DEDICATION

"Hasn't anyone checked this copy? We've got to sell some more books! Who'll call the engraver? Of course you can have a library pass—if you promise you'll work and not talk!" . . . Over the years Miss Slater has worried along with the SPY staffs, scolding a little when we "goofed," prodding us to work when we were lazy, and being quick to praise us when our genius showed through. Each June the SPY was published and each relieved staff realized how much this was due to her efforts. Miss Slater has been more than a librarian, more than the advisor for SPY. She has been a friend to all who have known her, from the timid sophomore trying to find a readable biography, to the assured senior ad-getters and staff members. We can never forget the wonderful guidance and instruction she has given us. On behalf of all SPY workers, all those who have enjoyed the books, and all those who have worked with her, we are proud to dedicate this 1955 SPY to Miss Dorothy Slater.

ADMINISTRATION

MR. STOCKER

Meeting and greeting numbers of students during the opening days of school seemed like a reunion. Many were glad to be back with friends that they had little opportunity to see all summer.

Let's make the school year 1954-55 the finest we have ever had, scholastically, athletically and socially. If we all work together, we can accomplish great things and develop into finer citizens of our community.

I. F. STOCKER
Assistant Principal

MR. JOHN

Count your blessings! The city of Kenosha offers you a well-planned course of study and excellent physical facilities. I hope you will make the most of your high school years. If you do each day's work well, and take part in some phase of high school life, your high school years will be happy and successful.

D. T. JOHN
Principal

MISS FARLEY

September again! A new year—another opportunity to make our school days count—count in the making of friends, in the forming of right habits, in the training for jobs, careers, homemaking, and community living.

For you seniors, it's the year to measure your strength and fix your goal; to juniors, it's a time for added dignity and new responsibilities; to sophomores, it's a new world to conquer.

We welcome you, sophomores, the largest class in the school's history.

SOPH NIGHT

Sophomore Night meant talent, fun, and useful information. Here Kay Meyers vocalizes as announcer Doug Wells looks on.

Juniors and Seniors presented a general view of the school year to new K.H.S. students. Homecoming campaigning, with its carefree confusion, is portrayed here.

Prom, the biggest, most important dance of the year, was presented in miniature for the Sophomores with Bill Dickson and Helen Boris, last year's Prom King and Queen, leading the dancing.

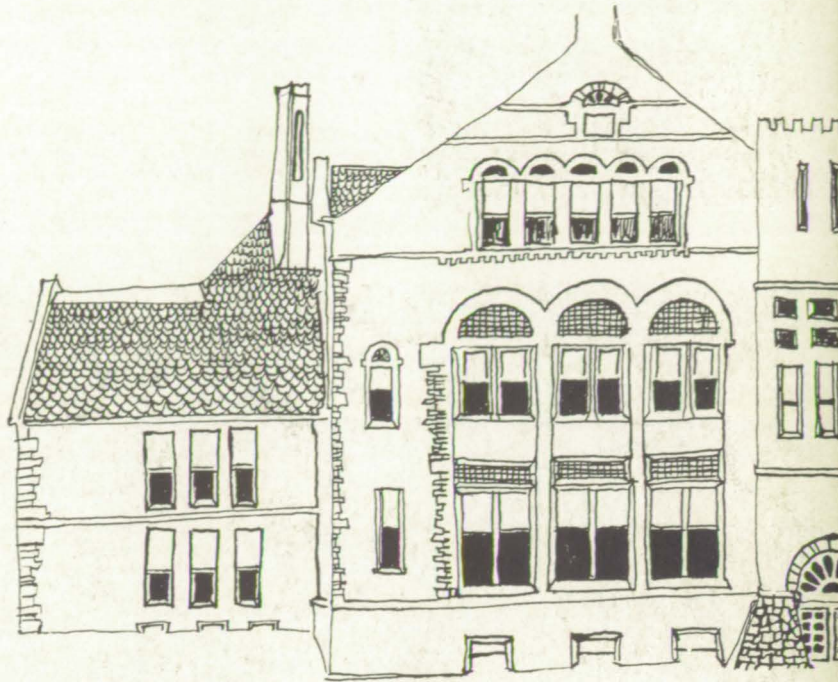

The Homecoming parade was represented by a sketch showing the prize winning K-Teen float of 1954, one of the many club activities.

FOOTBALL

Kenosha was picked by most of the experts in preseason predictions to be one of the leading powerhouses of the conference. The first few games seemed to indicate that the prognostications would be fulfilled. However, the Red Devils appeared to hit their peak near the beginning of the season with a decline of power in the final two games of the season. Kenosha completed the season in fourth place.

Halfback Ed Hart, Kenosha's version of "The Horse," was honored by sportswriters and coaches as he was selected to the Big Eight All-Conference first team and as Most Valuable Player. Gene Bilotti, Gene Breiling, Bob Hartman, Bill Dickson, Jim Crossin, and Lon LaDousa received honorable mention in the Big Eight standings.

Kenosha 20

Park 0

With three touchdowns in the second half, the Red Devils wrapped up the season's opener in a nonconference game with Racine Park. Although Kenosha completely dominated the play, fumbles and penalties prevented early scoring. Ed Hart scored on a one-yard plunge climaxing a fifty-yard drive. He also added 86 yards to the rushing statistics. Lon LaDousa, fullback, paced the ground gaining department with a respectable 108 yards and scored Kenosha's second touchdown on a 38-yard run. Sophomore fullback, Wayne Cogell, contributed 55 yards in only five attempts, including a 16-yard romp for Kenosha's final scoring. Capt. Bill Dickson, Ron Shable, Dave Borkenhagen, and Kent Richards turned in excellent defensive performances, while Gene Bilotti contributed steady line play.

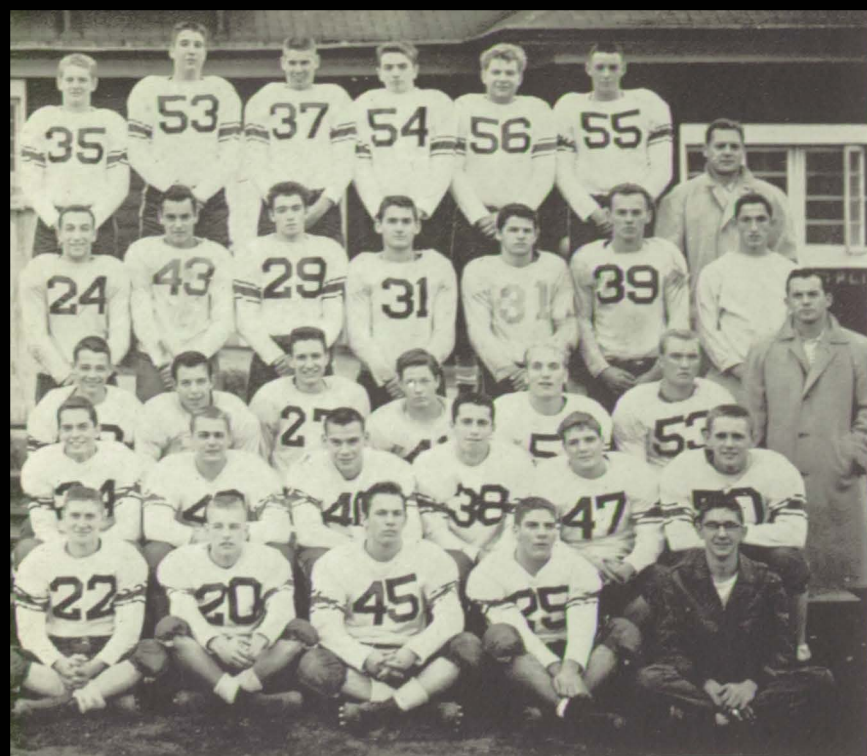

Kenosha 14

Madison Central 7

Although Kenosha effectively limited Central's offense, Red Devil fumbles prevented any first half tallies in the conference opener. A third period pass from Bob Hartman to Gene Breiling set the stage for Kenosha's first touchdown as

Andy Smith, Chet Kozel, Glen McCulloch, and Head Coach Chuck Jaskwhich go over some plays before a big game.

Row 1: Harry Stoebe, Owen Kingsley, Lon LaDousa, Wayne Cogell, Manager Jim Hawkins. **Row 2:** Jack Pohlman, Jack Mitchell, Eddie Hart, Chuck Hujik, Gene Bilotti, Bruce Orlin. **Row 3:** Ken Zanio, Howard Koster, Ben Agazzi, Gary Anderson, Bob Hartman, Marty Thomas, Coach McCulloch. **Row 4:** Dennis Filipelli, Joe Gabron, Tom Heckel, Gene Alli, Fred Schlosser, George DeLoria, Dick DeCono. **Row 5:** John Gotta, Jeff Cohen, Harry Schwartz, Tom Smith, Bill Schmitz, Jerry Wade, Coach Kozel.

Hartman later charged for the final yard and also added the extra point. Breiling snared another Hartman toss and sauntered 37 yards for the final touchdown. Hartman's kick wound up the scoring. Passing comprised Kenosha's offensive threat, with 15 completions out of 22 attempts; Breiling, Ed Hart, and Chuck Hujik were the leading receivers.

Kenosha 13

Beloit 7

The Red Devils journeyed to Beloit and saddened the homecoming crowd in a game played in heavy rain. After a first quarter Purple drive was halted, the Kenoshans marched 79 yards, with Ed Hart plunging through the line for five yards and the first score. Bob Hartman converted. In the third quarter, Beloit recovered a Kenosha fumble and proceeded to tie the score. The Red Devils immediately paraded into Beloit territory, and Hart chalked up his second touchdown. Kenosha was again threatening to score as the game ended. Capt. Bill Dickson, Gene Bilotti, and Lon LaDousa played an outstanding game on a field completely covered with mud.

Night action at the lake front

Kenosha 24

Madison East 25

The Red Devils suffered their first setback at the hands of an inspired Madison East squad in the KHS homecoming game. Failure to make the points after touchdown cost Kenosha the game or at least a tie with the Purgolders. The Reds appeared to be on their way to victory, at one time holding an 18-6 lead, but East soon caught fire, and, utilizing interceptions and fumbles, fought to a 25-24 lead early in the final period. Even in the last plays of the game, in which Lon LaDousa gained fifty yards, victory seemed assured, but last minute passes fell incomplete and Kenosha dropped to second place. Ed Hart and quarterback Bob Hartman shared the scoring honors with two tallies apiece. Hart scored via one and nine-yard smashes, and Hartman scored on thirteen and one-yard carries. In this game the defensive line play was outstanding.

Kenosha 12

Racine Park 0

By virtue of first and fourth period scores, KHS defeated Racine Park and moved into a four-way tie for the conference lead. However, the score does not tell the story. Kenosha was in complete control of the game except for a few occasions. The Red Devils preferred a ground assault, with Ed Hart, Lon LaDousa, Chuck Hujik, and Wayne Cogell supplying the power. Hujik

capped a first period 60-yard march with a smash off right guard. In the final period, Bob Hartman tallied on a quarterback sneak to complete the scoring. In the second half, Park appeared to be on the go, but its drive bogged down on Kenosha's 27. In the final quarter the Red Devils gave up the ball on downs after moving to the opponents' three. Kenosha's domination of the game is shown in the net yards gained — 171 yards for Racine, 267 yards for the Red Devils.

Kenosha 57

Janesville 0

The Red Devils "raised the devil" with Janesville, ripping through its tattered defense at will. Excellent blocking and hard running composed Kenosha's recipe, with reserves and 1955 prospects making an impressive showing. The first touchdown came near the end of the first period, with Bob Hartman sneaking 24 yards after Ed Hart and Chuck Hujik had combined to bring the ball within range. Ron Shable scored on a pass play, and Jack Pohlman and Wayne Cogell marked up 6 each by the half. Following the recess, Shable racked up his second TD on a pass from Hartman, and Fran Landi continued Kenosha's assault by scoring the sixth touchdown of the evening. After Owen Kingsley and Jim Ramaska set up Dave Borkenhagen's touchdown, Pohlman intercepted a Bluebird pass and scam-

pered 35 yards to pay dirt. Bob Ryan concluded the evening's scoring with a dazzling 40-yard romp on an option play made possible by excellent blocking. The Red Devils' 31-yard line was the farthest point Janesville penetrated during the entire game.

Kenosha 0

Racine Horlick 14

A determined Horlick team, making its own breaks, took advantage of two scoring opportunities to melt Kenosha's title hopes. Kenosha moved the ball well and appeared to be touch-down bound many times, but the Rebels' stalwart defense halted each procession. Kenosha's defense, led by guards Gene Bilotti and George Alfredson, fought desperately to contain Horlick's powerful offense, and David Borkenhagen, Jim Crossin, Ed Hart, Jim Ramaska, and Chuck Hujik were also credited with many fine plays. Hart paced Kenosha's ground attack with 61 yards, followed by Bob Hartman, Wayne Cogell, and Hujik. Hartman also completed five of eleven passes for 136 yards. The Red Devils' closest

scoring opportunity came after the intermission when a Hartman to Hart pass play carried 76 yards to Horlick's seven-yard line. However, Horlick promptly took possession when the Reds fumbled inside the five. A final Kenosha effort with Hart and Fran Landi snatching passes for a 21-yard gain stalled when the Rebels' intercepted an aerial.

Madison West 27

Unable to shake off their previous loss to Horlick, the Red Devils succumbed to the co-champion Regents. The loss gave Kenosha four wins and three losses and fourth place in the final standings. West scored in every period except the second. Kenosha finally managed a score in the final period when Ed Hart returned a kick for 85 yards and Jack Pohlman converted. Lon LaDousa led the ground gaining department with 14 net yards. To show the difference between the fired-up Maize and Blue and the Kenosha squad, here are the yards gained: Kenosha — 58 net yards; West — 389 net yards.

This year's sophomore football team proved to be a very capable squad, ending up with a respectable record of 5 wins and 2 losses. They beat Horlick and Park twice each and Beloit once. Their losses came at the hands of Waukegan and in an upset by Janesville. Varsity Coach Jaskwich made the statement, "This is the best sophomore team we've had in the last five years." Future varsity hopefuls include: backs — Bob Bosman, Bruce Fredricks, Sigmund Kolano, Tom McMurray, and linemen — Tom Kassner, Jeff Cohen, Rod Davey, and Jerry Klemm.

CROSS COUNTRY

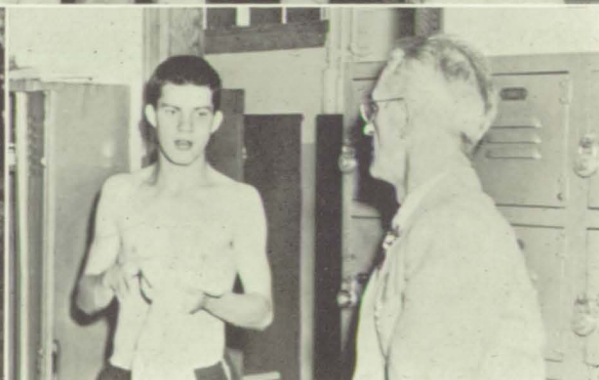

With only one returning letterman, Coach Byron Davey could not fashion one of his usual outstanding squads. Although the Red Devils engaged in 9 winless meets, many sparkling individual efforts were recorded. Sophomores George Edwards and Pete Zielenski were top men on the squad and are expected to be key runners in the coming years. Junior Dick Comiskey will also contribute much to next year's success. Team Captain Tony Truskowski is the only member of the squad to be lost through graduation.

CARLSBAD

October, and the Kenosha Red Devils welcomed 30 Carlsbad Cavemen and introduced them to life in the Midwest — Chicago skyscrapers, yachting on Lake Michigan, our Homecoming, and RAIN. We're sure they enjoyed themselves, because their assistant principal almost stayed behind! November found us bending intently over our poker hands in a smoke-filled Santa Fe railroad car, heading for the arid New Mexico desert 1500 miles away. After sitting up all night trying to see the Texas oil wells, we arrived

in Carlsbad to spend two hectic weeks rushing from Carlsbad Caverns to the potash mines, to Fleapicker's Ditch, to Old Mexico, to bull fights, to White Sands, to the hospital to visit Joe Stein minus his appendix, to dances, football games, and an honest-to-goodness cattle ranch, with a few classes squeezed in between. In no time at all, stuffed with enchiladas, tortillas, frijoles, and tacos, we said a tearful goodbye to all the wonderful friends we had made, promising to come back this summer, for sure.

We gave the world Ameche;
now we'll give it Hartman.

Preseason forecasts omitted Kenosha as a ranking threat in the Big 8. The lack of tall men was the prime factor. Once the season rolled under way, however, the Red Devils, a surprisingly efficient and strong team with a capable pivot man, showed their power by defeating preseason favorites and just about everyone else. They were on top of the pack until the final two games, which they lost in hard fought, well-played contests.

BASKETBALL

NONCONFERENCE

Kenosha 55

Greendale 42

Free throws provided an early lead for K.H.S., which, except for an early second period 17-15 Greendale lead, was maintained throughout the game. Poor ball handling by Kenosha in the first quarter kept Greendale in the game, but the Red Devils took charge to win handily. Gene Breiling paced the winners with 13 points.

Kenosha 55

North Division 46

Gene Breiling's 17 points and Capt. Bob Hartman's 11 points, plus effective rebounding, spearheaded Kenosha's victory. North Division held a short lived 27-25 second period lead, but a Red Devil barrage gave K.H.S. the permanent lead.

Kenosha 61

Bay View 63

Kenosha took its first loss of the young season in a nonconference game with Bay View. Kenosha appeared headed for its fourth straight win, controlling the game until the final seconds, when four points gave Bay View its only lead in the game and the victory. Big Jeff Cohen caged 26 points. Jack Rubenstein, Bob Hartman, and Ron Grove contributed 12, 10, and 9 points, respectively.

Kenosha 66

North Chicago 69

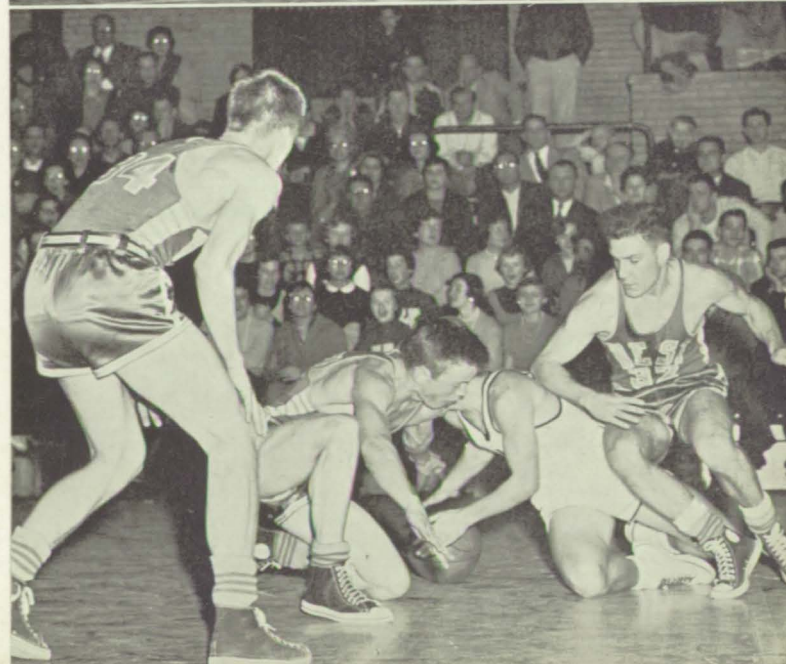

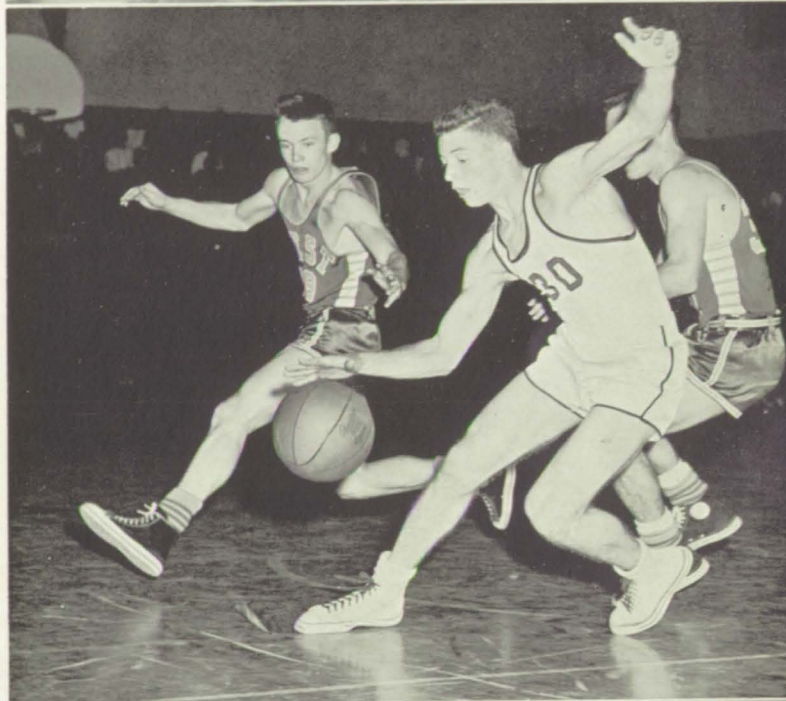

The Red Devils suffered their second nonconference defeat as the varsity and reserves alternated on the court. North's defense effectively removed three Kenoshans in the final quarter on fouls, while its offense captured the lead and the game in the final minutes. Breiling was high scorer with 12 points, while Hartman, Cohen, Grove, and Dick Jossart also contributed.

CONFERENCE

Kenosha 82

Madison East 63

Sophomore Jeff Cohen appeared to have solved Kenosha's pivot problems as he helped himself to 29 points in the conference opener. The red hot Red Devils jumped off to an early lead, which was helped along by Jack Rubenstein's ball stealing exhibitions and by a heavy scoring third quarter. A contribution of 18 points was made by Gene Breiling, while Rubenstein and Bob Hartman chipped in 14 apiece.

Kenosha 67**Racine Park 62**

Accurate shooting and efficient ball handling by both teams kept the game close throughout, but Kenosha outscored Park 20-12 in the final period to preserve the victory and climb to the top of the conference heap. Bob Hartman scored 20 points to lead in the upset, and Jeff Cohen contributed 17 points and valuable rebounding.

Kenosha 76**Madison Central 56**

Jeff Cohen controlled the rebounds and contributed 23 points to move into number one position in the conference individual scoring department while helping his teammates trounce an ice-cold Orange and Black squad. Forward Jack Rubenstein also enjoyed a very good night, scoring 16 points. Kenosha held a favorable margin all night, but a last period scoring spree ended Madison's hopes completely.

Kenosha 69**Janesville 51**

The Bluebirds hopped off to an early lead, but Kenosha flew back to tie the score at the quarter. The Red Devils plunked in 14 straight counters to start off the second quarter — and that was the game. Gene Breiling, operating with a badly sprained hand, was kept well supplied with the ball by his teammates as he poured in 24 points.

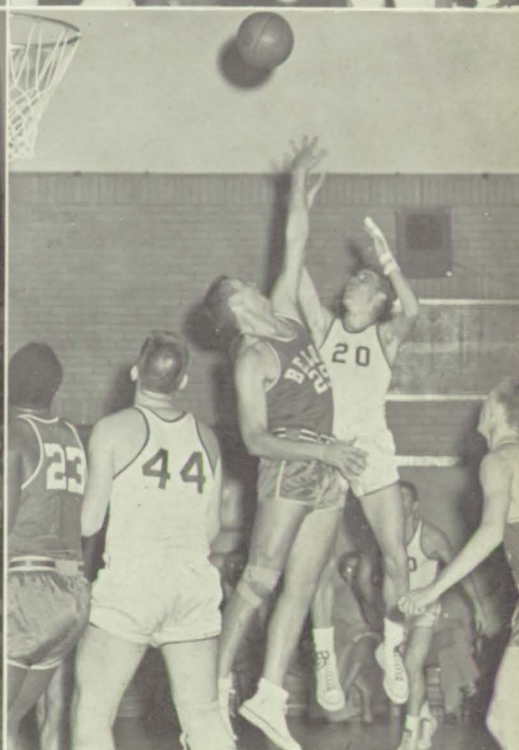

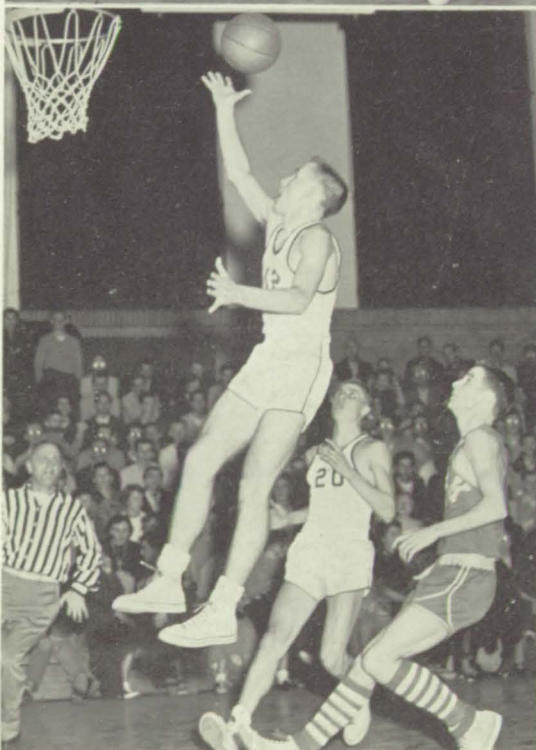

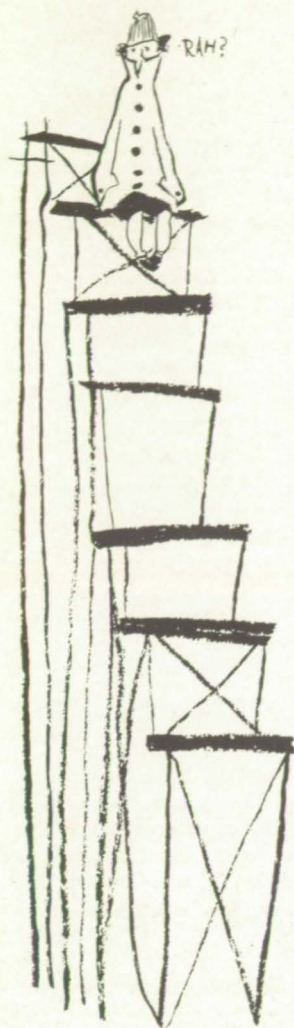

Kenosha 50**Beloit 49**

A slow, set offense and a zone defense initiated by Beloit produced a slow-motion contest in the first half. Beloit held the advantage throughout most of the first two periods, but Kenosha knotted the score at the half. Gabby Hartman pumped in 6 out of 10 long shots to disrupt Beloit's defense in the final half. He topped both teams with 14 points. With a free throw, Jeff Cohen broke a 49-49 deadlock with 90 seconds to go, and the Purple failed to score after that. Ron Grove played an excellent defensive game, as did Jack Rubenstein and Gene Breiling, who also added 12 and 10 points, respectively.

Kenosha 61**Racine Horlick 74**

Handicapped by the loss of Jeff Cohen in the first quarter by injury and Jack Rubenstein in the second quarter by fouls, Kenosha dropped its first place in the standings. The tension of the game was revealed by bad ball handling on both sides. The inability of the Reds to control rebounds also hurt. K.H.S. was still in the ball game until the final minutes, despite the score. Gene Breiling, Bob Hartman, and Dick Jossart gathered 15, 11, and 10 points, respectively.

The crowd went wild

Kenosha 65

With Jeff Cohen at the lead, K.H.S. marched out ahead of the Maize and Blue after the intermission, which followed a closely battled first half. Jack Rubenstein's ball stealing and Bob Hartman's floor play sparked the Red Devils, along with Gene Breiling's and Ron Grove's steady, dependable efforts. Cohen and Hartman pumped in 20 and 18 points apiece.

Madison West 52

Kenosha 48

After a 7 point half-time lead, the K.H.S. five added 15 points in the third period, holding the

Madison East 28

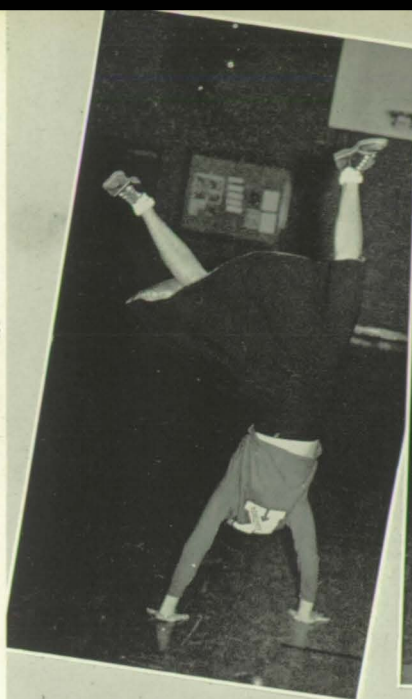

Purgolders to three free throws, and proceeded to outscore East in the final frame to sew up the contest. Tight defenses under the baskets forced both teams to shoot from outside. Gabby Hartman and Ron Grove netted 12 and 11 points, respectively.

Kenosha 71

After a tight first half, the Red Devils, paced by Gene Breiling's 26 points, wore out their opponents by accurate shooting and tight defensive play. Jack Rubenstein was especially thorough on defense. Big Jeff Cohen added 15 points.

Racine Park 46

CHEER LEADERS

Audrey

Elaine

Pat

Kenosha 63

Madison West 57

The Red Devils hustled off to an early margin, which piled up to a 38-25 half-time lead. The rapid fire play of Kenosha contrasted with the slow, determined pace of West, which came within 2 points of tying up the game in the final minutes. A fast recovery by the Reds furnished a safe lead. Jeff Cohen dumped in 27 points, and Bob Hartman tossed in 14 more.

Kenosha 93

Madison Central 83

Big 8 scoring records fell as the two teams engaged in a well-played contest. Although Central led most of the first quarter, Kenosha enjoyed a second period rally which provided a 10-point half-time margin. Each team scored equally and freely in the last half, Kenosha's height working advantageously on last minute rallies. Gene Breiling had a spectacular evening, chalking up 29 points, and Dick Jossart played a fine game, scoring 17 points.

Kenosha 68

Beloit 48

Controlling the boards well, Jeff Cohen and Gene Breiling piloted Kenosha's victory boat along the winning way and netted 25 and 13 points, respectively, in the process. The Red Devils sailed easily past the sunken Purples and raced further out ahead, spearing a 22-14 scoring edge in the final turn to win the race.

Kenosha 57

Racine Horlick 68

A red hot Rebel team, using a pressing defense and a fast break offense, capitalized on interceptions to hand Kenosha its second conference defeat. The teams traded leads until the latter part of the game when Horlick maintained a slight margin. Futile, last second efforts to turn the tide resulted in easy Horlick baskets, accounting for the final deficit. Gene Breiling and Jeff Cohen paced the Reds with 20 and 19 points.

Kenosha 61

Janesville 69

Janesville came back in the second half to melt away Kenosha's lead and finally to gain victory in the last three minutes. The defeat pushed Kenosha into second place. Bob Hartman's and Jack Rubenstein's long shots and Jeff Cohen's close-in baskets were the Red Devils' main threat. Cohen dunked in 20 points, while Hartman and Rubenstein tallied 15 apiece.

REGIONAL

Kenosha 68

Burlington 40

Capt. Bob Hartman's long shots started Kenosha off on the right track in the regional tournaments, and everyone took the cue, making points at a torrid clip. Every player on the K.H.S. squad scored, but Cohen's 15 points, and Hartman's and Breiling's 14 points each, headed the list.

Kenosha 84

Delavan 64

The Comets made a tough battle of the first half, although the Red Devils, captained by Jeff Cohen's 23 points, held the lead. As Delavan cooled off in the final half, Kenosha increased its margin. Gene Breiling backed up Cohen with 18, and reserve Dave Borkenhagen contributed 9 in the final 11 minutes.

Kenosha 54

Monroe 67

The Kenosha Red Devils bowed out of the sectional tournaments, losing to the second place team in the state only after a hard, well-played game. Kenosha held short, first period leads, but the Cheesemakers battled back, gaining a permanent lead late in the first period. Gene Breiling and Capt. Bob Hartman threw in 16 points each, but Monroe successfully bottled up Jeff Cohen to handicap the Red Devil charge.

SOPH BASKETBALL

Coached by Joe Brittelli, the sophomore basketball team finished with the best record compiled in many seasons. The Pink Devils nailed down third place in the Big 8 junior circuit with a 9-5 record, winning the last 6 games of the season.

The contests were generally well played, displaying the results of good coaching. Leading the basket brigade this season were Jim Brittelli, Ken Zanio, and Harry Stoebe, who functioned smoothly both on offense and defense. Their services are expected to strengthen the Red Devil squad in the next 2 years.

K.H.S. WRESTLING

Kenosha High School's wrestling team, composed of many outstanding grapplers, completed its second season, compiling a 5-10 record.

Among the individual standouts were George Alfredson and Owen Kingsley. Alfredson, a graduating senior this year, captained the squad through the '55 season and, because of his outstanding achievements, was selected the most valuable wrestler of the season. Kingsley, the most valuable wrestler of the '54 campaign, was elected as next season's captain. He was outstanding in lighter divisions. It was a fine showing for Coach Glen McCulloch's first squad. More and better things are expected next year as the basis for a fine team is returning.

SWIMMING TEAM

The 1955 swimming team had a disappointing season with a record of four wins and ten losses. The high point of the season was the K.H.S. victory over the state champions, Whitefish Bay, in a closely contested meet early in February. Coach Martin had the aid of five returning lettermen as he opened the '55 season: Captain Al Wegner, Bill White, Bob Soderholm, Jim Sekuris, and Mike Baker. The "Most Valuable Swimmer" of the team was sophomore Mike Baker, the team's hundred yard free stylist.

FORENSICS AND DEBATE

The Kenosha High School debaters had a moderately successful 1955 season. It came to a conclusion with the Wisconsin High School Forensics Association debate contest at Madison. The affirmative composed of Mary Anne Smoler and Bob Kubec and the negative made up of Carmella Ciotti and Bill Scheckler captured third-place honors in this meet.

The National Forensics League Student Congress provided another profitable experience for K.H.S. speakers. Bob Kubec, the "senate" delegate, was elected to the National Student Congress to be held this summer in California. Bill Scheckler, the "house of representatives" delegate, was elected alternate to the same.

Forensics brought to a close the "speaking" season with K.H.S. students winning again. Beth Davies in dramatic interpretation, Marge McNeil in humorous declamation, Bill Schlecker in extemporaneous speaking, and Bob Kubec in original oratory all received the top "A" ratings in the Madison finals. Beth Davies and Bob Kubec captured first place titles in the N.F.L. state contest and Marge McNeil received a second place award in the same.

BASEBALL

Baseball was inaugurated in K.H.S. last year, and the team promptly proved to be one of the best in the state, capturing the runner-up trophy in the state tournament. The main factor in the squad's initial success was the flawless pitching of Bob Hartman. The added strength of veteran

pitcher Bob Lee, who has again proved himself to be an excellent hurler, should supply substantial pitching depth. With ten returning lettermen, last year's team almost intact, Coach Andy Smith looks forward to an equally successful season this year.

On April 6, five K.H.S. athletes and two from St. Mary's were honored by the American Legion at its annual sports fete night. Tom Bienemann, featured speaker, James Alderson, John Rutchik, and Jack Mayer, Legion members, were on hand as awards were presented. The cited athletes were (standing, middle) Del Waroch, St. Mary's, Mike Baker, George Alfredson, Ed Hart, (seated) Jack Rubenstein, Glen Maihofer, St. Mary's, and Bob Hartman.

It just goes to show what could happen if the guys let down their guard on the mailbox.

A Tremendous Thing Has Happened in the Last Ten Minutes!

They say dictatorships are new and revolutionary. . . . Actually, they're as old as time itself! For thousands of years, most of the human beings who have peopled the earth have lived as the slaves or subjects of someone else.

The thing that is new and revolutionary and ours is freedom . . .

Freedom to invent new machines and new ways to make them productive.

Freedom to invest money in new ideas . . . to own things . . . to manage our own affairs.

Freedom to mass-produce more and better goods all the time, with lower costs reflected in consumer prices and higher real wages.

Compared to the record of all civilization, this free way of ours is ten minutes old!

Yet in ten short minutes it's done *more good for more people* than anything that ever happened on earth.

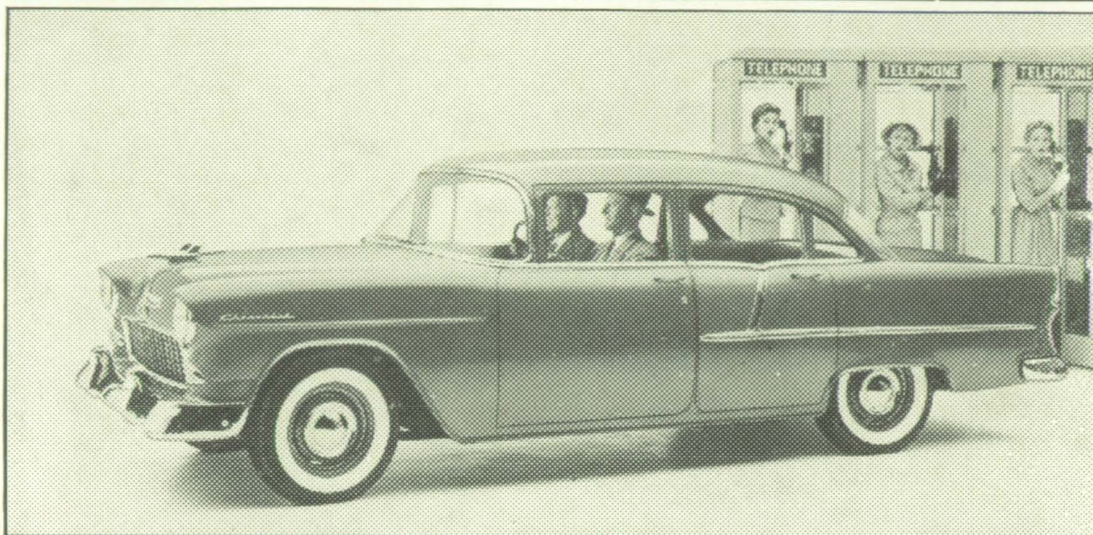

We can make it better still if we'll work together and build together as Americans always have.

Let's keep on building! Build for Freedom . . . Build for Peace . . . Build for a better world.

Displaying a long, low silhouette, rugged frontal beauty and extraordinary visibility, the four-door "Two-Ten" is one of 14 models offered by Chevrolet for 1955. In addition to bumper-to-bumper restyling, the company makes available a

choice of three engines, including a sensational new V8. Note in the above view the lattice-work grille and the smartly styled hooded headlamps. The sweep-sight windshield gives the driver a wider view of the road ahead.

American Motors

*young in years
...old in tradition*

The dynamic new industrial force that is American Motors has brought the fresh, vigorous vitality of youth to some of the finest old names in American industry.

More than a century ago — in 1846 — the forerunner of today's modern American Motors Body Plant was founded as the Seaman Furniture factory in Milwaukee, Wisconsin.

In 1881, Charles Leonard built the first cleanable ice box in Grand Rapids, Michigan, and gave his name to one of the finest products in the home appliance field — now an important product of American Motors.

Back in 1902, the first Rambler — “Granddaddy” of all Nash cars — rolled from that early-day assembly line in Kenosha, Wisconsin.

In 1909, Detroit and the world saw the first of the millions of Hudson cars built through the years.

In 1914, Kelvinator — pioneer in electric refrigeration for the home — built the first of the many appliances that were to help revolutionize the American way of life.

Today — all these great names are divisions of American Motors, deriving from the association new strength and vitality.

This new Company — strong with the vigor of youth and the tempered experience of the years — salutes Kenosha High School and the young men and women of the graduating Class of 1955.

The School Paper

I love the paper,
I think it's swell;
The day it comes out
I run pell-mell
To get my copy and reach each
line,
The stories and columns
I think are fine,
I laugh at the jokes,
I read all the ads,
I note all the news,
I take in all the fads.
When I praise the paper
I scorn those who laugh,
I'm really loyal,
I'm on the staff!

**YOU CAN NEVER GRADUATE FROM THE MATHEMATICS
OF LIVING, BUT YOU CAN AVOID LIVING
A "FRACTIONAL LIFE"**

Just what is a "fractional life"?

A simple definition of "fractional" is "part of a whole unit," and the whole unit in this case is the postgraduate life you are now commencing.

A "fractional life" is one which allows only a part of its capability, its talent, its enthusiasm to function . . . it is the life which never gives itself completely and wholeheartedly to any endeavor or activity of any social, religious, vocational, or civic nature.

It is a life which never seeks out the opportunity to serve others and avoids whenever possible the acceptance of responsibility. It is a "fractional life" because only a part of its whole is actually lived . . . the rest is simply a wasted existence.

As in mathematics, a whole equals one hundred per cent, so also the mathematics of living can be stated percentagewise. The person who puts every part of his life to good use lives a full life, a happy life, a fruitful life, a one hundred per cent life.

How will you live your life? . . . will it be a "fractional life" or will you study the mathematics of living and, by putting all you have into everything you do, find some day that the parts total up one hundred per cent? Then you will have lived a "full life."
