DEDICATION

To our friend, confidant and principal.

When we needed a helping hand you were always ready
with a word of encouragement.

We consider it
our good fortune to have been students
in your school.

It is with deep felt gratitude and devotion that

We dedicate to you, this,
our 1965 annual.

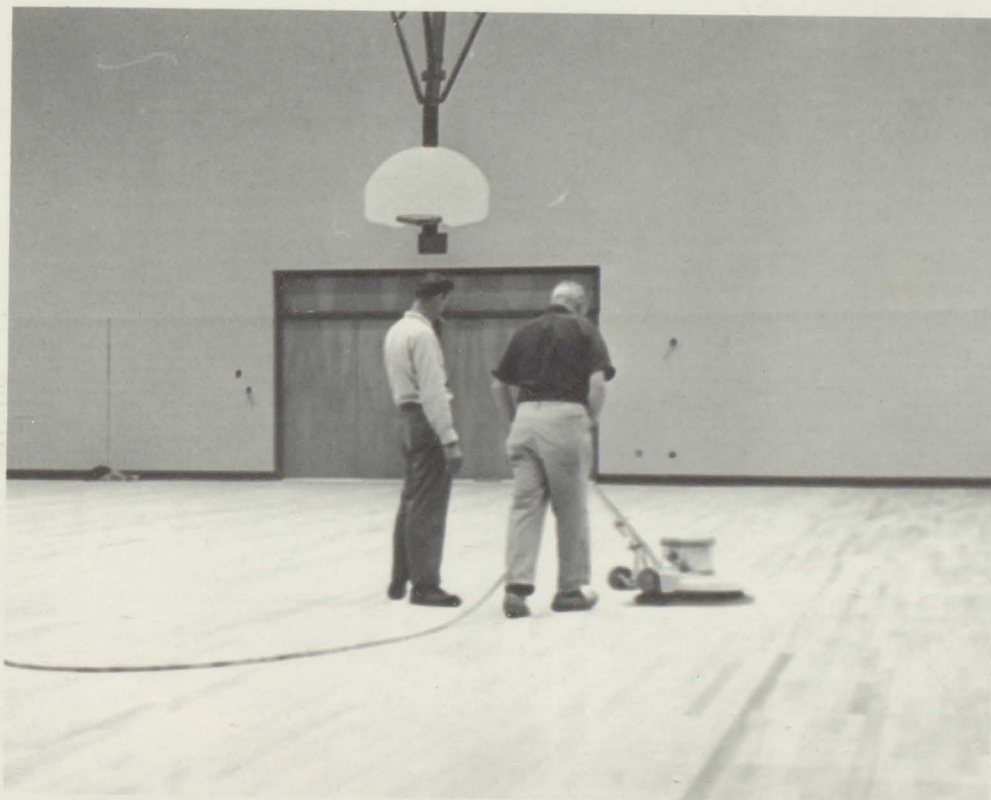

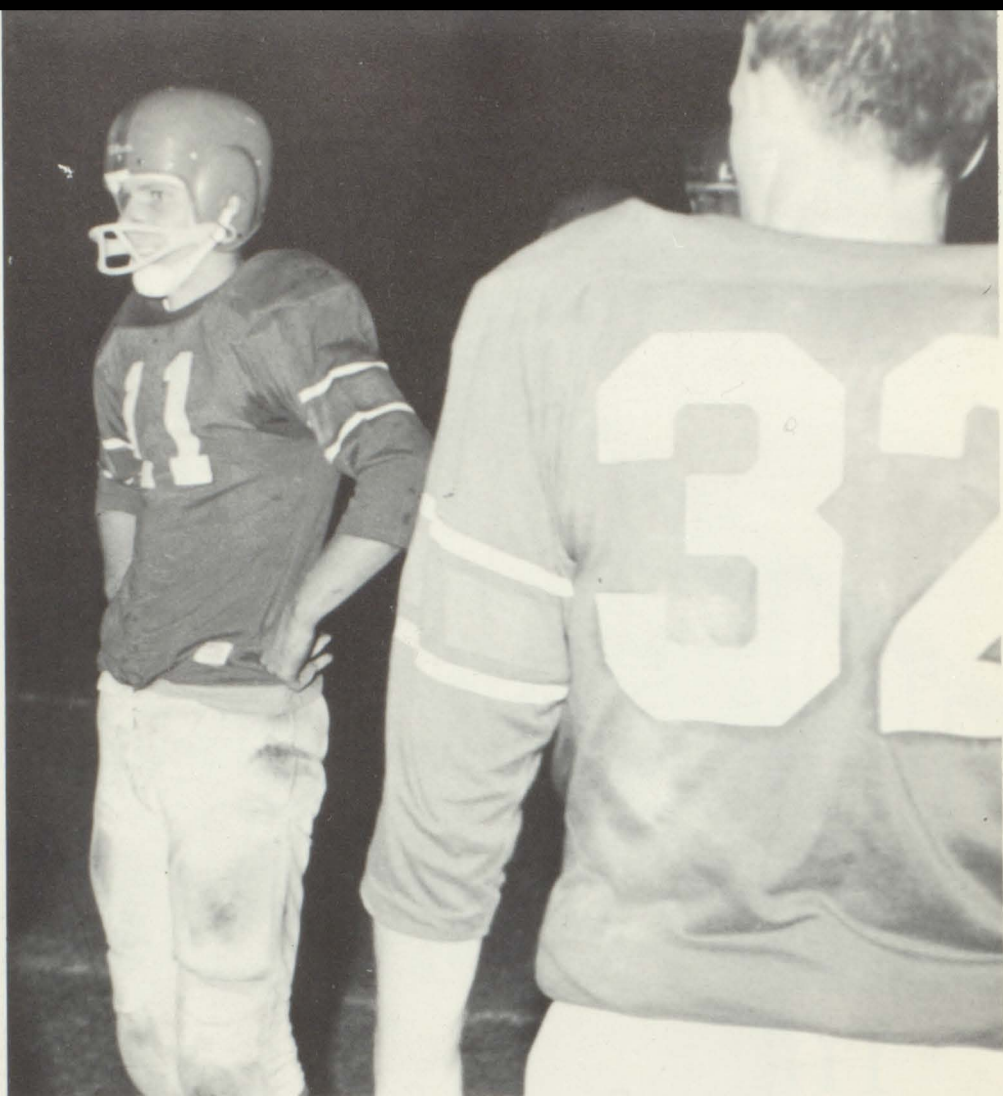

SCHOOL STARTED IN THE OLD BUILDING BUT . . .

Although the students were attending school at Bradford, the dream of Tremper's new building was alive. Above, Mr. Augustus is working at Bradford, the dream has not yet become true. The other two pictures are the dream in reality. To the left is a picture of the new spacious gym being waxed. Above to the left are the stairs which the students climb. A true dream in themselves because they had three floors to climb at Bradford and only two here at Tremper.

THE NEW WAS ON THE WAY

A FINE NEW TRADITION

Record:	Won 5	Lost 3	
1. Tremper	13	Madison Central	6
2. Tremper	21	Janesville	14
3. Tremper	26	Madison East	32
4. Tremper	6	Racine Horlick	34
5. Tremper	48	Madison LaFollette	21
6. Tremper	24	Beloit	19
7. Tremper	21	Racine Park	28
8. Tremper	35	Bradford	7

Offensive Scoring: Tied with Madison West for first place in total points scored with 181 in 7 conference games.

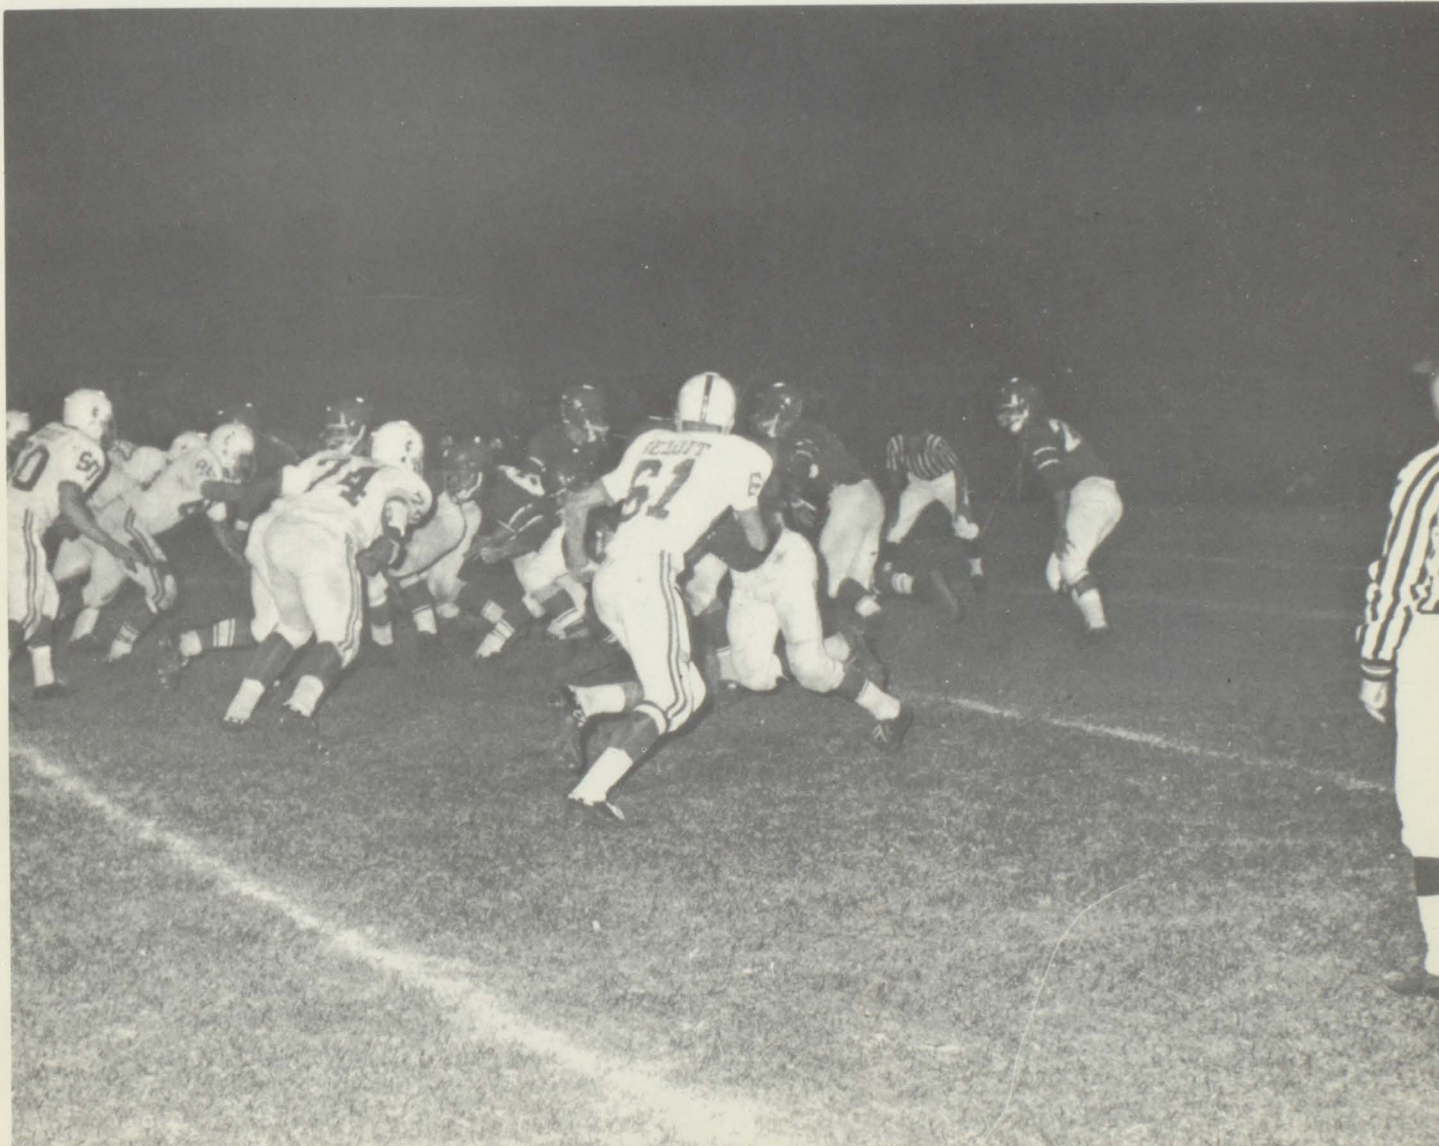

Upper Picture: Quarterback Jim Trebbin watches anxiously as a game progresses.

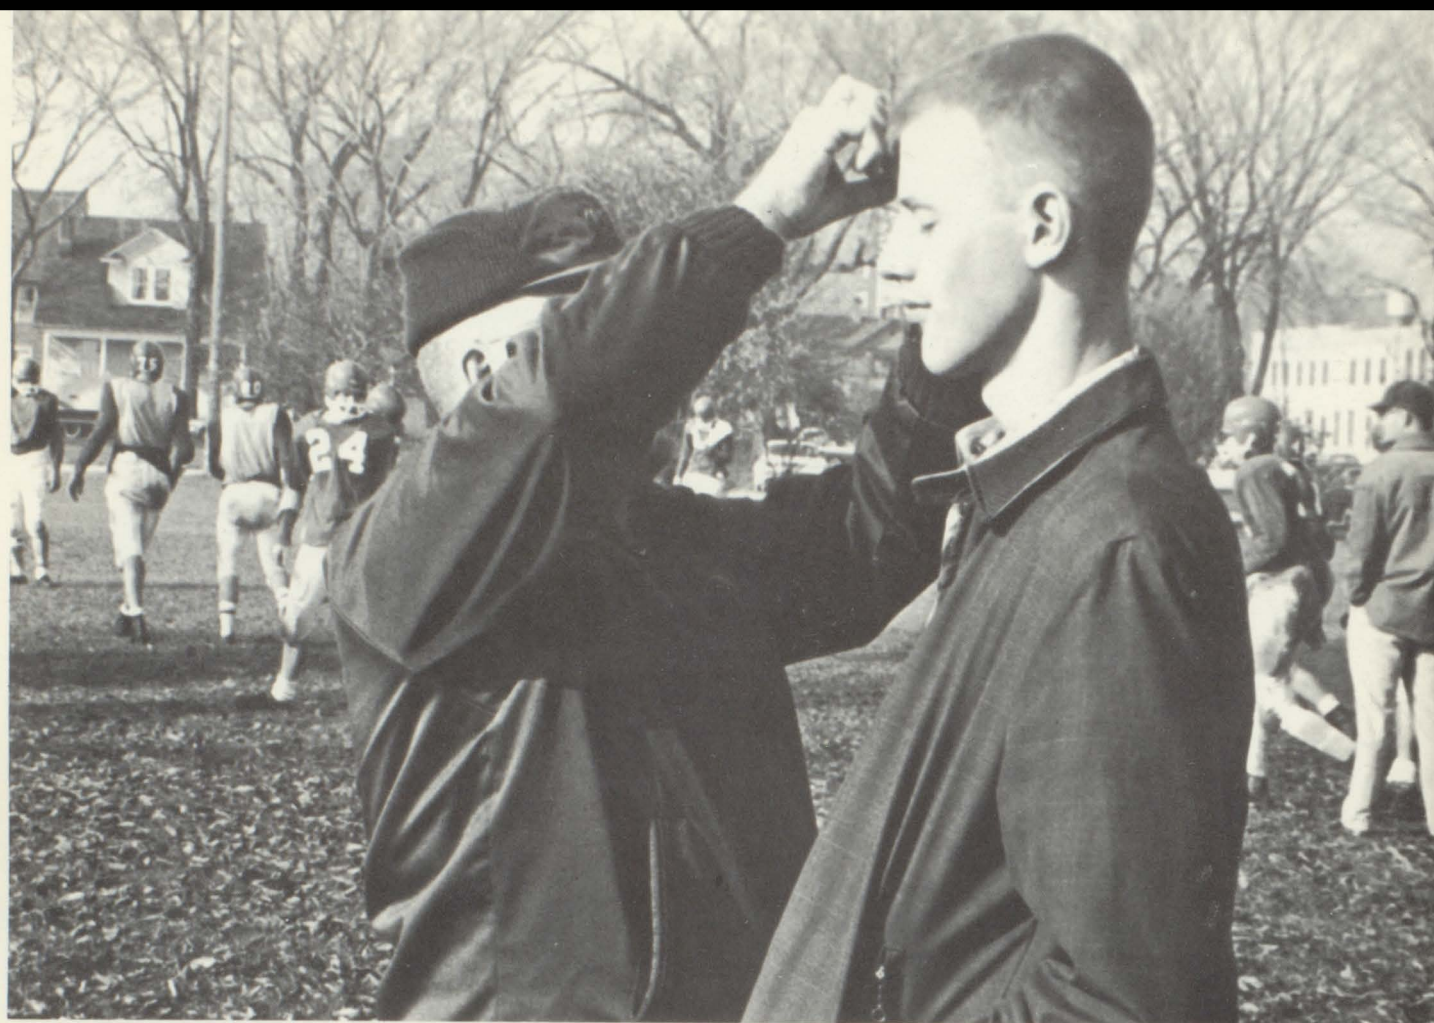

Lower Picture: Two Tremper players appear to be throwing blocks at the sidelines.

Coach Vern Schamale, named coach of the year in the Big Eight did a terrific job as the head coach of Tremper's first football team. The record on the opposite page shows the result of his and the team's hard work.

The Team chose Jim Trebbin and Tom Vena as Co-Captains of their team.

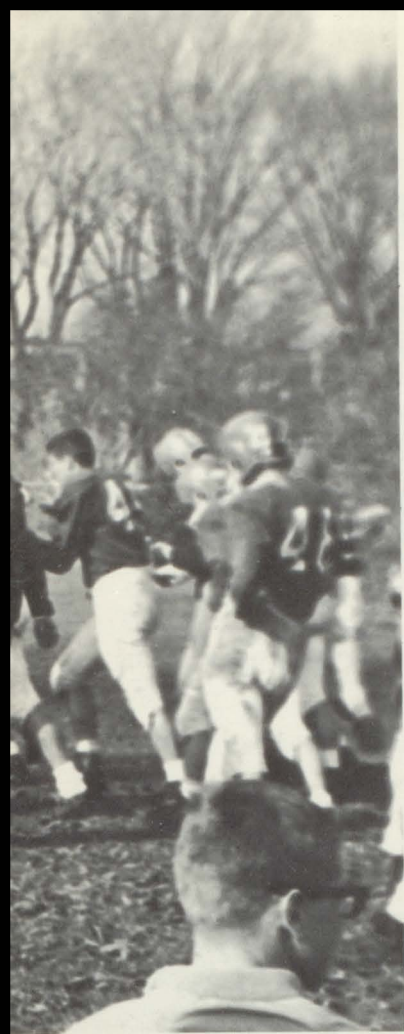

PRACTICE MAKES PERFECT!!

This adage has been used many times in many ways but this time it really has meaning. Through long hard hours of practice in the cold mornings before school our infant team was able to finish the season with a fine record. Cold Weather, make-shift locker rooms, and a rocky practice field seemed not to dampen the spirit of these devoted warriors as only one guy was known to quit after the season began. Our hats are off to the fine Tremper Trojans football team.

Pictured above, Coach Smith gives words of encouragement and criticizes bad moves in order to make our team a smooth running machine. To the left, "Doc" Whitworth our able and patient trainer patches Ron Rysdam who was injured in the game the week before. Below, to the right, the team prepares to put their learning to use in our first game of the season.

HALF TIME ACTIVITIES

Gary Kuehl, the drum major, leads the Tremper Band across the field.

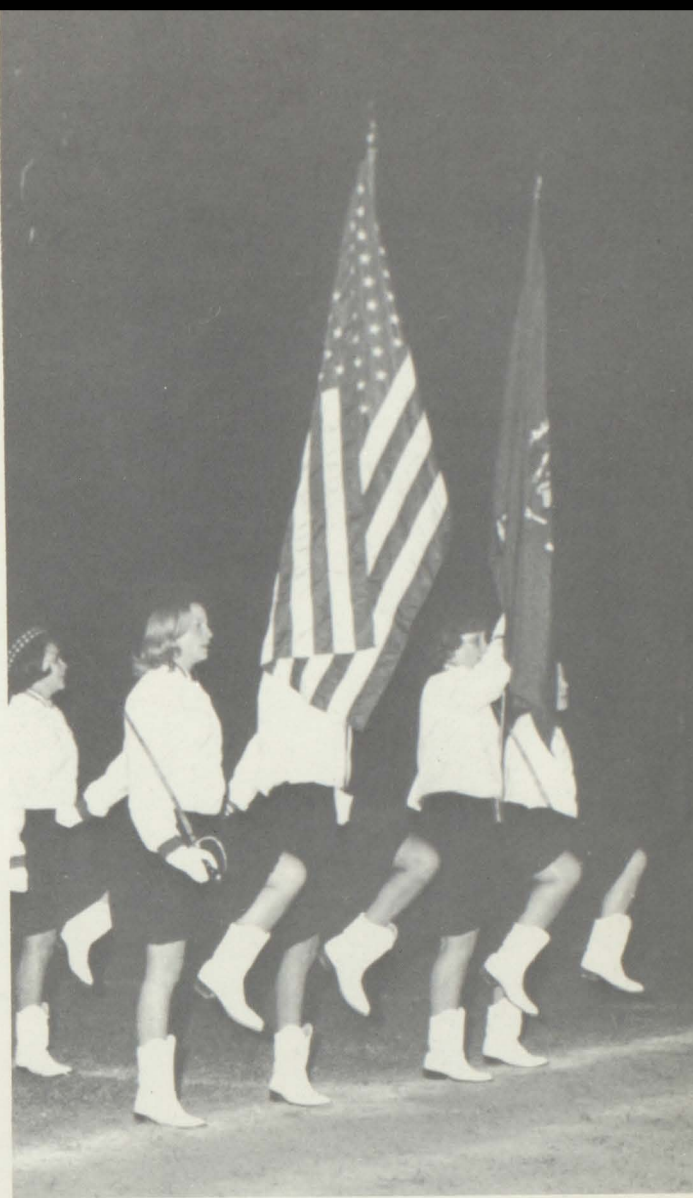

Entertainment of the highest class was provided for all Tremper students this year.

A real change of pace was offered us when the band played snappy tunes as; "Java", "Tailgate Ramble", "Cotton Candy" and "More".

An ensemble of the A Cappella choir was in its finest form presenting a distinct arrangement of "Amen". The student ensemble consisted of Larry Huissen, Don Jacobson, George Becker, Danny Nye, and Paul Fenema. *FRONT ROW* Nancy Specht, Sue Holicka, Diane Mancusi, and Janice Chernik.

All in all it was a year of first rate half-time at Tremper football games.

TREMPER HIGH'S FOOTBALL TEAM

ROW 1 (Left to right): Dennis Zander, Tim Fechner, Bob Junkel, Alan Krueger, Dave Peters, Jim Trebbin (co-capt.), Jeff Caddock, John Stamm, Jack Mattner, Mark Montermurro, Gary Lawell, Chuck Paczkowski, Coach Verne Schmale. *ROW 2*: Dick Kaiser, Bill Beckstrom, Randy Mann, Ron Coakly, Craig Harff, Dave Wyosnick, Bill Blinten, Jim Marks, John Sargent, Frank Angotti, John Steinbrink. *ROW 3*: Tom Flannery, Dave Stipanuk, Clinton Beth, Mike Rock, Dick Langer, Dewey Reilly,

Bob Mutchler, John Paul, Ron Rysdam, John Pierce, Kim Millager, Dick Whitworth (trainer). *ROW 4*: Rex Blake, Dave Bohr, Stan Ginkowski, Tom Pepke, Bill Vareck, Paul Remus, Eugene Sunday, Curtis Skinner, Jeff Hansen (mgr.), Dan Nye (mgr.), Coach Glen McCulloch. *ROW 5*: Bob Kiss (mgr.), Tom Vena (co-capt.), Dennis Kloet (mgr.), Tom Renne, John Wight, Dave Friddle, Gary Hahn, Larry Seaburg, Coach Tom Fischer, Coach Andy Smith.

THE JUNIORS ORDER RINGS

While still at Bradford, the Junior Class of Tremper picked out the style and size of their class rings. Their rings were the first official rings of George N. Tremper High School. They waited with happy anticipation for the March day when they were finally delivered to the lucky Juniors.

OUR CROSS COUNTRY TEAM

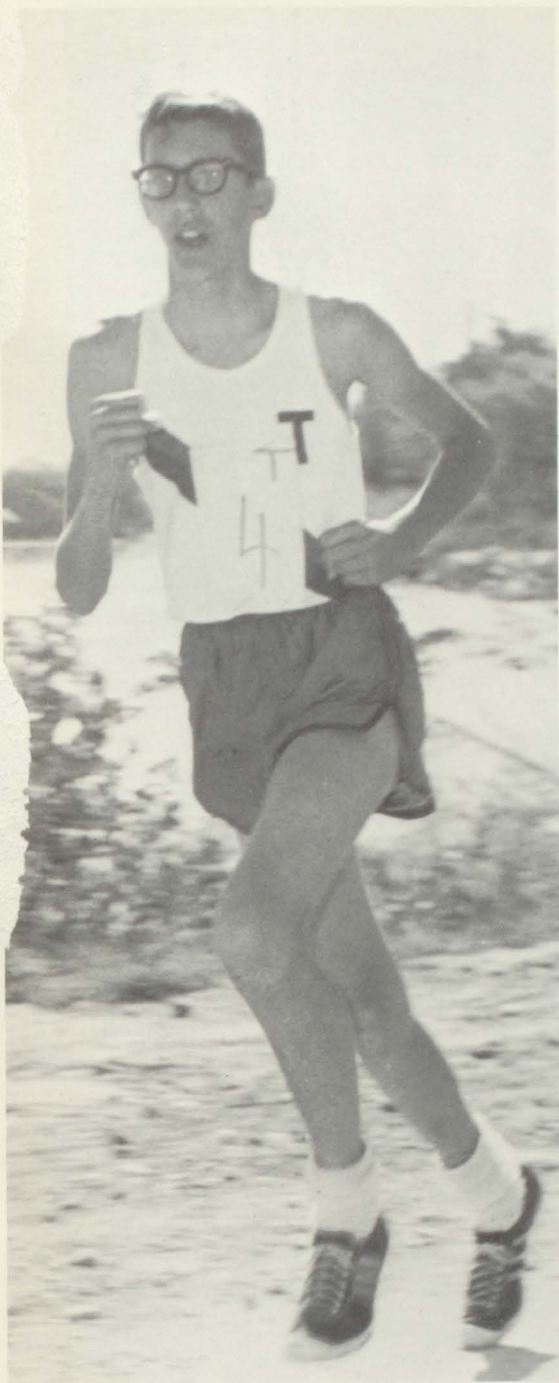

The Cross Country Team consisted of the following members: *BACK ROW* (left to right): Mr. Thompson, Dave Peterson, Rick Arbanella, Karl Herbrechtsmeier, Gregg Michelson, Bob Krieser, Tim Young, Richard Vandenburg, and John Palmer. *FRONT ROW*: John Dagon, Dave Splittek, Earl Sharnick, Brian Kipp, Bill Sunday, and Rick Huber.

THE RACE IS ON

The Cross Country team didn't do as well as it expected, but it has great hopes for next year. The team showed great enthusiasm and tried their best. It is hoped that their good sportsmanship will continue, in the coming years.

The picture on the right shows Richard Vanderburg running for the finish. Below, Tim Young is also heading for the finish.

WE FINALLY MADE THE MOVE . . . THERE'S STILL A LOT TO BE DONE

We finally made the move to two weeks before Christmas vacation. It was a joyous event for most students and faculty members. Regular hours really seemed different. The seniors especially found an adjustment difficult after two years of split shifts. All the students seemed a little lost even though they had been supplied with maps to find their way.

Although school was in session, there was work to be done. Wiring was still being done in parts of the building. The auditorium was far from completion.

The bleachers in the gym couldn't be pulled out on both sides of the gym because the middle court baskets had not arrived.

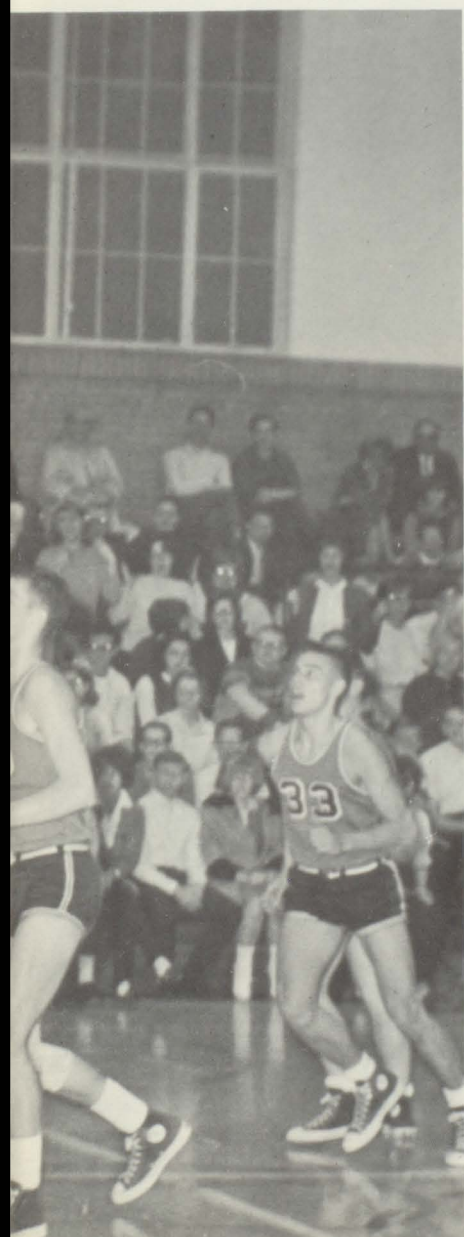

There were hardships for many teachers, and students. Many students were especially bothered by the inability to watch the clocks. After the first semester the last ones were finally set at the correct time.

There were problems and hardships, but all seemed happy to be in the new school.

TREMPER TROJANS SCORE BIG IN SPORTSMANSHIP

The first Tremper basketball team opened thier basketball season in Bradford's Gym. Although we did not have a championship team this year, our team spirit never failed. Only two lettermen, Walter Glass, and Jim Trebbin returned from last year; and Trebbin was forced to drop out on doctors orders before the end of the season.

Every game played was exciting and full of action. Each player went in doing the best he knew how, though sometimes his best just wasn't enough.

Our team set a fine example of sportsmanship, that all the future teams of George N. Tremper High school should follow.

OUR FIRST QUEEN AND HER COURT

The five candidates and their campaign managers made their way towards the platform. The crowd waited patiently for the revealing of the queen. The queen, Robin Stauder, was presented with a dozen roses and a crown.

Each candidate and her campaign manager had worked very hard. They had campaign meetings almost every night before the election, and thought up many clever ideas. The week before the school voted the halls were filled with posters. The candidates made speeches over the intercom and were interviewed over WAXO radio.

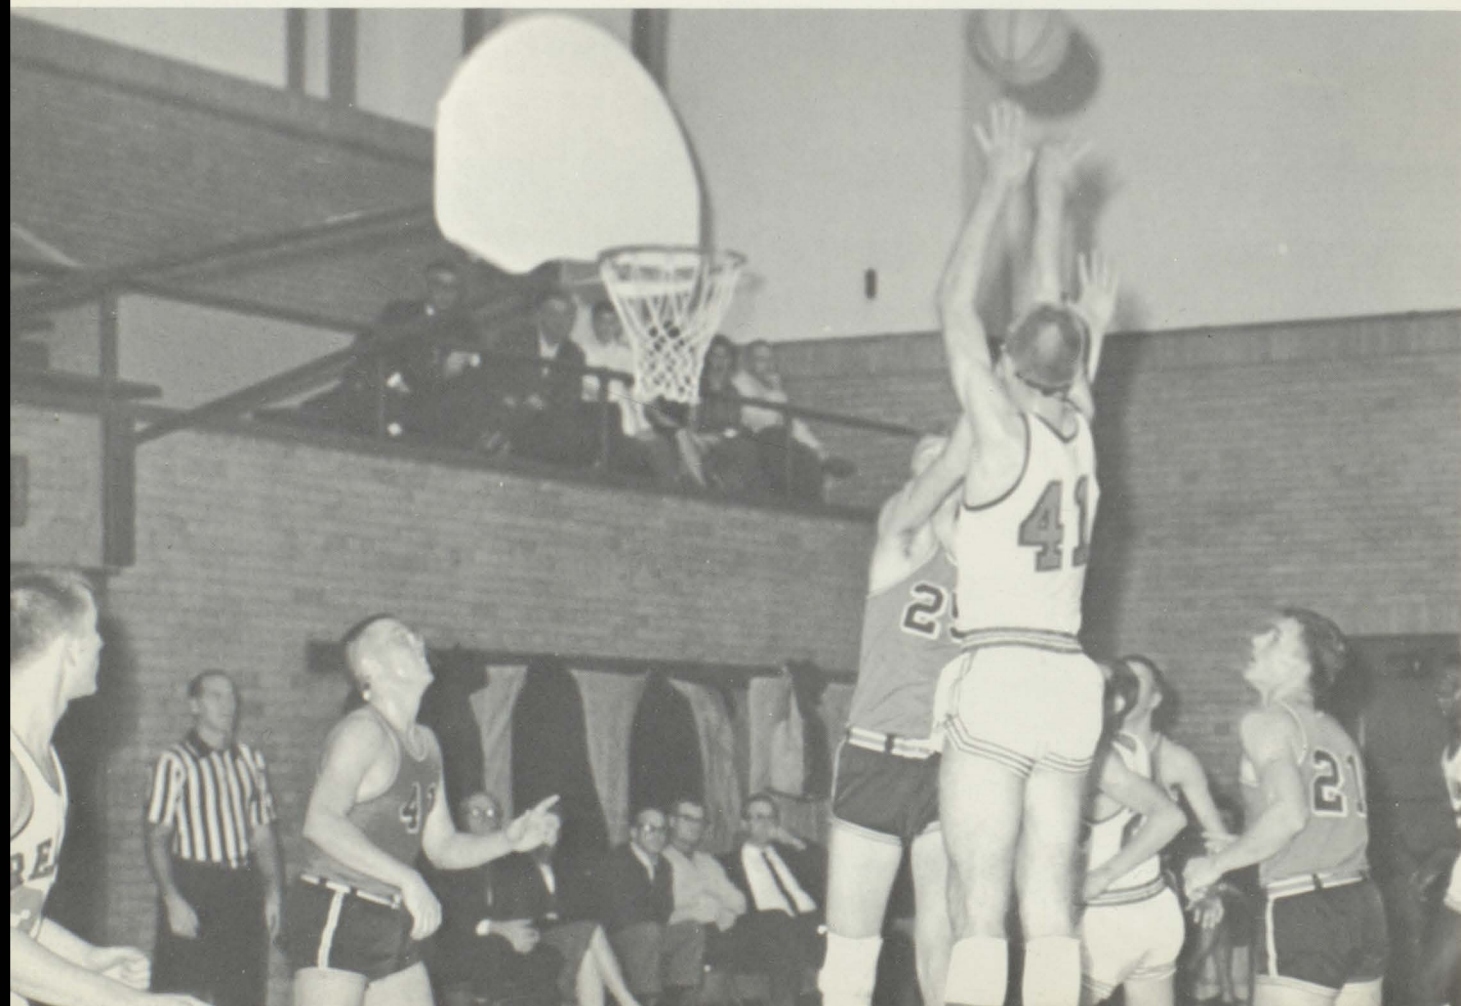

ROBIN STAUDER AND MR. AUGUSTUS CHRISTENS THE NEW HIGH SCHOOL

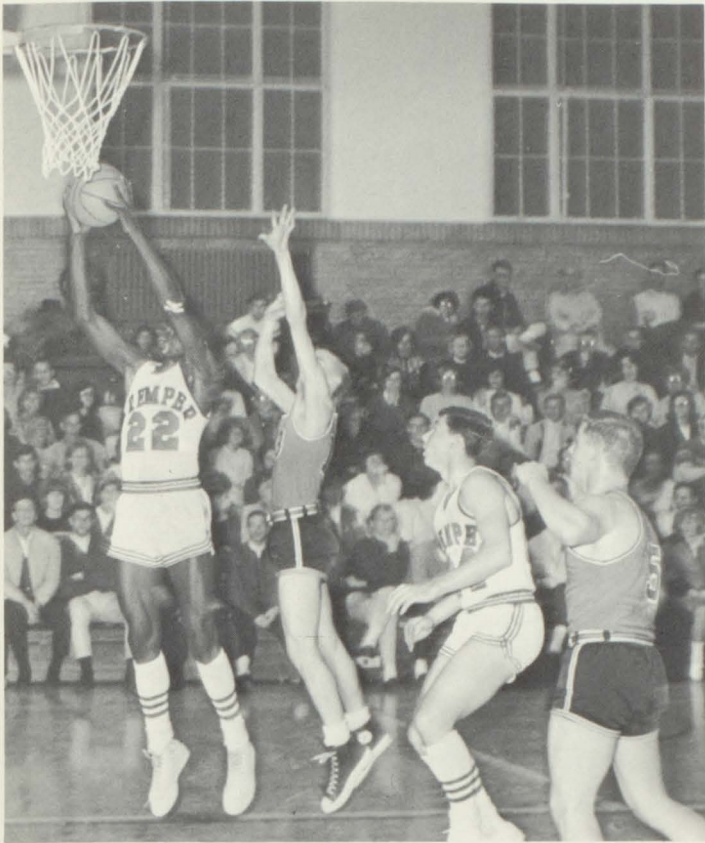

Since there was no homecoming queen this year, one of the most important events of the year was the Christening Dance. The senior boys selected the candidates. On Friday before the big dance the whole school voted for a queen. At the dance that night, the Student Council president, Jeffery Reilly, crowned the queen, Robin Stauder.

Below, the Christening Queen, Robin Stauder, assisted by Mr. Augustus officially christens George N. Tremper High School. The bottle of champagne is broken against a pillar of the school in the commons area. On the left, the Queen is pictured with her court. In the lower left corner the queen and her court is shown dancing to the music provided by Tony Aiello.

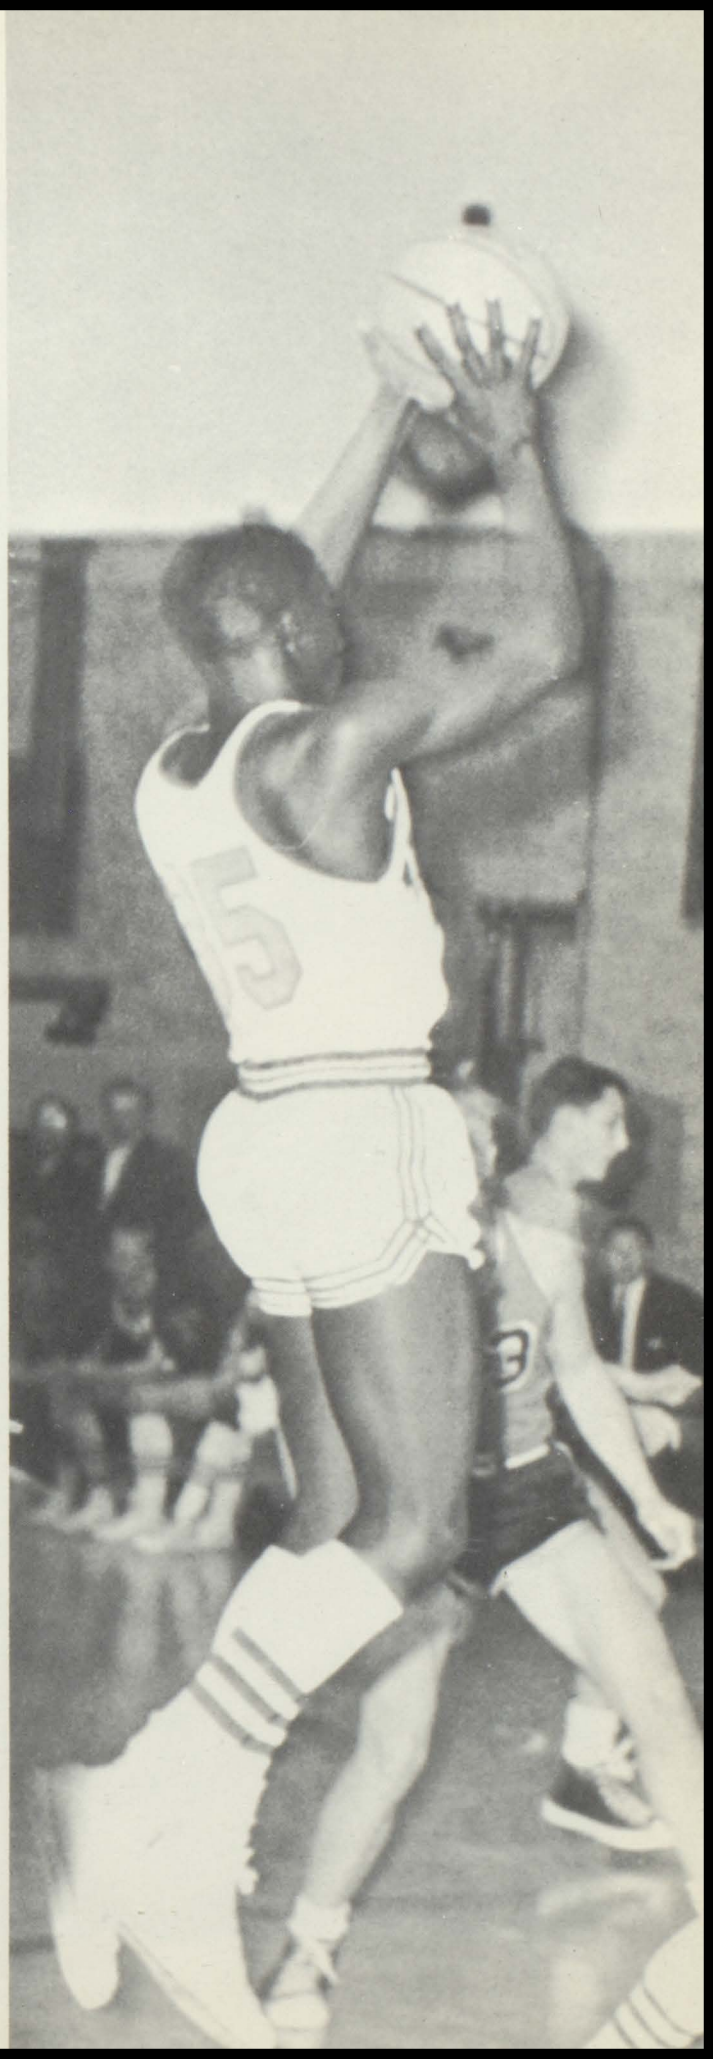

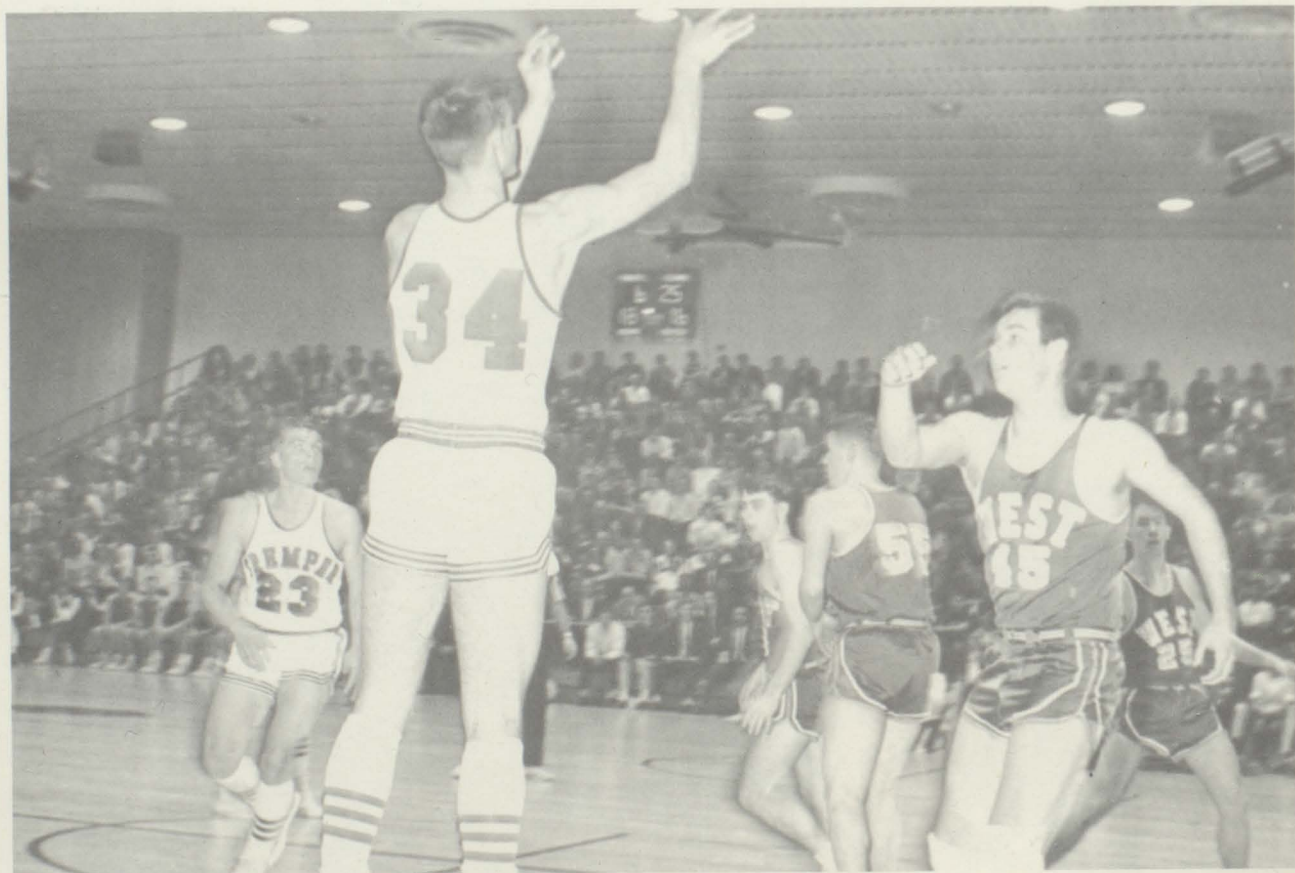

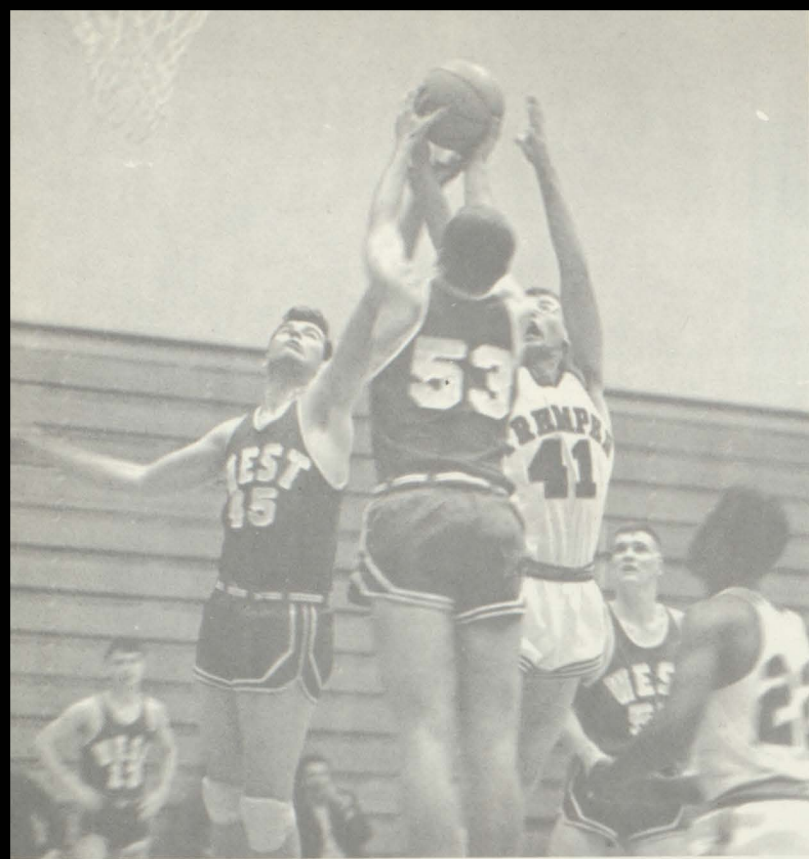

TREMPER BATTLES MADISON CENTRAL

Madison Central met Tremper at Bradford's gym December 5, 1964. The strong determination of our stalwart five again shone through. Even though they didn't win, they showed great drive, and plenty of enthusiasm. The pictures on these two pages show the fine form and agility they displayed against Central. On the right D'arcy Byrd goes high in the air to deliver his jump shot to the basket. Layups are also an important source of points and Walter Glass is pictured above doing a shot. Fouls also play a very important part in the game of basketball, and you can always see the referee blowing his whistle, above left.

THE BAND PLAYS ITS FIRST ANNUAL CONCERT

On December 8, 1964, at 8:00 P.M. the Tremper Band presented its first concert. The band was directed by James O. Froseth. They had two guest artists, Mrs. Joan Beeler and Dr. James Neilson. Joan Beeler is currently a faculty member of the School of Music at Ithaca College. Dr. Neilson, an employee of Lablanc and resident of Kenosha, played a duet with Joan Beeler. During the program the Kenosha Navy Club presented the National, Wisconsin State, and Official Navy Flags; the Western Kenosha Kiwanis Club presented the City of Kenosha Flag and the Official Kiwanis Club Flag.

CHRISTMAS CHORAL CONCERT

Tremper's A Cappella Choir gave a thrilling performance on December 13 at the Bradford High School Auditorium. Above and below the A Cappella Choir is shown.

Below, Diane Mancussi and Danny Nye, return

to their places after singing solo's in, "We've Been A While a Wandering."

It was Tremper's first coral concert, and it was the start of a fine tradition.

Mr. Runestad directs the combined Choirs of Tremper High School.

THE SCHOOL OFFICIALS AND A STUDENT BROKE THE GROUND

That started it all. The construction companies then began work on the George N. Tremper High School. After two years of hard work, the school was finally ready for 2000 students. The move ended two years of split shifts for most of the seniors.

The picture above shows the end of the long two years. It shows the members of the school board and other officials inspecting the new school a week before it was opened to the students.

At left, Mr. Otto Huettner, the present Deputy Superintendent of Public Schools and formerly principal of Mary D. Bradford, watches Laurie Seland, a future Tremper student, break the ground for the new school.

In the upper right photo, Julius Goldstien, the School Board President, and Harold Maurer, the School Superintendent, put the spade to work at the ceremonies.

At right Alderman Vern Christiansen, a long time supporter of the School Board, speaks at the ground breaking.

CONSTRUCTION BY CAMOSY

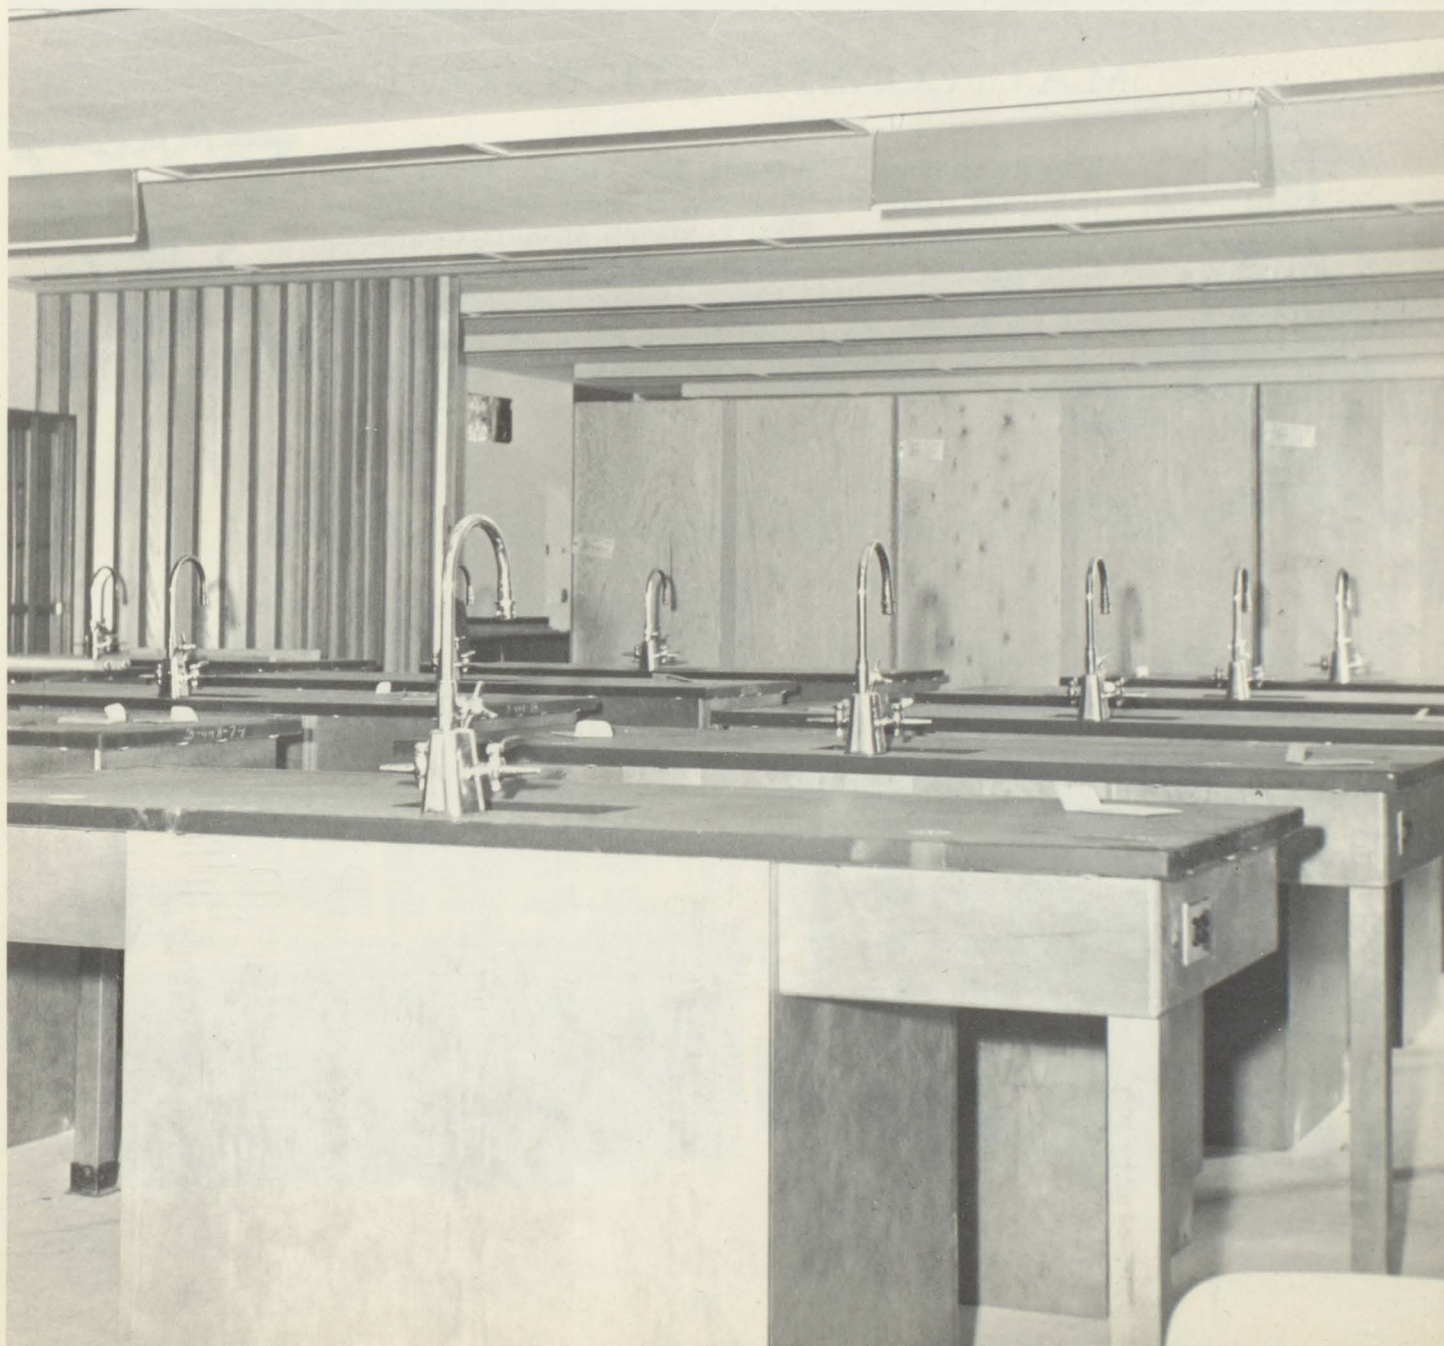

The Camosy Construction Company Inc., 2604 Washington Road, was the general contractor for the George N. Tremper High School. The school itself testifies of the fine job that was done. The students can be proud of the beautiful building. Not only did the Camosy Company do a fine job, but they also saw that the school was opened a year before it was scheduled to open.

PLUMBING DONE BY KAEBLER PLUMBING AND HEATING COMPANY

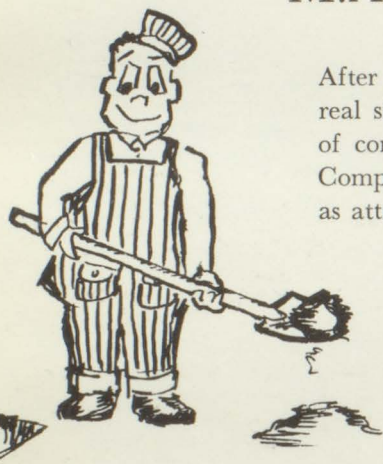

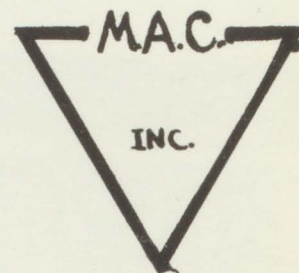

Another fine job was done for the city by the Kaebler Plumbing and Heating Company, located at 5718 7 Avenue. They installed the plumbing for the George N. Tremper High School. They also co-operated with the general contractor and helped to have the school open sooner than it had been thought possible.

M.A.C. CONSTRUCTION COMPANY

After the plans are drawn and the land is bought, what is the first real sign of construction? The hole, of course, Tremper's first sign of construction was accurately dug by the M. A. C. Construction Company. This company also did the grading; making the outside as attractive as the inside.

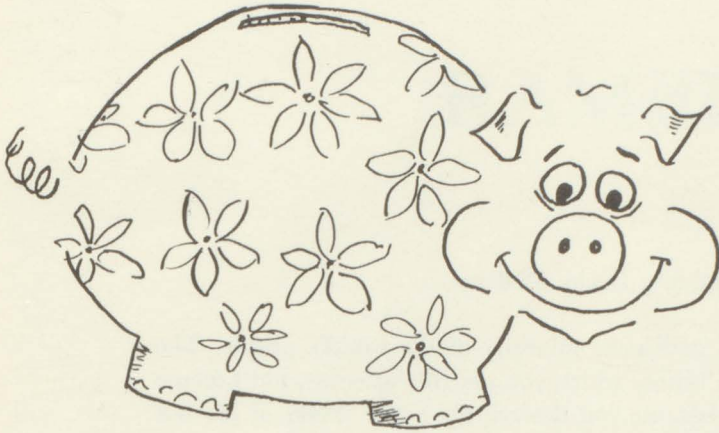

BROSK OFFICE & SCHOOL SUPPLY INC.

Thanks to Brosk Office and School Supply Inc. Tremper's rooms are beautifully furnished. By quickly supplying the school with Library furniture like this, the students and faculty were able to enter the new school earlier than expected.

BROWN NATIONAL BANK

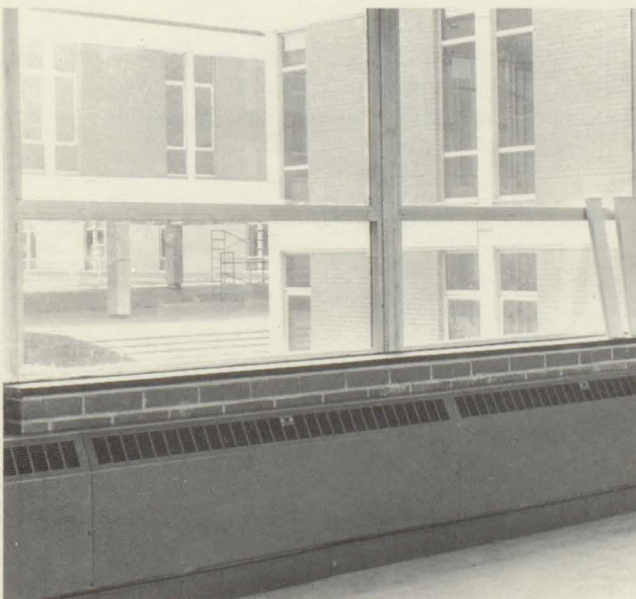

The Brown National Bank—located in the center of Kenosha—will be most happy to be of assistance to the students or Faculty of the wonderful George Nelson Tremper High School.

A Message to a Lucky Student

You are one of an incredibly small and lucky minority of the world's people. The American way of life is a miracle of history which you are free to enjoy, not because of any effort on your part . . . not because you deserve the better things of life but solely because you were lucky enough to be born into it. Many are not so lucky.

More people live in huts of mud or straw than in any other kind of shelter.

More young people have a life expectancy of thirty-five years than of any higher figure . . . about half that of an average high school graduate.

More parents watch half their children die than see all their children grow to adulthood.

More people live without the help of a doctor than enjoy even the most simple medical care.

More people eat only what they grow . . . and starve when there is no harvest than obtain their food in any other fashion.

More people do not know what it is to vote than have ever voted.

The advancement of your way of life and the spreading of its benefits to others is your future responsibility. For those who have the creative spark, ability, courage, human kindness, stick-to-itiveness and leadership there will always be opportunities unlimited.

SOX 'N' SNEAKER HOP

On January 16, the Sophomore and Junior Classes presented the "Sox 'n' Sneaker Hop". It was an overwhelming success with 800 students there. Held in our cafeteria and with the Stingrays playing their best, the students had a great time and the Classes made \$440 for the coming Prom.

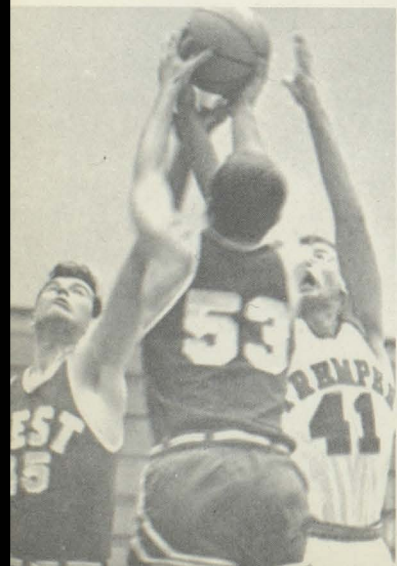

A change of pace was offered during the band breaks by the Four Winds, composed of Dan Nye, Jerry Wheeler, Don Jacobson, and Dennis Stoner.

TREMPER TEENS

The Tremper Teens Service Club was formally organized December 14, 1964, under the leadership of its advisor, Mrs. McKenzie and its officers:

Carol Beck—President
 Connie Cambell—Vice President
 Carole Karber—Secretary
 Bonnie Eide—Treasurer
 Vivian Perrault—Corresponding Secretary

Tremper Teens presented the well-known Sadie Hawkins Dance; the music was provided by the admirations. This dance is a girl ask boy affair and the turnout was large because the girls did the asking. Another of the club's endeavors this year was a teacher help program under which each girl offered to aid a faculty member. A senior banquet was held in May to honor all the outgoing seniors.

LETTERMEN

The Lettermen for this year are from left to right: *BACK ROW*—Bill Lehrman, Bob Kiss, George Wedell, John Steinbrenk, Tom Remme, John Dagon, Jim Trebbin, Dan Nye, David Bohn, Earl Scharnik. *SECOND ROW*—Jeff Caddock, Larry Gramms, Bob Steele, Randy Mann, Ron Kokely, Bob Sternberg, Dennis Zanders, Karl Herbrecht-

BASEBALL CANDIDATES

Our baseball team for this year is looking forward to a great season. The members of this team are from left to right: *BACK ROW*—Coach Andy Smith, Gary Topel, Bob Junkel, Jim Trebbin, Steve Genske, John Dagon. *FRONT ROW*—Clint Beth, Tom Flunnery, Mark Montemurro, Gene Fox, Dick Wavero.

STAGE GUILD

Have you ever seen a play? Well, you probably have. In that play you saw the actors, but there is more to a play production than the actors. There is the behind stage workers or otherwise called the Stage Guild. They work on the props, make-up, and costumes. They regulate the lights and curtains, and build the scenery. The Stage Guild is one of the most important parts of every play at Tremper High School.

BACK ROW—Left to Right: David Engstom, Jack Madner, James L. Sorenson, Jim Iaquina, Jim Norris, David Mroy, Jim Staude, *FRONT ROW*—Christine Hen-

dersen, Adrian Sunday, Pat Bader, Toni Walerstradt, Cheri Paulson, Meg Connolly. Instructor: John Eaker.

visor. *FRONT ROW*—Peter Blaine, Gary Himmeleiv, Ronald Streich, Craig Stervart, Luana Halm, Sue Pabst, John Parker, Tim Eaker.

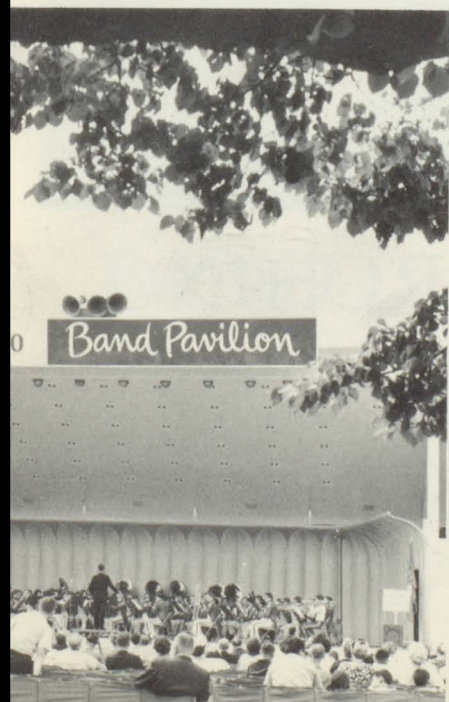

AUDIO VISUAL DEPARTMENT

The Audiovisual Department is a very important part of education. They care for films, tape recorders, the language lab, slide projectors, and many other facilities of this nature. The department is responsible for seeing that all the material is to the classroom on time. They help the teachers run their machines if he or she has not had the experience. The Audiovisual Department has become very important and will be even more important in the years to come, when films increase their popularity with the teachers as a means of educating the students.

OUR BAND WENT TO THE WORLD'S FAIR

On June 30, 1964, the Kenosha High School Band left for New York City to play at the World's Fair. Being one of the only two bands invited from Wisconsin, the Kenosha Band then consisted of both the Tremper and Bradford Bands. They played on July 3 at the U.S. Pavilion. Again on July 5, a Sunday, they played a concert at the Tiparillo Pavilion (picture left), and a selected few (40) taped certain Sousa Marches for television viewing throughout the fair. Besides playing at the Fair they also were given time to tour the Fair by themselves, and on July 4, toured the United Nations, Empire State Building, and took a boat trip around Manhattan Island. In order to go on this trip the band members had to earn about \$20,000, so they washed and waxed cars, and received donations from Kiwanis Club and other Kenoshans, Mr. Froseth is the able director.

They are left to right, *BACK ROW*—Bob Paterson, Gene Sunday, Janyce Gray, Dennis Arnold, Tom Wiarda; *MIDDLE ROW*—Alan Donsing, Larry Piehl, Gary Nimmerguth, Dave Markese, Jim Haynor; and *FRONT ROW*—Bob Streblov, and Terry Merow.

The season's record was four wins and only four losses. This could have been much better, but the varsity team was plagued with injuries throughout the season. This was apparent by an early season tournament with ex-state champion Coleman. Our team came in second by 3 points. Our placements

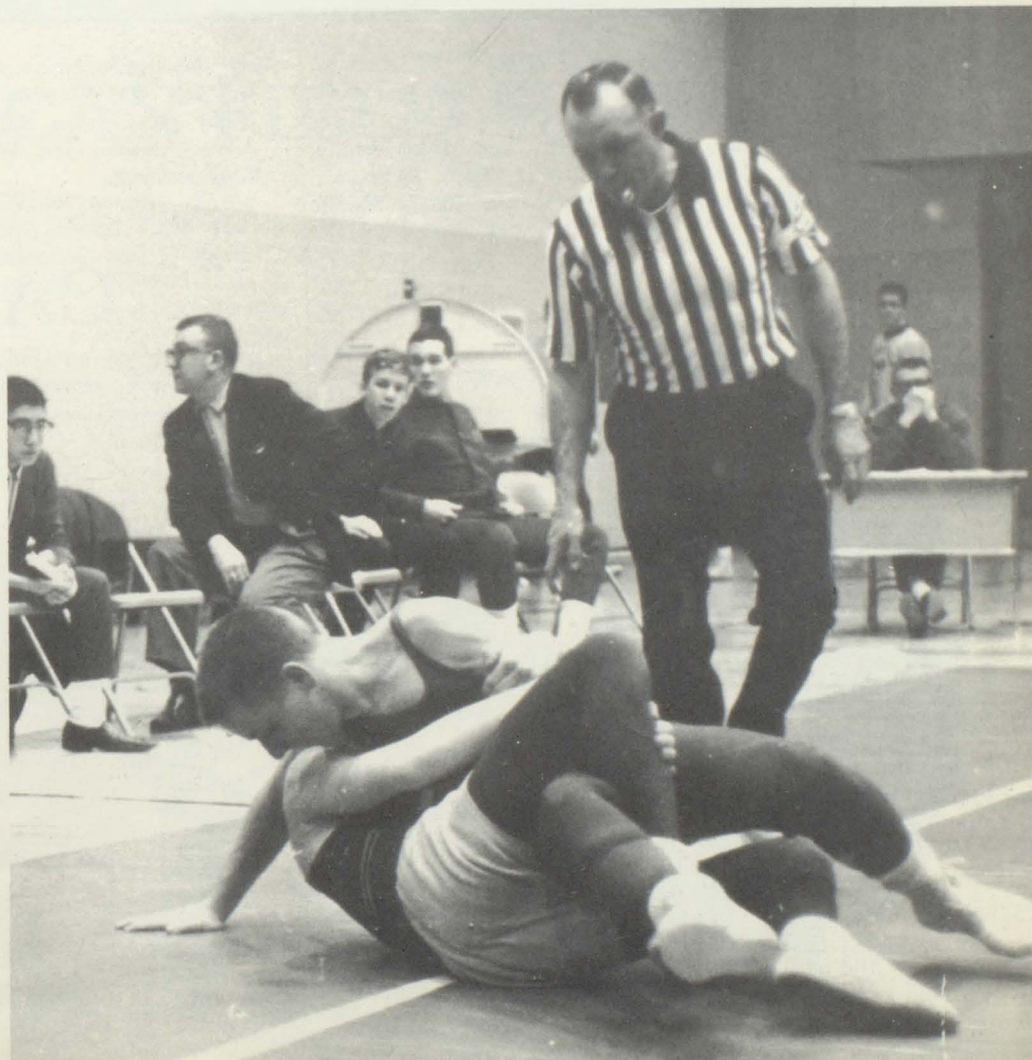

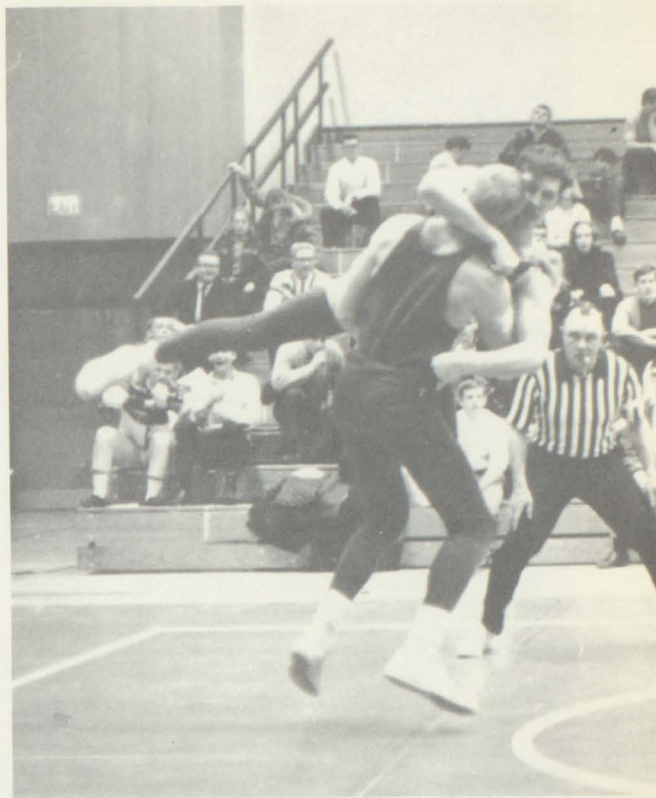

in tournaments were as follows; Milwaukee Pulaski Invitational—second; Mundelein Quadrangular—second; Big Eight—Third, Regionals—fourth; Sectionals—fourth. Tremper sent three boys to the state meet, but only placed one. They were Al Krueger, Earl Sharnick, and Jim Linderman.

TREMPER MAT-MEN

The Varsity, lower left hand side, are, *FRONT ROW*—Dave Splitek, Al Krueger, Jim Linderman, John Gentz, and Earl Scharnick. *TOP ROW* are Coach Fox, Bill Sunday, Jim Loshek, Russ Bullamore, Gary Lawell, Bob Steele, Mark Gruender, Jim Gray and Dewey Reilly.

CADUCEUS

The Caduceus Club of Tremper was very active this year. To give its members a better idea of just what a nursing career would mean, they toured both K.T.I. Practical Nursing, and St. Lukes Hospital. The advisor, Miss Kupferschmidt, shown at left, is always willing to answer any questions presented to her about nursing.

AMERICAN FIELD SERVICE

The American Field Service's chief activity is the encouragement of better relations abroad. Each year an effort is made to send a student abroad to spend the summer visiting a foreign country. Effort is also

made to bring a foreign student here so that the students may learn about the customs and manners of that country.

BOOSTER CLUB

The big job for Booster Club this year was to boost the spirit of this year's teams. They are responsible for the large turn out at this years Wrestling Meets, and to add a little color to the basketball game with Bradford, they made a huge Trojan horse which our players ran through at the beginning of the game.

MID-WEST NATIONAL BAND CLINIC

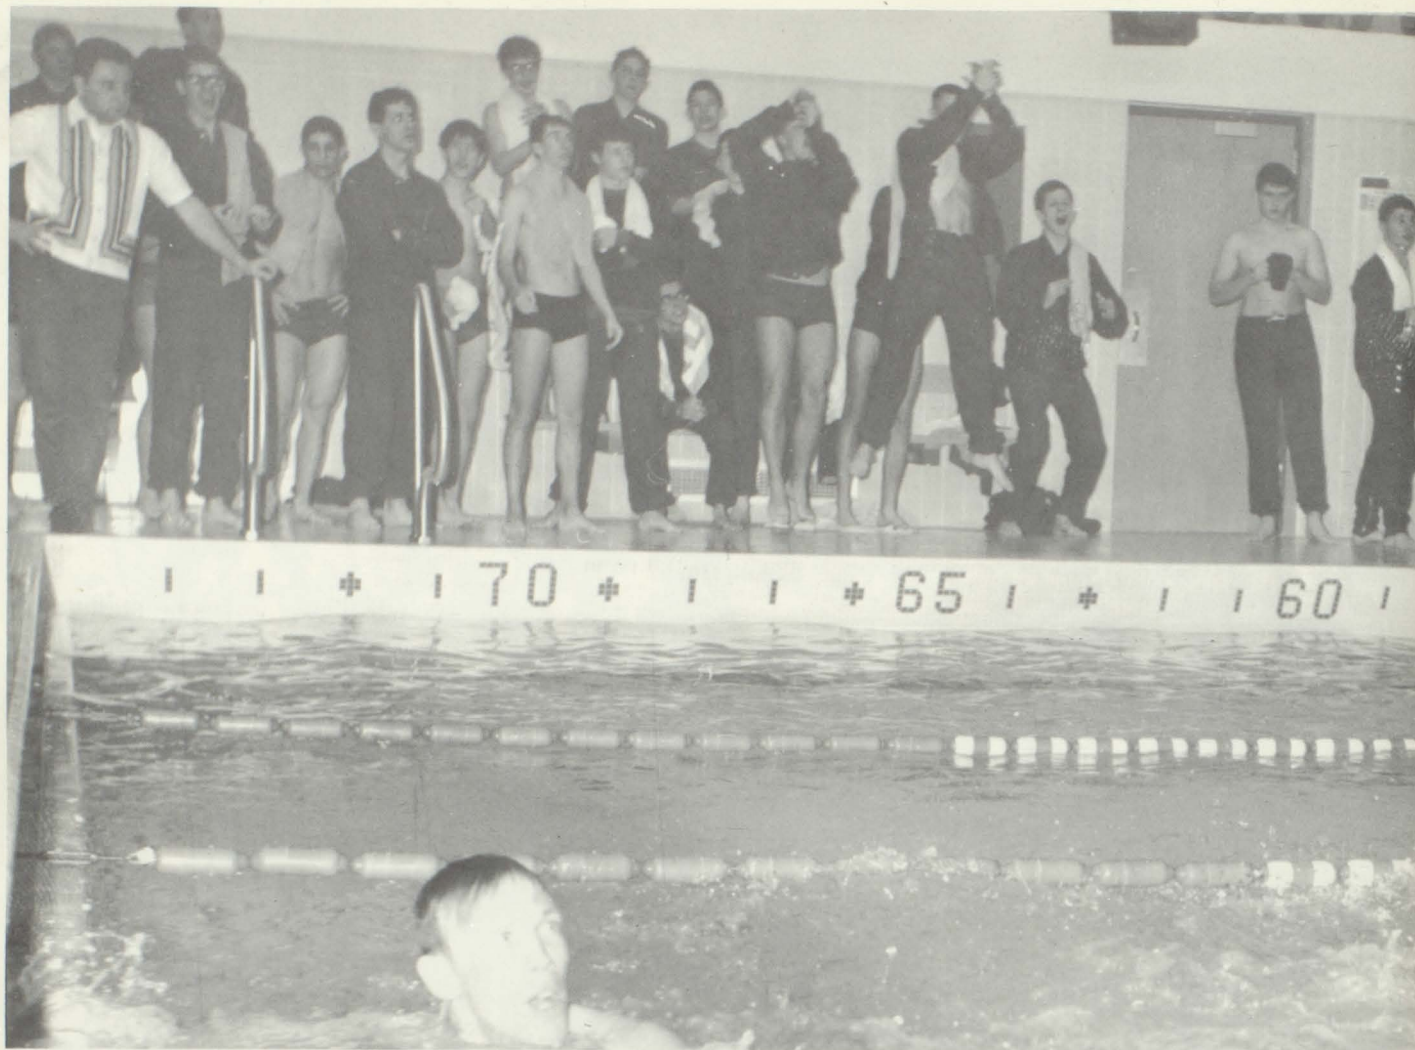

One of the greatest honors that could be bestowed upon a musical group was given to the combined orchestras of Tremper and Bradford early this fall. They were invited to play at the Mid-West Band Clinic in Chicago. They invited the Tremper A Cappella Choir to accompany them, and the two groups presented a program long to be re-

membered. The crowd gave them a standing ovation as a tribute to their fine performance. Mr. Nosal, director, is pictured at work as usual. As an extra treat, they were guests at a banquet at the Sherman House and saw *My Fair Lady* at the Palace Theatre.

THE FROGS

This 1964-65 swim team, the first George Nelson Tremper High School swim team, set a fine example this year. Although they did not have a perfect record, the team was never defeated in their *home* pool. They finished the season with a total of 3 wins, and only 4 loses.

This year's captain was Bill Walters. The Main Coach was Mr. Miller, he was assisted by Mr. Voss.

Team members not pictured in the team picture, are George Becker, Tom Bernhardt, John Helwig, Jim Oslund, Joe Vanderburg, Lynn Randall, Sam Cassity, Carl Griswald, Keith Herbrechtmeier, Tracy Ide, Jeff Vardi, John Parker, Victor Pufant, Phil Rugg, John Schman, Jeff Sorensen, and Burt Weisman.

KEY CLUB

The biggest event of the year for Key Club took place when they received their charter, becoming an official member of the Key Club Inter National. Pictured above receiving the key club banner are: Left to right, Gene Tappa, Treasurer; Andrew Pendl, district Club chairman; Jack Zacks, from a visiting Key Club; Pat Sherman, District Key Club governor; Ralph Ruffalo, past President, Kiwanis Club Western Kenosha, and Barry Farnham Tremper's advisor.

The charter members are: Pat Adamson, Kurt Becker,

Paul Fennema, Jan Galligan, John Grass, Jeff Hansen, Jim Haynor, Don Jacobson, Bob Kiss, Jack Mattner, Don Miles, Wally Pawlowski, Tom Renne, Dewey Reilly, Larry Simons, Dave Splitek, Gary Speaker, John Stamm, Gene Tappa, Dave Wyosnik, Jeff Reilly, Bill Baker, Mark Fennema, Vince Giacomini, Tim Hansen, John Steinbrick, Rich Hartman, Larry Kovisto, Randy Mann, Bob Sternberg, Tom Hartley, Gary Lawell, Jerry Setter, George Lubneiski, and Bob Redly.

Shown at right is Mr. Hooper, one of the assistant principals of Tremper High. He is the scheduler of classes for students at Tremper. Most of his summer months are spent preparing the schedule for all teachers and students. Due to an eye operation, Mr. Hooper was absent during December and January. He returned in February to begin scheduling for the 65-66 school year. Below is Mr. Wegner, the other assistant principal. His work is chiefly with the tardy and absent.

Mr. Augustus is shown on page five of this book.

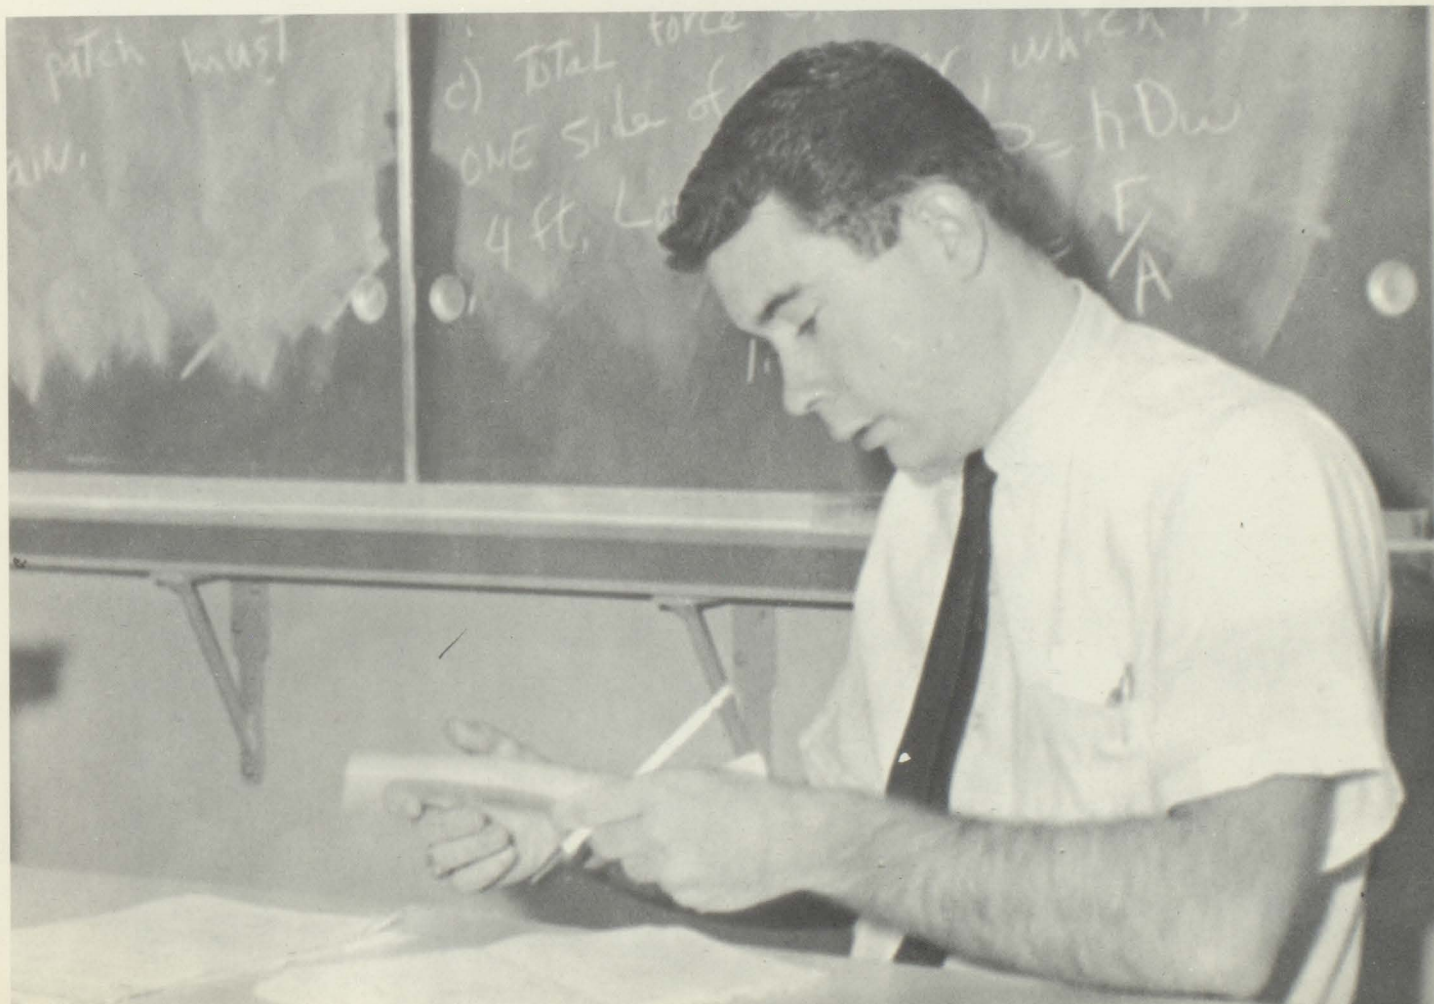

OUR ADMINISTRATION

PHYSICS AND BIOLOGY

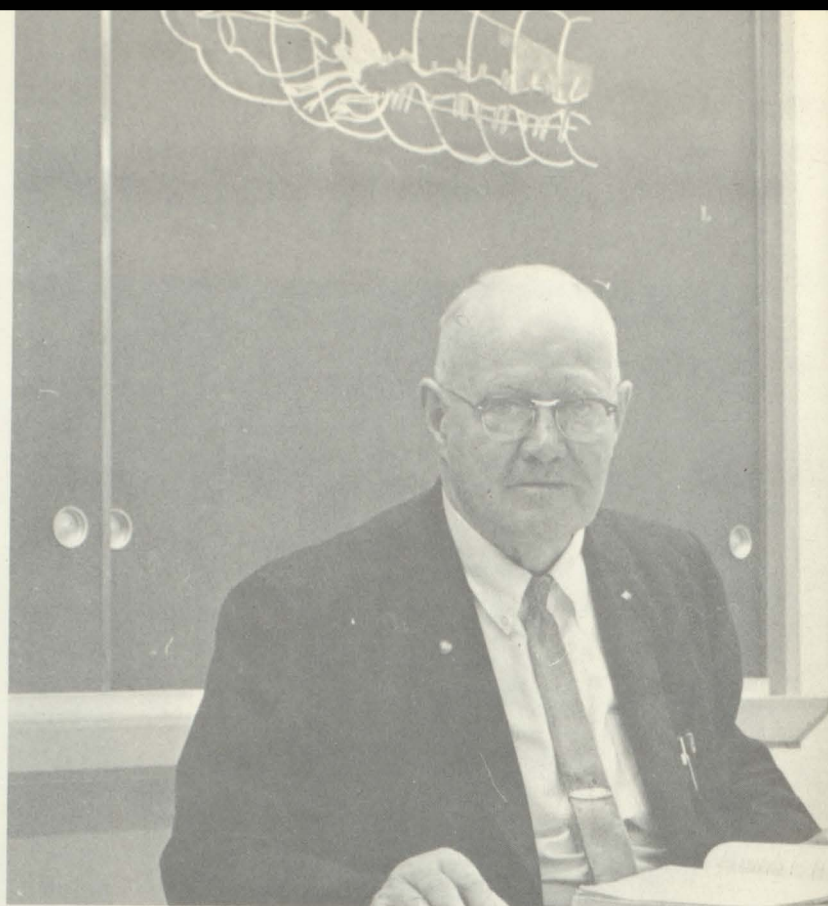

Science is very important in the schools today. Physics, the science which deals with matter and energy, is taught by Mr. Farnam and Mr. Hadler. In addition to teaching Mr. Hadler acts as a counselor. Mr. Farnam is pictured below; Mr. Hadler, to the right. On the left is Mr. Smith who teaches biology, the science of plants and animals.

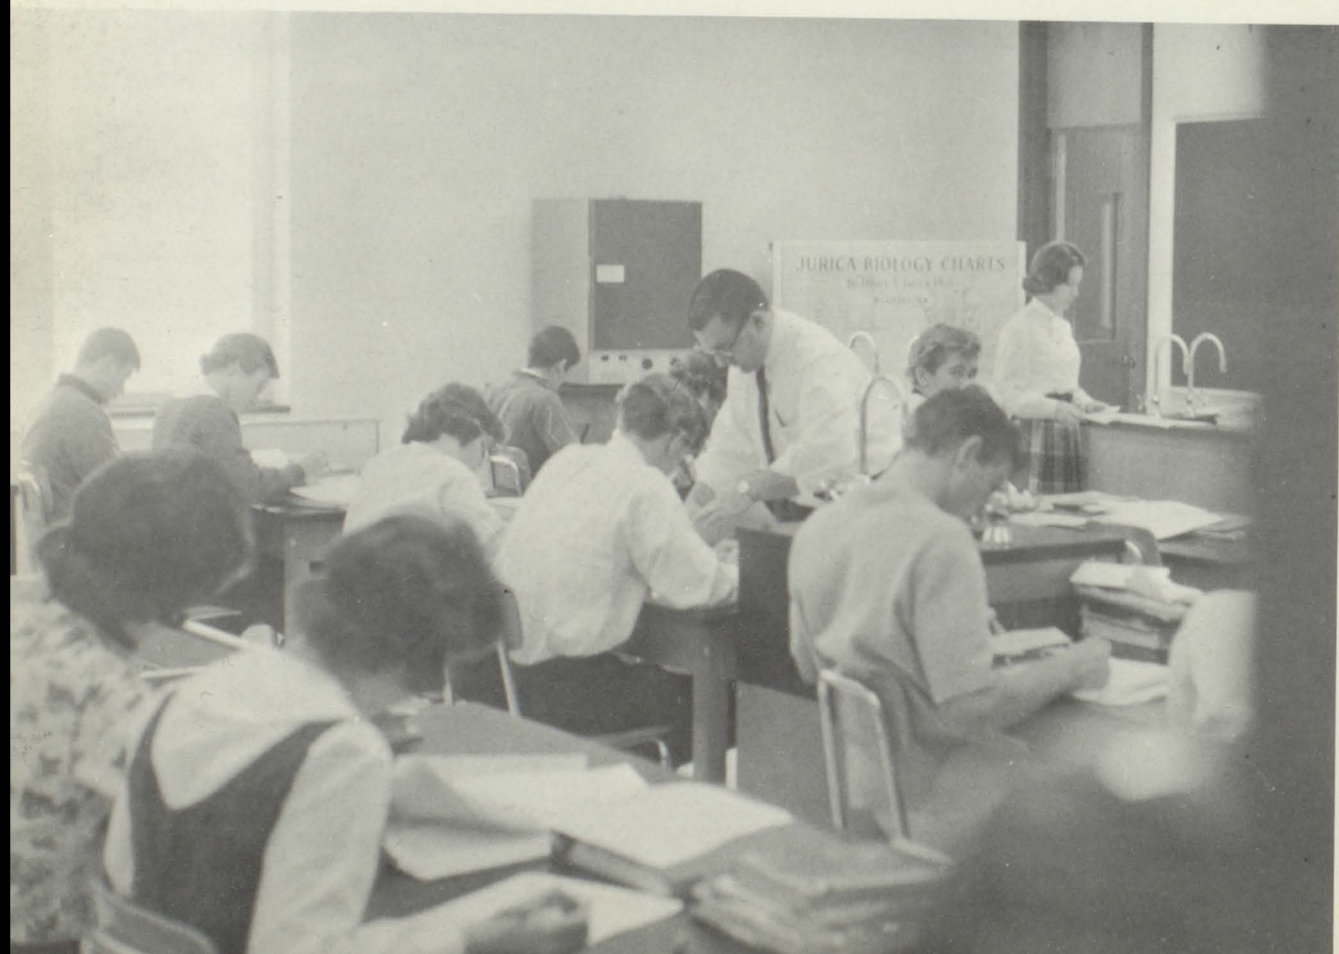

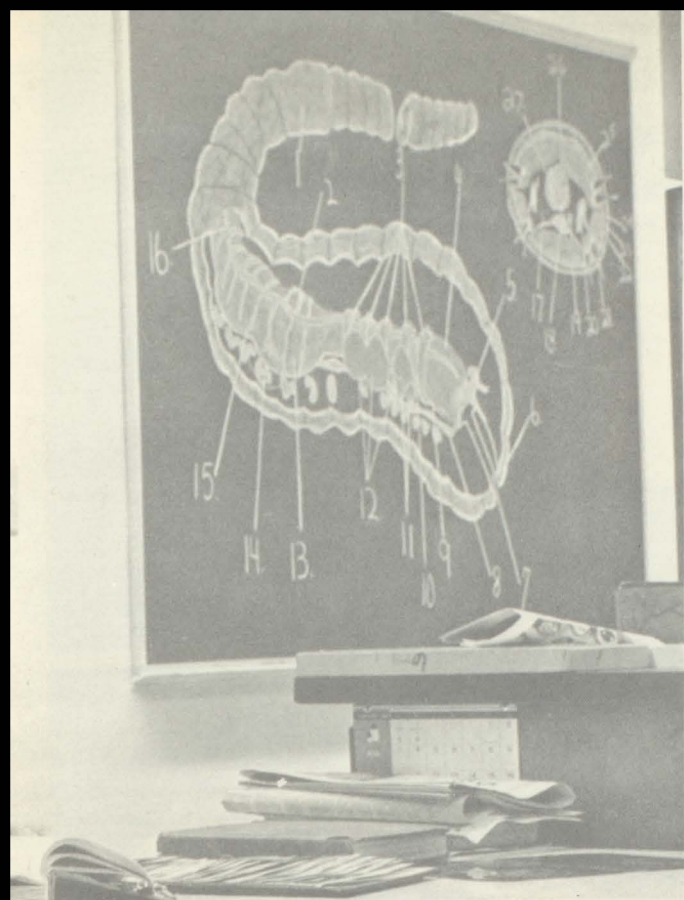

At right Mr. Huberty, waits patiently to begin his Biology.

Mr. Nicolazzi, an advanced Biology teacher, is busily engaged in helping his students.

PERHAPS THESE SCIENCE

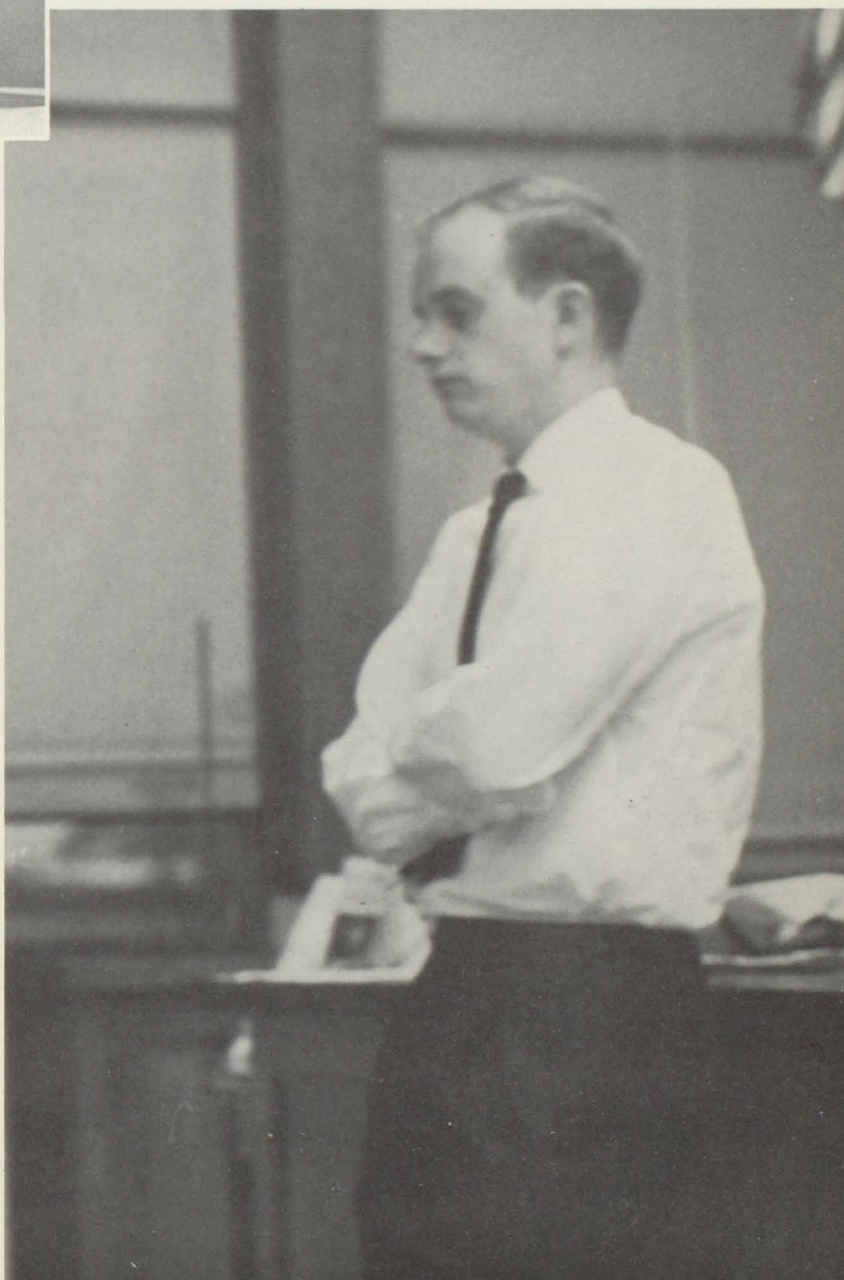

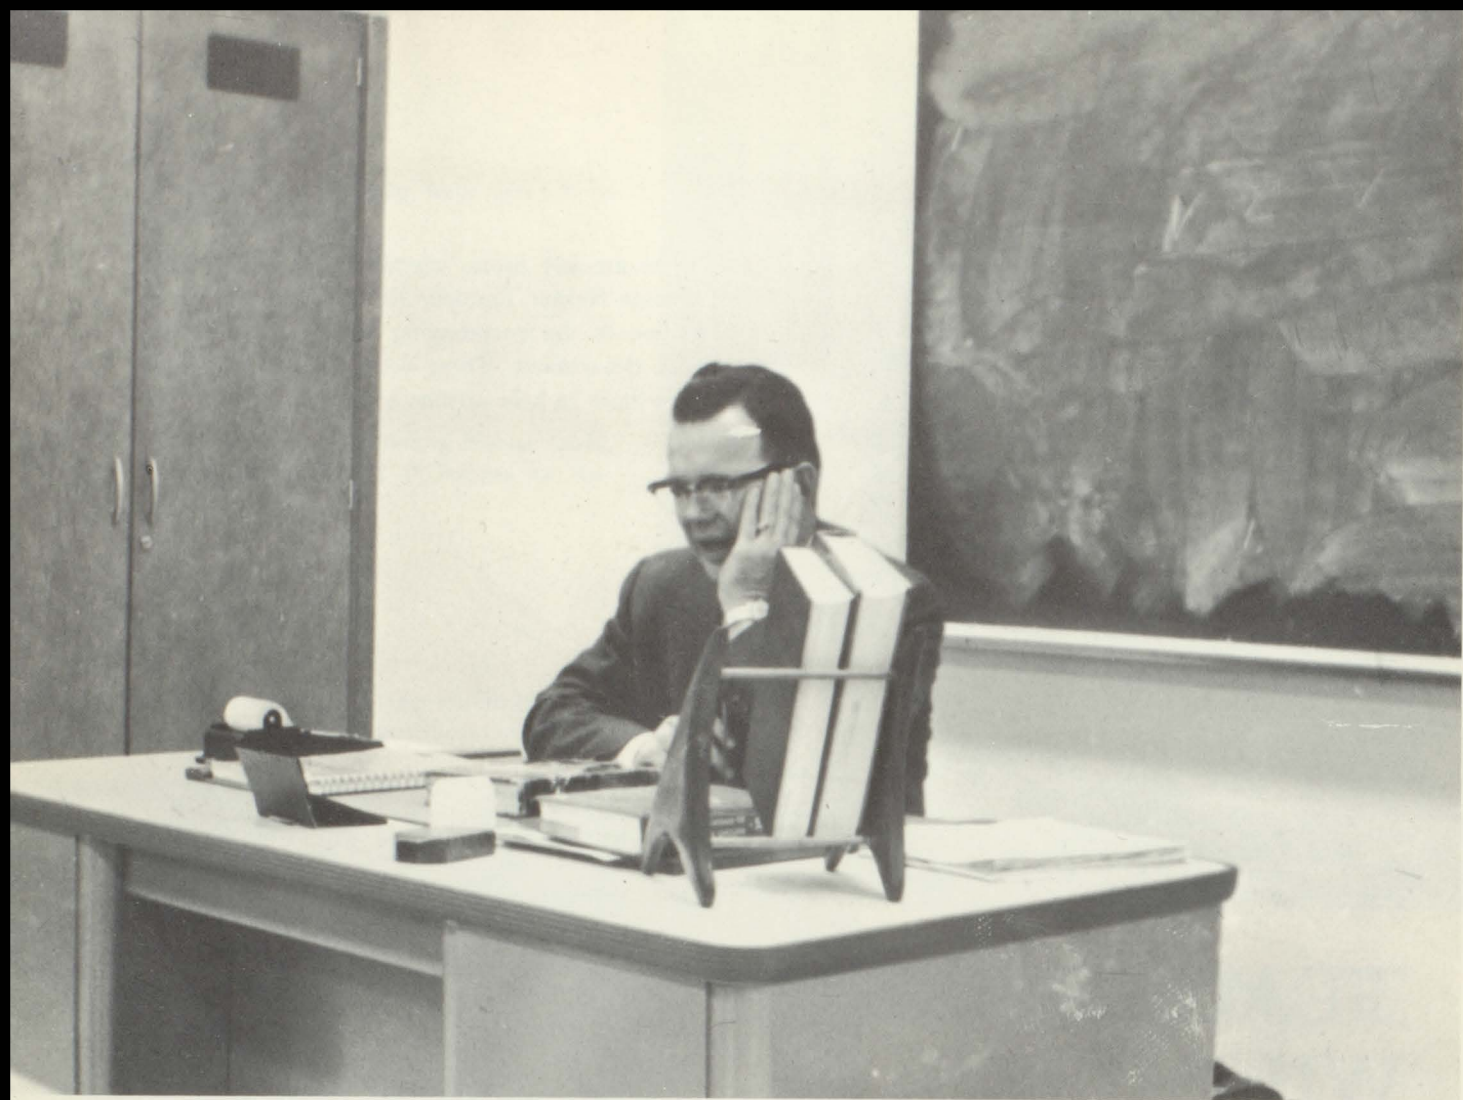

If there are any future scientists roaming the halls of George Nelson Tremper High School it is probably due to the encouraging words of Tremper's science department. These dedicated teachers were always there to help anyone who wanted help.

Below, Mr. Glynn, a chemistry teacher seems to be worried about his students. "Do they really understand?"

TEACHERS
WILL
PRODUCE A
GREAT
FUTURE
SCIENTIST

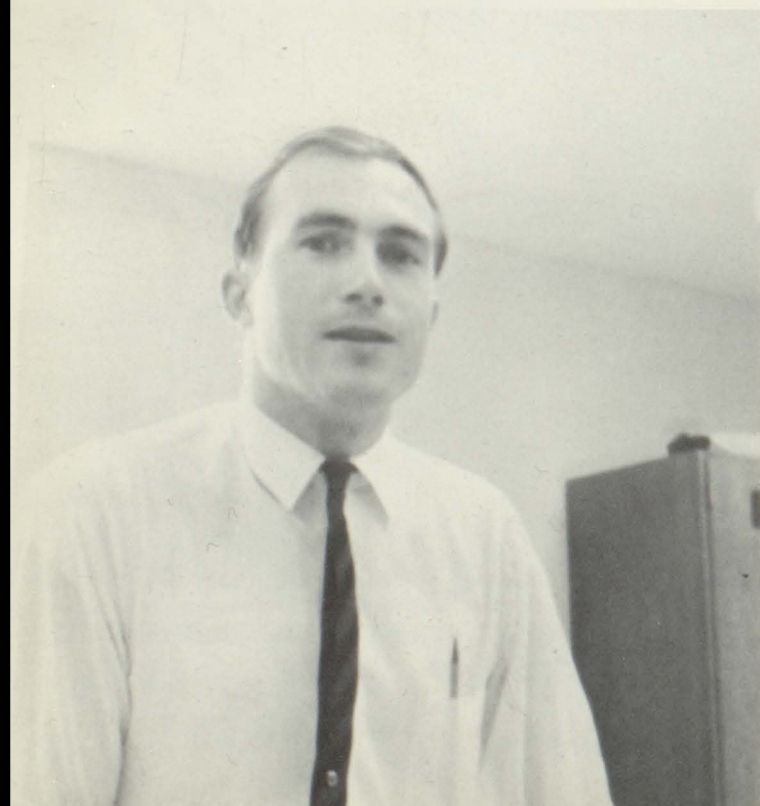

Mr. Hensey, an English teacher, shown above looks disgusted, but in reality he never gives up.

Mr. Piper, an English teacher has just finished a discussion of Macbeth, and seems to be asking, "Are there any questions." Mr. Piper also teaches Spanish.

At right Mr. Valente is waiting in his guidance office ready to counsel any one, day or night.

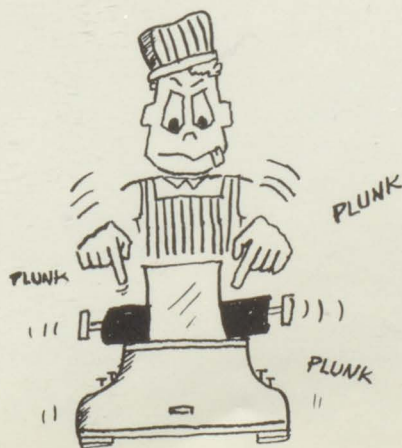

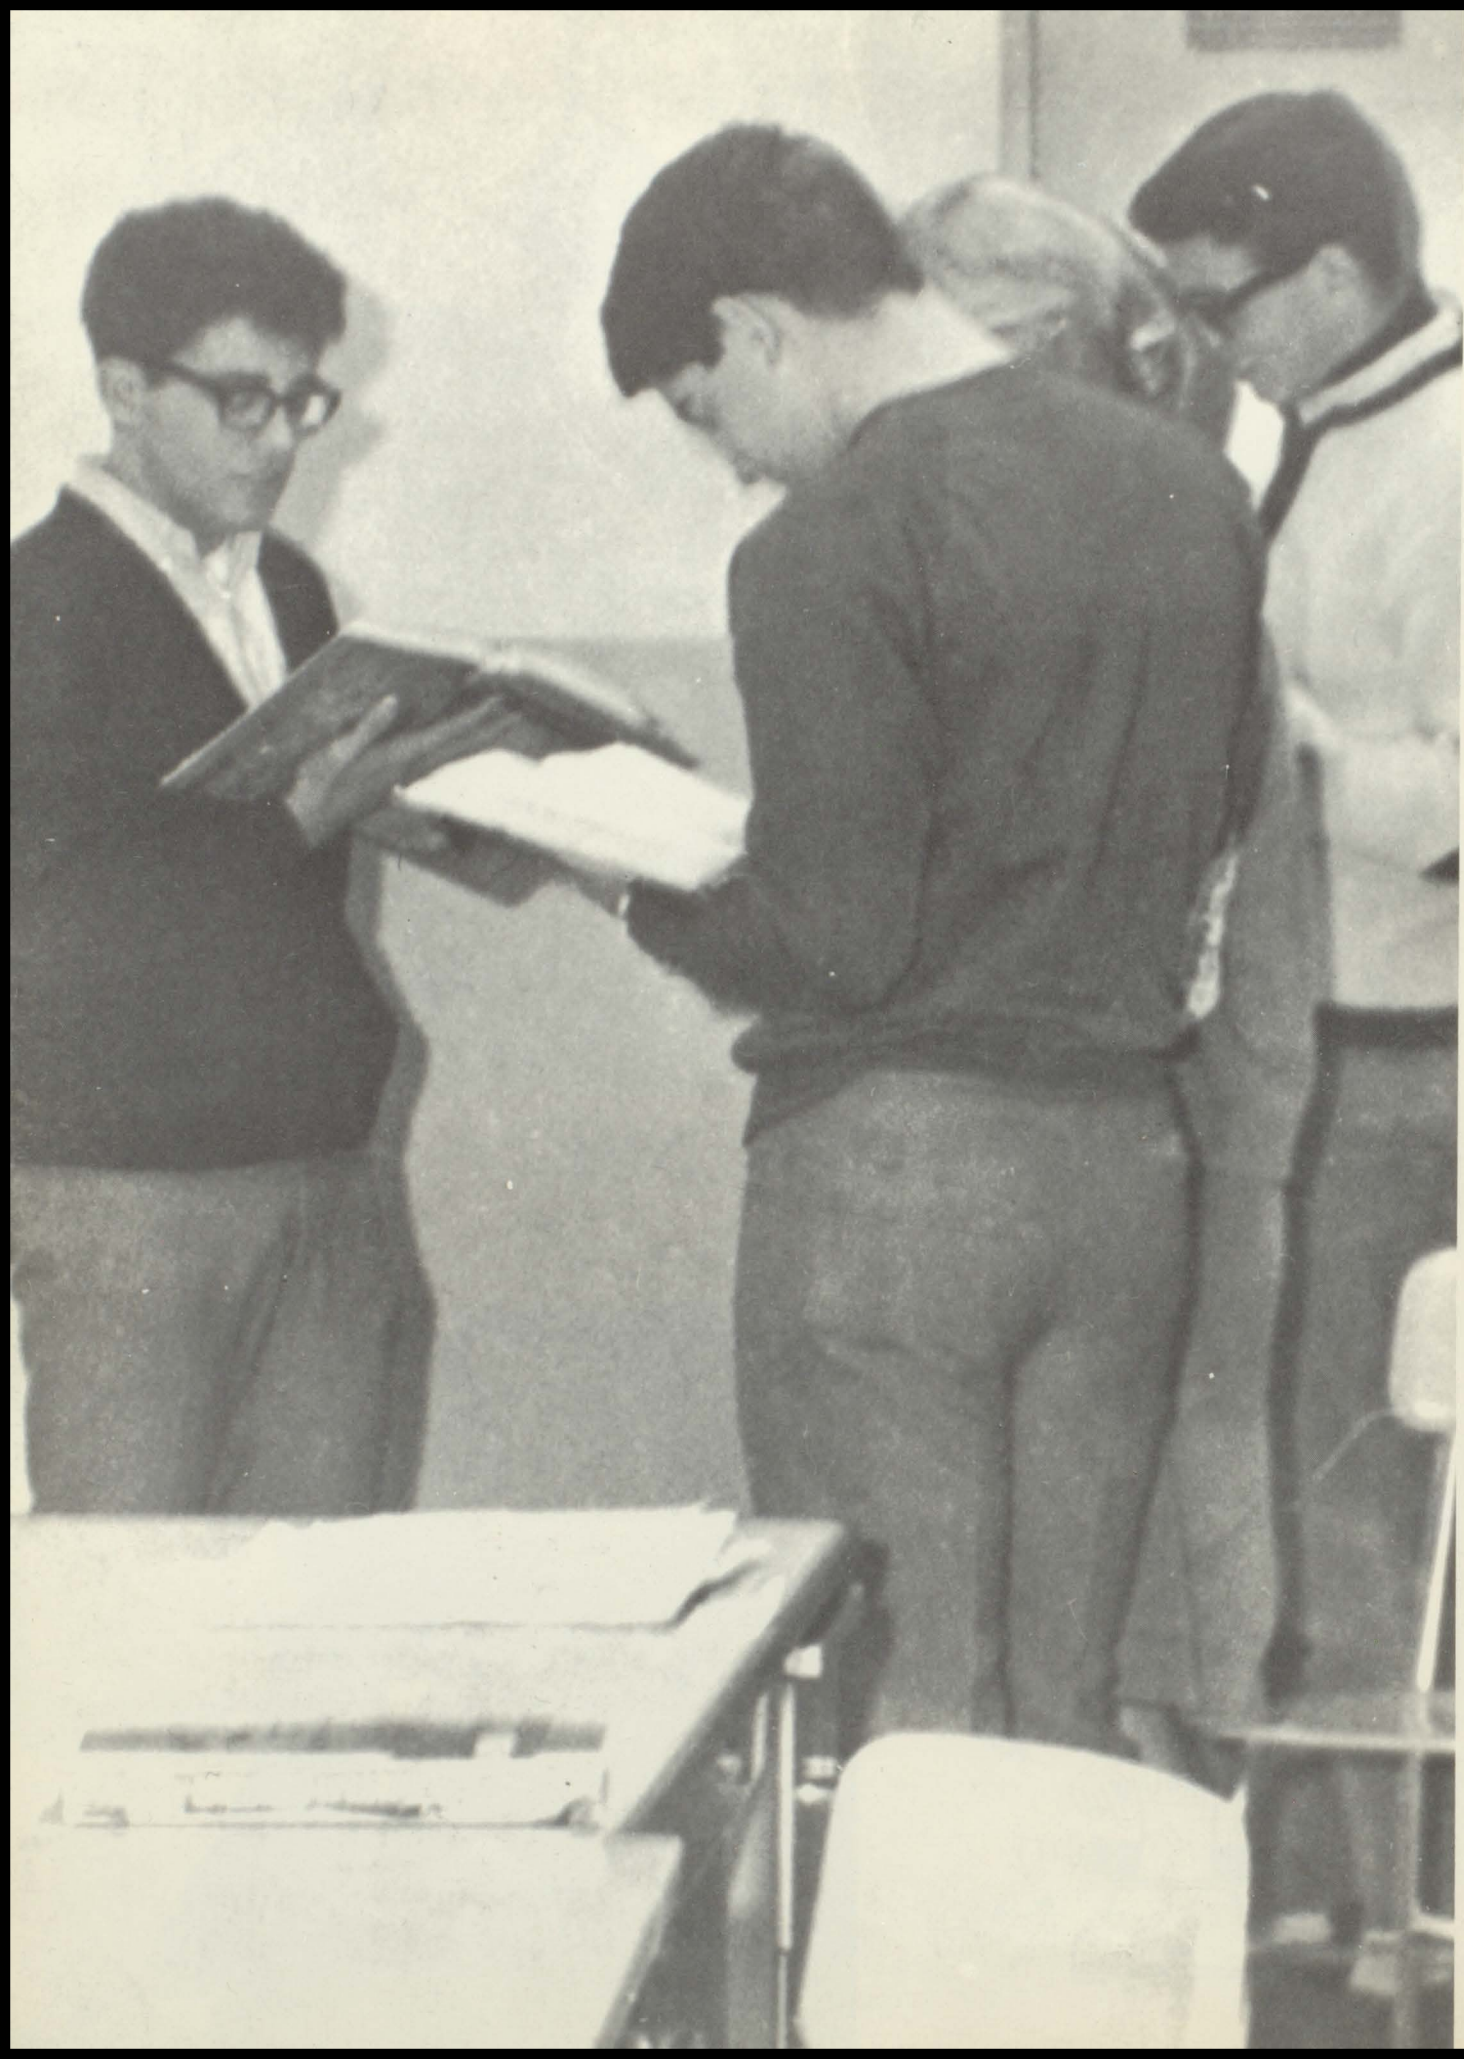

Pictured above is the office staff, they are from left to right; Mrs. Lucille Goldnik, Mrs. Carol Hessinger, Mrs.

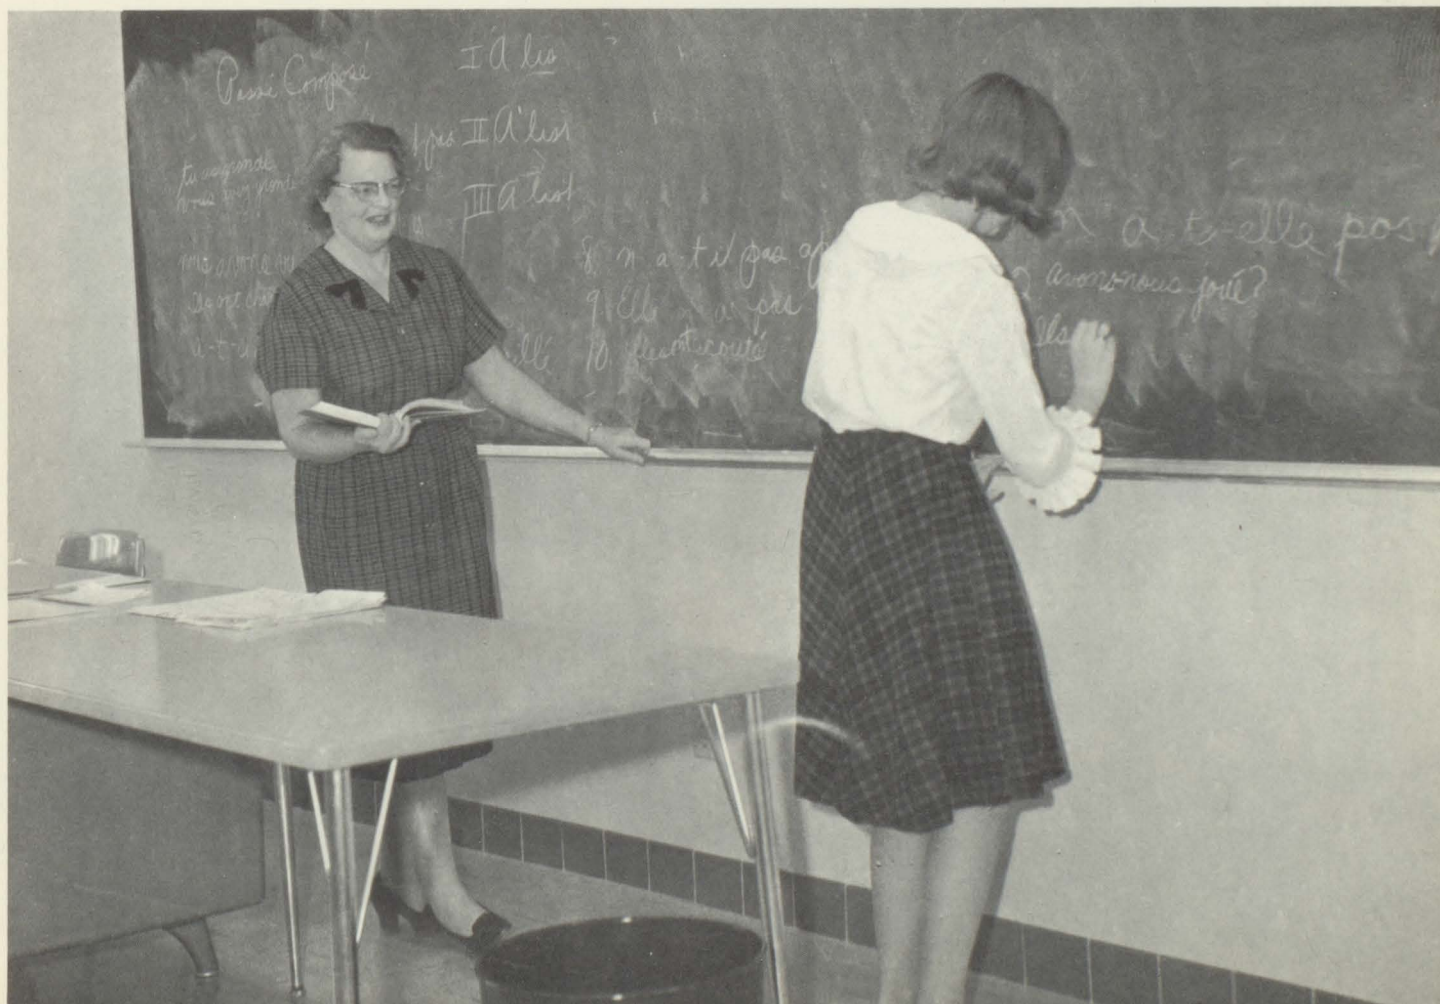

Nancy Draeger, Mrs. Mary Fedynik; *SEATED*, Mrs. Francis Lebeckis, and Mrs. Lucia Selander, manager.

DEDICATED ARE THE TEACHERS, COUNSEL- ORS, AND THE OFFICE STAFF

Two of the teachers that teach in the language department are pictured on this page. On the right is Mrs. Conrad, who is correcting her Spanish papers. She teaches English besides Spanish. Below, Miss Sovde helps a student with her French lesson. Besides teaching French, she is also an English teacher. On the left, are some typical students studying their assignments before the bell rings.

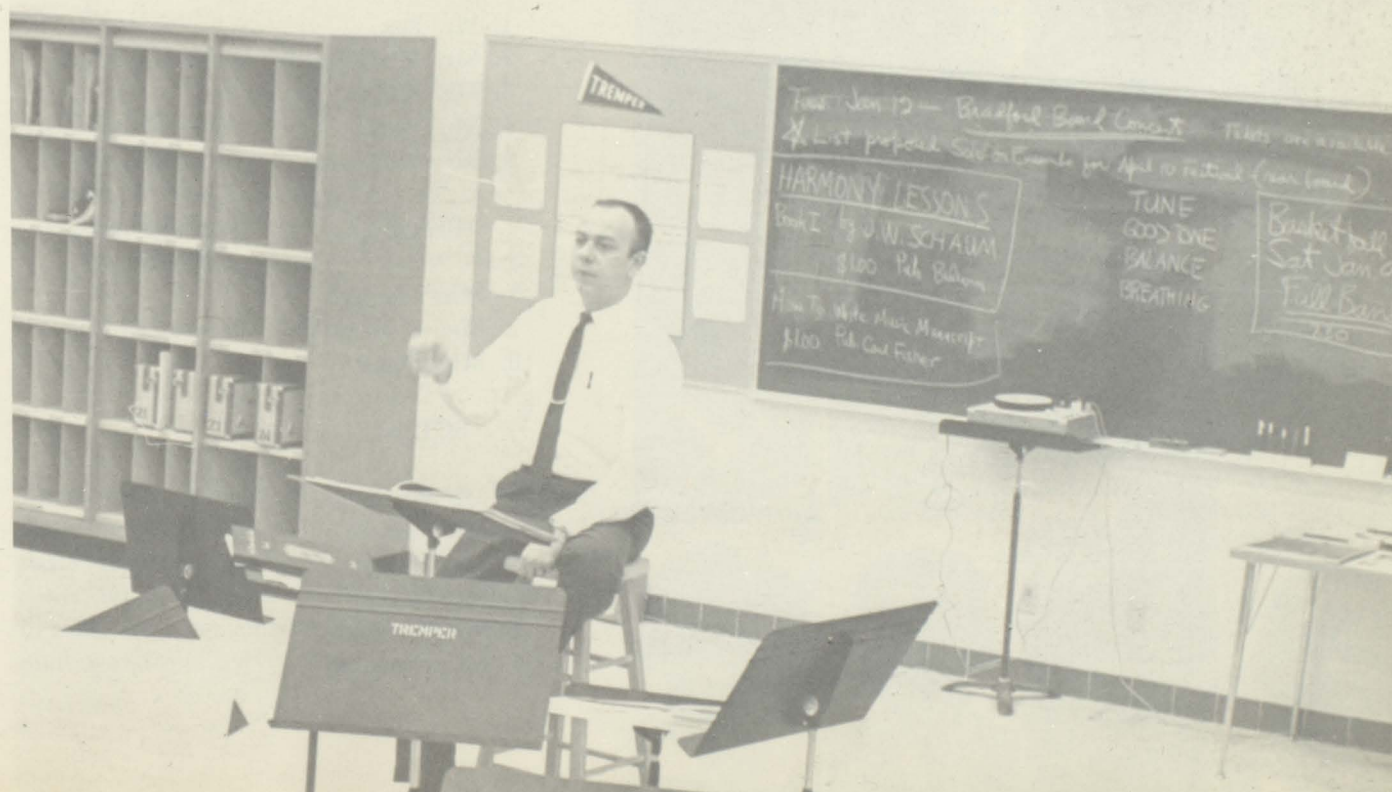

A FINE NEW MUSICAL TRADITION

The directors of our two instrumental organizations, Band and Orchestra, are Mr. Froseth and Mr. Nosal respectively. These two men have put in hundreds of long hours patiently leading their groups towards perfection. One school hour a day is devoted to Band and Orchestra practice. It is these hours of practice that make our band and orchestra the fine performing groups that they are. It is during these hours of practice that they review again and again the numbers they play so well at the concerts during the year. Tremper High should be proud of these two dedicated leaders and grateful that they chose our school for bestowing their knowledge and talents.

* Department Chairman

These are our teachers. Their faces show their dedication, concern, enthusiasm, happiness, and love for their students. We are grateful for their labors to make us better citizens of our community and country.

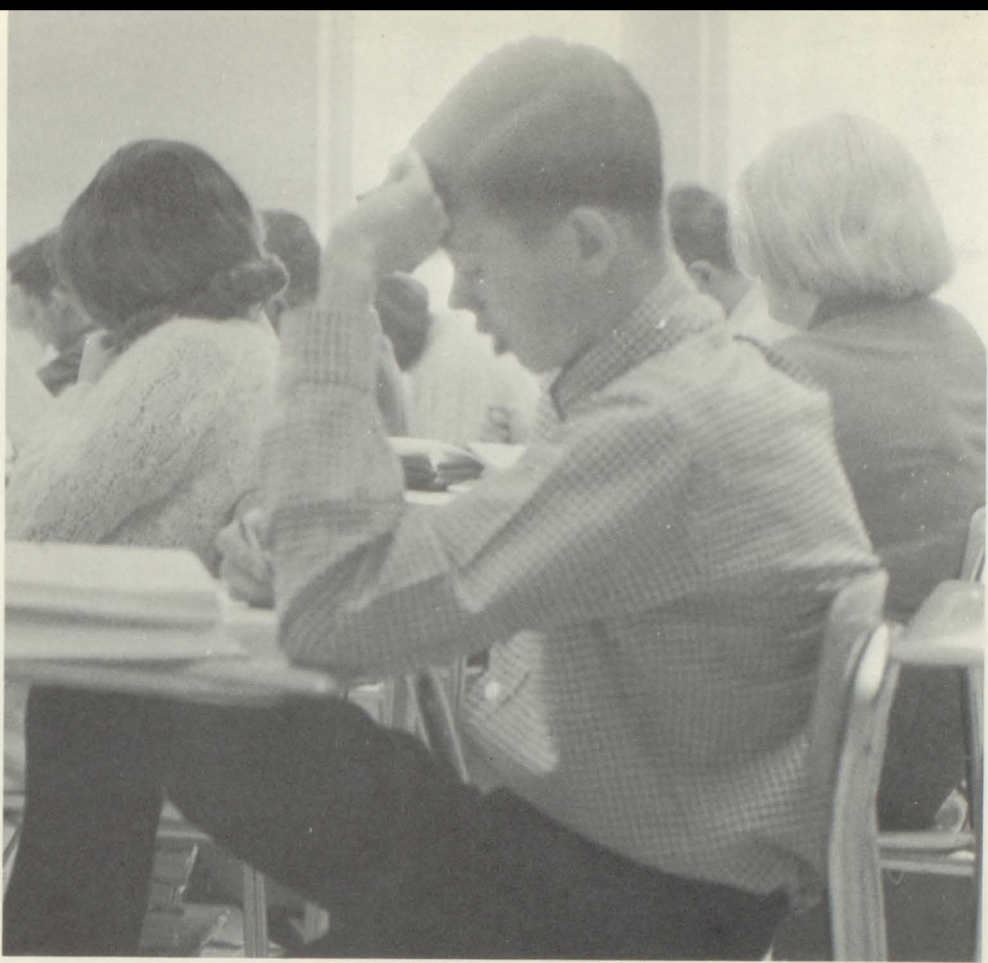

MATH ON THE MOVE

Math, one of the three basic courses of a student's curriculum, is represented at Tremper by: Geometry (plain and modern), 'Advanced Algebra (plain and modern), Solid Geometry and Trigonometry (plain and modern), and refresher Arithmetic. Math also shows up in many of the science and business courses offered here. The blackboard and the opaque projector are two invaluable aids in the presentation of these courses. Mr. Adams is pictured, far left, drawing the basic geometric figures of his students. Mr. Darula, at his right, is shown using his blackboard for the students' favorite purpose, assigning homework. Mr. Bussard, above, is using the opaque projector to present difficult concepts in a clearer fashion.

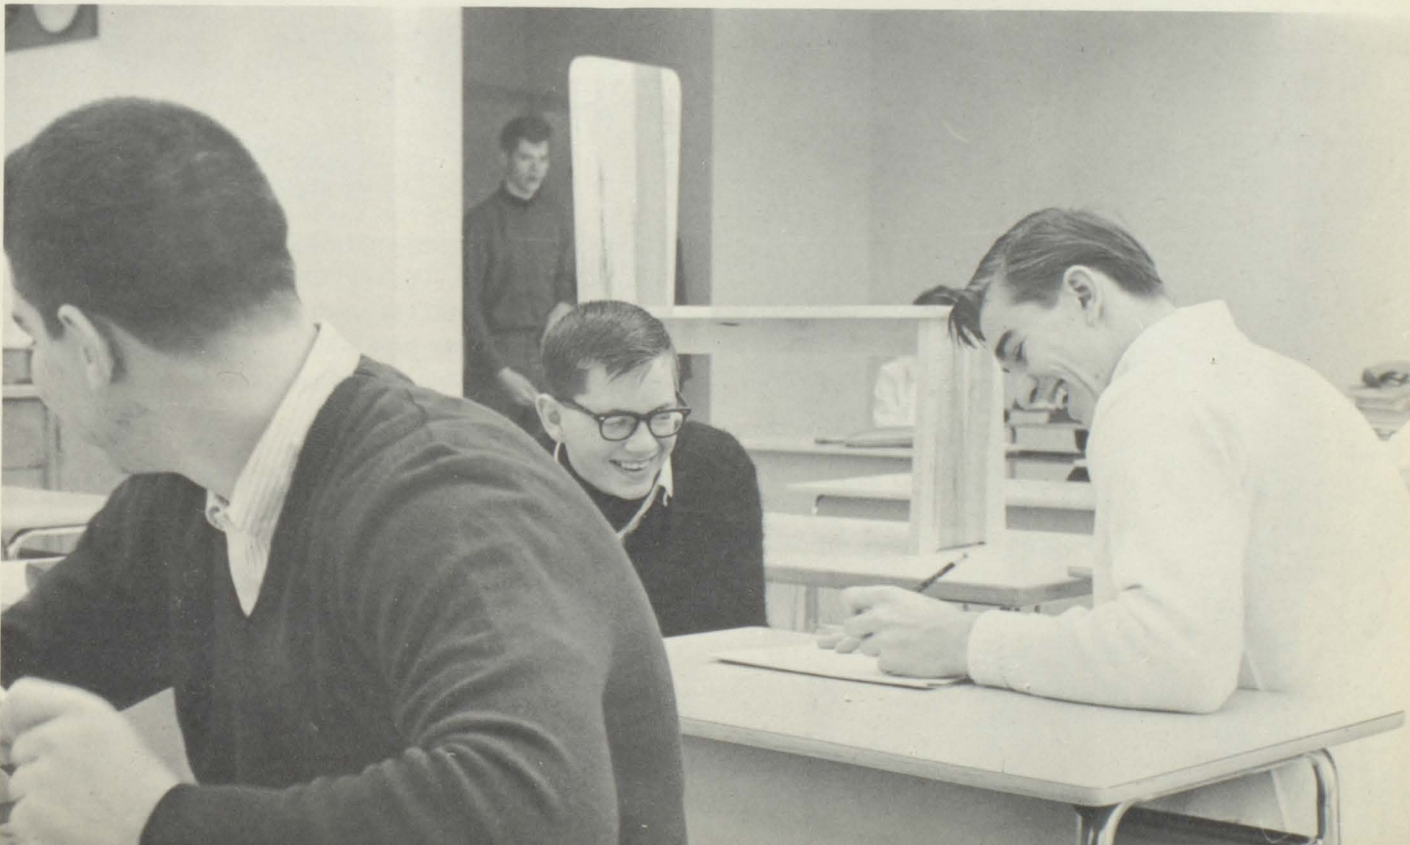

TREMPER'S COUNSELORS

The counselors are one of the students' greatest helps. They help each pupil individually to plan their future. The students can bring all their problems to their counselor and the counselors are always willing to help. Tremper's counselors are from left to right: *SEATED*: Mrs. Galoonik (receptionist) and Mr. Brittelli; *STANDING*, Mr. Kries, Miss Khurana, Mr. Wambach, Mr. Hadler, and Mr. Owens. Mr. Valente is not pictured.

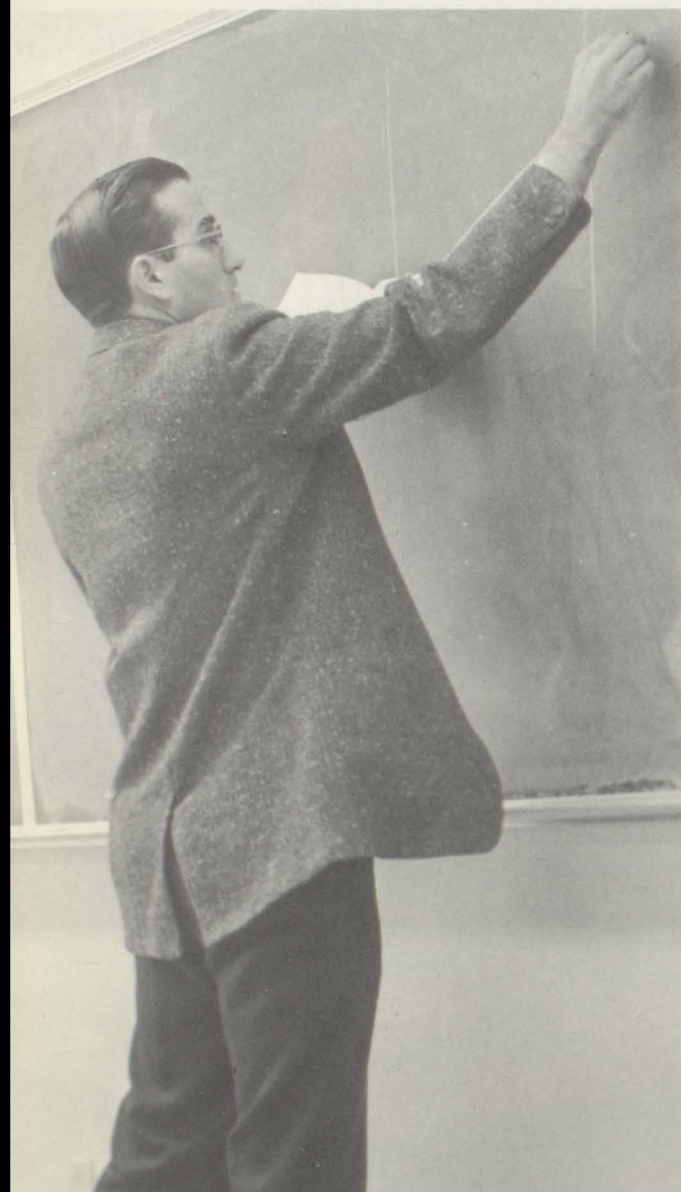

AND THESE ARE THE
STUDENTS THEY HELPED!

TRADITIONAL AND MODERN MATHEMATICS BOTH TAUGHT

As our school has a two school tradition, Bradford and modern Tremper, there are two types of math taught in Tremper High. The traditional is the math that has been used for years. The modern has basically the same theorems, but it has some added concepts, on the theory that sets it apart from traditional math.

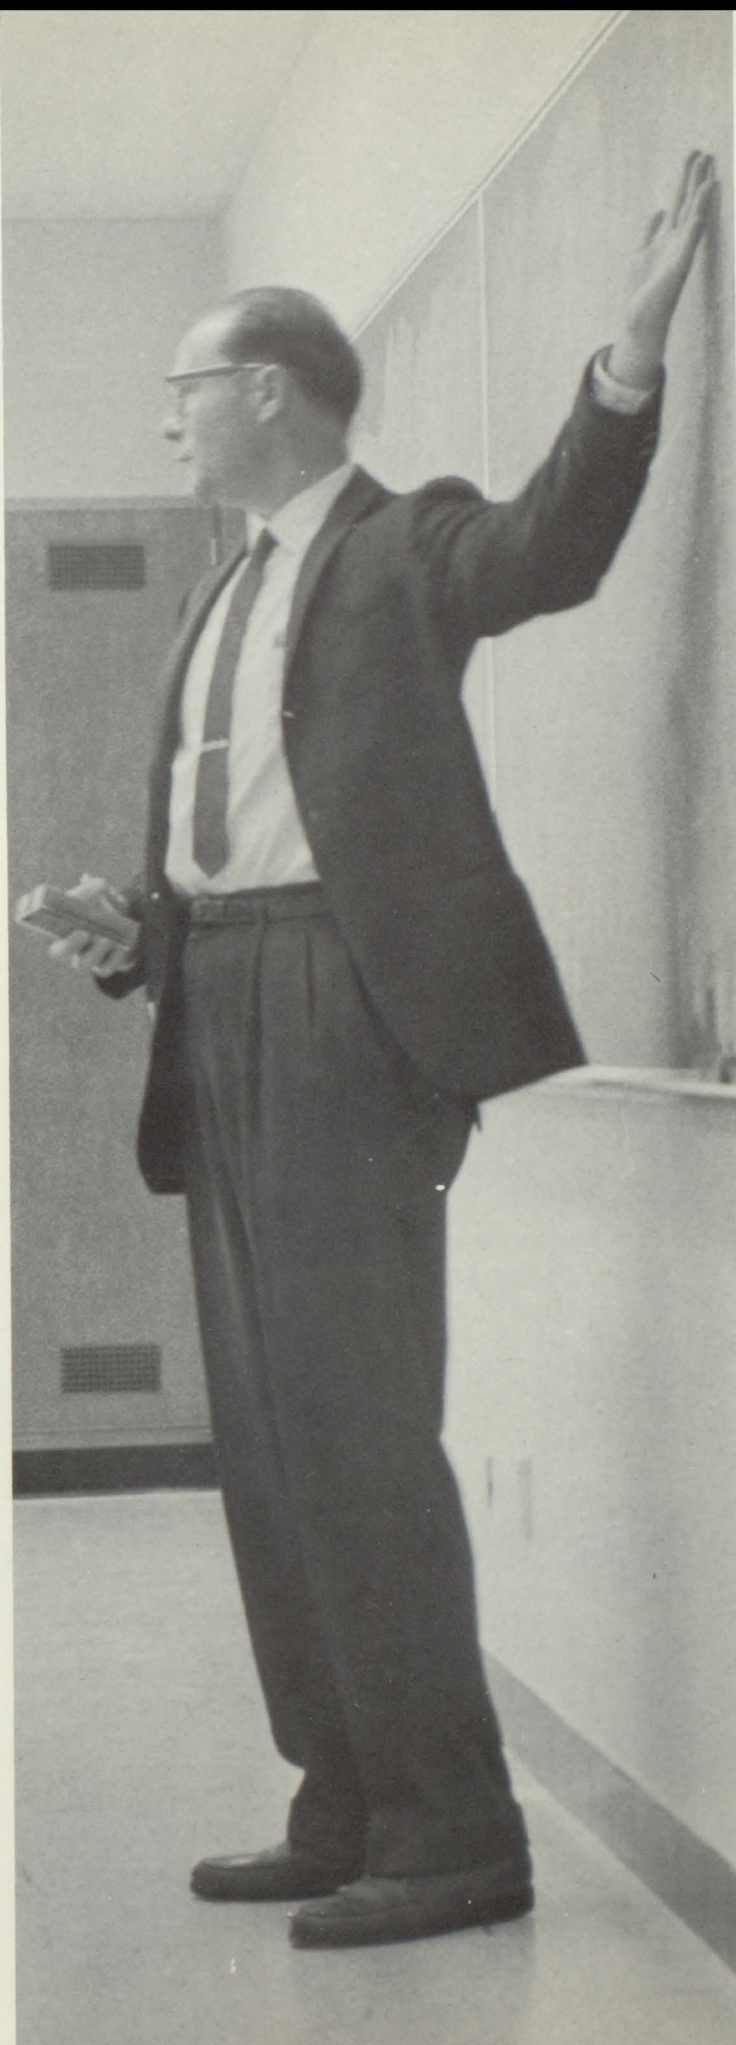

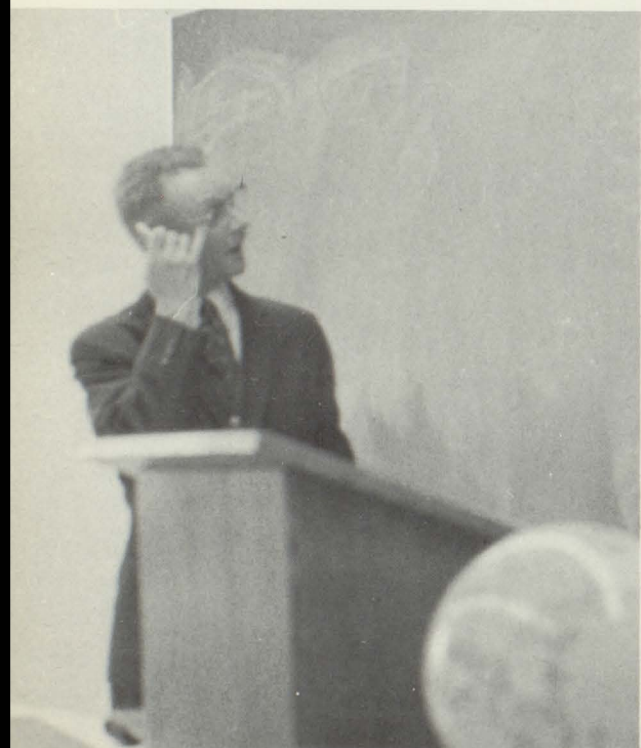

Mr. Fearing draws a diagram for his geometry students.

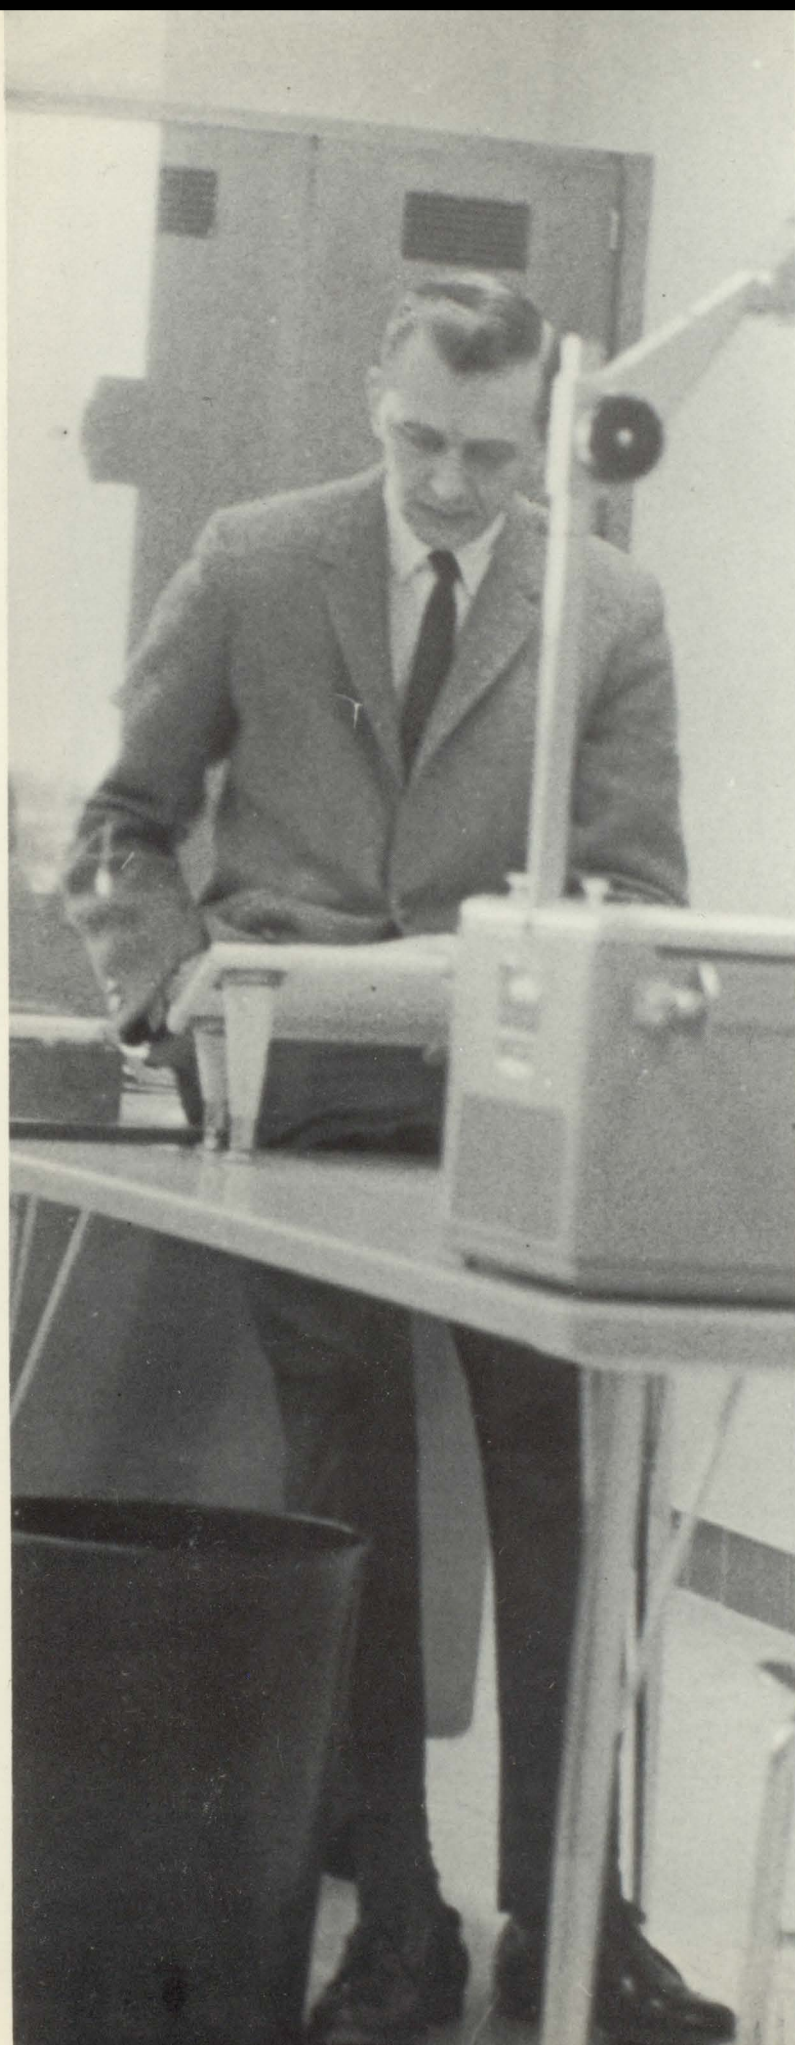

At left: Mr. Mealy gives his students an assignment in geometry. At right Mr. Nye, the Mathematics Department head, explains a concept to his fourth year students.

Mr. Bussard explains an algebra problem to his students.

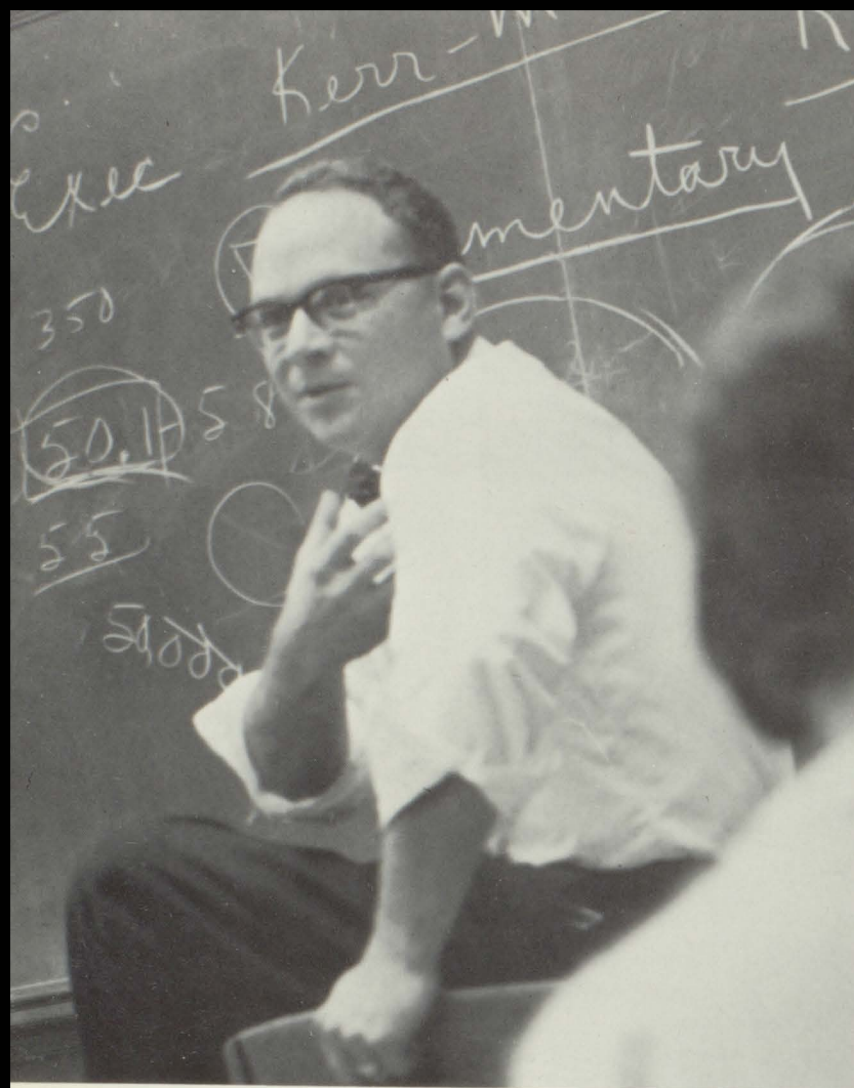

HISTORY BECOMES MORE AND MORE IM- PORTANT

Social Studies is becoming more important every day. Now, in addition to the required American History, the students must also take World History or Geography. At the extreme left is a picture of Mr. Eaker who teaches American History and Audio-visual. To the right of Mr. Eaker is Mr. Miszczak, and then Mr. Duesterbeck. Mr. Meslhak teaches Comparative Government and World History; Mr. Duesterbeck, World History and Geography.

Mr. Biar on the left explains the concepts of Social Problems and American History to his classes.

On the right Mr. Fischer waits patiently for an answer to his question. He teaches World History and Geography.

Mr. McCabe, American History and Economics teacher, corrects some papers while his students are also busy at work.

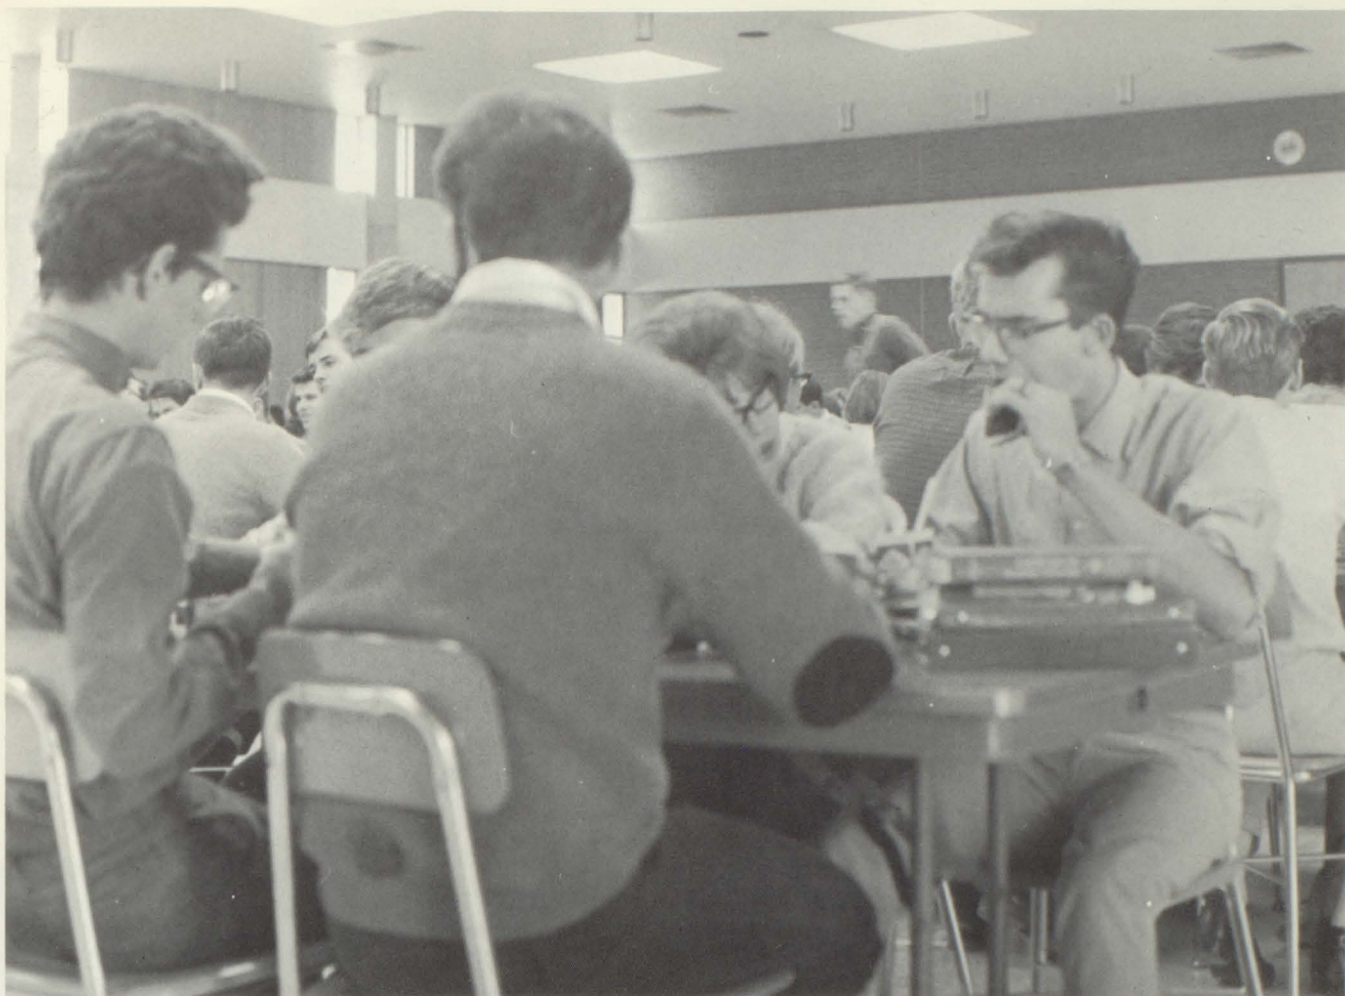

AND THEN WE ATE

December 7, the date of our move from Bradford to Tremper, was also the date on which many students experienced one of the new occurrences of life at Tremper. This was the closed lunch hour. The kitchen was not completely done when we first arrived so we were required to bring sack lunches. This monotonous affair ended on January 4 when the first warm meal was served. This consisted of spaghetti, salad, bread, milk, and a dessert. The reasonable price and wide variety of foods attracted many students causing some confusion around the meal ticket purchasing window and in the serving lines. However, once everyone became used to process, the meals were served without delay.

Mr. Fox supervises a study hall.

AND THEN CAME STUDYING

Mrs. Callahan helps a student locate information for his term paper.

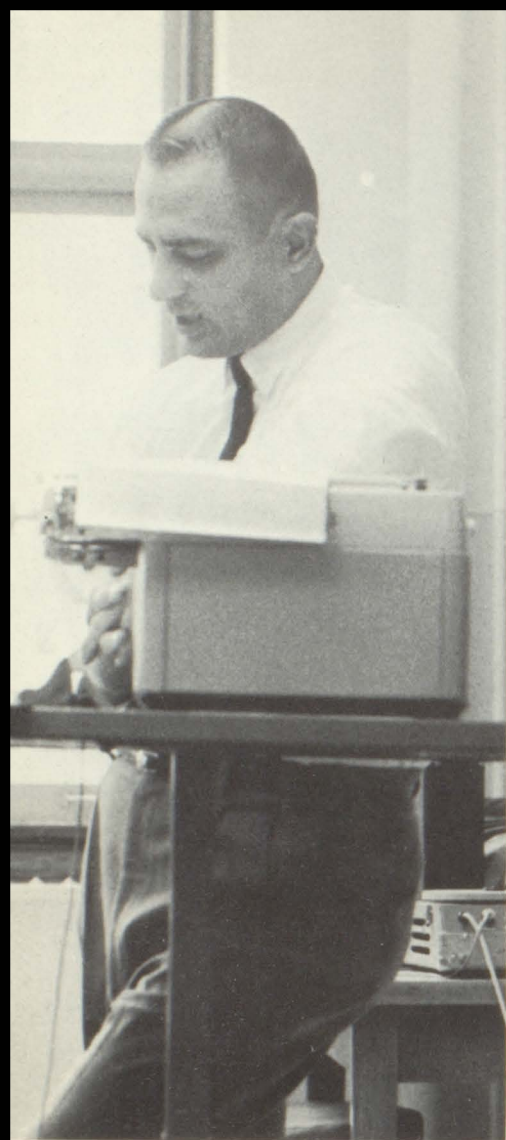

Some students get together on a research project.

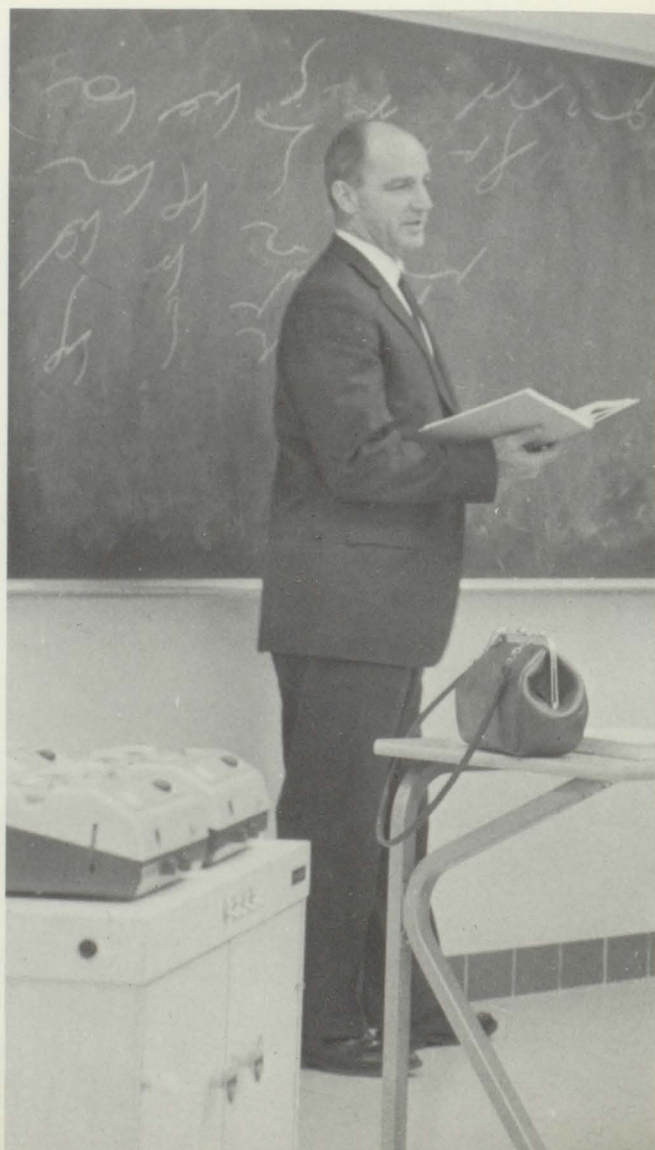

Mr. Miller answers Mr. Wegner's request to see a student from his study hall.

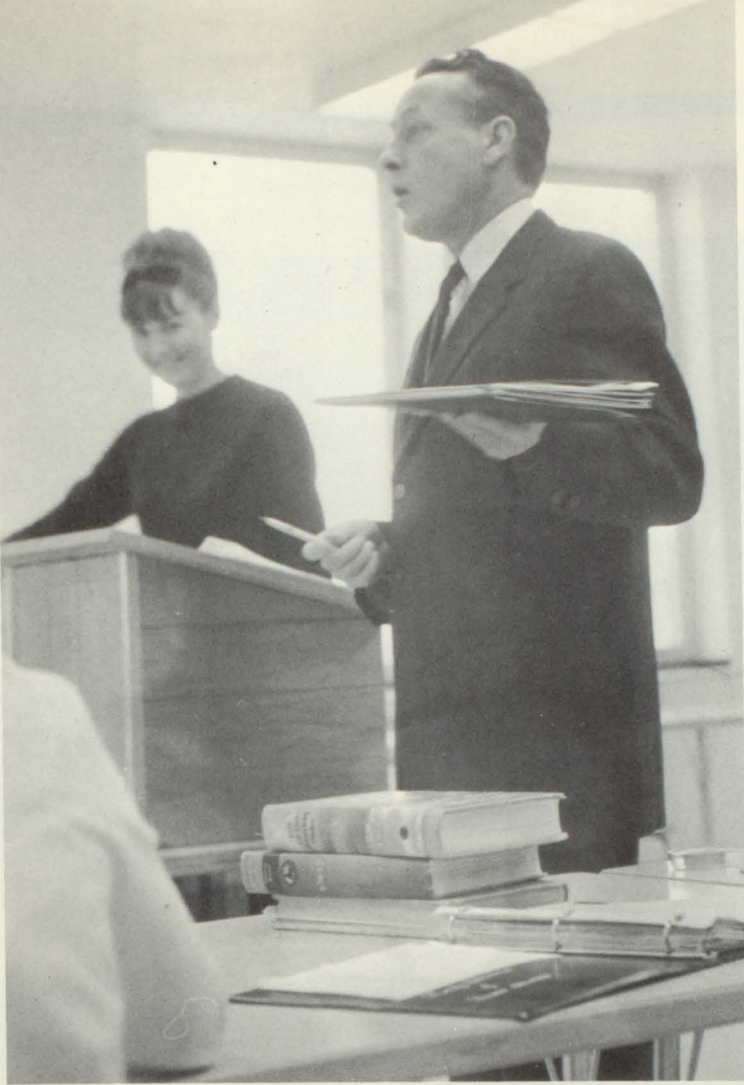

THE BUSINESS DEPARTMENT OPENED THE YEAR WITH SOMETHING NEW

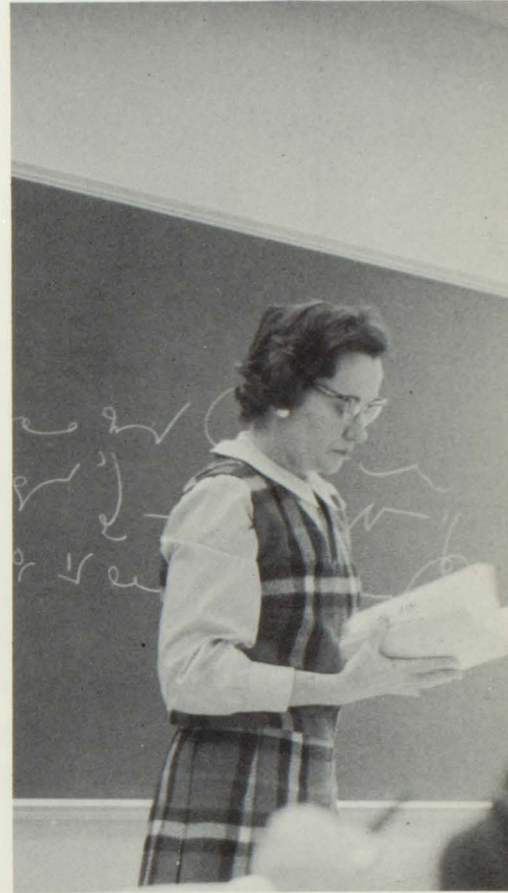

While the Business Department has most of the same faces it had last year, it has introduced a new course into its curriculum. Notehand-Typing, a course for college bound students, was offered for the first time this year. There were other courses also such as typing, shorthand, and sales.

After moving to Tremper the students taking business courses, found brand new equipment which helped the teachers. The shorthand rooms were equipped with tape recorders and ear plugs so students could take dictation at their own speed of writing. Above Mr. Primuth gives some helpful typing pointers. At left, Mr. Schmule explains notehand to pupils.

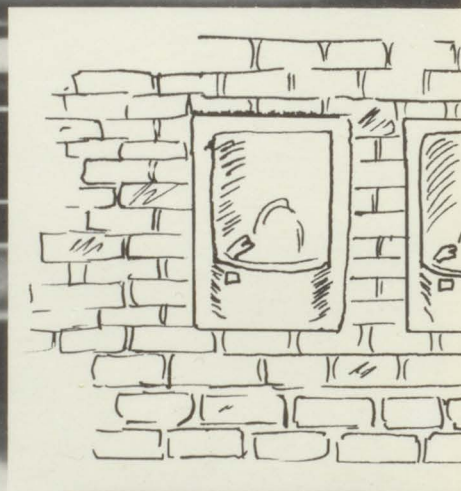

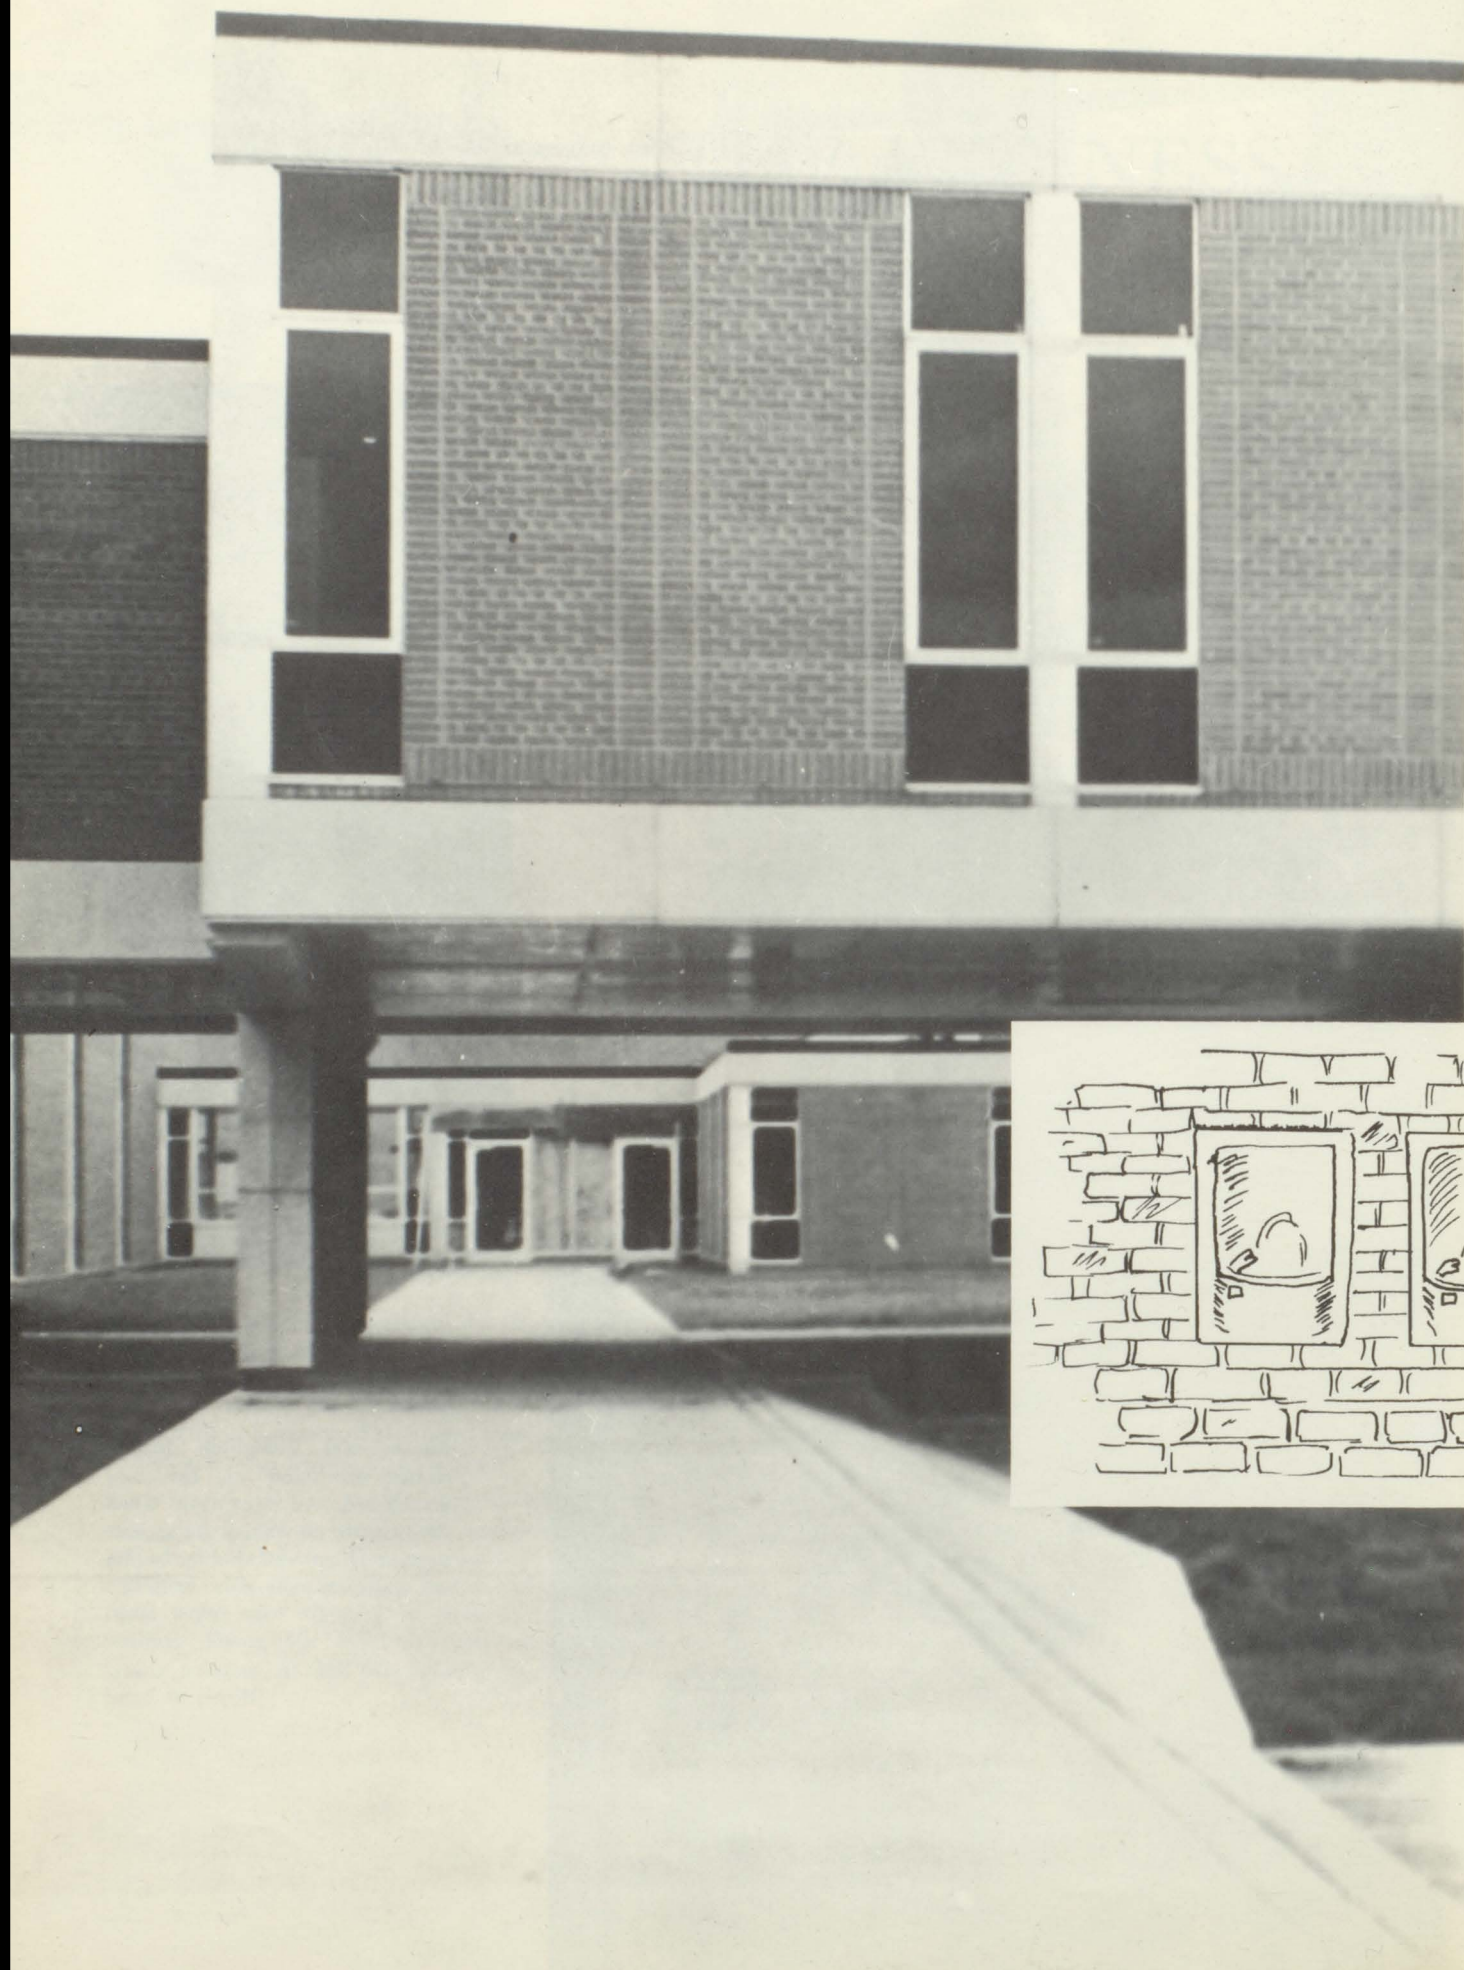

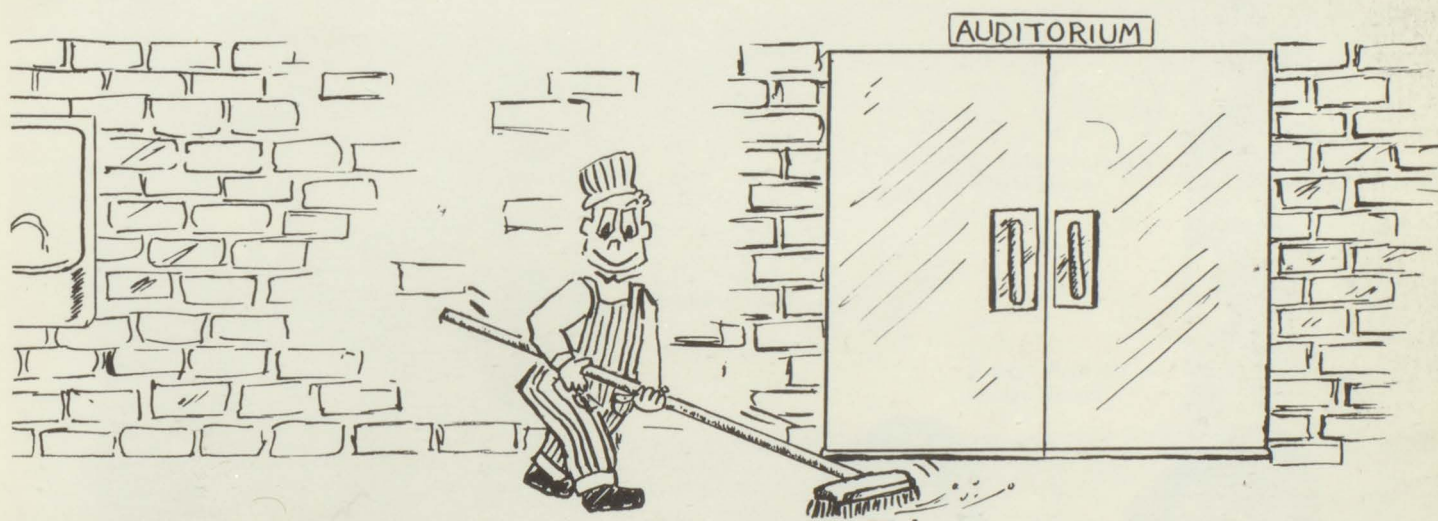

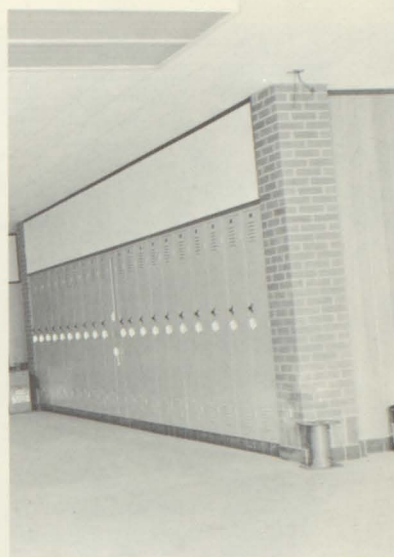

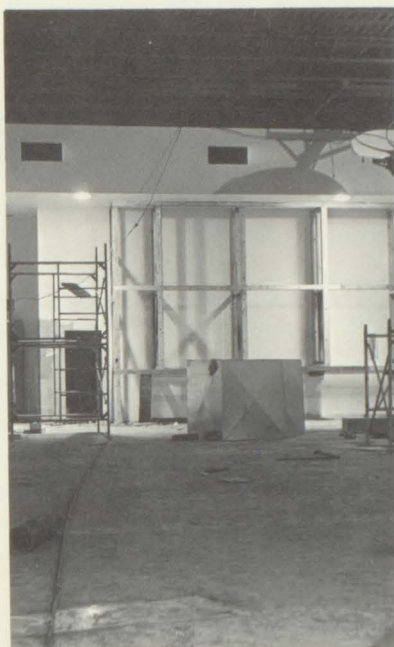

Mr. Stuyvesant as he teaches sales.

Above, Mrs. Houghton demonstrates shorthand on her new blackboard. At right, Mr. Glaesar seems to be waiting for an important phone call, but in reality is correcting papers.

The Classes

THE SOPHOMORE CLASS

The sophomore class of this year will have the honor of being the first class having completed three full years at George N. Tremper High School. It is a great honor to be part of this new and beautiful school.

The youngest class is very proud of the fine effort put forth by the Sophomore team, and the fine sportsmanship displayed at the games by the many new students.

The Sophomore class is represented by (right to left) Donald Backlund, President; Paul Splitak, Vice President; Marilyn Pedersen, Secretary; and Maxine Smith, Treasurer.

FACULTY AT WORK

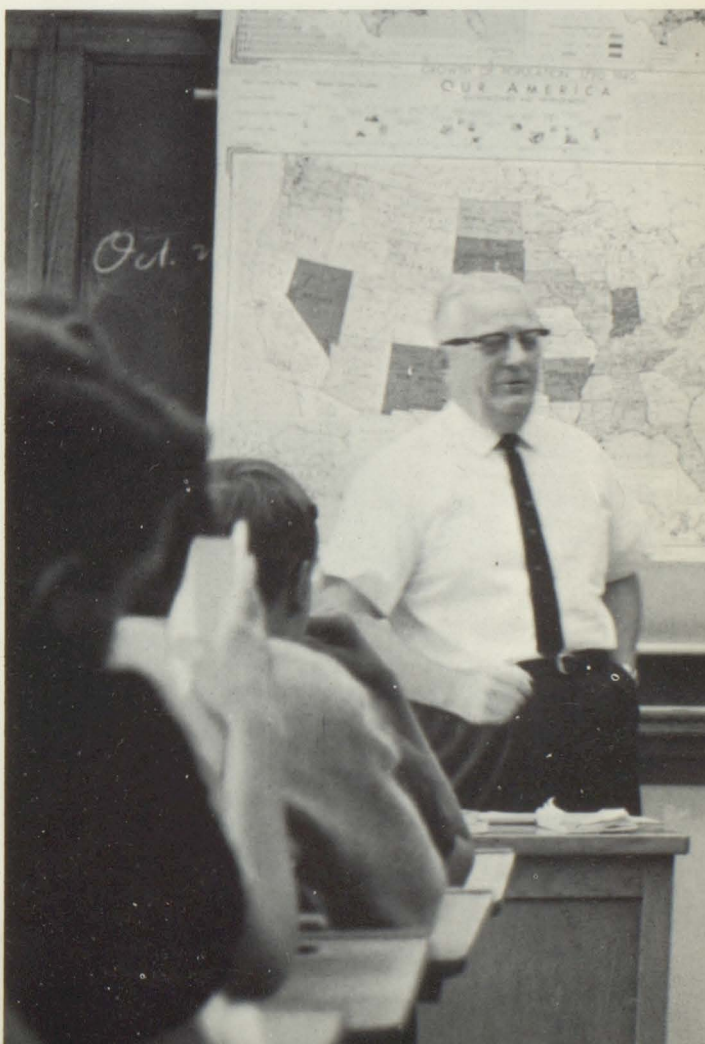

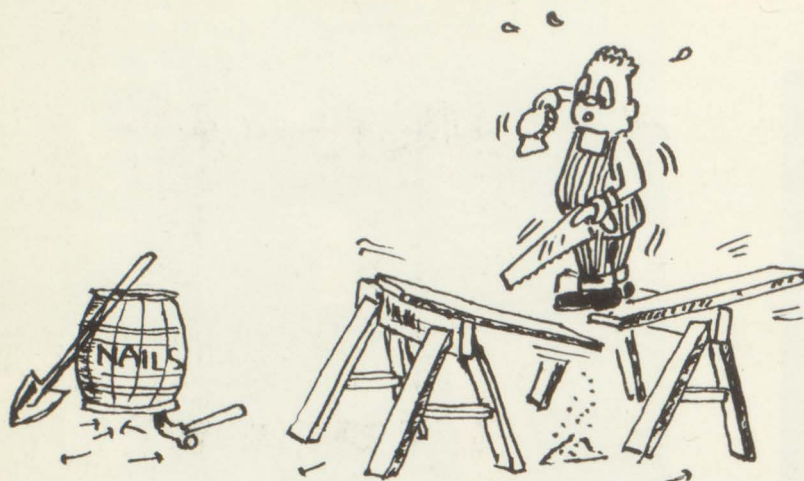

The faculty although they can't pound learning into their students sometimes wish they could. They try to put across their points and to influence their students to desire learning. They also try to prepare them for their roles in the future as citizens, wives, husbands, and Americans. Above; Mr. Runestad teaches the art of singing. Right; Miss Gorman talks to her home economics class.

Above, right; Mr. Farnham shows his students an art form. Above, left: Miss Sullivan corrects English papers. Below, right; Mr. Rafshol explains a fact in American history. Below, left; Mr. Thiel helps his seniors better understand their own language.

JUNIORS

The Juniors are a fun loving group of students who are caught in a web of "in-betweenness." They are not Seniors and the leaders of the school; they are not Sophomores, the underdogs.

The Junior officers are trying to combat this "in-be-

tweenness". They want the best Prom possible. They will be setting the tradition for the Proms to come. The officers are left to right Cathy Johnston, Secretary; Cynthia Robinson, Vice President; Dave Speaker, President; and Lynn Swonek, Treasurer.

SENIORS

The Senior Class has finally reached an end to the years of secondary education. They must meet the challenges of the world, but first they must graduate. The Seniors elected June Lauritsen, Secretary; Arleen Yordi, Treasurer; Tim Rose, President; Dan Nye, Vice-President to

serve as planners for this event. (Pictured left to right below.) They plan to have a fine commencement ceremony. They will be setting a tradition that may be followed for years, and they hope to plan it so effectively that it will be followed for years.

FACULTY

It has been said that the high school years are the happiest years of a person's life. If this is true then the people who make them the happiest must be teachers and friends. The teachers have guided and instructed the seniors for the past three years. They have tried to give the students an appreciation of the wonderful things in life. At right Miss Johnson teaches world history. Below Mr. Gebhart instructs his senior class in the principles of American government.

Giving Students an education in the many areas of art, literature, and beauty and interesting them in the world are the objectives of the teachers on this page. Left above, Mr. Christy shows students an art form. Above right Mrs. McCulloch teaches social problems. Below left, Mr. Hansen teaches literature. Below right Mr. Payne shows a student the world of information in the library.

AND OPEN HOUSE

The dedication of George Nelson Tremper High School took place on the afternoon of May 16, 1965. Mr. Angus Rothwell, the State Superintendent of Public Schools, was the main speaker. During the ceremonies Mr. Joseph Flad, architect of the school, formally presented the building to Kenosha. It was accepted by Mr. Julius Goldstein in behalf of the school board, by Mr. William Augustus for the faculty, and by Jeff Reilly for the students. A portrait of George N. Tremper, which was later hung in the Commons Area, was presented to the school by Camosy Construction Co. Throughout the afternoon the public was allowed to tour the new building. They were assisted by the student council.

TOP SALESMEN

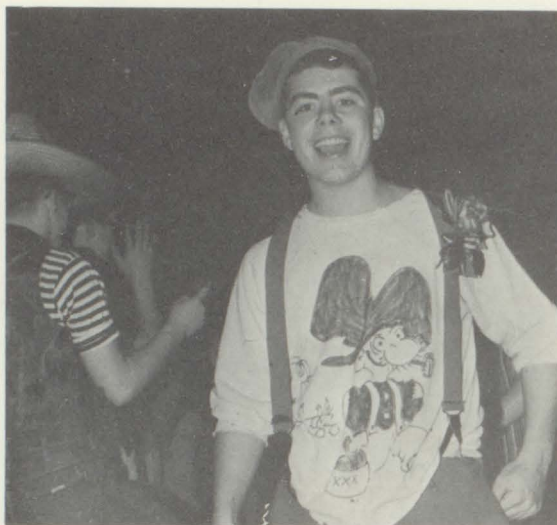

Georgia Wood and Jim Iquinta are shown looking at a yearbook and discussing their sales strategy, which yielded them the top CLASSIC sales position from 65 homerooms. In the background is another top sales story—the Distributive Education showcase.

DAISY MAE

SADIE HAWKINS

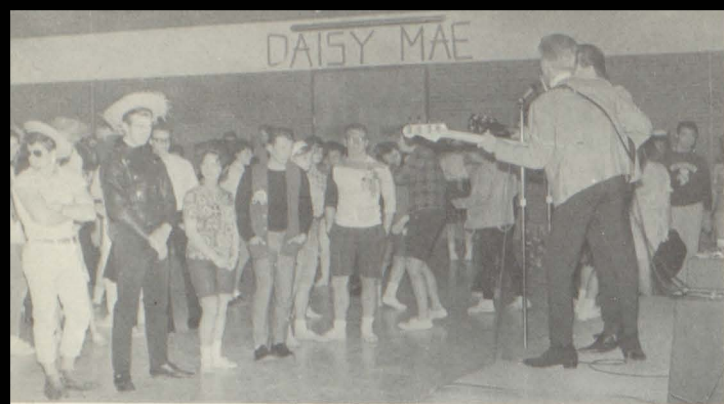

That crazy dance with blue jeans, sloppy sweat shirts, and vegetable corsages known as Sadie Hawkins was presented by Tremper's Teens as one of the first annual dances. The highlight of the evening was the

crowning of Beth Garren, Queen Daisey Mae.

VARIETY SHOW

The variety show this year was given the name "Dizzy Atmosphere." It was produced by the Tremper Concert Band. The acts included everything from a Swing band to a chorus line.

The first annual Senior Banquet was held on May 22 in Tremper's cafeteria with a Hawaiian accent. For the two hundred-forty students that were present the highlight was the presentation of the time capsule which contains some of their articles and which will be opened ten years from now at the class reunion. The Master of Ceremonies was Jeff Reilly, who also gave the invocation, and Tim Rose gave the Senior Farewell. Fourteen students received Tremper High Scholarships, and eighteen received scholarships of their own. The banquet ended with a dance in the commons area.

SENIOR BANQUET

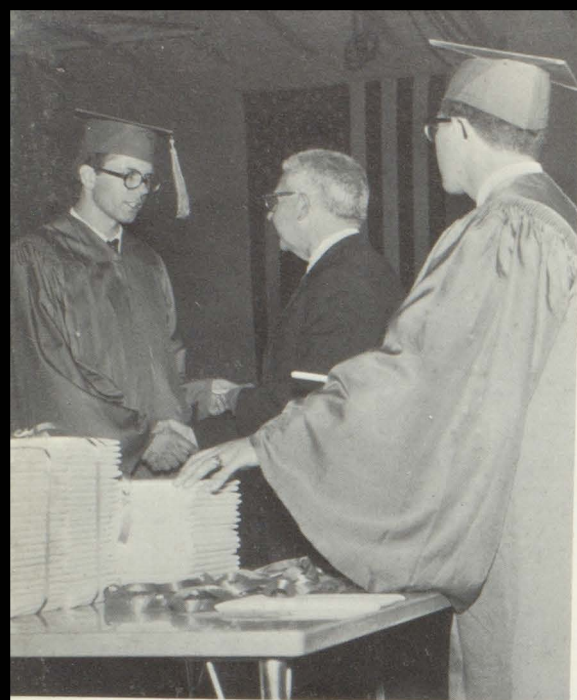

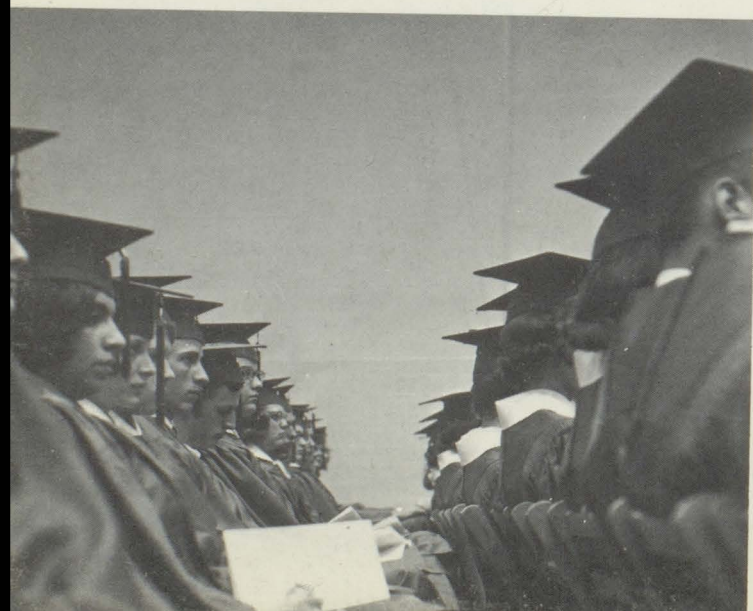

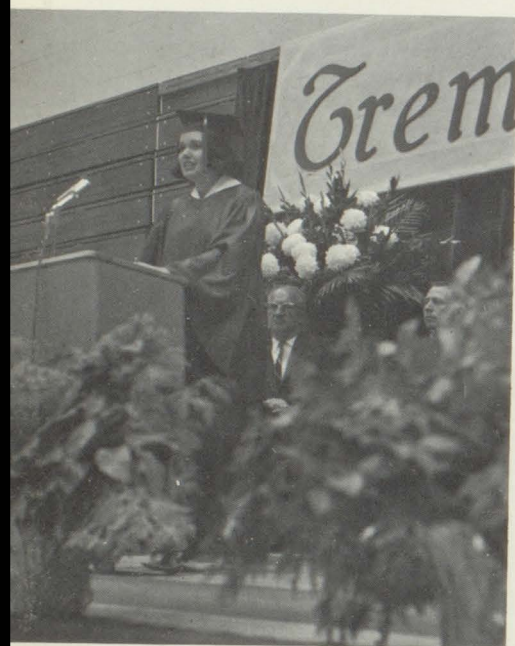

ORIENTAL SPLENDOR

This year's prom, "Oriental Splendor," was put on jointly with Bradford on May 7, 1965. The prom took place in the Eagles Ballroom with music by the John Bunic Orchestra. Later those attending saw a movie and returned for the traditional After-Glow sponsored by the Kenosha Kiwanis Club. The "double court" consisted of Gary Speaker and Carol Sunday from Tremper, and Leo Gallo and Cathy Johnston from Bradford. Other Tremper court members were Cindy Robinson and Larry Petriek, and Lynn Swonek and Gary Kuehl. Faculty co-chairmen were Mrs. Terrill and Mr. Fitzpatrick.

GRADUATION

The first graduation exercises of Tremper took place in Tremper's gymnasium on June 9, 1965. Sharon Tench and Earl C. Scharnick, Jr. were speakers. Carol Beck gave a speech titled "Purpose, Direction, Action, and Success." Robert Kiss gave the Commencement Message. The diplomas were awarded by Mr. Julius Goldstein to the approximately 500 students while Mr. William E. Augustus called off the names. The 1965 graduating class chose royal blue and scarlet as their colors, the white rose for their flower, and their motto was, "From this beginning may our example be looked upon with honor."
