# Foreword

## *Do You Remember*

. . . sunlight dully reflected from mottled stairs . . . the glare of the floodlit stadium . . . the laughing crowd at the Homecoming dance . . . the crisp formality of the Prom . . . working on the Kenews . . . drinking coke around the juke box at the Drydock. . . Do you remember your year at Kenosha?

**Do You Remember . . .**

*Gene and Sally*

# *... you came here with visions of parties and pretty girls and ...*

YEARBOOKS are memory books, and this year's Spy is no exception. We tried to get a little of everyone and everything in it, but there are a lot of limitations to black on white. You can't hear the crowd cheering, the inflection of a teacher's voice, nor the juke box at the Drydock. The Spy has attempted to picture your year . . . the year of "Hey-Bob-O-Ree-Bob" and "Open the Door, Richard" . . . the year our conversation made no sense whatever; for lack of anything better, we said "Vout" and greeted our friends with "Who do you say?" much to the disgust of our uninitiated elders. A little of all this went into this Spy, which we dedicate to you, the student, who will remember, because you were there.

After a hectic three years of high school Senior A class officers, Dino Ianni, Annabelle Alberts and Bob Johnson retire to a somewhat more hectic adult life.

*... to have a little fun and to go to dances and even to study*

At an S.C.A. dance Eugene Ambrose and LaVerne Belanger relax in the gym balcony with that pause that refreshes.

Hunt and peck? Not Ruth Ericksen.

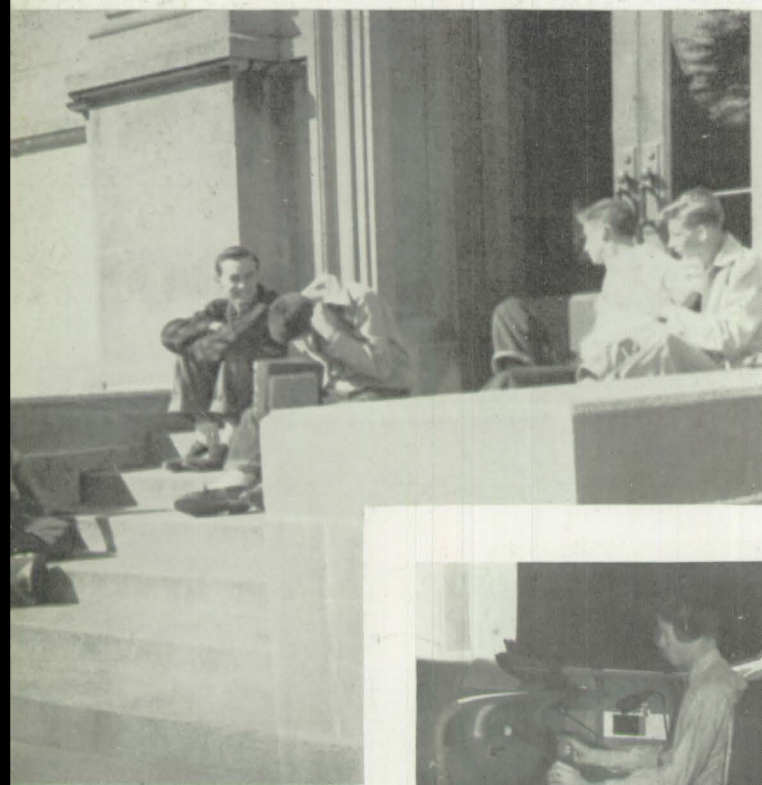

## *a bit and so...*

Having a wonderful time! Alberta Boehme and Harold Kubart offer conclusive proof that the S.C.A. dance was complete perfection.

Jack McMullen, dressed in his best unpressed denims, and Mary Ann Zahon were one of the many couples who attended and enjoyed the S.C.A. dance.

*... in the FALL You  
went to dances and proms and  
renewed old friendships and ...*

Was it the Vitamin D or the girls in the court?

Control room to pilot Spaulding. The engine overhaul class gives instructions on how to straighten up and fly right.

Willis Schaefer, the poor man's Harry James, gives the students instructions on the fine points of "Hey-Bob-O-Ree-Bob".

Berger Rasmussen and his Prom date, Ellen Petersen, relax on the veranda of a Southern Mansion.

... in the **WINTER** You  
went to the SCA dance, the box  
social and exciting games and...

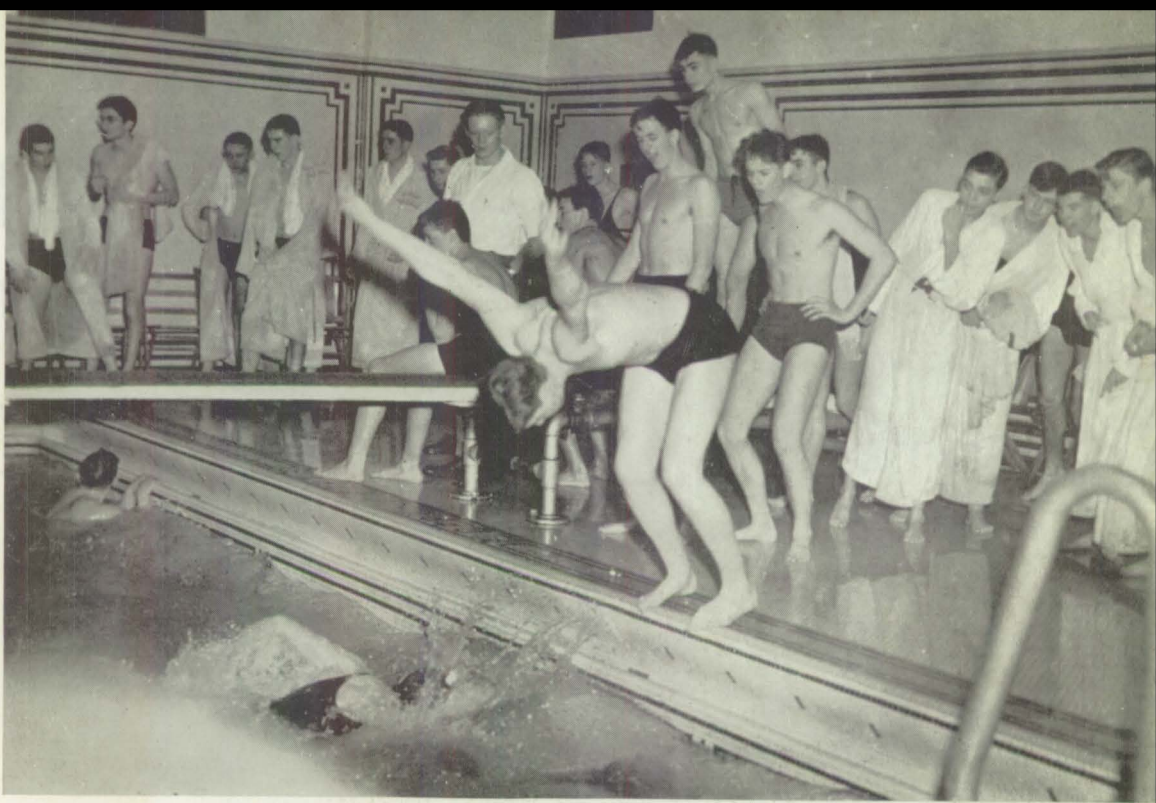

Chemistry students bubbling over with ideas and hydrochloric acid.

A scene from the Senior Y-Teen Box Social—Is that how our athletes get so strong and manly?

We dedicate this picture to Bay View's injured pride at being just another of a long line of teams defeated by Kenosha's swimmers. Soph Al Roedel takes off in the relays, while teammates Dick Shober, John Kaiser, and Gene Berres hold their breath.

Eager and laughing admirers eye "that doll that other fellows cannot steal":

*... in the **SPRING** You  
went to meetings and the dry-  
dock and reached the end of your*

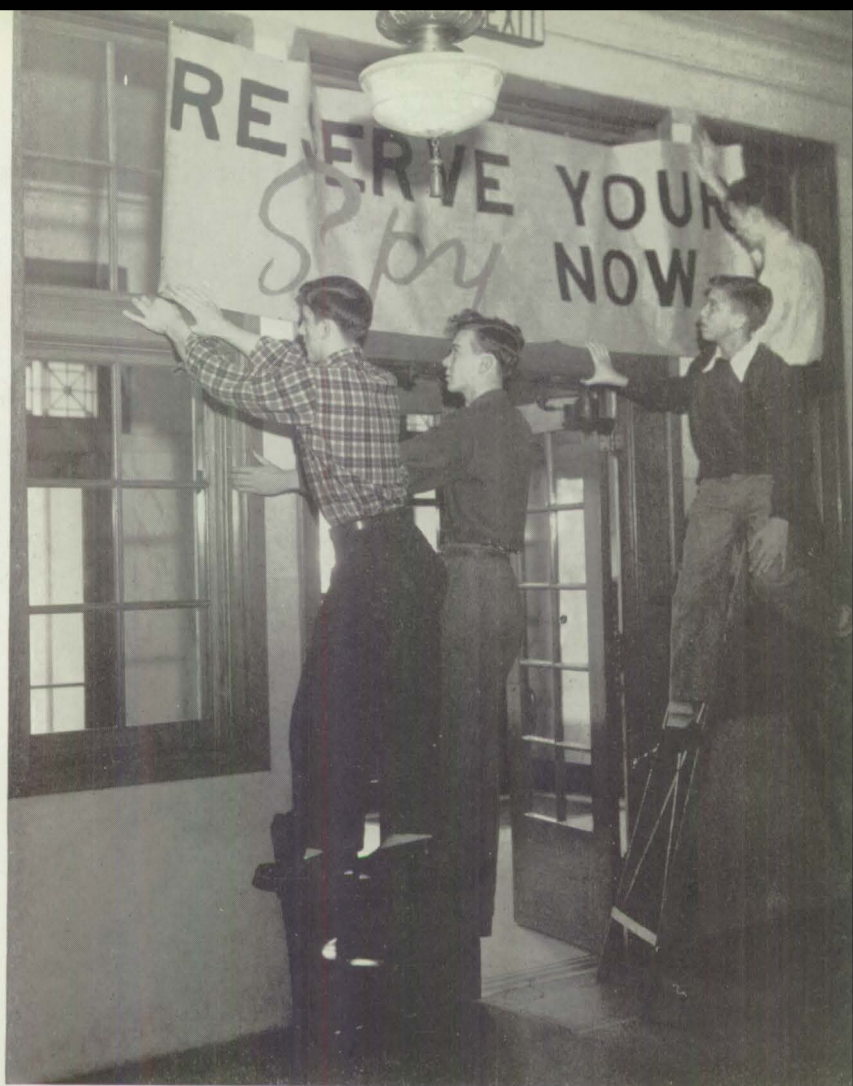

The Dry Dock, hangout deluxe, where you can meet everyone and anyone.

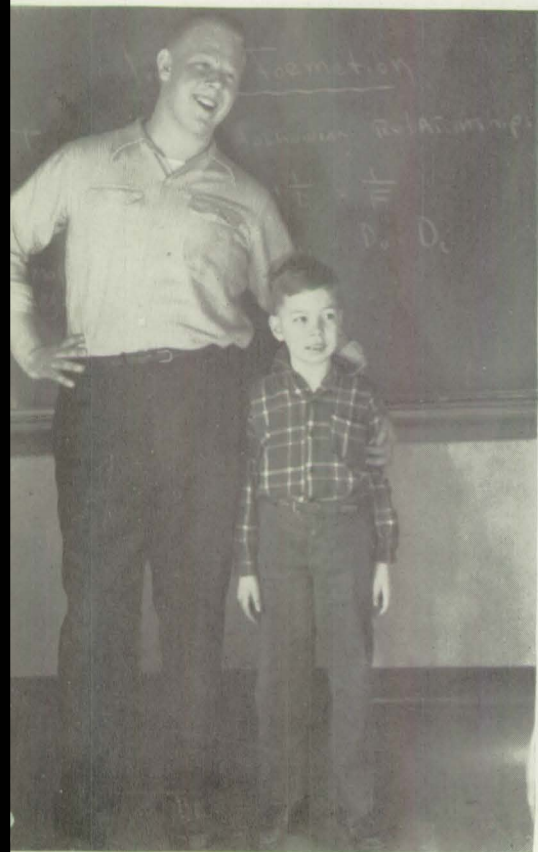

Future K-Teen members, Joan Proulx and Dorothy Stump get the works at initiation from Fran Wood and Rae Segal.

*year at  
Kenosha!*

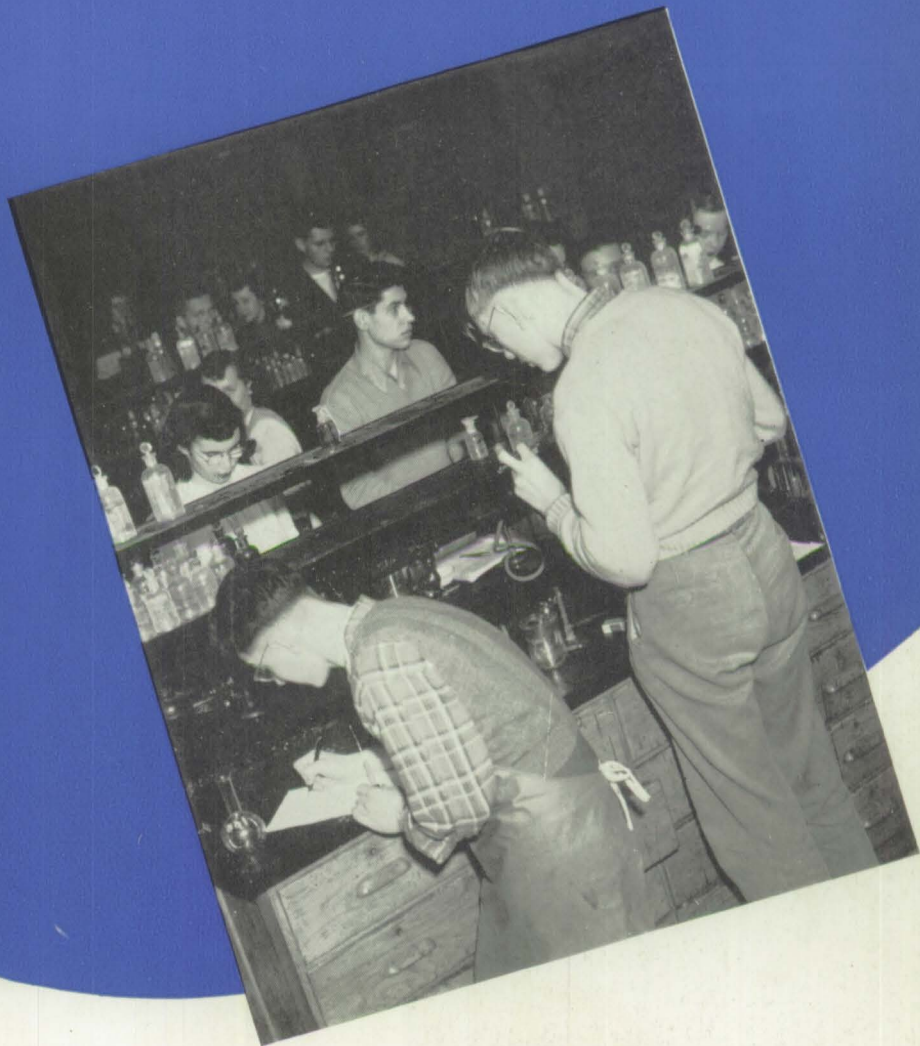

Members of the Spy Staff—Larry Slater, Allan Mink, Dick Shober, and Roger Van Norton, put up the sign that sold 1,250 copies.

The Mary D. Bradford High School is a symbol of our democracy. It stands for equality among races, creeds and religions. This public high school brings together many boys and girls to study and work for a common goal, that of building our nation and providing what is needed most by the teen-agers of our generation.

September 7. With twelve lettermen forming the nucleus of the '46 eleven, Kenosha, under the leadership of Coaches Engle and Trebbin, successfully opened the conference campaign by downing a revitalized Horlick eleven 12-6. Deprived of their tune-up game with Waukegan because of the polio epidemic, the Reds were erratic, often showing signs of brilliance and then noticeably lapsing. In this the game was typical of the entire season. Kenosha opened the scoring late in the first quarter when Jack McMullen lunged across from the two to cap a 44 yard drive. In the third quarter Horlick knotted the count on a seven yard jaunt by Velzka. Midway in the fourth quarter, John Maphis set up the winning tally by snaring a Horlick pass on the Horlick 49. Bruce Patton and Tom Johannes ran and passed Kenosha to the 12. After three plays gained five yards, Johannes flipped a flat pass to Patton, who scampered for the score.

## BELOIT 7

October 4. Kenosha's first jaunt abroad was unsuccessful, and the Reds returned from Beloit on the short end of a 7-6 score. Beloit scored in the first quarter after a poor Kenosha kick rolled dead on the 38. After racking up two first downs on passes, Pellegrin raced 13 yards for the score. Torrey's all important placement was good. Midway in the second quarter Kenosha scored on a 75 yard drive. Tom Johannes passed 29 yards to Joe Burzynski for the touchdown. Milo Fechner's try for the point was blocked. The second half was a see-saw battle with most of the play between the 30 yard lines.

## CENTRAL 7

October 11. Kenosha extended the Homecoming string to seven straight by whipping Central 14-7. Completely dormant in the first half, the Reds were in their top form of the season during the second half, marching at will for two scores while holding Central completely in check. In the second quarter, Al Dockery, Central's flashy halfback, opened the scoring on a ten yard jaunt around left end. The kick was good. Bruce Patton started the second half attack by recovering a fumble on the 44. On straight power plays led by Jack McMullen, Tom Johannes, and Patton, the Reds marched to the two. McMullen plowed over. Milo Fechner added the tying point. The second touchdown was all Tom Bisciglia. "Nazi" Dobryzinski blocked a Central punt, and Bisciglia recovered on the 31. Bisciglia rammed for sixteen of the yards and then moved the final two. Fechner again converted. The Red line was highly effective with Ken Huxhold, Roger Miller, and Dobryzinski all outstanding.

## PARK 13

October 19. Showing a complete reversal of form from the Central game the Reds succumbed to the Park "Jinx," 13-0. For the fourth straight year the Racine eleven trampled on the Red and Black. With the game only three minutes old, Park led 6-0. Park kicked off to start the game, and Bruce Patton returned to the 30. Two line plays gained nothing, and the Reds fumbled. Park recovered, and six plays later they scored. The conversion was low. In the second quarter Park stopped the Reds on the four and in the third quarter marched 96 yards in 15 plays, to lead 13-0. Kenosha showed more spark and drove to the eight, only to be halted by a roughness penalty. Ken Huxhold and Patton were the only bright spots in an otherwise dark picture.

Guard Dick Anderson and tackle Dick Wagner pose for the camera.

Gridmen Roger Miller, Bruce Patton, and Bill Hart smile an approval of their team.

#### KENOSHA 14

October 25. Kenosha bounced back from the Park defeat to overwhelm East 14-6. All three touchdowns were the result of fumbles, but throughout most of the game the Reds outplayed the Madison gridders. Kenosha scored first midway in the second period, when East fumbled Bruce Patton's kick and Joe Burzynski recovered on the three. After three line plays failed, Patton passed to Dick Stetson in the end zone. Milo Fechner converted. Kenosha threatened twice more in the first half, but each drive fell short.

#### EAST 6

East counted in the third quarter by recovering a fumble on the Kenosha 35. After two line plays had gained little, Erickson pitched 27 yards for a score. The kick was wide. Several minutes later the Reds garnered the clinching score. Tom Kiffel set up the tally when he recovered an East fumble on the 24. Tom Johannes flipped to Joe Burzynski, who was pulled down on the one yard line. Johannes nudged over the middle for the touchdown. East threatened often in the final period, but the line braced; and Fechner unraveled several long boots to stop the threats.

**KENOSHA 6****JANESVILLE 12**

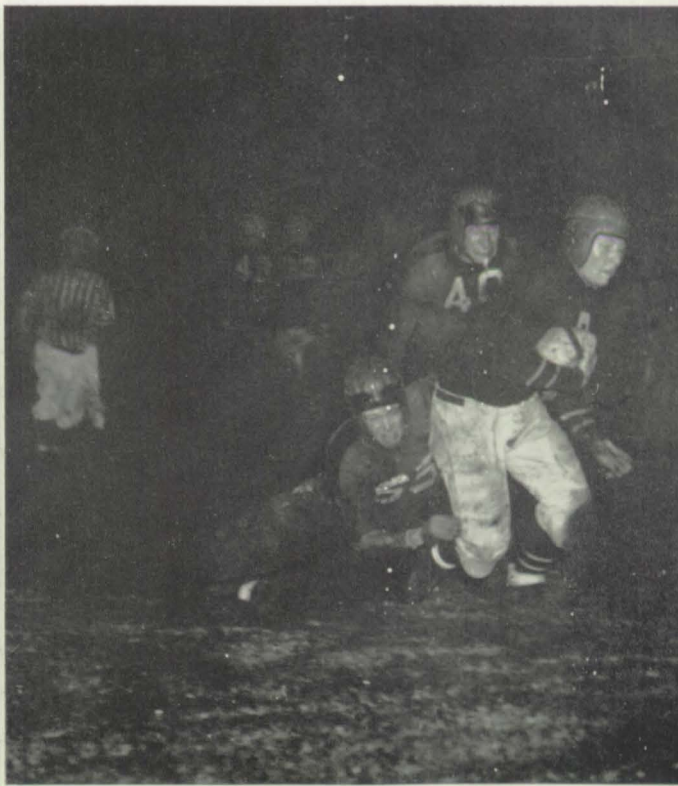

November 1. Before a rainsoaked Dad's Day crowd, Janesville tipped the Reds 12-6. After a scoreless first half during which both teams were harnessed by the mud, the Bluebirds counted in the third period on a long pass deflected by a Kenosha defender into the hands of Jencko, who ran the remaining 10 yards for the score. Taking the ball following kickoff Kenosha marched 80 yards but lost the ball on downs on the Janesville five. Again in the fourth quarter Janesville scored, this time on a 20 yard jaunt by Shleisner. With three minutes left in the game Kenosha caught fire. Bruce Patton unleashed a 40 yard aerial to Joe Burzynski who sprinted the final 10 yards to score. Milo Fechner's consistently long boots of 50 and 60 yards with the wet pigskin was the feature of the game.

**KENOSHA 14****WEST 26**

November 6. For three quarters the Reds played the championship West Regents on even terms, only to fall in the final period on two quick Madison thrusts. West scored in the first period when Annen intercepted a Kenosha aerial and raced 50 yards to pay dirt. Early in the second quarter Kenosha moved ahead on a 47 yard drive set up by "Dint" Sonnenberg, who recovered a West fumble. Bruce Patton sneaked across from the one. Milo Fechner converted. Kenosha's one point lead was short lived, as West scored with 30 seconds of the half remaining. This time the point was good, and Madison led 13-7 at halftime. The third period West broke loose and scored two quick touchdowns. Bill Sobol tallied the final marker for Kenosha when he dashed 57 yards with a screen pass.

# Junior Varsity

Coached by Mr. Art Fenske the Junior Varsity played an abbreviated three game schedule. Composed of third and fourth string varsity men, the Jay Vees gained one verdict while dropping two. In their first tussle the Reds lost a 12-6 decision to the Park Jay Vees, and in a return contest the

Park eleven was again victorious, this time by a 19-6 count. In the season's finale the Juniors topped a city crew 26-0. Most promising candidates for next year's varsity include Gene Ambrose, Jack Gallagher, "Red" Clausen and Bob Keller.

# Sophomore Team

Coach Smith's sophomore football team finished the season with a second place in their conference. The Little Reds won four tilts against one loss and a tie. In a 0-0 contest with Madison West the Sophs narrowly missed a winning goal when the final whistle found them on the four yard line

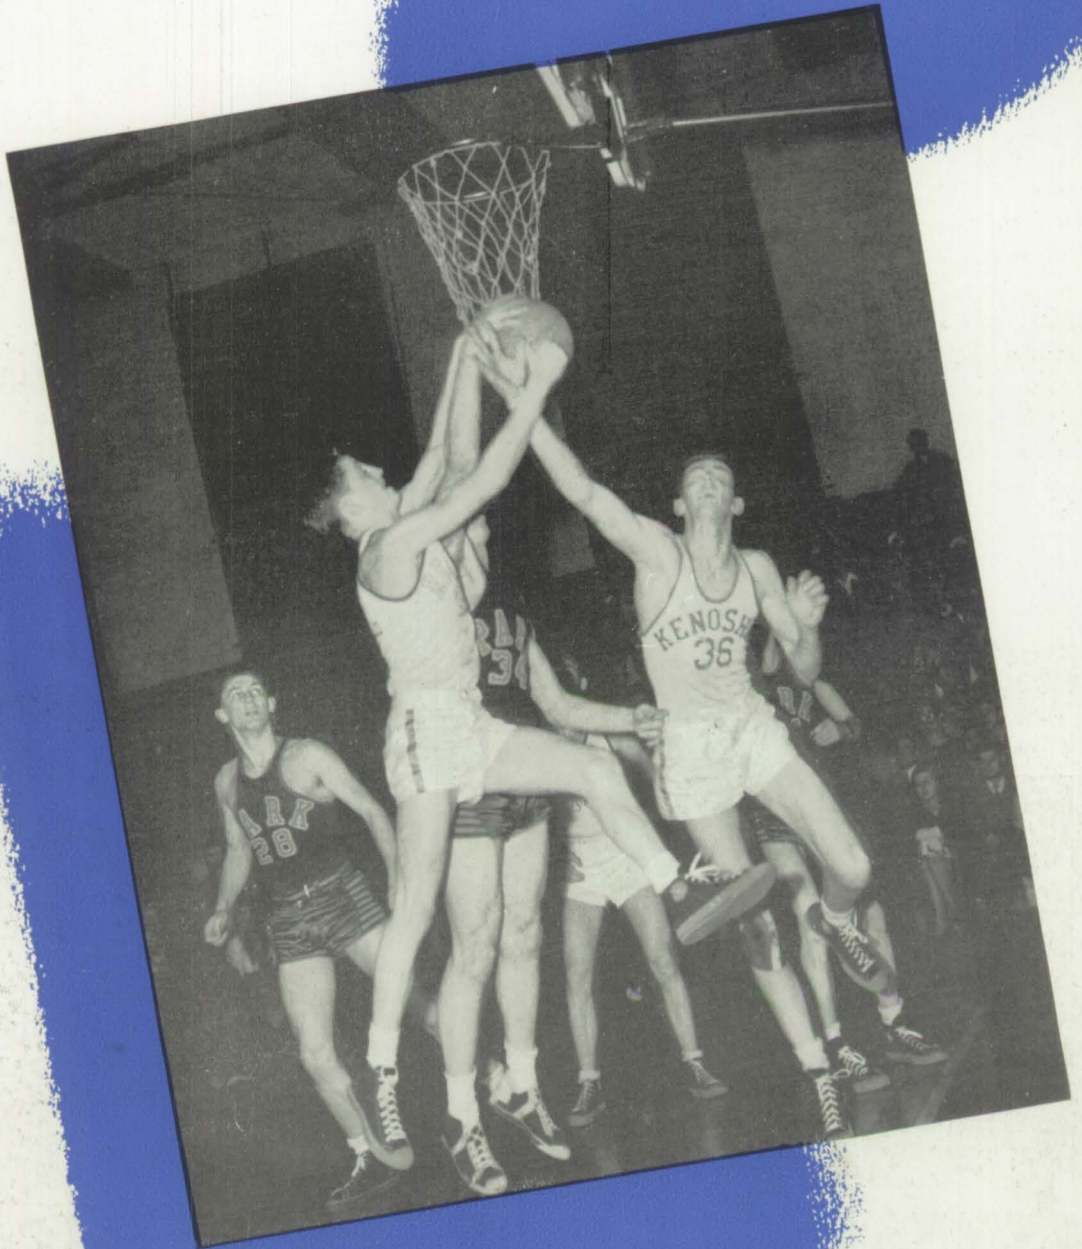

with victory in sight.

The training and know-how gained this season will serve the Sophs well as varsity members next year. To be counted upon next year are John Fox, Phil Spallato, George Arnsmeier, Tom Roberts, Frank Missurelli, and Jack Davidson.

# BASKETBALL

# Season

Beset by bad breaks and lacking height, the Reds were relegated to the bottom rung of the Big Eight. On four occasions Kenosha dropped tilts by less than three points. Bruce Patton was the team's leading scorer with 204 points over the 20 game route. Until his graduation at mid-season Frank Bennett was a steady cog at the center post and provided the team with its only six footer. At the forward posts Tom Taube and

George Vanchena also saw much service. The junior guards, Len Ciappetta and Jack Smith, were constant point getters and will provide Coach Smith a basis for next year's five. Out of all the gloom the Reds did have two consolations. They defeated Beloit, the future state champs, by 18 points, and also copped two straight in the regionals before losing a 42-39 decision to West Allis Central which went to the semi-finals of the state tourney.

**KENOSHA 22****WAUKEGAN 47**

November 2. At Waukegan, the Reds fell 47-22 to one of the strongest high school fives in Illinois. Bruce Patton tossed in eight points for Kenosha.

**KENOSHA 55****RUFUS KING 43**

November 22. Fielding a comparatively small but fast quintet and bolstered by the return of seven lettermen, Coach Andy Smith's Red Devils opened the 1946-1947 season with a 55-43 win over Rufus King. Showing great scoring punch the Red's jumped to an 18-13 lead at the quarter and increased the count during the remainder of the game. Bruce Patton and Frank Bennett tallied 18 and 16 points respectively for the winners.

**KENOSHA 35****HORLICK 37**

November 29. Kenosha opened their Big Eight conference schedule by absorbing a 37-35 defeat at the hands of Horlick. Trailing 16-10 at half-time the Smithmen rallied in the second half to tie the score with a minute remaining. Here Horlick scored again and staved off the Reds. Bruce Patton led the Kenosha scoring with 10 points, while Roger Miller netted 8.

**KENOSHA 48****BELOIT 30**

December 6. Outscoring Beloit in every quarter, the Redmen gained their only conference win at the expense of the future state champs 48-30, salting away the victory with a 19 point surge in the final quarter. Jack Smith paced the Reds with eleven points.

**KENOSHA 33****WEST 49**

December 20. Converting on 17 of 24 free tosses, West toppled the Redmen 49-33. Kenosha was still in the game until the final period when West counted 20 points.

**KENOSHA 40****EAST 42**

December 13. Although they outscored East in three of the four quarters, the Reds dropped another two point decision 42-40. A sixteen point rally in the final quarter fell short when shots by Bruce Patton and Frank Bennett in the final seconds rolled around the rim but refused to fall through. Jack Smith and Patton tallied nine and eight points respectively for Kenosha.

**KENOSHA 45****CENTRAL 46**

January 3. Paced by the sparkling play of Bruce Patton and Len Ciappetta, Kenosha came within an eyelash of upsetting the pace setting Madison Centralites but finally fell 46-45. Again accuracy from the free throw line was the deciding factor with Central connecting on 14 of 18 tries while the Reds made 7 of 11.

**KENOSHA 46****JANESVILLE 61**

January 10. Hitting for a 500 percentage from the floor, Janesville rolled over a hopeless Red five 61-46. Janesville fired in 26 baskets in 52 attempts to give a remarkable shooting exhibition. Bruce Patton counted 14 points for the Red Devils.

**KENOSHA 36****SHOREWOOD 40**

January 11. Taking time out from conference play, the Redmen dropped a 40-36 decision to Shorewood of the Milwaukee Suburban League. After trailing for three quarters, Kenosha knotted the count midway in the fourth period, but a final Shorewood surge gave the visitors the win.

**KENOSHA 28****PARK 37**

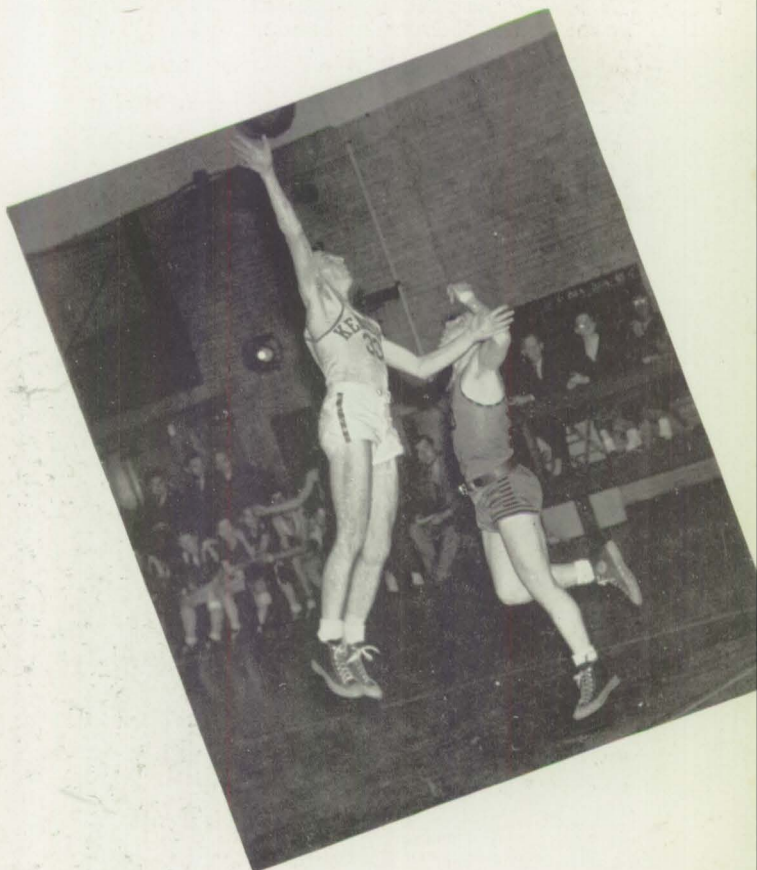

January 18. Apparently on the way to their first home win with a 25-23 margin, the Reds were toppled when Park exploded for sixteen points in the final four minutes. Jack Smith had nine points and Bruce Patton eight for Kenosha. The game was the finale for three of the Redmen, centers Frank Bennett and Roger Miller and guard Jim McGill.

**KENOSHA 33****HORLICK 34**

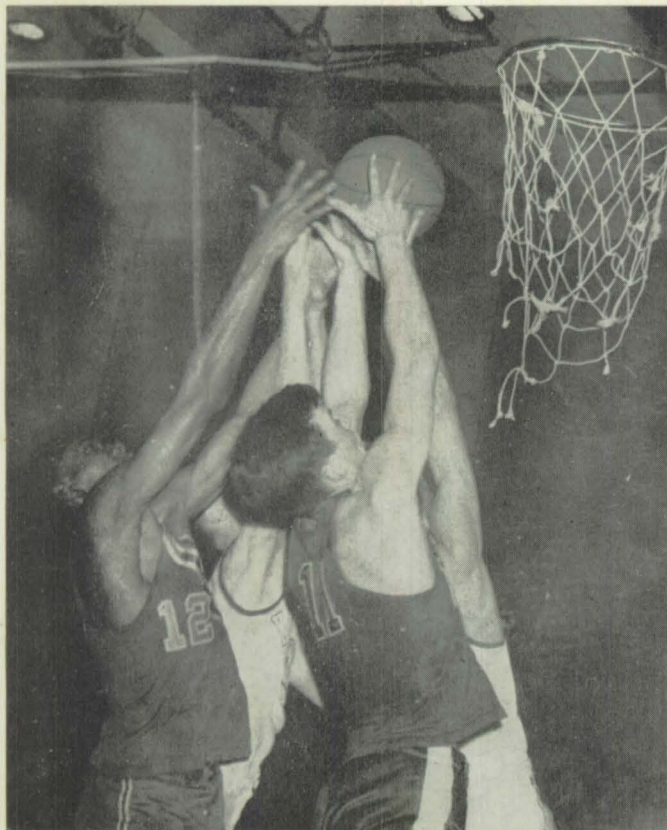

January 34. Another final quarter Kenosha collapse gave Horlick a 34-33 win. Leading 30-21 at the end of the third quarter, the Redmen scored only three points in the final period. Bruce Patton registered 17 points for scoring honors. Kenosha was successful on only seven of twenty free throws.

**BELOIT 63**

January 30. The Reds slipped deeper in the cellar as Beloit scorched the nets for a 63-44 win. At the quarter, Kenosha held an 8-6 lead, but from there Beloit took over. Bruce Patton with twelve points was again Kenosha's leading point producer.

**KENOSHA 39**

**JANESVILLE 54**

February 1. Janesville came to life in the second half and proceeded to administer the Reds a 54-39 beating. Joe Brittelli and Len Ciappetta each counted seven points for Kenosha.

**KENOSHA 40**

**EAST 58**

February 7. Building a 33-12 halftime lead, East punched out a 58-40 verdict over the hapless Reds. Bruce Patton saved some face by leading both teams with 14 points.

**KENOSHA 37**

**CENTRAL 65**

February 21. Before 10,000 fans in the Wisconsin fieldhouse Kenosha dropped a 65-37 decision to Central. At halftime the Reds trailed by only six points 24-18, but in the third period Central tipped in 21 points to settle the issue. Chuck Lamb and Bruce Patton had nine and eight points respectively.

**KENOSHA 46**

**WEST 56**

February 8. Showing more scoring ability than usual but still not enough to win, Kenosha dropped a 56-46 decision to West. West gained a 15-5 lead at the quarter and protected the 10 point margin the rest of the way. George Vanchena gained twelve points for the Reds.

**KENOSHA 31**

**PARK 42**

February 15. A second half Kenosha collapse allowed Park to trim Kenosha 42-31. Kenosha held an 18-15 lead at the half but counted only 13 points in the second half while Park collected 27. George Vanchena tallied nine points.

**KENOSHA 30      HAMMOND TECH 67**

February 22. With the Kenosha regulars resting on the bench until the final four minutes, Hammond Tech overpowered the Reds 67-30. Chuck Ledwinka gave the Kenosha rooters a shooting exhibition as he dropped in 26 points for Hammond.

**KENOSHA 55      WEST ALLIS HALE 48**

February 26. Sporting a new zone defense the Reds opened the regionals with a 55-48 win over West Allis Hale. The zone completely puzzled the Hale quintet, and only expert marksmanship from far out kept them in the contest. George Vanchena burned the nets with eighteen tallies to lead the scoring.

**KENOSHA 49      WEST MILWAUKEE 31**

February 28. Once again the Kenosha five looked like a different team as they rolled over West Milwaukee 49-31. The Reds built up a comfortable 29-12 halftime lead and coasted to victory. Leading scorer was Bruce Patton with 16 points.

**KENOSHA 39      WEST ALLIS CENTRAL 42**

March 1. The Reds waited too long to regain their tournament form and dropped a 42-39 decision to West Allis Central. Kenosha dropped in 21 points in the final quarter but massed only 18 points in the other three periods. Joe Brittelli flipped in 17 points in the Reds futile bid.

# LITTLE *Reds*

Coach Jim Trebbin's sophomore quintet suffered much the same fate as the varsity, winning only three of sixteen contests. Participating in the newly formed Soph Big 8, the Pinks ended in a three-way deadlock for sixth place. Although the record itself wasn't too encouraging, the Sophs showed marked improvement towards the close of the season, winning two and losing several close decisions, two in overtime. Bill Martin, lanky

center, was the leading scorer with a total of 154. Martin's ability to pivot with either hand made him a constant threat, and his height was valuable under the baskets. Runner-up with 137 tallies was Gail Procarione, who was also an excellent floor man. Martin and Procarione, and also forward Bernie Dulak and guard Don Dawson appear to be likely candidates to help raise the varsity from its present position.

Two victories, a trio of thirds, and an eighth in the state meet were the laurels gained by Byron Davey's cross country team. Outstanding performer of the harriers was Don Firchow, who broke two course marks during the season and finished tenth in a field of 161 in the state meet.

Lettermen were Don Firchow, Lee Hunkeler, Milton Staskus, Vernon Hopf, Dick Cross, Archie Timm, Frank Gerolmo, Warren Spaulding, Jerry Pfarr, and Don Newport. Teammates elected "Bones" Gerolmo and Warren Spaulding co-captains.

# .. undefeated

Five months of sweat, worry, practice, and planning had its reward when the Red mermen won their ninth and last swim meet to climax the first undefeated dual meet season in the history of Kenosha High School. Under the able guidance of Coach Jack Peel, the Redfish unleashed their power to roll up 575 points while limiting their opponents to a meager 265.

opponents to a meagre 265.  
 In the state meet the Kenosha swimmers almost caused a major upset when they splashed to second place in a field of 14 schools, only 14 points behind Wauwatosa, the perennial champion. In the 9 event program, Kenosha brought home 3 championships as well as several other places. Larry Keckler won the title in the 200 yd. free style in 2:09.2, only .6 seconds off the state record. Alan Roedel followed with a third in the same race. Jerry Smith won the state individual medley crown in 45.9 seconds. The third win was registered by the 200 yd. free style relay quartet of Wells Denyes, Bob Baker, Alan Roedel, and Jerry Smith with a time of 1:45.4. Keck'ler

and Baker returned to place second and fifth respectively in the 100 yd. free style. Wells Denyes completed the scoring with a fourth in the 50 yd. free style.

Fourteen new records were established during the season. In the 'Tosa relays, Kenosha tacked up two new state relay marks. Bill Stanley, a midyear grad, teamed up with Roedel, Smith, and Keckler to lower the 800 yd. free relay mark from 9:26.4 to 9:05.9. Later with Denyes in the Roedel's place, the same group set a record of 3:53.2 in the 400 yd. free relay. New pool and all time Kenosha marks were set by Keckler in the 100 and 200 yd. free style, and by Smith in the individual medley.

The brilliant season was due largely to the way in which Coach Peel combined the efforts of his veteran mermen, Borland, Denyes, McCarthy, Pfeiffer, Shober, Kaiser, Keckler, Smith, and Stanley, with those of the younger aspirants Kueny, Roedel, Berres, Baker, Roberts, Aiello, Hansen, and Krumm; about whom the squad for next year will be built.

# TRACK

At the bark of the gun, George Schwaiko, Bill Kupfer, Tom Bisciglia, and Don Firchow spring from their marks with short, choppy strides as the pre-season track drills defy frigid weather.

Timber-toppers, Bruce Patton and Bill Sobol, exhibit form and finesse as they go through their paces in quest of a successful campaign in the hurdle events.

Eleven lettermen, five cross-country artists, and a host of newcomers answered Coach Engle's call to spikes and sweat togs as the 1947 track campaign got under way.

Sprinters, Bill Henry and Bill Romanshek; hurdlers, Bruce Patton and Bill Sobol; milers, Don Firchow, Warren Spaulding and Frank Gerolmo; pole vaulters, Tom Bisciglia and George Van-chena; weight man, Ken Huxhold; and high jumper, Jerry Pfarr, were the returning emblem winners. These vets were given valued assistance by such promising point-earners as: Bill Kupfer, Stan McCormick, Dick Hunkeler, Wes Eisenhauer, Milo Fechner, Chuck Kalinko, Vernon Hopf, Lee Hunkeler, Dick Cross, Milton Staskus, Bob Grno, Jack McMullen, Joe Burzynski, and John Maphis.

#### MADISON RELAYS

At Madison, the Reds accumulated 17 points to place sixth among 20 Class A schools. Ken Huxhold fired the pellet 48 ft. 9 in. for top honors in the shot put. The high-hurdle relay trio, consisting of Bill Sobol, Jerry Pfarr, and Bruce Patton, placed second, while Pfarr also tied for first in the high jump.

#### KENOSHA 54

The Reds battled Waukegan on even terms until a baton accident in the relay cost them the meet. Huxhold again won the shot put and set a new field record in the discus. Other first places were captured by Bill Kupfer and Bill Romanshek in the dashes, Don Firchow in the 880, Frank Gerolmo in the mile, and Tom Bisciglia in the pole vault.

#### WAUKEGAN 59

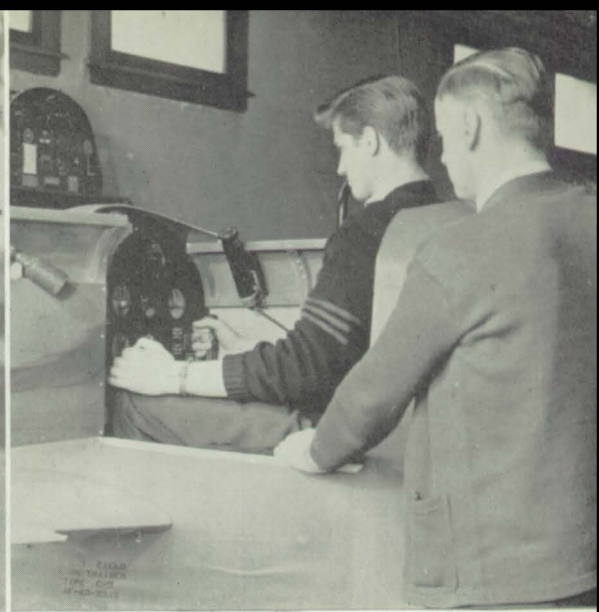

#### KENOSHA 71

Two field records fell as the Kenoshans slaughtered a hapless Horlick brigade. Huxhold remained undefeated in the weight events, tossing the shot 48 ft. 1 in. and the discus 149 ft. 11 in., the latter mark eclipsing the former record. Jerry Pfarr cleared 5 ft. 10 in. in the high jump for another new standard. Bruce Patton skimmed the high and low hurdles in excellent time to emerge from the fray a double winner. Other first places were garnered by Kupfer, Romanshek, and Kalinko.

## The *SPY* STAFF

In a year of continued shortages and rising costs, a new style yearbook was tried for the 1947 *Spy*. Roger Van Norton, editor-in-chief, worked steadily to overcome these difficulties and to turn out this, *the Spy with the accent on you*.

Roger Van Norton..... Editor-in-Chief  
 John Kaiser..... Advertising Manager  
 Carolyn Smith..... Subscription Manager  
 Ethel Haugaard..... Seniors  
 Sally Duffy..... Club Editor  
 Dorothy Slater..... Advisor  
 Special thanks to Kenneth Brown, Harold Foote, and Harvard Smith.

Chivalry is dead—at least in Bill Kupfer's mind—for he is unmoved by the labors of Sally Duffy and Rachel Covell.

# The Hardy's in Politics

Even if you aren't an Andy Hardy or his feminine equivalent in a turbulent politically-minded family, you undoubtedly enjoyed the February class play, "The Hardy's in Politics." Bob Johnson as the irrepressible Andy Hardy was everything a teen-ager should not be, while the rest of the family dealt in politics, marital troubles, and complete reforms in hilarious succession. With the political career of the Judge, Bob Speaker, as a background, they went through a storm of quarrels and reconciliations as humorous as they were unpredictable. The able cast of "The Hardy's" was directed by John Davies.

## THE HARDY'S IN POLITICS

Dino Ianni.....	Mr. Stubbins

Elsie Reynolds.....	Prompter

One of the high spots of the February class play—Marge Urban and Bill Stanley in fond embrace, while Bob Johnson beams over plans for the future.

Dino Ianni, campaign manager, congratulates Bob Speaker on his political victory in "The Hardy's in Politics."

And here is the talented cast of the February class play. Row 2: Bob Eidsor, Elsie Reynolds, Bob Johnson, Dorothy Tennesen, Bob Speaker, Bill Stanley. Row 1: Dorothy Petersen, Saretta Holman, Margaret Urban, Gay Phillipson, Dino Ianni, Mr. Davies.

# FORENSICS

The debate proposition this year was "Resolved: That the Federal Government Should Provide a System of Complete Medical Care Available to all Citizens at Public Expense." Our affirmative team, Allan Mink and Carl Bereiter, and our negative team, Richard Marcus and Jerry Stumpf, came out about fifty-fifty, not as successful as usual, but successful. They met about thirty of the state's leading schools. In the state meet, our high school took fourth place; first, second, and third being taken by Port Washington, West Bend, and Sheboygan Central, respectively.

Members of the Forensic squad, Allan Mink and Richard Markus, discuss socialized medicine with Mr. Davies.

Mr. Davies coaches the 1946 Debate Teams. Affirmative: Carl Bereiter, Alan Mink, Lloyd Ogilvie. Negative: Richard Marcus, Jerome Stumpf.

Judy Chemerow, editor-in-chief of the *Keneus*, gets a few trade secrets from her predecessor, Lila Jean Hansen.

Members of the *Keneus* staff . . . Bob Eidsor, new editor; Sally Backlund, reporter; and John Hoffman, advertising manager, confer with the advisor, Mr. Hannon.

# KENEWS

The *Keneus* staff, super deadline meeters, every other week turns out a four page paper designed to bring the student complete school news coverage and the little whimsies of school life. This year two special eight page editions were issued at the semesters' ends. With a circulation of 1500, the *Keneus*' influence is felt even in the farthest corner of the Annex. The smooth-functioning staffs were led by Lila Jean Hansen and Judy Chemerow, advised by Mr. Hannon.

# G. A. A.

The Girls' Athletic Association is composed of girls who are interested in various sports. Tumbling, tennis, and bowling, bounceball, basketball, volleyball, and baseball are some of the games in which they participate. This year something new has been added—horseback riding.

The girls, however, are interested not only in sports, but also in social activities. In the Fall they gave a dance, part of the proceeds of which were used to purchase our new bulletin board. In the Spring the G.A.A. sponsored a play day for club members from Racine and Kenosha high schools.

G.A.A. Members, Genevieve Stulgaitis and Ruth Pellegrino, caught in a "Planche" exercise.

# HOMECOMING

## Do You Remember

... bright light and blaring bands ... the cheering crowds ... the exhilaration of victory ... your '47 Homecoming.

This year's flawless homecoming in the true De Mille tradition was organized by John Kaiser and his assistant, Allan Mink. After a noisy two-week campaign by the Birdies, the student body elected their candidate, Bonnie Wagner, queen. Homecoming with its beautiful queen and colorful floats ended on a note of triumph as the Reds upset Madison East to complete the celebration with their seventh straight homecoming victory.

Not a movie ... only Dino Ianni performing the pleasant duties of the Senior A Class president.

Neither Republicans nor Democrats, just Homecoming candidates.

Row 2: Marion Keller, Mary Kuyawa, Jean Barth, Betty O'Hare, Ethel Haugaard, Dorothy Peterson, Gay Phillipson, Sally Backlund.

# PROM

## Do You Remember

. . . soft lights and mellow music . . . the pastel rainbow of formals . . . white porches and green palms. This year's Prom was all these and more. It was Tom and Fran leading the grand march. It was the crisp tuxes, and your date next to you. It was the highlight of your year at Kenosha.

Marion Keller, Bruce Patton, Barbara Werve, Frank Bennett . . . Prom night.

Jerry Peterson and his Prom date, Marianne Jantzen. Need we say more?

## *the '47* **PROM**

Soft-tinted magnolia blossoms and simulated verandas added to the smooth atmosphere of the Junior Prom. The most glamorous event of the year attracted 300 couples, who braved the weather to be transported across the Mason Dixon line to the Old South. This year a plantation theme was admirably executed by Miss Ruth Brown and Mr. Kenneth Brown in conjunction with the Junior Class.

Junior Class officers made up the General Prom committee advised by Miss Brown and Mr. Brown. Chairmen of other committees were: Barbara Werve, Decorations; Margaret Eggert, Program; Jean Fitch, Chaperones and Invitations; Janice Nelson, Refreshments and Serving; Gilbert Krumm, Door and Conduct; Nancy Shannon, Checking; Mary Robertson, Publicity.

Dancing to the strains of a romantic waltz, Prom couples enjoy the atmosphere of the Southland.

Lorraine Bokdanske and Al Christensen, Thomasia Chudada and Eddy Wiercinski, along with some other prom-trotters, make with a big smile for our camera man.

Major Schumacher presents Tribune awards to the ever military Ted Lindquist and Peter DeLaat.

# R. O. T. C.

The R. O. T. C. unit here is now in its third year under school sponsorship. It is open to all physically qualified boys in the school. The course is optional, but once the boy elects to take it, he must complete that year's work as a prerequisite for promotion or graduation.

The three-year course covers many basic infantry subjects, including marksmanship, drill, and ceremonies, scouting and patrolling, military courtesy, customs and discipline, map and aerial photo reading, the military history and policy of the United States, the organization of the Army, basic infantry

weapons, military sanitation and first aid, and others.

The training is supervised by the War Department through the Fifth Army's R. O. T. C. Director in Chicago, and successful completion of the three-year course normally leads to exemption from the first year of college R. O. T. C. work.

The unit is organized as a battalion of two companies and a battalion headquarters. Promotions are based on this organization, and the unit functions as a battalion whenever all cadets are present at one time.
