Foreword . . .

As 1958-59 draws to a close, we are inclined to think rather sentimentally of the events of the past year, of those before it and wonder what the future may hold for us.

We cannot foretell the future, but we can remember the past. Your teachers, your friends, homecoming, prom, graduation and the other activities are all a part of you and your past.

We hope that the 1959 Spy will capture these memories for you — for a lifetime . . .

Student Council

At its regular meetings during the year the Student Council brought up many topics relating to the problems of the school. The Student Council is composed of representatives of all the homerooms in the school. Some of the outstanding things that were discussed were: (1) the problem of parking around the school, (2) the buying of uniforms for the Pep Club, (3) the promotion of the Four Way Test, and (4) the promotion of dressing up for Career Day and the entire week. Even though there was not much to show for its efforts, the Student Council is looking forward to an active year next year, 1959-1960.

The Famous Singing

Under the direction of Mr. Richard Gaarder, the five choral groups of K.H.S. started the year with a song as, early in the fall, they began to practice for the Annual Christmas Concert. At the same time members of A Cappella, under the direction of Vonne Fenske, President, began their candy sale to raise funds for their annual spring concert tour. On December 15, once again, Kenoshans thrilled to the strains of both well known and more intricate Christmas Carols. The program was highlighted by the nationally known Singing Christmas Tree. Senior Girls' Chorus, Senior Mixed Chorus, Sophomore Choir, and Sophomore Girls' Chorus assisted A Cappella in this concert.

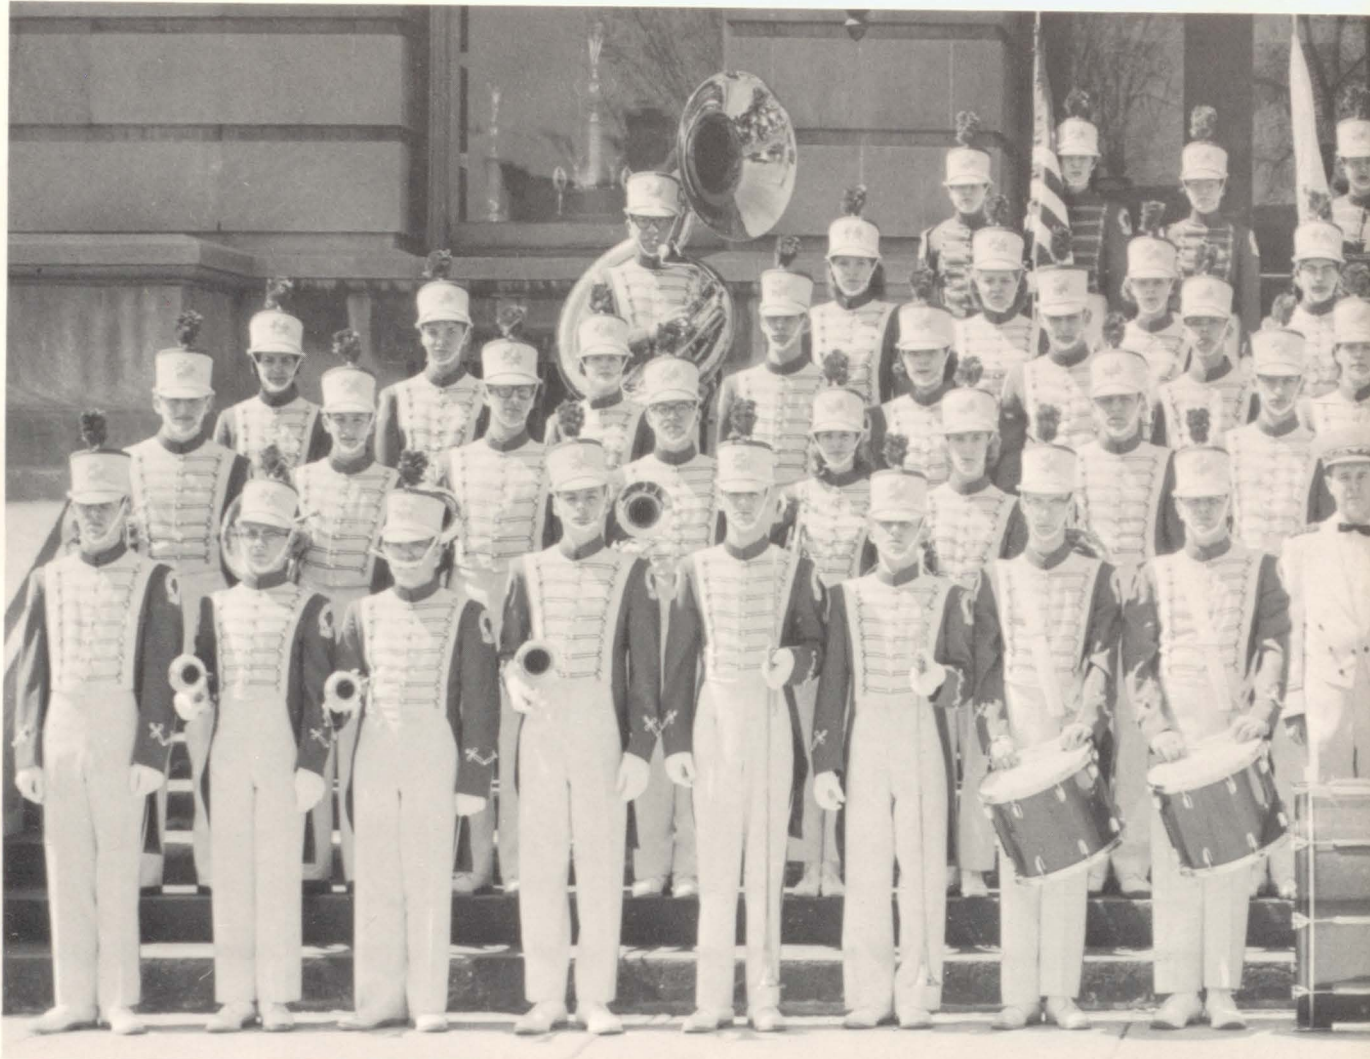

Scarcely was this completed when the halls began to ring with the

Christmas Tree

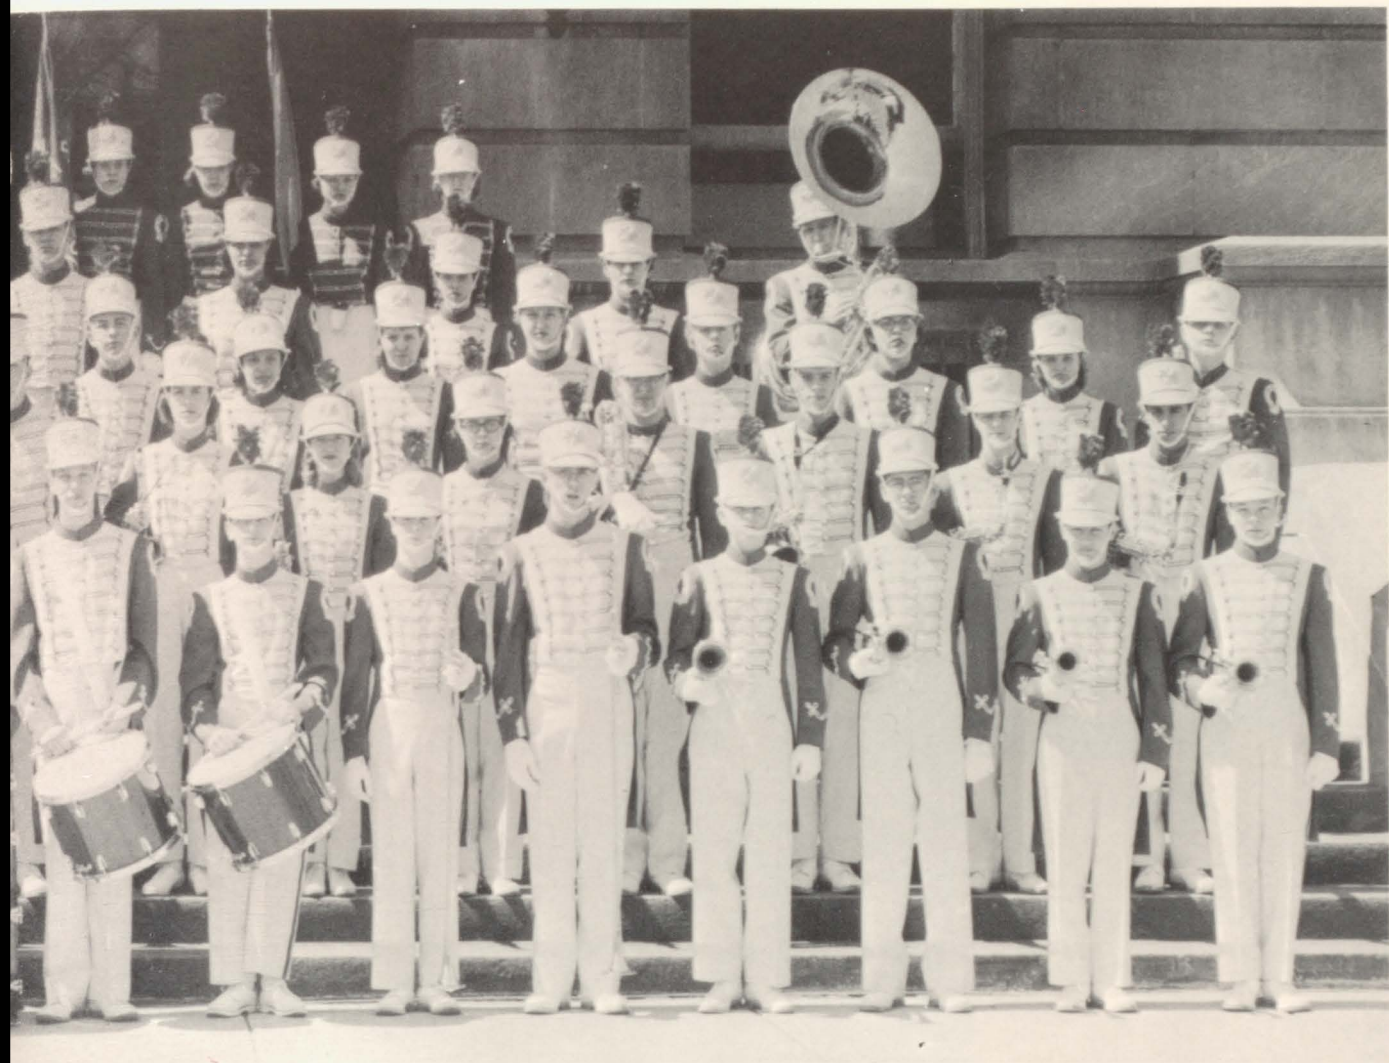

strains of the 69 voices of A Cappella practicing for their Exchange Trip with the Brainerd A Cappella Choir. Again a double job was undertaken by the choir, for on January 12, 1959, K.H.S. was represented at the Wisconsin Mid-winter Clinic held at the Memorial Union Theater, University of Wisconsin, Madison. An added highlight was the contra-bass clarinet, played by James Firchow. Climaxing their busy year of activities, the five choirs of our school presented their annual spring concerts, one on May 20, given by Senior Girls' Chorus, Senior Mixed Chorus, Sophomore Choir, and Sophomore Girls' Chorus and the other by A Cappella on May 27.

Broadway

The students and faculty at K.H.S. are proud of the accomplishments of the Red Devil Band under the able direction of Ralph J. Houghton. Mr. Houghton took over the band in 1957 and that same year the band proceeded to raise money for new uniforms. In the spring of 1957 the band put on their first concert in their red and white uniforms. Also in 1957 the color guard was added to the band. In the fall of 1957 the band played at our football games and traveled with the team to Janesville. The fall concert featured Mr. David Gornston from New York who used a brand new idea in the use of high fidelity in concerts.

Bound Band

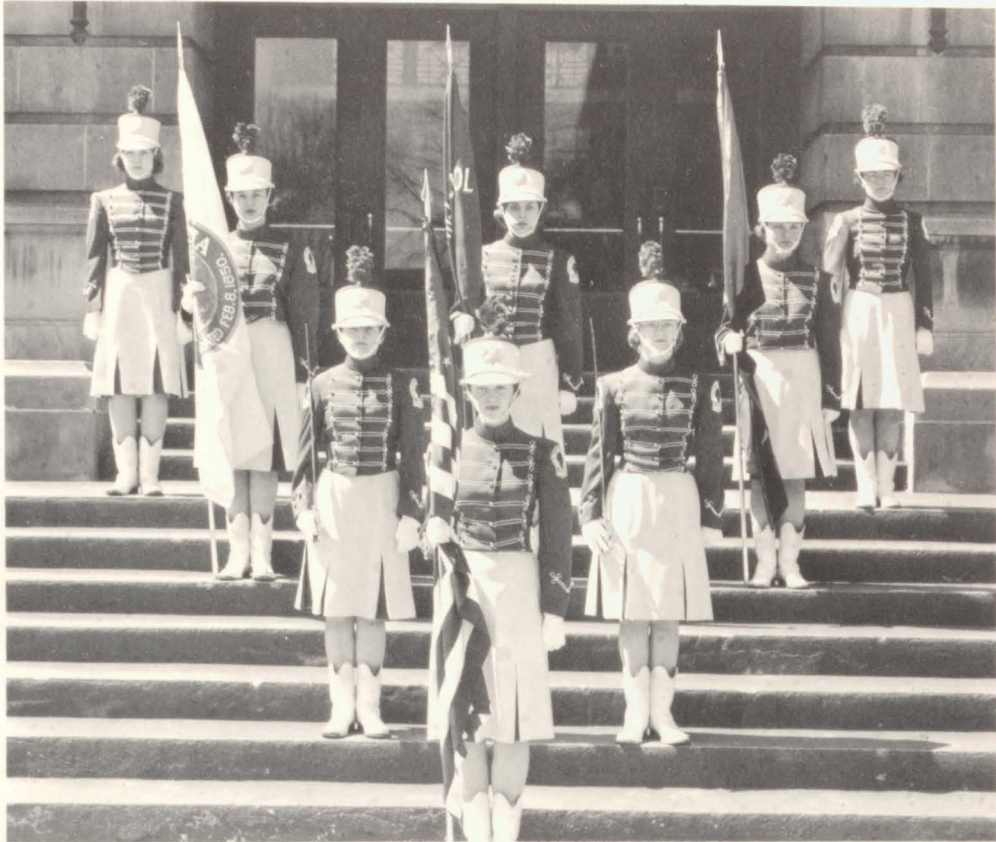

In 1958 the band purchased the red and white music stands for concerts. They continued marching that summer and in the fall of 1958 the band brought another "great" to Kenosha in the form of Raphael Mendes, the world's greatest trumpet player. Their concert brought a full house and was a great success.

In 1959 the band is going on to even greater accomplishments. Besides marching in other parades, the band has been invited to march in New York at the National Lions Clubs' Convention.

Congratulations to our Broadway Bound Band!

Our Marching Band

Mood

To begin their activities for the year of 1959-60, the orchestra first appeared before the visiting parents at Open House during National Education Week. The first full length concert of the year was presented on January 23 featuring as soloist, Glenda Ostlund, cellist, accompanied by Karen Navoichek at the piano. On March 29, the orchestra went to Madison for the Music Contest and took a first place in Class B. Solos and ensembles took 14 out of 15 first places. April 8 found the String Ensemble playing for the Schubert Club. Once again on May 12, the orchestra presented its Spring Concert featuring Neil Hoffmann as clarinet soloist. All in all, the orchestra had a very successful and enjoyable year.

Coach McCulloch

Coach Higgins

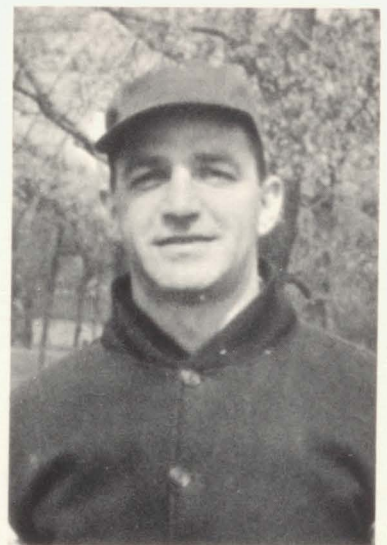

Coach Verwey

Coach Smith

Coach Schmale

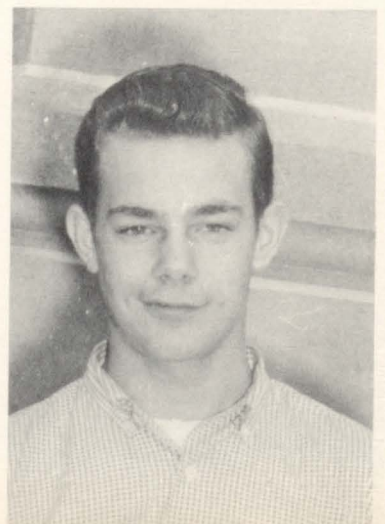

Manager Dennis Horne

Manager Jerry Kazin

Manager Jock Robbins

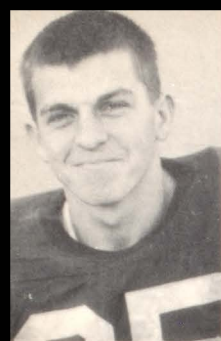

In September a small H-Bomb was being constructed at K.H.S. The Bomb struck Argo first, then Janesville, but the Panthers of Park temporarily stopped the team. Under a new attack; Central, Beloit, and Horlick fell. The big negotiations were at West. After the meeting, our team won the most satisfying game of the season; and the next week won a fairy tale ending from East, concluding the season.

Vonne Fenske and Carl Bergren were selected for first team for Big Eight. Jack Schultz, Joe Motick, and Joel Morrison were selected for the second team of the Big Eight. Bill Jaskwhich was given Honorable Mention. Fenske was also awarded "All State." Congratulations team, Coach Chuck Jaskwhich and his fine staff for a job well done.

The Future

Looks Good . . .

The "Pink Devils" Coached By Vern Schmale and Charle Hindenberg had a fine record this year, tying 1 and winning 6. Coach Jaskwhich will probably be depending on some of these sophs for his varsity squad in the Fall of 1959.

A Lo-o-o-ong Mile

BACK ROW: Bob Steinseifer, George Becker, Bob Paske, Mike McAleer, Floyd Woiden, Tom Agaazi, Bill Thomas. ROW 2: Bill Schmitz, Jim Britton, Lance Tobert, Tom LaDosa, Gary Reiter, Jerry

Thomas, Jim Jake. ROW 2: Mike Rubenstein, Dave Erdman, Ronnie Perkins, Tom White, Bob Zanio, Bill Orth. FRONT ROW: Bob Waton, Rod Marscelco, Jim Roy, Al Greco, Chuck Issets.

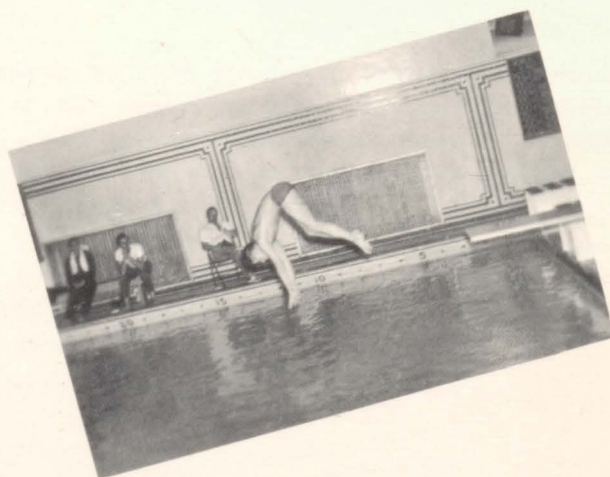

Coach Don Sudkamp's cross-country team had another fine season. Rod Marscelco has been picked by his team mates to fill the speedy shoes of this year's captain, Dennis Monroe. Dennis placed first in the Big Eight and second in the State Meet this year.

Aquamen

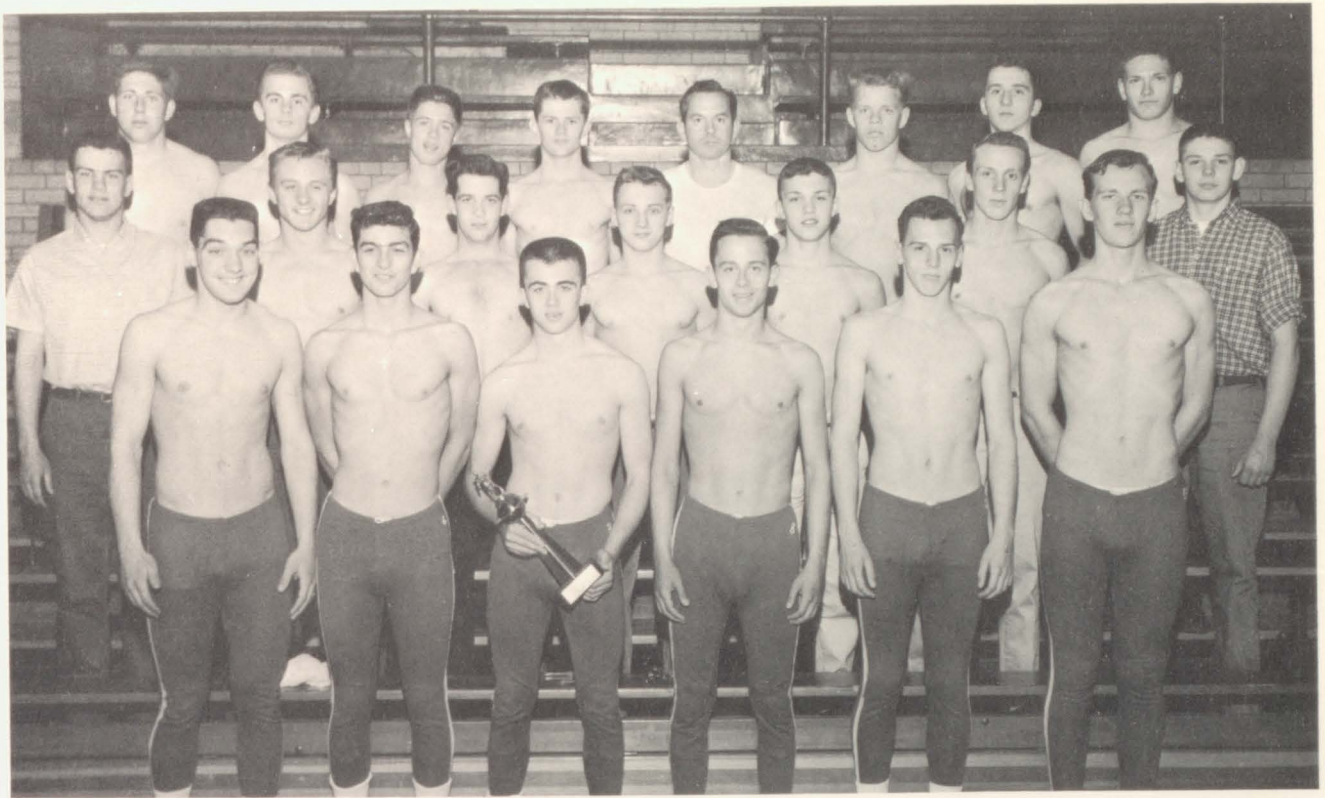

BACK ROW: Bob Braze, Dan Englund, Jim Renne, Pete Propsom, William Turbey. **ROW 2:** Coach Martin, Joe Martelle, Gene Stulgaitus, Tom Homestead. **FRONT ROW:** George Stulgaitus, Pete Beck, Jim Mills, Bob Richards.

Competition was great this year for the team coached by Frank Martin. The outlook for next year is excellent with six returning lettermen. We wish the team and its Co-captains, Jim Renne and Dan Englund, the very best of luck.

The Mighty Wrestlers

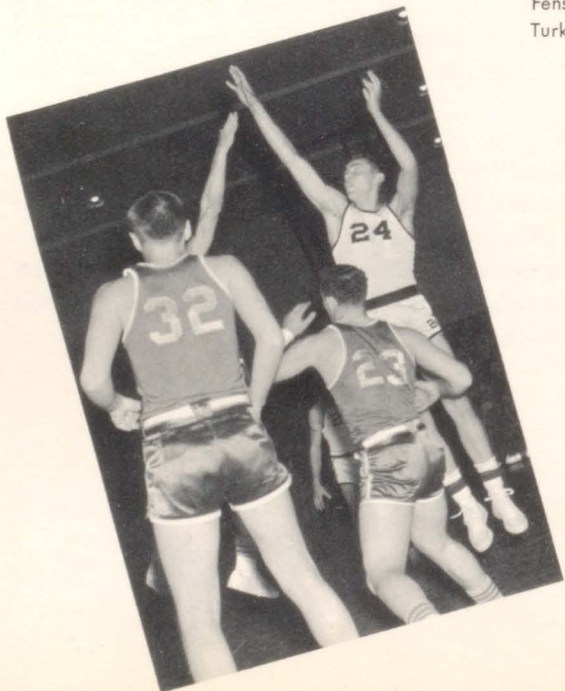

BACK ROW: Bob Schmidt, Dennis Smith, Milton Dean, Dennis Tomlinson, Coach Glenn McCulloch, Doug Yunkers, Jeff Ellsworth, Dave Schneider. **ROW 2:** Walter Pitts, Mgr., Jerry Paupore, George Kelly, Bernie Krebs, Mike Placek, Lynn Jensen, Larry Pitsch Mgr. **FRONT ROW:** Mike Werve, Eugene Ruffalo, Chuck McPherson, Larry Greco, Dick Smith, Bruce Bullamore.

Coach Glen McCulloch's wrestlers completed a very successful season in '58-'59. They won the Big Eight Championship for the third year in a row and were third in the state sectionals. Big Eight Championship winners were Mike Werve, Chuck McPherson, Larry Greco, and Jerry Paupore. Doug Yunker took a second, and Bernie Krebs took a third. Werve, McPherson, and Yunker also qualified for the State Wrestling tournament by winning Sectional Championships. Werve also took third place in the State Tournament and was elected Most Valuable Player.

The Dashing Devils

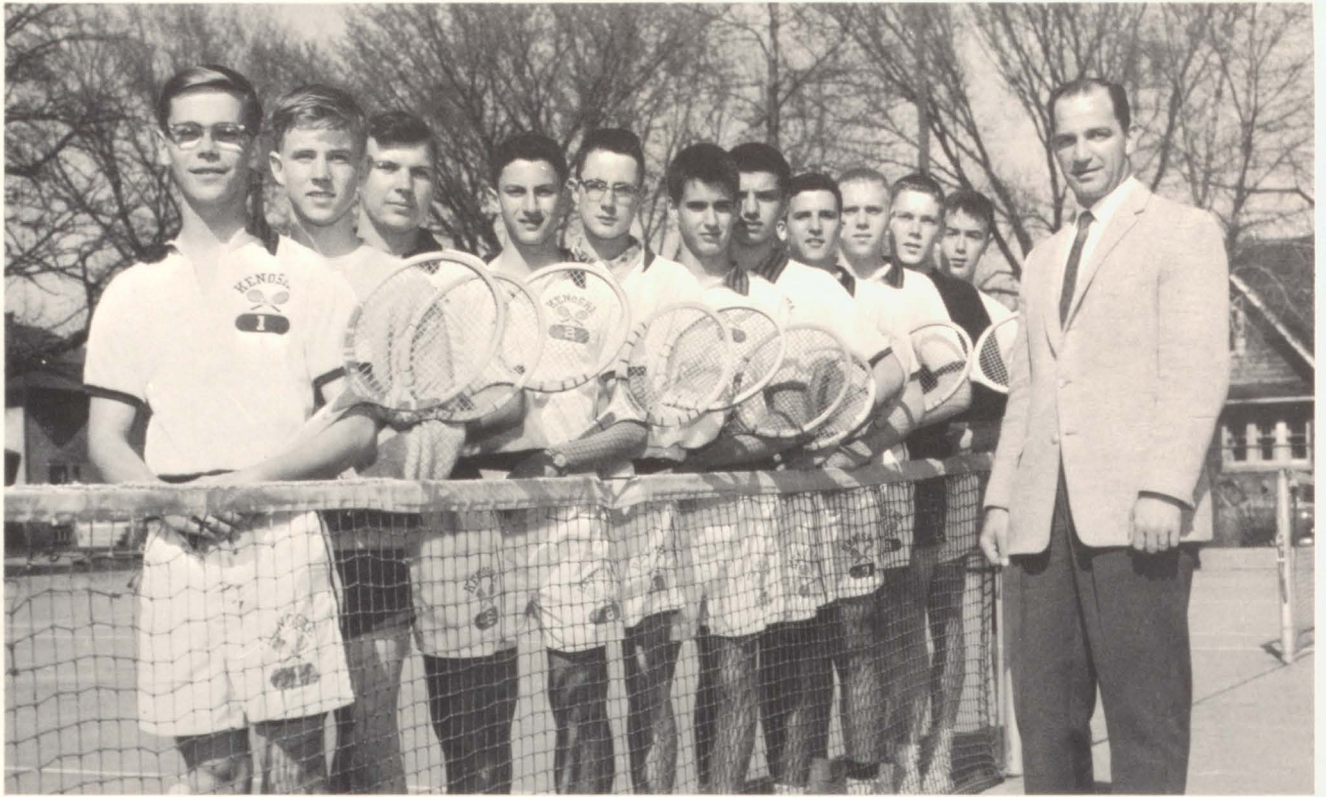

BACK ROW: Coach Chuck Jaskwhich, John Ranous, Ken Unwin, Jerry Kazin — Mgr., Bob Steinsifer, Tom Fugette, Coach Roger Higgins. **ROW 3:** Dave Schneider, Jerry Thomey, Dick Smith, John Kullman, Jim Jake. **ROW 2:** Jerry Krajnak, Bob Copen, Allen Epstein, Dave Erdman, Dennis Monroe, Jim Went. **FRONT ROW:** Alex Malusevicuis, Tony DiCello, Jack Duller, Mike Smith, Chuck Isetts.

Once again the Kenosha Red Devils had another successful season. Competition was stiff, but they came through with a number of victories. At the triangle meet with Racine Park and Horlick, on April 17, Kenosha came out the victor. Madison West was the scene of the Madison West Relays. Battling against schools from Wisconsin and Northern Illinois, Kenosha walked away with the championship. Once again in Madison for the Big 8 Track Meet, the trackmen "ran away" with a first. The triangle meet between Racine Park, Beloit, and Kenosha really brought out the "spark" in the Red Devils. Out of the 14 events in which Kenosha participated, they took 9 first places. Roger Martin's 14.7 in the high hurdles tied the school record. Allen Epstein's 22.5 for the 220 was the best in the state for the season. In the duel meet with Brookfield, Allen Epstein' again took first in the 220 and the 100 yard, Dennis Monroe won the mile, and Dave Erdman took the 880. K.H.S. took first in the State Sectionals, but mustered a third place at the State Meet.

K. H. S. Netmen

Bob Walton, Jim Mills, Tom Lindas, Doug Vaccarello, Neil Greibling, Stoddard Lane, Tom Vocino, Dennis Lento, Chuck Limpert, Ted Jensen, Scott Russell.

This year's tennis team was one of the youngest teams in years. It consisted of seven Sophomores, two Juniors, and one Senior. The K.H.S. Netmen won 10 of their 12 dual meets, but placed 4th in the Big Eight. Coach Verne Schmale and next year's Captain, Douglas Vaccarello, are looking forward to a successful year from a young experienced team.

Turf Diggers

Steve Smith, John Rizzo, Don Camosy, Rich Ashley, Chuck Rizzo, Carl Bergren, William Marlatt, Bill Jeselin, Joe Broesch, Ken Cherry, Dob Chubrillo. **KNEELING:** Coach Joe Britelli.

The Golf team coached by Joe Britelli and led by captains Carl Bergren and John Rizzo placed second in the Big Eight Conference. The prospects for next year look very good.

The Bat Boys

BACK ROW: Blaine Haukedahl, Jerry Thomas, Mick Mele, Mike Thompson, Don Boyle, Phil Bardwell, Coach Andy Smith. ROW 2: Doug Yunker, Jack Schultz, Pat Cayo, Frank Falcone, Jim Istvanek, Bill Thomas. FRONT ROW: Walter Pitts, Walter Ostermann, Jim Euting, Butch Migliano, Rod Marescalco, Bill Rezmick.

After three successive years as Big-8 Champions our baseball team had a slight let-down this year, winning 4 and losing 6. The team was largely an underclassman squad and with most of them returning next year Coach Andy Smith assures us that they will back in the running. Highlight of the 1959 season was Kenosha's win over Beloit, the top-rated team in the conference. Madison Central, the ultimate champion beat our team by only one run in their final clash. The Sophomore squad of about 20 players, from which the varsity team draws its material, under Coach Otto Carlson, had a very successful year, winning 8 games in a 9 game season.

Exchange

The Kenosha Exchange arrived in Tampa Saturday, February 21, 1959, to begin the two-week visit with their Florida friends. A school bus met the group at the Tampa International Airport, whisked them to Bradenton where they were greeted by their partners at the high school. Saturday evening, the Exchange Students were guests at the Junior Desoto Dance held at the Bradenton Teen Club. Sunday began the week with a Covered Dish Supper at the public beach pavilion. On Monday, an assembly opened the day and all Exchangers and their Sponsors, Mr. and Mrs. I. F. Stocker, were introduced to the Bradenton students and faculty. Tuesday was again a school day with an informal buffet supper at Faye Sharp's home. That evening the Teen Club were again hosts for the Exchange. A highlight of the visit was the Wednesday spent deep sea fishing in the Gulf of Mexico. Thursday after school a beach party was held at the home of April Blassingame with Anna Maria Island parents as chaperones. Friday included a visit to the Tropicana Plant and Mixon's Fruit Farm.

After the "As You Like It" vocal music program, the Key Club honored the Exchangers at a dance given at the Kiwanis Hall. Each student spent a free weekend with his partner and school resumed again on Monday. A barbecue planned by Florida parents climaxed the Monday evening. Cypress Gardens, Bok Tower, and the Passion Play were enjoyed on Tuesday. Wednesday, March 4th, was Study Day. The exchange paid visits to the Milwaukee Braves Training Camp, the Ringling Museum, Ringling's home, and the Circus Hall of Fame. All the students and parents attended an Evaluation at Manatee High School Wednesday evening. One more day of school Thursday, and then the last activity, spaghetti supper, and open house at the Springman home. The Kenosha contingent left Bradenton Friday, March 6, 1959, and arrived back in Kenosha at Mary D. Bradford High School late in the evening. All were tired, happy and sunburned, and along with the Kenosha sponsors, Mr. and Mrs. I. F. Stocker, very pleased with "southern hospitality."

Hakon Hansen
American Field Service Exchange Student '58-'59

Hakon Hansen, 1958-'59 exchange student under the American Field Service plan, is Mary D. Bradford High School's seventh foreign student, coming to us from Norway. His home town of Baakehaugh is above the Arctic circle, but Trondheim, a city of the size of Kenosha, is where our exchangee attends school.

During the past year he has been a member of the Arthur Freeberg family. A full program of studies, including American Problems, American History, Speech, American Literature, and A Cappella Choir, filled his school days. He was active in St. Mary's Lutheran Church, and, in addition, gave talks before many groups. He was a member of the Key Club and an honorary member of the downtown Kiwanis Club.

Hakon's warm friendliness and enthusiasm will be sorely missed by his vast circle of friends in Kenosha. As he returns to Norway he takes with him the best wishes of his classmates and townspeople for success in all his future undertakings.

Hakon, his mother and brother in Norway.

Our Friends

Some of the Best friends of Kenosha High are listed on the following pages. If it were not for the financial assistance of the advertisers, sponsors, and patrons, the 1959 SPY could not possibly be the kind of book it is. . . .

We hope you will study this section of the SPY and become acquainted with these friends and patronize them whenever possible. . . .

The 1959 SPY Staff is grateful for their continued interest and help in producing a yearbook that we can be proud of for years and years. . . .

NO JOB HAS A FUTURE . . .

. . . BUT EVERY JOB IS OPPORTUNITY

As the time of graduation draws near many of you will be looking for that important first full time job, while others may be planning further education or training to prepare for specific fields.

In any case, you are probably hoping to land, either now or at a future date, a "job with a future."

Many who preceded you had the same hope, but many a job has been vacated after a short time because it fell far short of expectations. The reason frequently given is, "There just wasn't any future in it." The person who so estimates the situation frequently continues to change from one thing to another in the hope that, by chance, he will eventually come to rest in a "promising job."

What he fails to realize, and what most of us need constantly to remember, is : The key to achievement does not lie within any one job but within ourselves. In other words, no job has a future . . . only people have.

No job offers success as an inherent part of the job . . . many doctors, architects, engineers, writers, etc., have been unsuccessful . . . even Kings and presidents. However, the job that holds no promise for one individual, for another may be the opportunity around which a successful future can be built.

Many factors affect the measure of achievement, of success versus failure . . . intelligence, talent, health, emotional stability, education, training, etc., but the greatest single factor would seem to be the degree of energy and determination, the will to try, try again. Fortunately, this is one factor about which we can individually do something.

In every field of endeavor, those who enjoy the reward of achievement are, usually, those who apply themselves to the job with diligence and perseverance. They depend on their own efforts . . . not on the job. Their future lies within themselves, not within the job.

Congratulations to Members of the Graduating Class
