope... The Board of Education passed a law forbidding the riding of bicycles on school property.

November

After school a swing show called the "K" Club Follies was presented. The walls fairly shook with thunderous applause. Mildred Gatley and Elmer Smith sang, supported by our loyal Swing Band, and the blended voices of four males were also heard. But music wasn't the only entertainment! A chorus of eight did a little dance. Many would have considered them graceful, but the audience were disillusioned by eight pairs of brawny, hairy, muscular legs!... At an Armistice assembly held for the seniors, the program started with some stirring, martial airs by the high school band. Mary Nolan, Bette Congdon, Dorothy Turner, and Bertil Peterson gave readings appropriate to the day... An enormous crowd showed up for the first S. C. A. dance of the school year... Nineteen members of the Da Vinci Club toured Chicago.

December

Miss Minnie Larsen and Miss Laura Steffen produced a combination operetta and pantomime ballet, with 100 students taking part. Soloists were Ruth Blaim, Lenore Kostack, Mildred Bjorn, Anne Cernak, Eva Gelsone, Angeline Ventura, Eva Wilmot, Donald Schmitt, Frank Gelsone, and George Graham... High school students taking part in the "Hollywood Premiere" at the Gateway were Ray Diehl as Tyrone Power; Bette Starr as Greta Garbo; Bette Congdon as Alice Faye, and Frank Gelsone as Tony Martin... A junior assembly enjoyed a swing revelry with comics and an impersonation of "Tizzy Lish" by Vernon Anderson... A dignified spectacle was the Prom. Leisurely dancing and gracious manners played an important part in creating an atmosphere of soft toned culture. Streamers dangling from the ceiling, panels on the wall decorated with figures

and articles as in "Toyland," and pink lights on the display of beautiful formals made the Prom a scene never to be forgotten.

January

A fascinating liquid air demonstration complete with unusual experiments was on the entertainment program for a sophomore assembly. Mr. Elliott James was the lecturer... "Jane Eyre," the class play, was given January 18-19. All actors and actresses carried out their roles in a professional manner and upheld the prestige of our school in the acting field... Commencement. A period in our lives that we work towards and yet when we reach it—we are sad to go.

February

"The man without a country," Mr. George Elias, spoke to a senior assemblage. He told of experiences with the Russian army, difficulties in foreign countries, and the peacefulness of America. His speech was humorous at times and held attention... The new robes were worn for the first time by the A Cappella Choir before a student assembly. The occasion being Washington's birthday, the national anthem was included among the numbers... Alan Hanson, student actor, starred in a Little Theatre production of "Ah! Wilderness" directed by John Davies. All members of the cast were grown-up, except Alan... Coach Waldorf of Northwestern gave an interesting football talk and showed moving pictures of his team in action. The pictures were shown at an all-boys' assembly.

March

A talk on the French colonies in Africa, including Morocco, Algeria, and Tunis, was given by Mr. Glen Smith before members of the French Club. Mr. Smith traveled through Africa a few years ago... On March 22-23 the Swing Band concert took place. All feet were a-jiggin' and all fingers a-snappin' in time to the music of the band. Sweet, sentimental swing and crazy rhythm shared the spotlight... Our debating team, consisting of Edith M. Lassen, Russell Chase, Robert Newman, and Howard Gorseger, tied for first place in the state high school debating tournament. The prize, besides a trophy, a trip to Hollywood to debate against teams from other states.

April

Mr. Morris, a university extension lecturer, gave a most interesting demonstration, called an electrical stuntfest, before the senior group... The S. C. A. night dance took the "gals" and "guys" minds off school work for a night, and "a good time was had by all"... Acting Warden Burke of our state prison gave a lecture before an assemblage of sophomores. Students got a first-class view of prison life... The spring concert of Kenosha High School gave music lovers a treat. Among the musical selections sung by the robed A Cappella Choir was a 15 minute rendition of the concert version of the opera, "Martha." All groups made pleasurable appearances... Orators, dramatists, and other students interested in speaking presented the annual Forensics recital.

May

Mr. C. L. Mason conducted his annual band concert on May 3-4. The novelty effects and numbers were greeted with much enthusiasm by the audience... At the German Club's open meeting a one-act German play was presented, and German folk songs, much enjoyed by club members, were sung.

"So sad, so fresh, the days that are no more."—Tennyson

Football Games of 1938

OCTOBER 1, 1938

Kenosha 0 — Janesville 7

Unable to take advantage of the breaks which came their way, Kenosha was turned back by the Janesville team. Although outplaying and outclassing their opponents, Kenosha failed to utilize a setup which was given them when Sartell, Janesville fullback, fumbled a punt on his own 5 yard line. Dobbins, fleet-footed end for Kenosha, recovered the ball. This gave Kenosha their one chance for a score. However, they lost the ball on downs on the one yard line. Ralph Cone passed 28 yards to Kellog, who raced 5 yards for the only score of the game. Sartell booted the extra point.

The loss of Bill Hughes, star quarter-back, who was injured in practice, was a great disadvantage.

OCTOBER 8, 1938

Kenosha 0 — Madison Central 6

Led by the flashy negro halfback, George Dockery, Central tripped Kenosha in a one-sided battle. Kenosha, giving all, they were unable as in the previous game to capitalize on their breaks. They piled up a huge total of 19 first downs compared to 4 for Central. Kenosha had possession of the ball during most of the game. Only when Dockery had run and passed the ball down the field to the one yard line and Loniello went over for the score, was Central in possession of the ball. Bill Scholz, sophomore quarter-back, replacing injured Hughes, starred in the game. His accurate passes accounted for a great deal of the yardage. Bernacchi co-starred on offense with his yard-gaining plunges.

OCTOBER 15, 1938

Kenosha 0 — Madison East 7

Before a homecoming crowd of about 2,000, Kenosha attempted to drag itself out of the cellar. For the third straight time the team went down in defeat. Madison East, a mediocre team, scored their lone touchdown when, after a march of 32 yards, Stevens sprinted around end and passed the goal line unmolested. The point after the touchdown was good. Falduto, Sparkplug of Red Devils, ripped off 45 yards down the sidelines at the start of the game. However the threat ended when a Kenosha man fumbled. Scholz and Bernacchi again starred. "Turk" Richards proved himself a human powerhouse with his consistent blocking. The linemen turned in a laudable performance. Bob Bernacchi was lost for the rest of the season when he broke his shoulder during the game. His loss was greatly felt by Coach Dicks.

OCTOBER 22, 1938

Kenosha 0 — Racine Park 0

A new Kenosha team, sparked on by star quarterback Bill Hughes, held a highly favored Park team to a scoreless tie. Hughes, unable to play in the first three games because of a serious leg injury, led his teammates in a hard fought battle. He ran; he passed; he picked the right plays; in fact, he did everything right. In the spotlight right beside him stood Dave Byrd, colored speed artist and broken field runner, who time after time, sliced off large gains. Coach Dicks was entirely satisfied with the way the line held up. Truly, this was the hardest fought battle of the year.

OCTOBER 28, 1938

Kenosha 0 — Beloit 26

An all-star Beloit team smothered Kenosha in an avalanche of touchdowns. Gromes, high scorer of the game, led the attack with three tallies while his teammate, Dooley, scored one. Kenosha's only bid came in the second quarter when the fighting Redmen blocked a punt by Demos and recovered on the 30 yard line. Unable to hold their luck, they had to give up the ball on downs.

Gerhard Roemer was the outstanding player of the game. He held down the center position of the line. He broke up plays, threw the Beloit backfield for losses, and was the main-stay on defense.

NOVEMBER 5, 1938

Kenosha 12 — Racine Horlick 0

For the first time this year Kenosha broke into the scoring column. Tired of defeat, the hungry Red Devils feasted on a supposedly strong Horlick team. After the game was started, Kenosha received a punt on the 47 yard line of Horlick. Hughes immediately called for a pass. Pietrick received the ball from center and, spotting Hughes out in the center of the field, unfurled a "bullet" pass. However it was intercepted by a Horlick player, who, before he could start to run, was tackled by Hughes. The ball flew from his hands into those of Harry Stephens, end, who sprinted the remaining 30 yards, dodging the whole Horlick team. This was the FIRST TOUCHDOWN of the year. The point was missed.

The second touchdown came after the trio of Hughes, Byrd, and Orgish, young, flashy sophomore, smashed the Horlick line for 27 yards. This placed the ball on the 5 yard line, and from here Orgish stumbled over the goal line. Again the point was missed.

NOVEMBER 12, 1938

Kenosha 6 — Madison West 32

A SALUTE TO A FIGHTING TEAM, KENOSHA. They went down in defeat for their fifth time, but they fought every minute. They held West scoreless during the first quarter but were unable to cope with their fast, tricky plays. The score quickly rose to 32-0. Wham!! Kenosha suddenly came to life. This was late in the fourth quarter. Having possession of the ball on Madison's 25 yard line, they passed right down the field to the 3 yard marker. Here Byrd smashed the line for the necessary yardage and consequently the score. The point was missed.

A SALUTE TO A FIGHTING TEAM, especially the GRADUATING SENIORS. Too much cannot be said about the team in general. The seniors are the following: Harry Stephens, Kent Dobbins, Dick Ramlow, and Blair Bonell, ends; Milan Haines, Bertil Peterson, and Eugene Hansen, tacklers; Bill Shawaluk, guard; and Gerhard Roemer, center, all capable linemen.

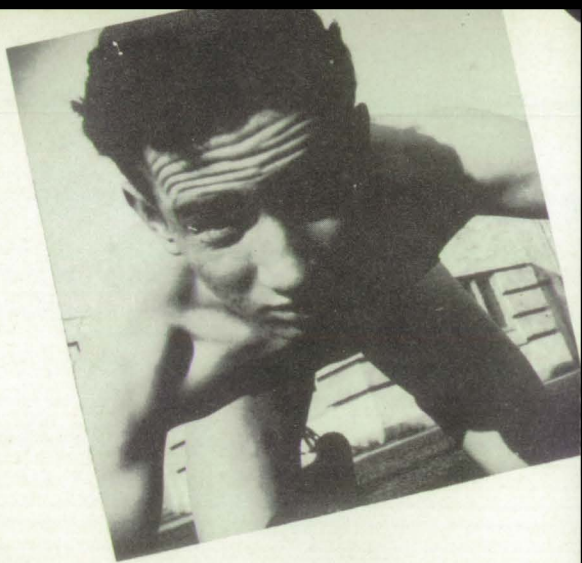

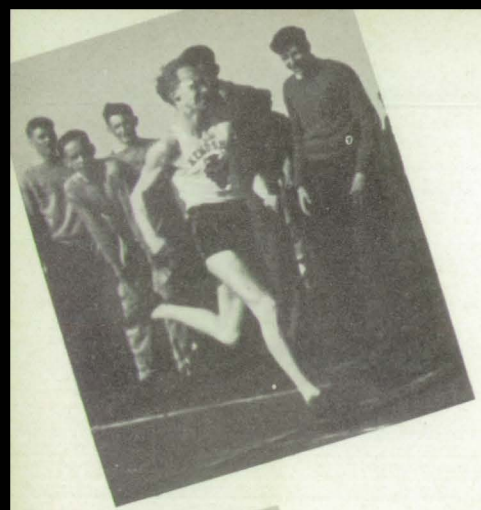

In the backfield are Captain "Turk" Richards, blocking half; Stanley Pietrick and Bob Bernacchi, fullbacks; and Slingin' Bill Hughes. All future "ALL AMERICANS".

The outstanding man of the year was Hughes. Although he was hampered by a serious leg injury at the outset of the season, Bill sparkled in the remaining games. His choice of plays marked him as an expert quarterback. His passing and running far surpassed the ordinary. He's headed for stardom in one of the well-known universities.

Top row, left to right—Cronin, Lentz, Dentecostelli, Lundskow, Collins, Bierdz, Rover, Goodman, Lehman, Stone, Capadarco. Second row from top, left to right—Piehl, Nunke, Davies, Falduto, Mann, Heller, Orgish, Scholz, Sawicki, Brnak, Bonell. Third row from top, left to right—Manager Berkley, Pulara, Polamin, Zeltinger, White, Manager White, Vandenberg, Kloet, Haines, Sakaras, Pallamolla. Bottom row, left to right—Ramlow, Hansen, Peterson, Bernacchi, Richards, Hughes, Roemer, Kraak, Dobbins, Stephens.

Track Resume

Of all the sports on Kenosha High School's program for the 1938 season, track was the most successful.

The Red and Black won all of its dual meets and climaxed a brilliant year by taking second place in the Big Eight Conference's annual track and field carnival.

How they did this provides an interesting story. Kenosha opened the season by edging out a strong Waukegan team 60-54 with the final outcome in doubt up until the last event, the relay, was run. A feature of this thrilling meet was the winning of all three places in the pole vault by Kenosha.

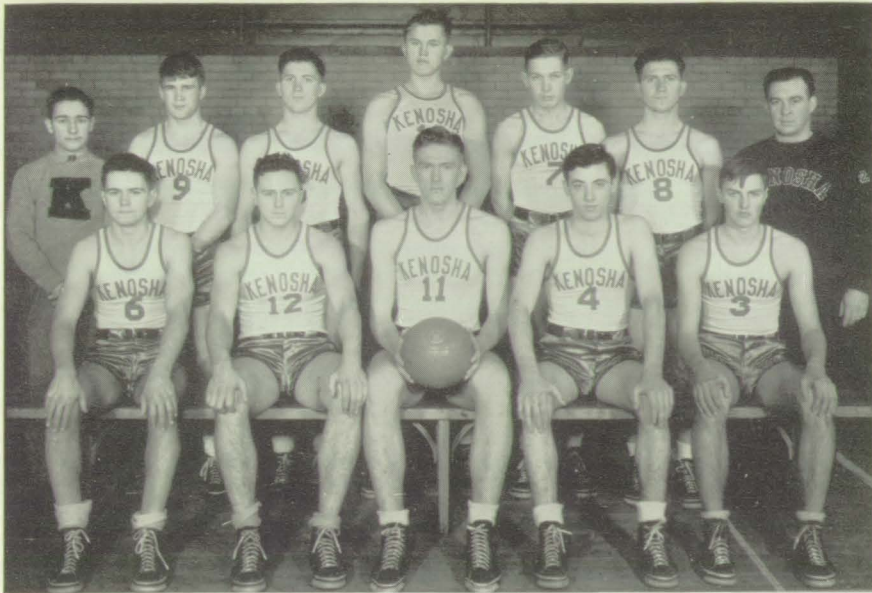

After their shaky start the Red Fliers steadied down the following Friday and romped to an easy win over the Alumni. The latter team was captained by Wayne Van Lone, former K.H.S. sprint star and Big Eight dash champion, and consisted of such former Red Devil greats as Jim Mitchell, 440 specialist, Harley Herbrechtsmeier, miler, John Buchnis, high hurdler, and Gordon Anderson, low hurdler. But inactivity and Father Time took their toll, and all, save Mitchell and Herbrechtsmeier, lost to their younger rivals. Frank Falduto, who was never beaten in dual competition, led the Red Fliers to victory by scoring impressive wins in all of the dash events.

Kenosha's high flying track and field team added Racine Washington Park to its growing list of victims the next week. William Huntoon gave the spectators an added thrill by winning the half mile in record breaking time. He clipped :06 off the former mark of 2:13, making the time 2:07.

The final curtain was rung down on Kenosha's dual meets for 1938 when the Red and Black defeated Racine Horlick. In winning this meet Kenosha took first place in five events and added a majority of seconds and thirds.

After disposing of her dual rivals in handy fashion Kenosha entered the Big Eight Conference's annual track tourney and came out with a hard won second place. Janesville captured the coveted title with 43½. Beloit landed in third place, followed by Madison West in fourth.

Big Ed Karpowicz provided for most of the Kenosha points by winning the high hurdle crown and placing high in the high jump. Others who contributed to the Red Devil success were Lester Thompson, third in the quarter mile, and Bill Huntoon, third in the half mile.

1938-1939 Basketball Games

DECEMBER 2, 1938

Kenosha 30 — Sheboygan 26

Off to a whirlwind start, the Red Devil quintet tripped a speedy Sheboygan team in a game packed full of spills and thrills. Leading 18-7 at the half, the Red Devils, confident of winning, loosened their defense. Before they were able to tighten up again, the scoreboard read 26-24 in favor of Kenosha. However, because of the few minutes which were left in the game, the Sheboygan giant offense was stopped short. Bert Peterson, 6 feet 5 inches of power and precision, dropped in 20 points. Hansen tallied 4 points.

DECEMBER 10, 1938

Kenosha 10 — Racine Horlick 13

Unable to get started, the Kenosha Red Devils were held back in an extremely sluggish game. Bert Peterson again dominated the game for Kenosha, making all the points except one. Nevertheless he was well guarded by Repa, lanky center from Horlick. The first quarter showed only 3 charity tosses, the score being 2-1 in favor of the visitors. At the

half Racine held the advantage with an 8-6 edge. However, in the early few minutes of the second half, Kenosha tied the score 8 all with a beautiful hook shot by star center Peterson. Kray and Peterson both sank free tosses, but Horlick retaliated with 2 field goals and a free toss. The game ended thus.

DECEMBER 16, 1938

Kenosha 19 — Madison West 25

Jinxed by the inability to make all their free throws, Kenosha was nosed out in a highly spirited game by Madison West. West, hailed as a decided favorite, was forced to play its best. Bert Peterson again was the outstanding player. His 7 points meant much to Kenosha's score. Kray and Hansen each had 4 points, while Karpowicz and Kasputis had to be satisfied with a field goal apiece. Out of the 19 fouls called in the game, Kenosha received 9. They made 3 and missed the last deciding 6. So far this season Peterson has scored 36 points, just about three-fourths of the total points made by Kenosha thus far.

JANUARY 6, 1939

Kenosha 22 — Madison East 16

Lacking the pep of the previous week, Kenosha outlucked a sluggish East team, their first win in the Big Eight. Peterson handed in his fourth all-star game. He scored half of the points made by Kenosha. The game was slow and was marked by many foolish blunders. The score seesawed back and forth until the game had lagged into the fourth quarter. Then as the end drew near, Peterson flipped in 3 field goals giving Kenosha a 6 point lead. Bill Rafferty, silent guard, shone on defense. He continually broke up plays and was the main cog in keeping the East machine from getting near the basket.

JANUARY 13, 1939

Kenosha 35 — Janesville 17

For the first time this year the team clicked on every move they made. The unbeaten Janesville team met a defeat which was defeat. Kenosha jumped to a 10-0 lead in the first quarter. From then on it was easy sailing. Peterson flipped in 14 points, while Kray and Karpowicz were credited with 5 and 8 points respectively. Kray and Rafferty sparkled on defense while Pawl, sub-center, showed great ability in the pinches.

JANUARY 21, 1939

Kenosha 19 — Racine Park 21

Due to the lack of a keen eye, Kenosha lost to Park in a close sluggish game. Neither team showed good defense or offense, and both appeared to be off when shooting. Peterson, the marked man of the game, was unable to score except for 4 charity tosses. He was well guarded by two robust Park men. Kray and Hansen each had 4 points, while Karpowicz had 3, Rafferty 2, and Hughes and Pawl 1 each.

JANUARY 25, 1939

Kenosha 35 — Beloit 24

Showing rare form, class, and speed, Kenosha trounced a highly favored Beloit five. Karpowicz proved himself to be a great man both on offense and defense. Hansen and Peterson were high scorers. Hansen flipped in 9 points and Peterson 11. Kray was hot with his 5 points. Because of graduation, Bert Peterson, leader of the Big Eight scorers, will be lost to the team in the remaining games.

FEBRUARY 2, 1939

Kenosha 25 — Beloit 31

Kenosha was lost without their chief pointmaker, Peterson. To add to their grief, Chuck Demos, who was out the first semester, had joined the Beloit team and coined 12 points, which won the game. Rafferty, lanky forward, led his teammates with 6 points. Pawl, tall center, who filled the place left vacant by Peterson, made the scoreboard register 4 extra points with his basket and 2 free throws. Kenosha never threatened the lead which Beloit held. However, they tried valiantly.

FEBRUARY 10, 1939

Kenosha 17 — Madison West 15

The crowd roared loud and long when Becker, a reserve, drew a bead on the basket in the closing seconds of the game and flipped the ball in without the least hesitation. The score had been tied until Becker's basket pushed Kenosha into a 2 point lead. Hansen, flashy ballhandling forward, was high for Kenosha with 7 points, while Kray was credited with 4. The game was dull until the last quarter when both teams broke loose with a series of red-hot shots.

FEBRUARY 17, 1939

Kenosha 24 — Horlick 25

Kenosha was unable to tag along with Lady Luck and thus came out on the wrong end of a 25-24 decision. Lanky center, Pawl, hit the scoring column for 12 points, and Karpowicz clicked in 4. Kenosha held its 1 point lead until 15 seconds remained. Then Horlick by means of a fast out-of-bounds play sank the winning basket.

FEBRUARY 24, 1939

Kenosha 25 — Madison East 31

We have on our squad one of the deadest eyed basketeers in the Conference. They call him Dead-eye Kray. No matter where you put him on the floor, he is able to sink a basket. Some call it luck, but luck doesn't last for a whole season when one plays some of the toughest teams in the state. In this game which Kenosha lost, he sank 11 points. He has been consistent throughout the entire season. Besides his shooting, he is a scrappy fighter. This game was short of being good, but it had its thrills.

MARCH 3, 1939

Kenosha 22 — Racine Park 9

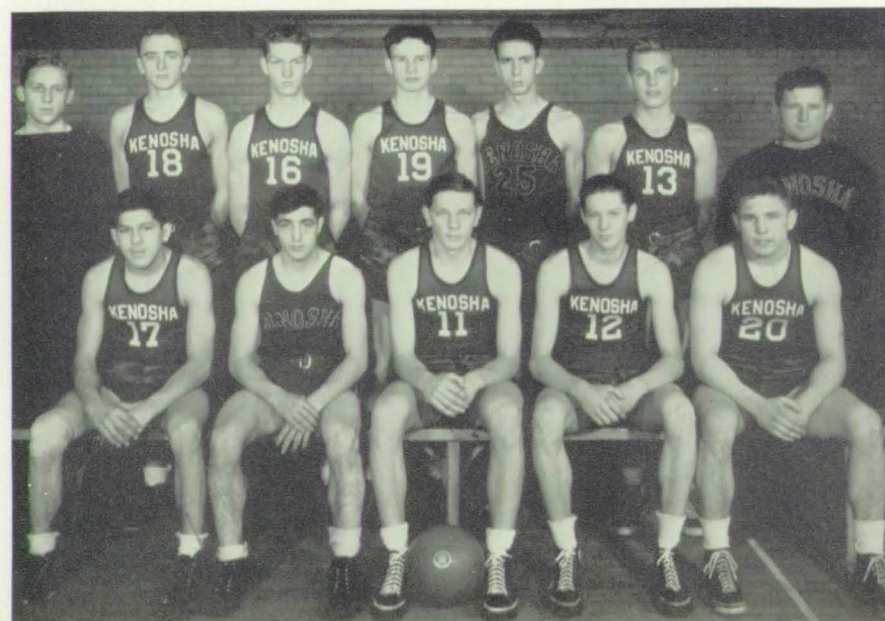

Kenosha set a Big Eight defensive record when they held the lofty Park team to 2 field goals and 5 free throws. That flashy dribbler, Kray, stole the show for the second time. He was credited with 8 points, Hansen and Pawl following with 6 each. Due to a severe "Charley horse" Bill Rafferty, regular forward, was unable to play. However, Kasputis handled his position very well.

MARCH 10, 1939

Kenosha 28 — Janesville 41

Closing their season for the year, Kenosha lost to Janesville in a tough luck battle. Ed Karpowicz was unable to play. George Pawl was having hard luck with his rebound shots, and the whole team just couldn't make their accurate shots stay in. However, Pawl was able to bag 10 points, while Hansen nabbed 7, Kray 5, and Becker, Kasputis, and Wasil Polanin, 1 each. We got off to a bad start this Conference season, but as the season progressed, we toppled some of the leaders. You can keep your eyes open for next year's team. They're fast and fighters.

Bowling

Girls who are interested in bowling have the opportunity to participate in the game once a week. They are organized into about twelve teams of five girls each.

Trident

The Trident Club is composed of girls who are especially interested in swimming, diving, and life saving. Certain requirements must be fulfilled before joining, however. The girls must pass standard tests, swim eight lengths of the pool, swim three strokes in good form, and dive well. They must pass a speed test of one length of the pool in 20 seconds.

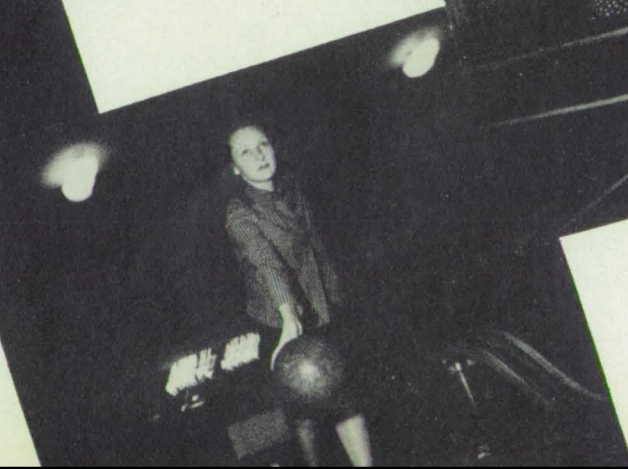

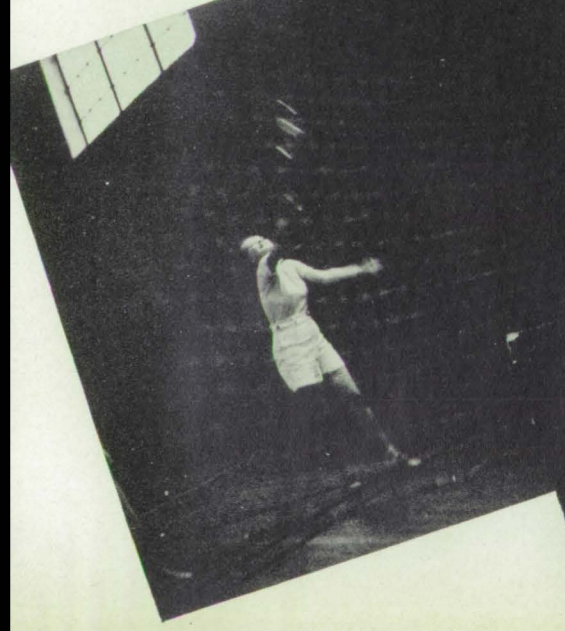

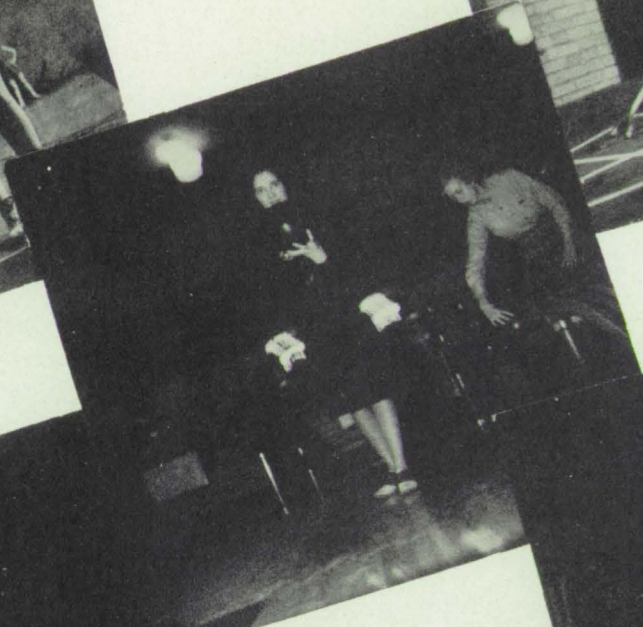

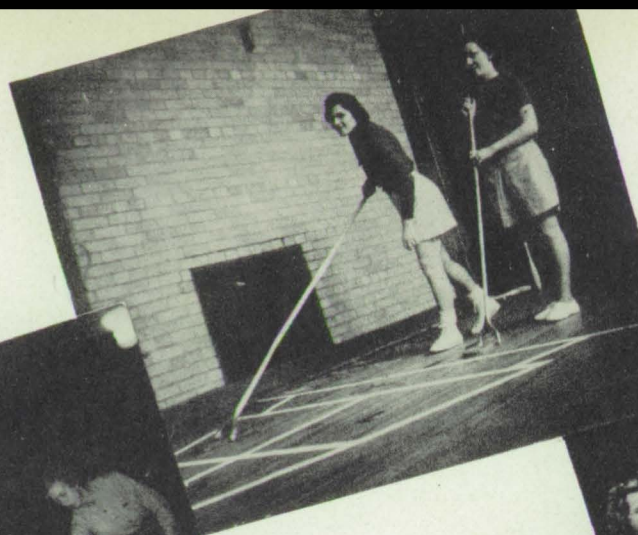

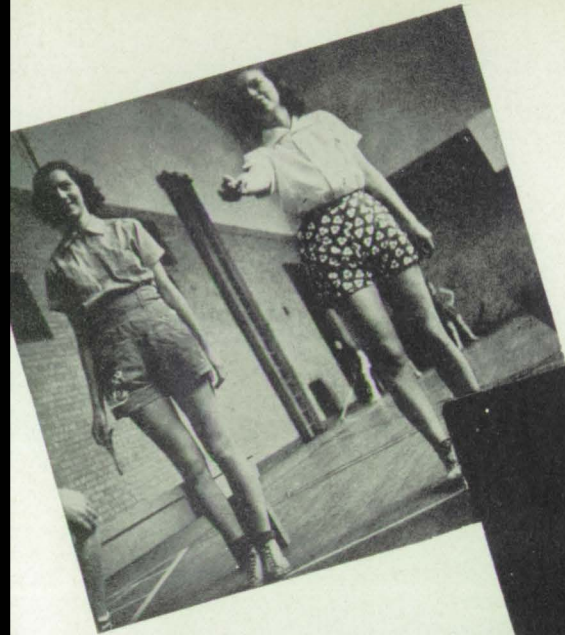

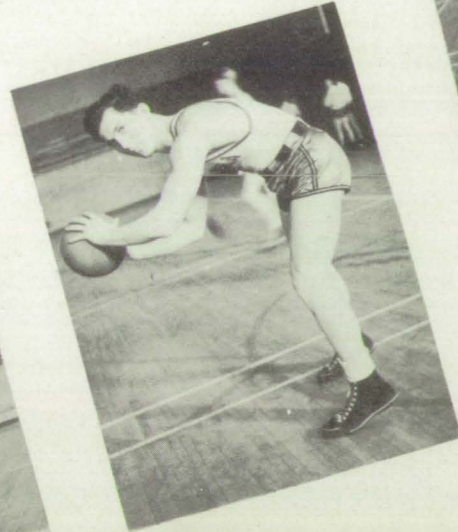

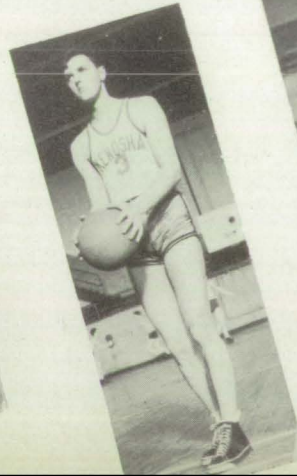

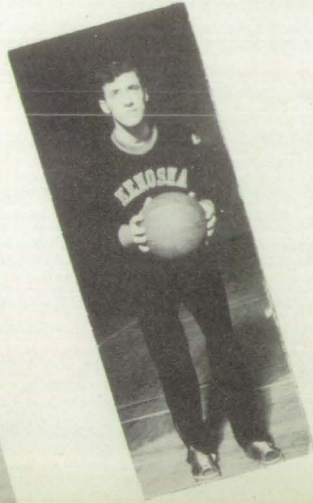

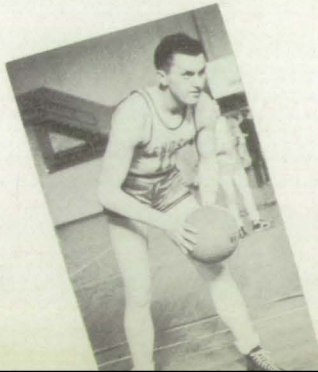

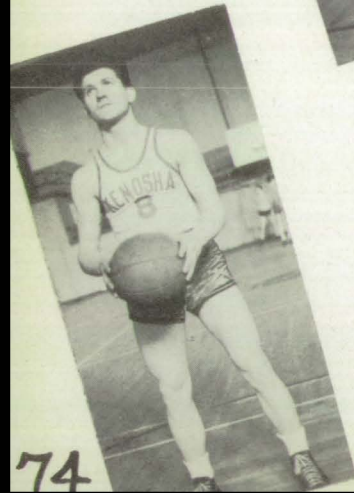

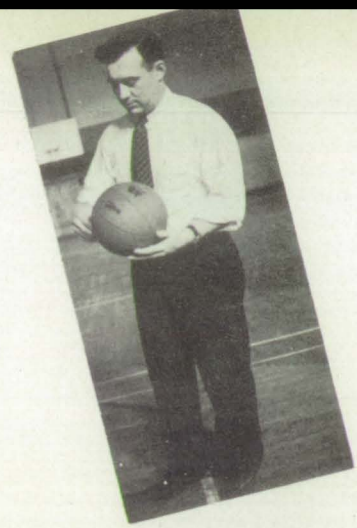

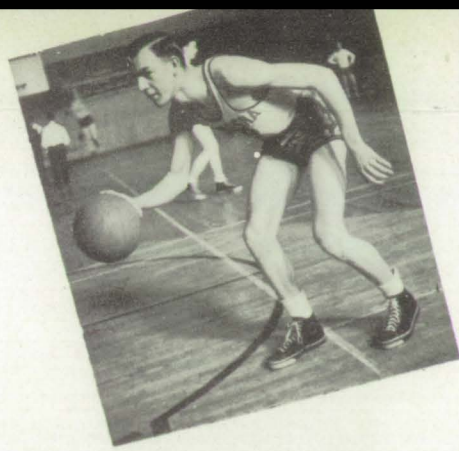

Individual Games

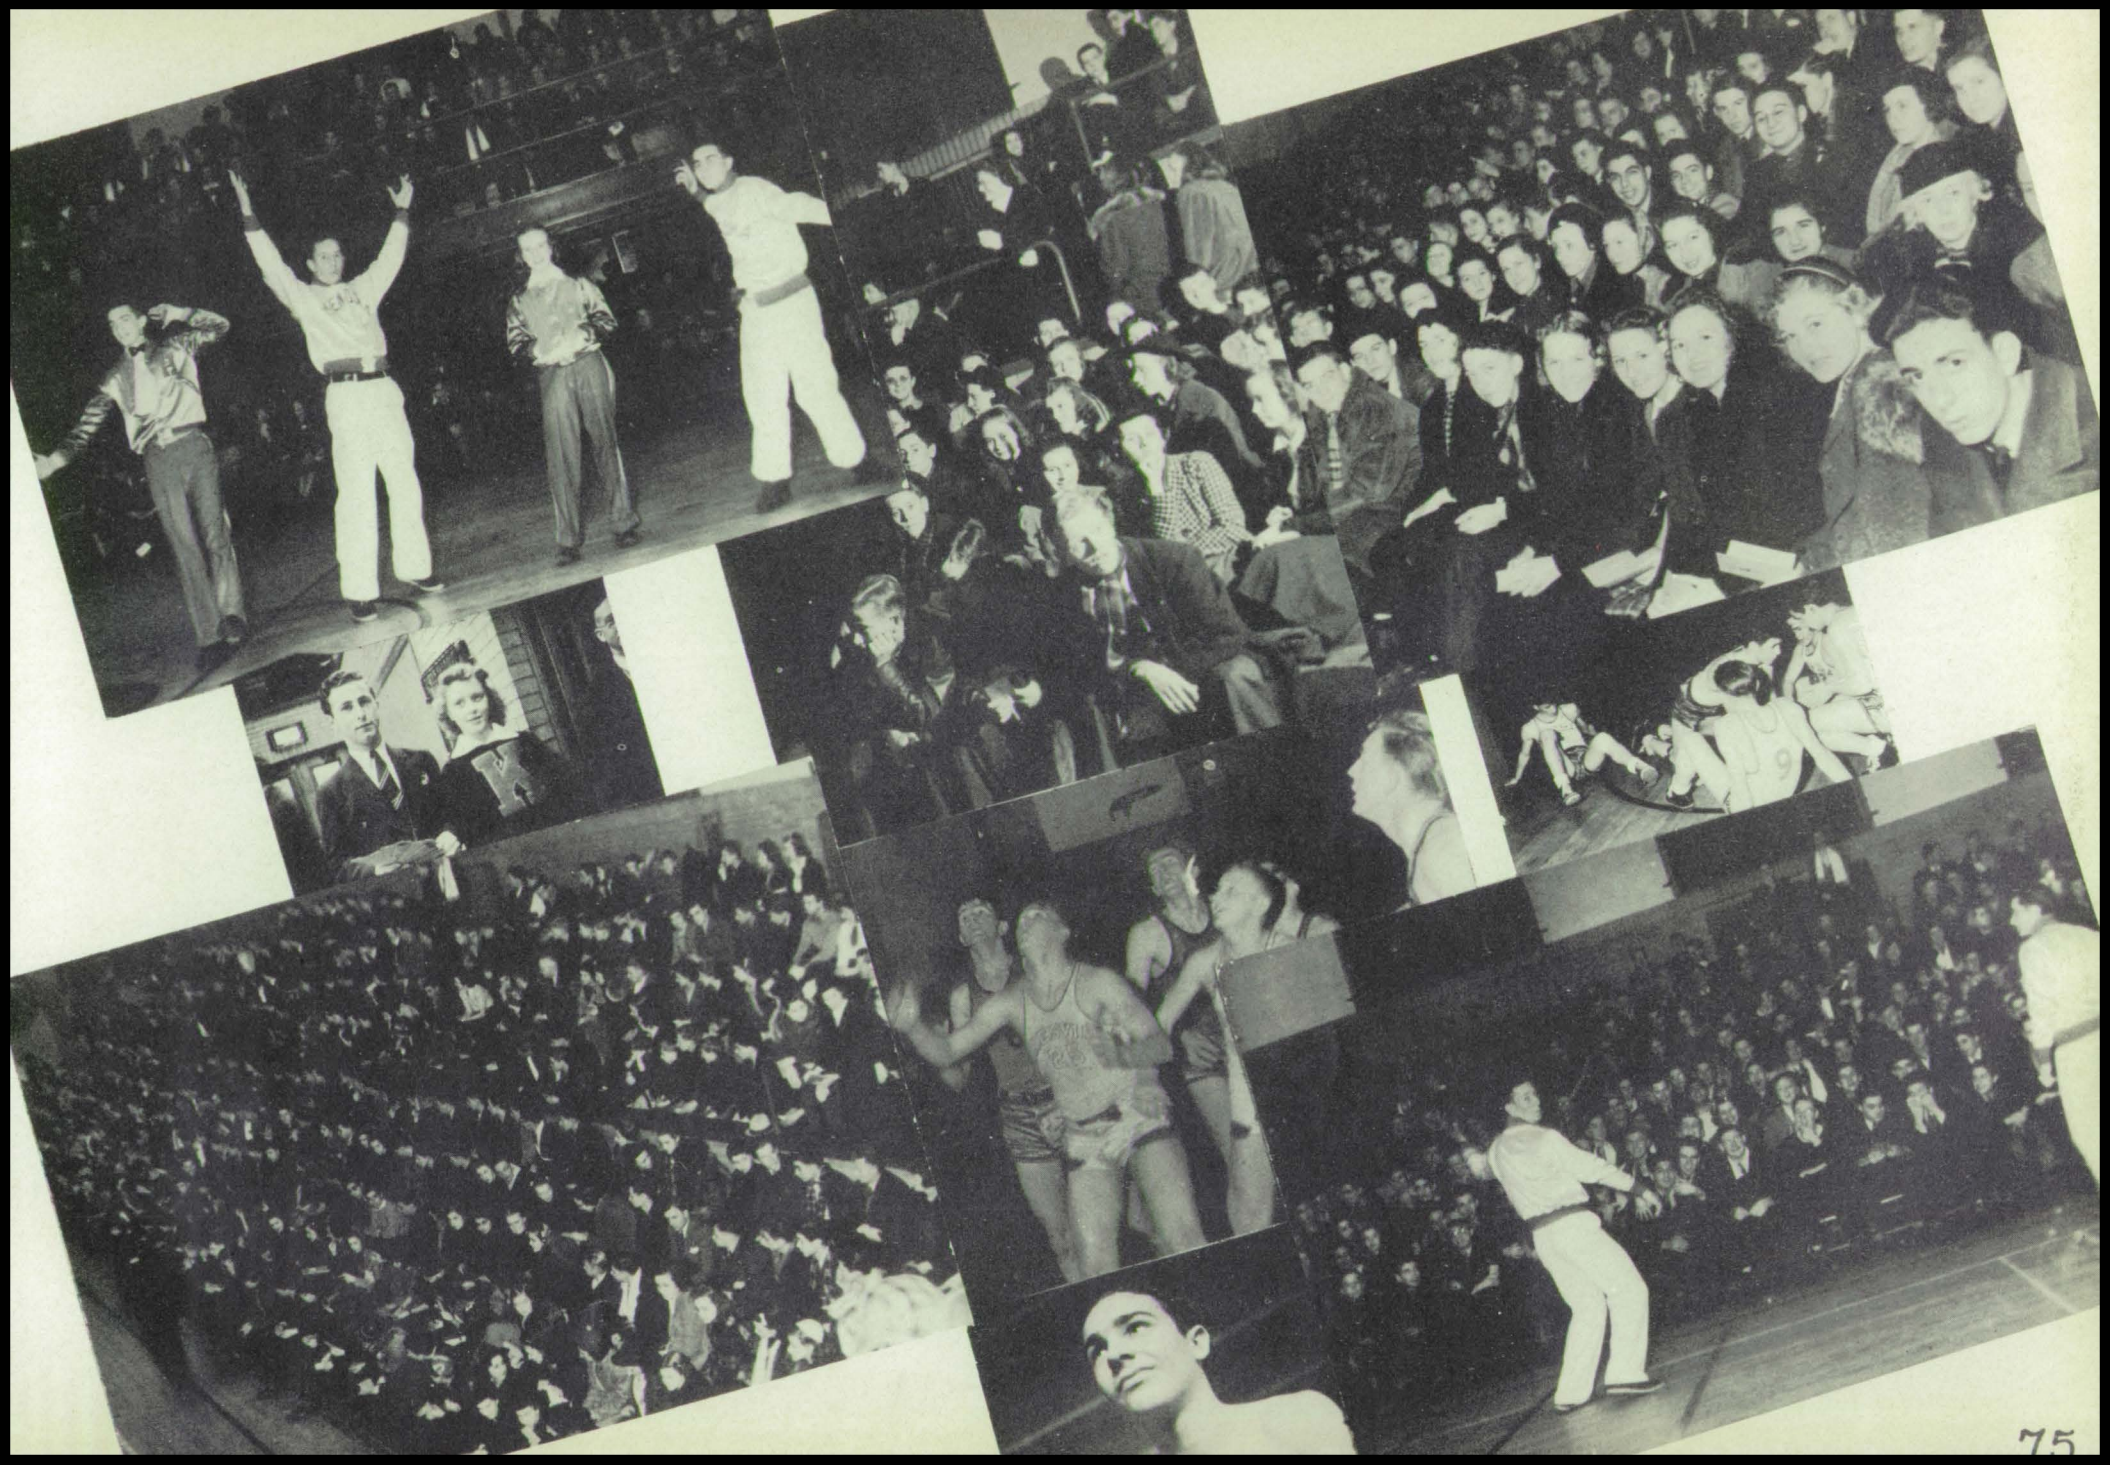

Instead of a more vigorous form of athletic activity, some girls participate in individual and group games. These girls play shuffleboard, dartball, a mild form of golf, and horse shoes.

Girl Scouts

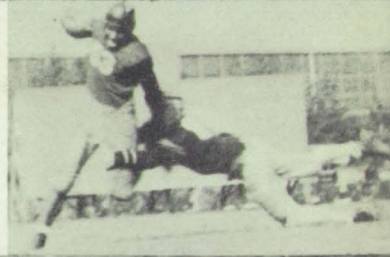

A new program has been introduced in Scouting, wherein the girls choose one specialized group in which to major. Various units include vocational guidance, literature and dramatics, plays and games, outdoor activities and mariners. These groups, although under one main head, operate on different nights and under individual leadership.

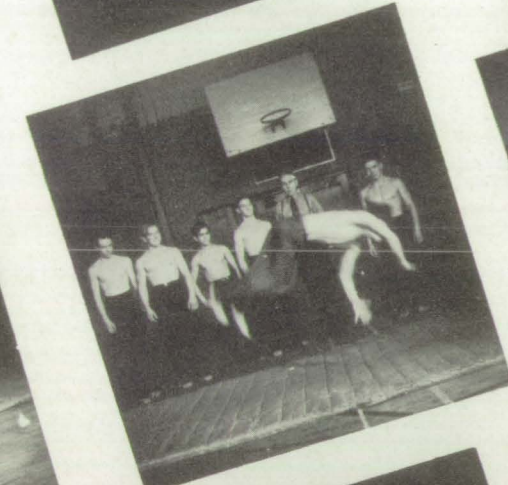

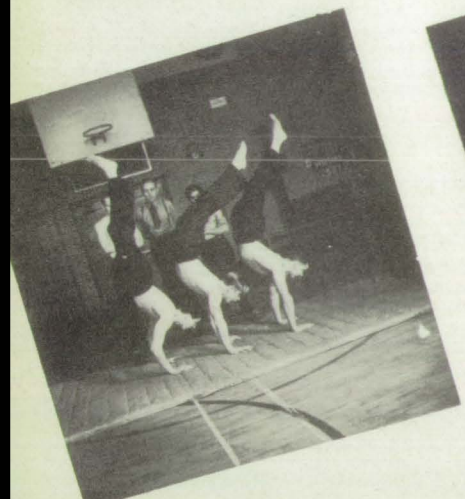

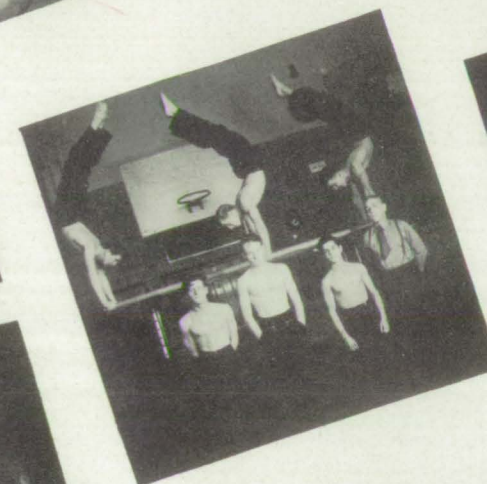

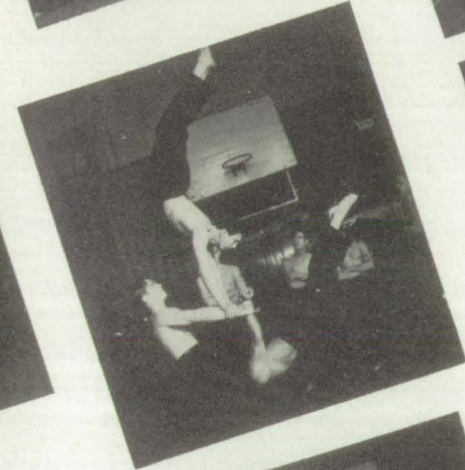

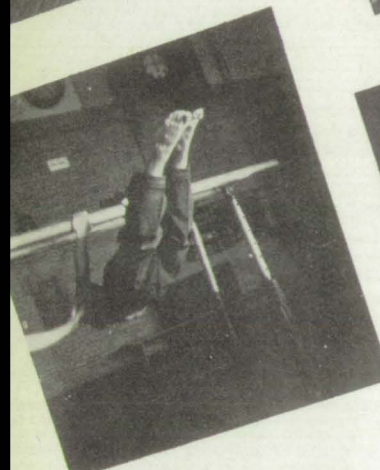

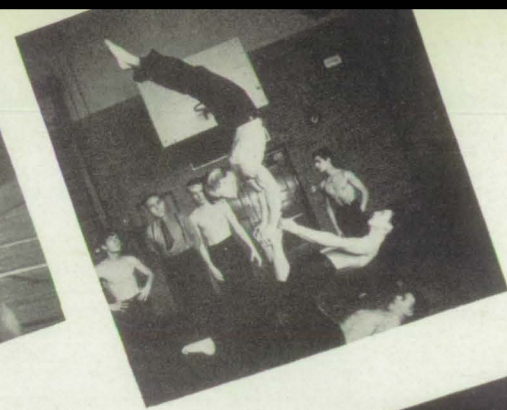

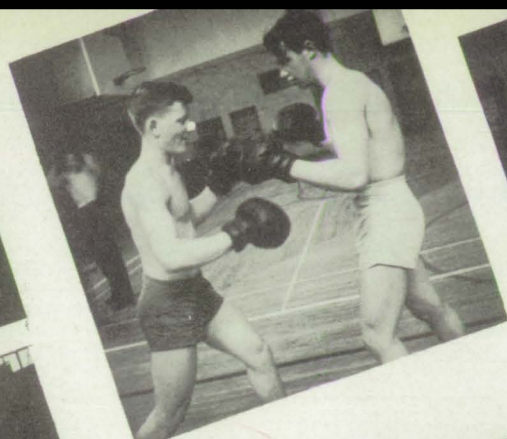

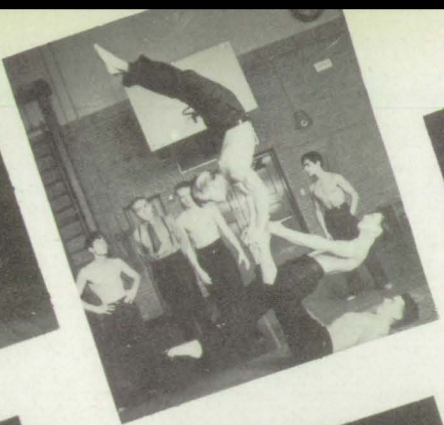

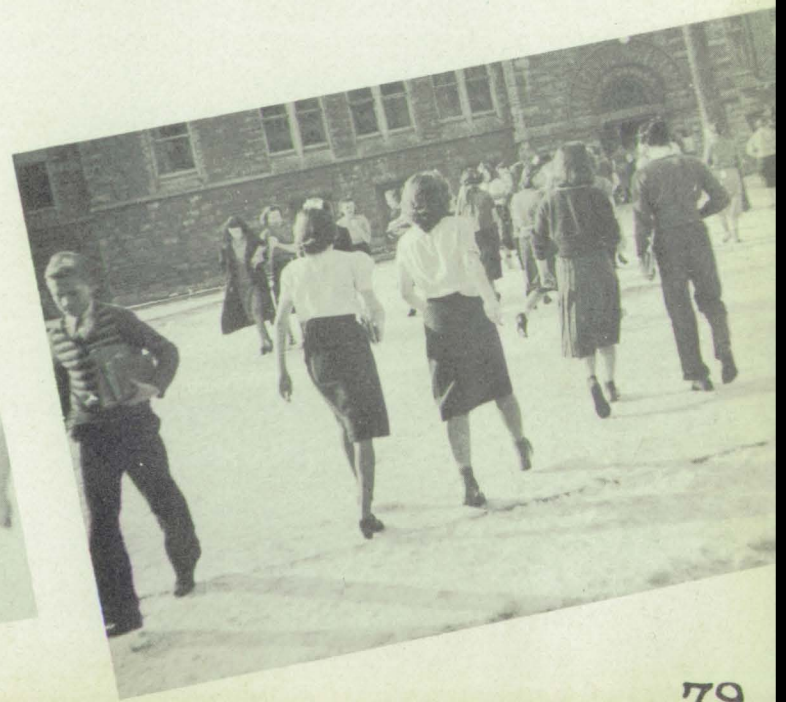

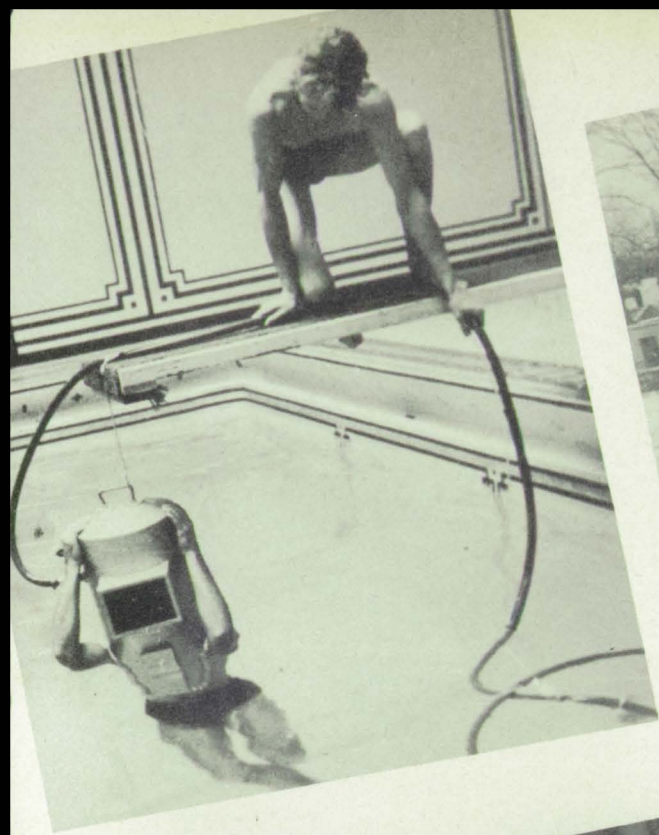

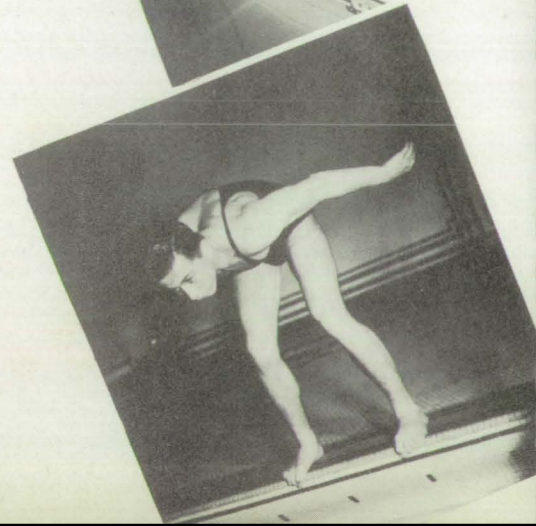

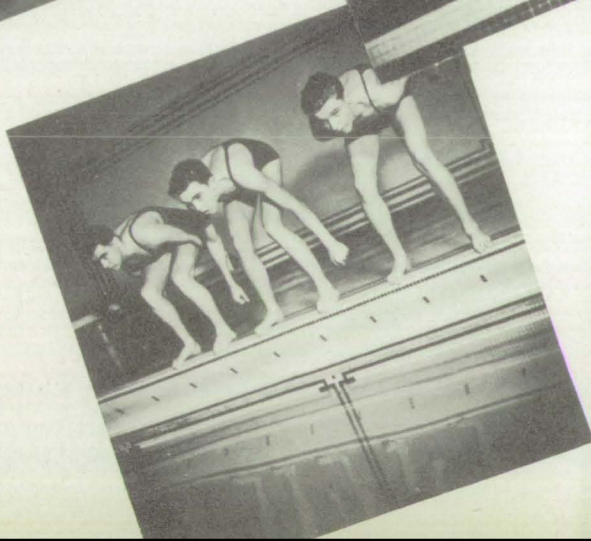

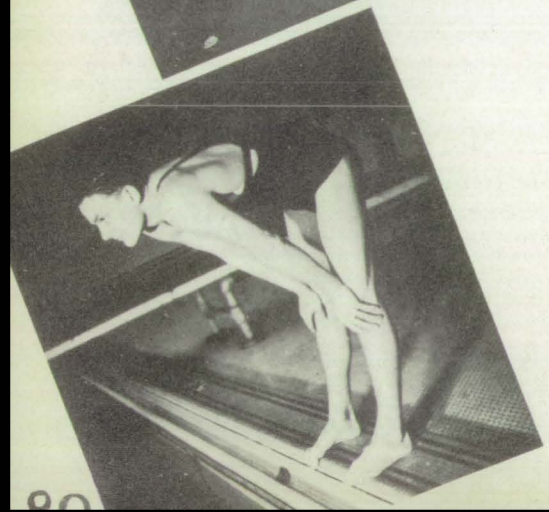

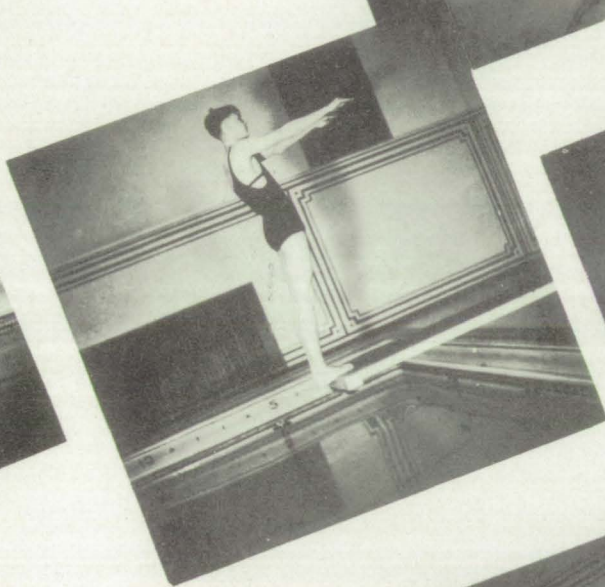

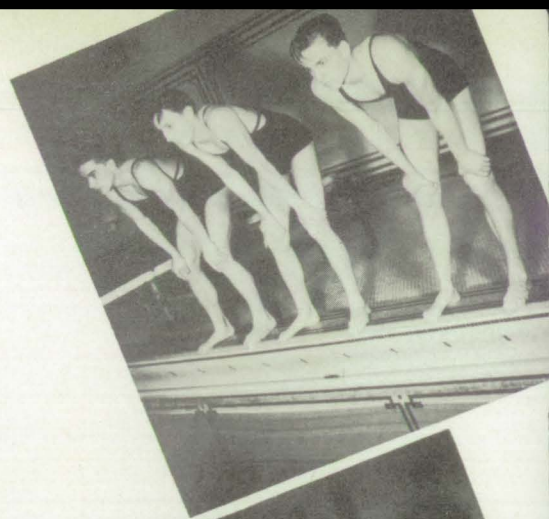

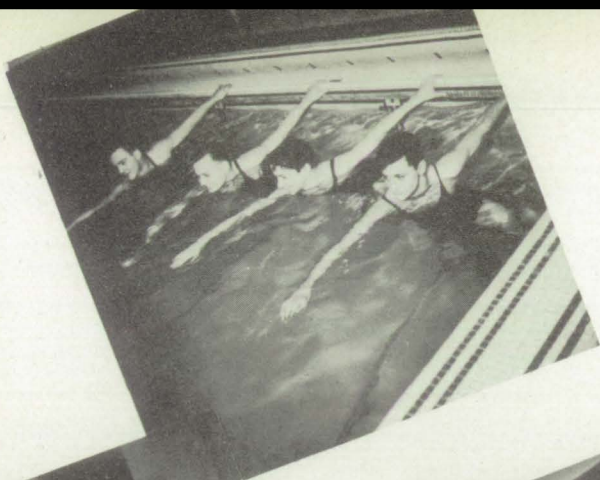

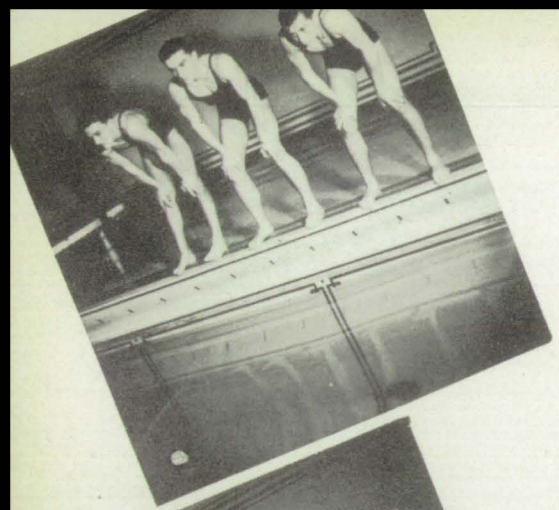

Swimming Team

The Kenosha High School Swimming Squad, led by Captain Francis Stank, made excellent records in all of their meets. Captain Stank, John Hoffschildt, and Bob Preston helped to put Kenosha in the top bracket in the annual State Meet held in Milwaukee State Teachers' College pool.

John Hoffschildt, speedy breast-stroker, was second in the 100 yard breast stroke event. Captain Francis Stank was in fifth place in the 100 yard free style. The Kenosha High medlay relay trio, comprised of Robert Preston, John Hoffschildt, and Captain Francis Stank, came in fourth in the 150 yard event. Mermen on the squad who have concluded their prep careers with the close of the 1938-1939 season are Kent Dobbins, Captain Francis Stank, John Sokow, John Broadley, and Robert Welch. During the season of actual competition the Kenosha High Swimming Squad fared well because of consistent victories scored by John Hoffschildt, Captain Francis Stank, and Robert Preston.

Because many of the better teams of Wisconsin had arranged all their meets far in advance, it was difficult for Kenosha to schedule many meets. Therefore only seven were held. They were with Waukegan, Bay View (2), K.Y.F. (2), Wauwatosa, and the State Meet at Milwaukee. Two meets scheduled with Lake Forest were cancelled because of ineligibility and an epidemic of scarlet fever.

Tennis Team

Coach Bayler of the tennis team anticipates one of his best seasons. He has added the Milwaukee State Tennis team with Bob Jake, National Boys' Single and Doubles Champion, to the topnotch schedule for 1939. This year he expects to step further into the tennis limelight than any previous year. His outstanding players are Bill Rafferty, Francis Stank, Bob Billings, Bill Bode, Gilbert Boerner, and Alfred Andrea.

The State Conference Meet will be held late in May, and Kenosha, according to the early reports, is expected to be one of the teams finishing in the higher brackets.

In the graduating class of 1939, Coach Bayler loses four of his regular stars, but many sophomores and juniors with steady playing await a chance for high honors. Rafferty, Billings, Stank and Andrea expect keen competition among themselves to see who will end the season as the number one player.

Intramural Sports

The various Intramural sports, which were started three years ago, closed another successful year. These sports are divided into three seasons. In the fall the sports are cycling, touchfootball, and swimming; in the winter, swimming, basketball, bowling, and tumbling; in the spring, handball, hardball, and softball.

The swimming champions this year were the seniors. It is interesting to note that this class has won all three years as sophomores, juniors, and now as seniors. The sophomore class came in second. The two outstanding swimmers were George Pflugrad, a senior, and Paul Sommers, a sophomore.

The basketball championship was won by Captain Hank Richard's team. The team included Priddis, Buell, Rafferty, Fulmer, and Hammond. The consolation championship was won by Captain Jimmy Collin's team. It included Kovacec, Kufrin, Jim and Bob Pfeifferle, and Klevickis.

Standing, left to right—Stank, Koehl, Klemko, Preston, Switzer, Phelan, Welch, Hoffschildt, Gordon, Sokow, Coach Peel. Seated, left to right—Redstrom, Wendt, Sommers, Larson, Emery, Russo, Pontillo, Nelson.

Ed Gorsegnor, Frank Pucci, et al., were treading the boards.

At Madison the first debate team came to a deadlock with Eau Claire for the state debating championship. The team, composed of Edith Lassen, Russell Chase, Robert Newman, and Howard Gorsegnor, overcame all opposition, but the judges were unable to decide between Kenosha and Eau Claire. In addition, Kenosha gained the Southern Division title in state competition, defeating West Bend and Portage. The crowning glory of an already outstanding year came with the announcement from National Forensic League headquarters that Kenosha High School ranks among the eight best schools in the country, in so far as speech accomplishments are concerned.

The second state title in debating is held by the second debate team. This group, consisting of Shelby Peterson, Eugene DeVlieg, Dick Anderson, and Harold Plous, duplicated the feats of the first team by taking on all comers, with a result that they were sole holder of the laurels in their classification. The second team had fully as heavy a schedule as the first, and Coach Davies reports that had there been competition, there was sufficient talent to form a third team.

Robert Newman, captain of the affirmative team in debating, captured first honors in the state N.F.L. contest in original oratory. With his oration on the duties of citizenship, he duplicated Bertil Peterson's capturing of the same award last year. In oratorical declamation Bill Bode captured second place in the meet held at Milwaukee in March.

Alan Hanson, mimic par excellence, claimed first state honors in humorous declamation. His reading was on George Washington and Abraham Lincoln, as seen through the eyes of Hyman Kaplan, a fervent applicant for citizenship. Connie Letsom placed in a non-championship meet held in Milwaukee.

In addition to participation in state meets, the forensics department was active locally, sponsoring a repeat performance of the popular Variety Show for the purpose of raising money to send the debate team, Bill Bode, Alan Hanson, and Coach Davies to the N.F.L. nationwide meet,

Forensics

to be held this summer at Hollywood. Other local functions included appearances by the debate teams before several P.T.A. meetings, the American Legion, the Kiwanis Club, and the Luther League.

A RESOLUTION

Congratulating the debate teams of Kenosha and Eau Claire on tying for the state championship of the Wisconsin High School Forensic Association.

WHEREAS, The debate teams of Kenosha and Eau Claire tied for the Wisconsin state championship title in high school debating held in the state capitol this last week under the auspices of the Wisconsin High School Forensic Association; and

WHEREAS, This was the first time in the history of state championship that first place honors have been shared by two teams; and

WHEREAS, The members of the debate team of Kenosha were Edith M. Lassen, Russell Chase, Robert Newman and Howard Gorsegnor and coach John D. Davies, and the members of the Eau Claire team were Robert Hanson, Joe Lee, John Warden, Omar Gjerness and coach H. W. Mathison; and

WHEREAS, Forensic activities should be encouraged in our schools to stimulate an interest in current affairs which is essential to both sound leadership and the success of democracy; and

WHEREAS, The young men and women derive an invaluable benefit from such ability to speak effectively and to think logically; now, therefore, be it

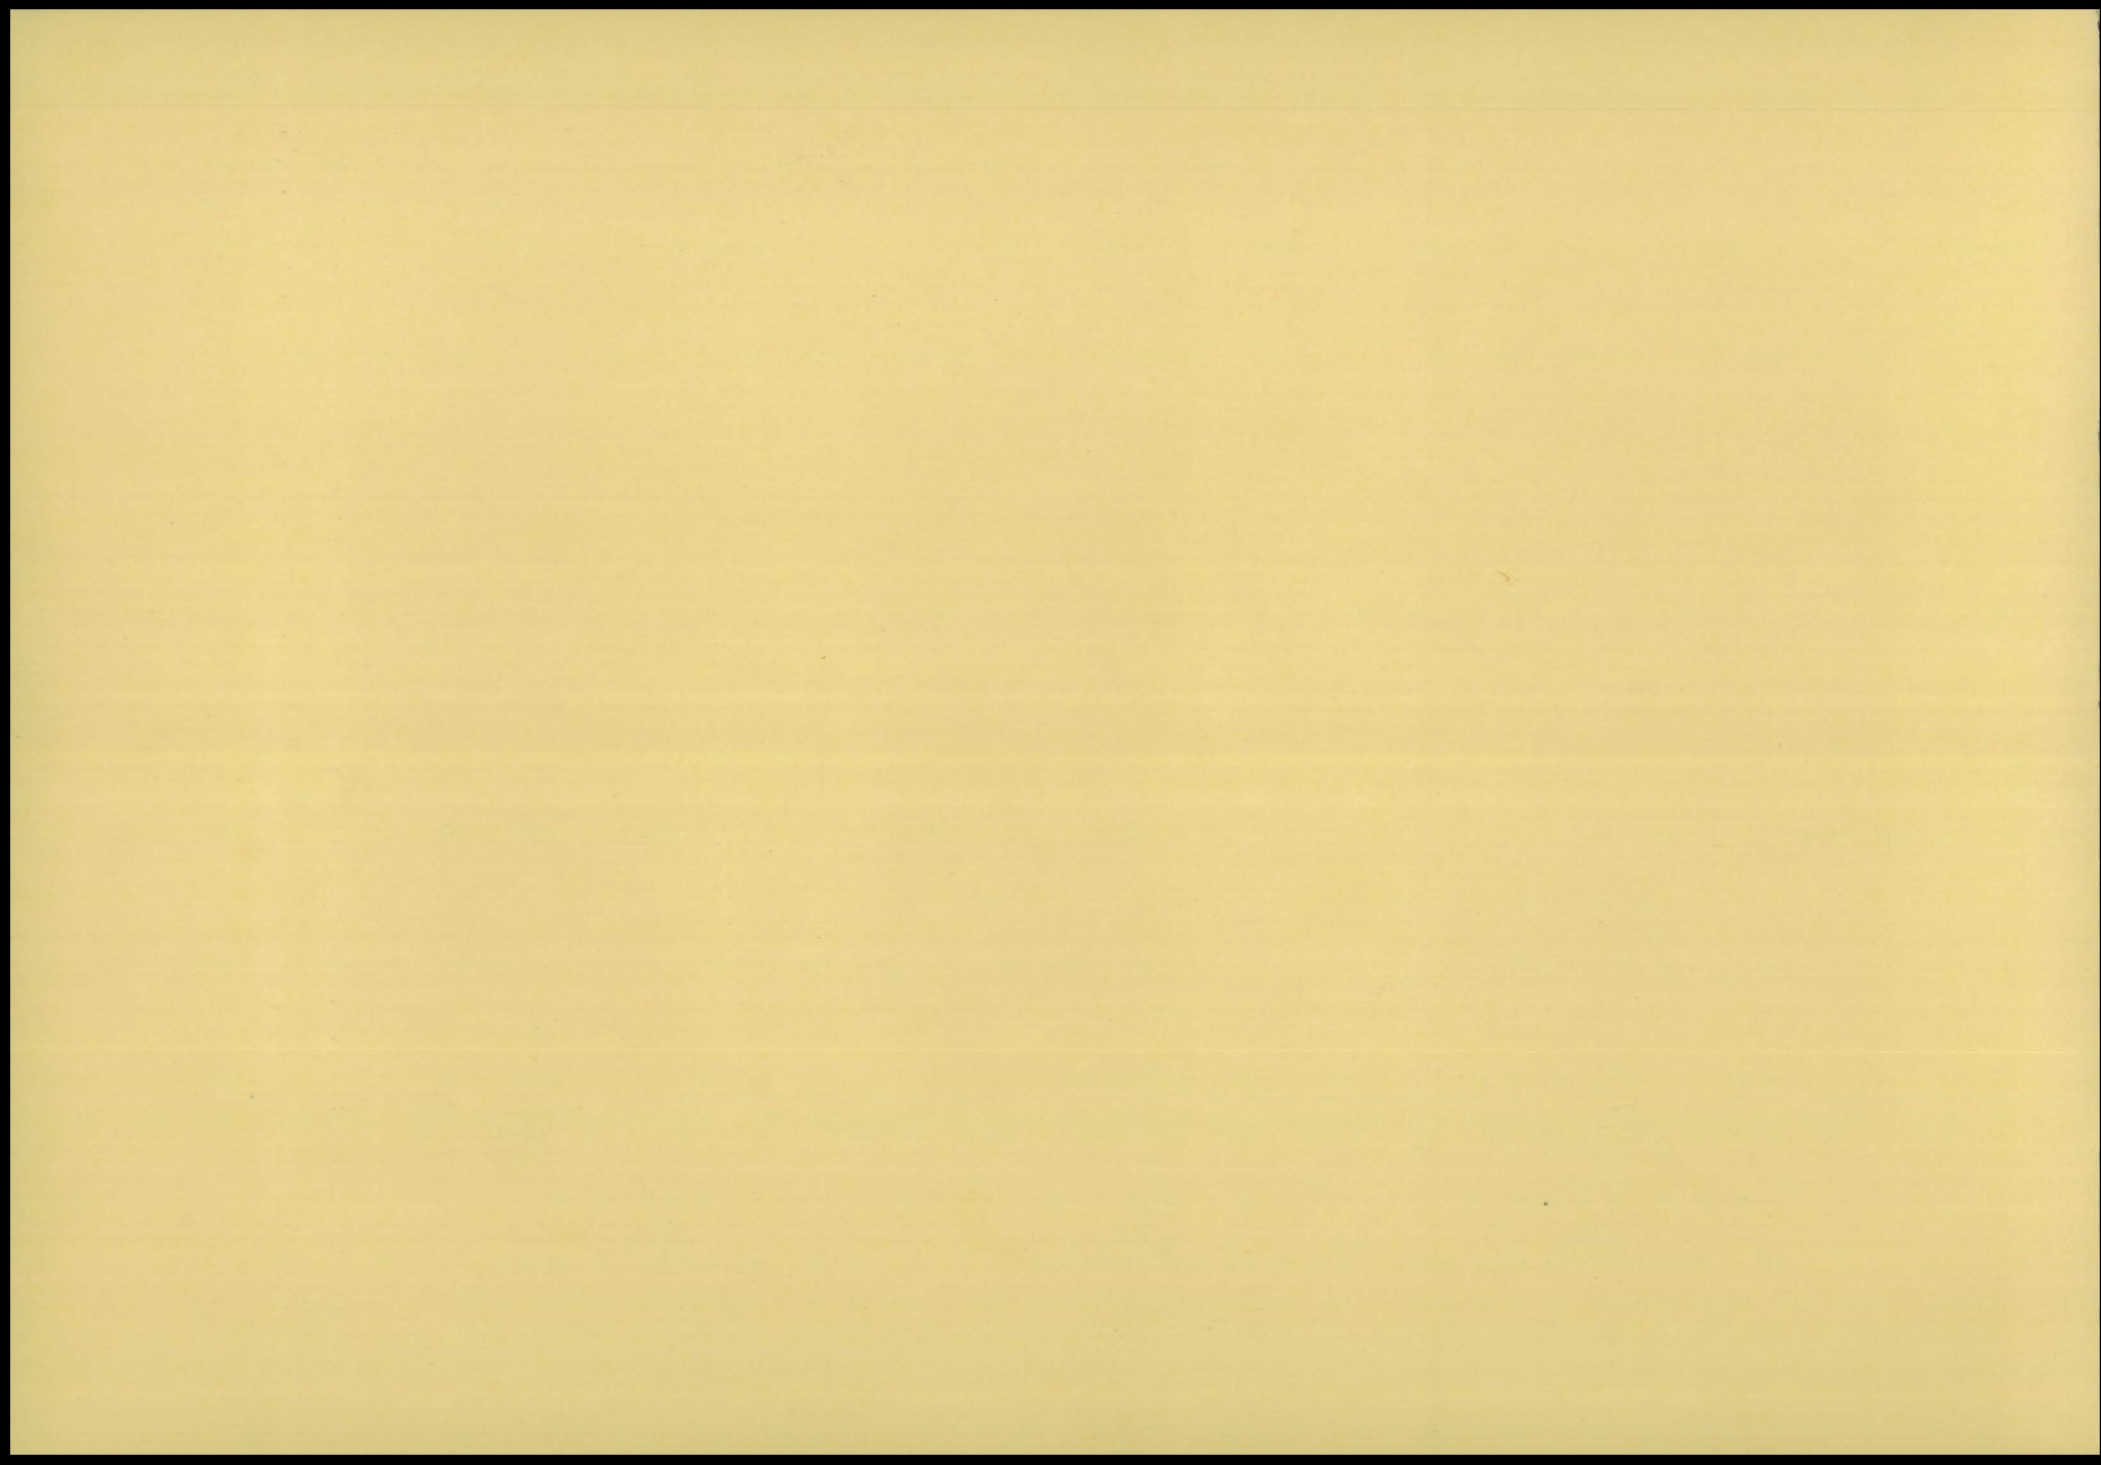

RESOLVED BY THE ASSEMBLY, That it extends congratulations to the debate teams of Kenosha and Eau Claire on sharing the state championship for debating, and the recognition they thereby won for their respective schools and wishes them all continued success. Be it further,

RESOLVED, That properly attested copies of this resolution be sent to the members of the debate teams of Kenosha and Eau Claire, the debate coaches, John D. Davies and H. W. Mathison, and Kenosha and Eau Claire High Schools.

BARDEN'S 50TH YEAR

The Kenosha High School
Had a Graduating
Class of Five

THE Barden Store had its beginnings in the year 1889. That year the Kenosha High School had five graduates. The principal was Mr. W. J. Pollock. . . . Since then Barden's has faithfully served thousands of high school students and teachers. Many of our customers now are grandparents of present day students. . . . During the span of 50 years we have seen many classes graduate. To all of them have gone our good wishes. To none were our congratulations more sincere than those now extended to the Class of 1939.
